Orthophotography (Aerials)	\$1000/\$50 per tile	\$100	Time/Mat

*customized data request at \$90 an hour with minimum \$90

*** Includes all data layers listed

***Type A UPDATES:** prices available only after paying origination/licensing fee available yearly and the same for A and B.

Data Clipping:

For Type A entities wishing to acquire only specific sections of our countywide data the purchaser should be classified according to the above, and the following formula should be used in determining the price: min \$90

$$\text{\$Price} = \frac{\text{Price of Countywide Data} \times \text{\# Records Clipped}}{\text{Total \# of Tabular Records}}$$
