

## Anderson County Sewer Department Delegated Review Checklist For Construction Submittals

		YES	NO	N/A
1	Have Utility plans been submitted and approved by Anderson County Wastewater Department?			
2	Transmittal letter noting DRP submittal.			
3	Application fee of \$75.00 made payable to SCDHEC Bureau of Finance.			
4	The original Application for Permit to Construct and two (2) copies. Forms available at SCDHEC.gov.			
5	Three (3) copies of construction plans.			
6	Two (2) copies of appropriate design calculations including flow and pump station calculations with a copy of the pump curve(s).			
7	One (1) copy of an 8 ½" X 11" detailed location map (must be separate from plans).			
8	Two (2) copies of easements unless the project owner has the right of eminent domain. Easements must be submitted with Standard Anderson County Wastewater Easement deed.			
9	A letter of acceptance from the entity providing the treatment of wastewater. Anderson County will obtain the Letter of Acceptance from the entity providing wastewater treatment.			
10	One (1) copy of the 208 Plan Certification (from designated COGs only).			
11	One (1) copy of the OCRM Certification (if applicable).			
12	One (1) copy of the Navigable Waters Permit (if applicable).			
13	SCDOT encroachment permits must be obtained for all sewer lines in applicable Right of Way (ROW). SCDOT encroachment permits must be submitted by Anderson County. An Anderson County Indemnification Agreement must be signed before SCDOT encroachment permits will be submitted. Anderson County encroachment permits must also be obtained as applicable.			
14	Two (2) sets of signed and sealed construction specifications.
