

Clemson Air Charter is a full service charter company based in Clemson, South Carolina. We operate a Beechcraft Baron 58 throughout the southeast. Each trip is unique, so we personalize each trip to maximize the individual experience. We look forward to sharing with you the difference a passion of aviation can bring when you fly with Clemson Air Charter.

We are a FAA certified Part 135 Charter Operator.

Our Air Carrier Certificate number is CATA533Q.
