#### County Installed Driveway

Will include:

- Reinforced Concrete Pipe, minimum of 15 inches interior diameter and 24 feet long if a pipe is needed.
- Crush and Run Gravel.
- Asphalt Apron up to 15 feet from the edge of the pavement.
- Asset of Anderson County for maintenance purposes.

Please illustrate, to the best of your ability, the center of the driveway location. This will assist the inspector in the field.

**\*\* Please mark the center of driveway location at the physical address. \*\***
