**Minutes from March were approved**

**Statewide CJCC Meeting**

*(Bobby Rettew Providing Update)*

- Biggest goal is unification between all of the CJCC's / How to help one another
- Figuring out how each CJCC is different and what each of their goals are
- Lancaster CJCC is just getting started and they asked us for help/support

## **Case Management Review/Detention Center Population Committee Report and New Jail Update**

*(Captain Baker Providing Update)*

- ADP at ACDC is 395 people
- Lots of updates from the committee meeting
- Filled in a lot of gaps
- From last report to current, we had 23 people leave the 90-day review spreadsheet & we added 22 more people to it
  - o Remaining about the same average of 90-day and above inmates

### **NEW JAIL**

- This past week, they spent time interviewing seven construction companies for the jail contract
- CMAR bid process has been easier than hard bid process
- It is an efficient process
  - o CMAR = Construction Management at Risk
- Already past budget for construction
  - o Had to ask council for more money
- We have a new DMH worker in the jail to help with Mental and Behavioral Health counseling
- ACDC FNP has been extended for 24 more hours of work each week

### **Mental Health Court**

*(Marlene McClain Providing Update)*

- She has gotten referrals from the PD's office, Solicitor's Office, Private Attorneys
- Jails can make referrals too, they just haven't yet.
- 2/5 of the referrals have not been accepted
  - o Too sick to participate

### **Goal Setting**

- We asked the group what new things they think we need to focus on
  - o New goals/missions

**Next meeting: May 13<sup>th</sup>, 2024**
