Minutes from February were approved

Case Management Review/Detention Center Population Committee Report and New Jail Update

(Captain Baker Providing Update)

- ADP at ACDC is 400 people
- Lots of movement since the last meeting
- These meetings are very helpful in making sure we are not “overlooking” inmates
- Highway is locking a lot of people up. This is adding to our ADP
- New Jail
 - o “CMAR” bid will be used
 - o Bigger companies will bid to build the new ACDC now that CMAR is in place
 - o Companies that are known for building jails and prisons are bidding more
 - o Captain Baker wants to make sure that it is done right the first time. He wants a company that has experience in building this type of facility
 - This is the biggest project that the County has ever done

Mental Health Court

(Solicitor David Wagner Providing Update)

- First referral meeting will be on March 12th
- Court will begin at the end of the month
- Judge Maddox will be the presiding judge

Hope Village

(Dave Phillips Providing Presentation)

- Dave has printed off updated resources guides
- The jail has been provided with some for the inmates to have upon release (per request)

Next meeting: April 9th, 2024
