Instructions for Completing Notice of Termination (NOT) Form

Who May File a Notice of Termination (NOT) Form:

Permittees who are presently covered under the Anderson County *Stormwater Management and Sedimentation Control Ordinance* for Stormwater Discharges Associated with land disturbing activity may submit a Notice of Termination (NOT) form when their facilities no longer have any stormwater discharges associated with land disturbing activity as defined in Chapter 38, Article V of the Anderson County Code of Ordinances, or when they are no longer the operator of the facilities. For construction activities, elimination of all stormwater discharges associated with land disturbing activity occurs when disturbed soils at the construction site have been finally stabilized and temporary erosion and sediment control measures have been removed or will be removed at an appropriate time, or that all stormwater discharges associated with land disturbing activity from the construction site that are authorized by an Anderson County Stormwater Permit have otherwise been eliminated. Final stabilization means that all soil-disturbing activities at the site have been completed, and that a uniform perennial vegetative cover with a density of 70% of the cover for unpaved areas not covered by permanent structures has been established, or equivalent permanent stabilization measures (such as the use of riprap, gabions, or geotextiles) have been employed.

Where to File NOT Form:

Send this form to the following address:
Anderson County Stormwater Management
731 Michelin Boulevard
Anderson, South Carolina 29626
Email: jbatson@andersoncountysc.org

Completing the form:

You must type or print, using upper-case letters, in the appropriate areas only. Please place each character between the marks.

Section I: Permit Information:

Enter the existing NPDES General Permit number and Anderson County Permit number assigned to the appropriate boxes: If there has been a change of operator and you are no longer the operator of the facility or site identified in Section III, check the corresponding box: If all stormwater discharges at the facility or site identified in Section III have been terminated, check the corresponding box.

Section II: Facility Operator Information:

Give the legal name of the person, firm, public organization, or any other entity that operates the facility or site described in this application. The name of the operator may not be the same name as the facility. The operator of the facility is the legal entity which controls the facility's operation, rather than the plant or site manager. Do not use a colloquial name. Enter the complete address and telephone number of the operator.

Enter the appropriate letter to indicate the legal status of the operator of the facility. F=Federal
S=State M=Public (other than federal or state) P=Private

Section III: Facility/Site Location Information:

Enter the facility's or site's official or legal name and complete address, including city, state and ZIP code. If the facility lacks a street address, indicate the state, the latitude and longitude of the facility to the nearest 15 seconds, or the quarter section, township, and range (to the nearest quarter section) of the approximate center of the site.

Section IV: Certification:

Anderson County statutes provide for severe penalties for submitting false information on this application form. Anderson County regulations require this application to be signed as follows:
