

## T-Hangar Referral Program

Anderson Regional Airport has put into place a T-Hangar referral program.

How does it work?

- A current tenant refers a new tenant to sign a T-Hangar lease.
- The new tenant must then sign a standard twelve month (12) lease.
- In the event the new tenant leaves before the twelve (12) month period expires, their security deposit will be used to recover the promotional one (1) month free rent.
- After the new tenant pays their first month's rent the referring and new tenant will receive one (1) month of free rent.
- Current tenants may refer multiple new tenants.
- For example, if a tenant refers ten (10) new tenants that each signs a lease & pays their first month's rent the referring tenant receives ten (10) months of free rent.
- Only one referral name (tenant) can be listed for each new tenant.
- The new tenant will write the current tenant on their application so we know who receives the free one (1) month rent.
- The T-Hangar Referral program will end when current vacant T-Hangars are occupied or at the discretion of the Airport Manager.

If you have a new tenant in mind, let them know that we have T-Hangars available and make **sure** they let us know you referred them.

Please have potential tenants contact Linda Gunning by phone at 864.260.4163 or by email at [lgunning@andersoncountysc.org](mailto:lgunning@andersoncountysc.org). If there are any questions please let us know.
