South Carolina Code of Laws of
1976

SECTION 12-60-2510. Property tax assessment notice; contents; written notice of objection.

(A)(1) In the case of property tax assessments made by the county assessor, whenever the assessor increases the fair market value or special use value in making a property tax assessment by one thousand dollars or more, or whenever the first property tax assessment is made on the property by a county assessor, the assessor, by July first in the year in which the property tax assessment is made, or as soon after as is practical, shall send the taxpayer a property tax assessment notice. In years when real property is appraised and assessed under a countywide equalization program, substantially all property tax assessment notices must be mailed by October first of the implementation year. In these reassessment years, if substantially all of the tax assessment notices are not mailed by October first, the prior year's property tax assessment must be the basis for all property tax assessments for the current tax year. A property tax assessment notice under this subsection must be in writing and must include:

- (a) the fair market value;
- (b) value as limited by Article 25,

Chapter 37, Title 12;

- (c) the special use value, if applicable;
- (d) the assessment ratio;
- (e) the property tax assessment;
- (f) the number of acres or lots;
- (g) the location of the property;
- (h) the tax map number; and
- (i) the appeal procedure.

(2) The notice must be served upon the taxpayer personally or by mailing it to the taxpayer at his last known place of residence which may be determined from the most recent listing in the applicable telephone direc-

tory, the Department of Motor Vehicles' motor vehicle registration list, county treasurer's records, or official notice from the property taxpayer.

(3) In years when there is a notice of property tax assessment, the property taxpayer, within ninety days after the assessor mails the property tax assessment notice, must give the assessor written notice of objection to one or more of the following: the fair market value, the special use value, the assessment ratio, and the property tax assessment.

(4) In years when there is no notice of property tax assessment, the property taxpayer may appeal the fair market value, the special use value, the assessment ratio, and the property tax assessment of a parcel of property at any time. The appeal must be submitted in writing to the assessor. An appeal submitted before the first penalty date applies for the property tax year for which that penalty would apply. An appeal submitted on or after the first penalty date applies for the succeeding property tax year.

(B) The department shall prescribe a standard property tax assessment notice designed to contain the information required in subsection (A) in a manner that may be easily understood.

SECTION 12-60-2520. Written request to meet with assessor constitutes notice of objection; written protest following conference; contents.

(A) A property taxpayer may object to a property tax assessment made by a county assessor by requesting in writing to meet with the assessor within the time limits provided in Section 12-60-2510. This written request is a notice of objection for purposes of this subarticle.

(B) If, upon examination of the property taxpayer's written objection, the county assessor agrees with the taxpayer, the county assessor must correct the error. If, upon the examination, the county assessor does not agree with the taxpayer, the assessor shall schedule a conference with

the property taxpayer within thirty days of the date of the request for a meeting or as soon after that as practical. If the matter is not resolved at the conference, the assessor shall advise the property taxpayer of the right to protest and provide the taxpayer a form on which to file the protest. The property taxpayer has thirty days after the date of the conference to file a written protest with the assessor. The protest must contain:

- (1) the name, address, and telephone number of the property taxpayer;
 - (2) a description of the property in issue;
 - (3) a statement of facts supporting the taxpayer's position;
 - (4) a statement outlining the reasons for the appeal, including any law or other authority, upon which the taxpayer relies; and
 - (5) the value and classification which the property taxpayer considers the fair market value, special use value, if applicable, and the proper classification.
- The taxpayer may use the form prepared by the department, but use of the form is not mandatory.

- (5) inform the taxpayer of procedures for all further appeals.

(D) The assessor may amend, modify, or rescind any property tax assessment, except claims relating to property tax exemptions.

(E) Each protest and each response must be filed and maintained at the office of the assessor for four years, and must be made available for examination and copying by any property taxpayer, at the taxpayer's expense pursuant to Chapter 4 of Title 30, the Freedom of Information Act.
