CARRIE BROWN
Senior Registration and Elections Clerk

We appreciate your recent interest in working at the polls during an election. The Anderson County Board of Registration and Elections is always looking for people to fill the vital role of an Election Worker.

We are now recruiting people to work for the Elections and wanted to provide some information to help you decide if you are still interested. **We need to know as soon as possible, if you want to be placed on the prospect list of Election Workers.**

Election Worker overview:

- Be a registered voter in Anderson County or an adjoining county.
- Can also work if aged 16 or 17.
- Be non-partisan and neutral while working at a polling location.
- We may not be able to assign you to work at your voting precinct; however, we will assign you as close as possible to your area.
- Attend Election Worker training class prior to working an election. The training class usually runs 2 1/2 to 3 hours. We have various days and times available.
- You are not able to leave the polling location on Election Day so you must be able to work the entire day. The polls are open to voters from 7:00 a.m. to 7:00 p.m.; however, you would arrive at approximately 6:00 a.m. and be there until after 7:00 p.m. when all voters have been processed and election material has been packed up. The end time would vary depending upon the election turnout.
- Election Day duties may include but are not limited to greeting voters, checking voters in on a laptop, activating an iVotronic for each voter, and following other duties and procedures outlined in training to ensure fair and impartial elections.
- Election Workers are compensated for working. You receive \$60.00 for attending the required training and \$75.00 for working Election Day. You are not paid for the training class if you do not work on Election Day.
- Must be dependable and have transportation to and from your assigned polling location.

Again, thank you for your interest and we look forward to hearing from you so we can add your name to the list of workers to contact for the upcoming elections. You can respond by completing the application and emailing it to acvote@andersoncountysc.org, mail it or call our office at 260-4035.
