### SECTION XIII-TAX FOR ANDERSON COUNTY SEWER

There is hereby directed to be levied a tax of three (3) mills on all county ordinary taxable and real property in all unincorporated areas of Anderson County, pursuant to Anderson County Ordinance Number 164 of 1986, in order to provide sewer service in the County.

### SECTION XIV. LEVYING OF A TAX FOR COUNTYWIDE EMERGENCY MEDICAL SERVICES

There is hereby directed to be levied a tax of six and six-tenths mills (6.6 mills) to provide such emergency medical services in the County; to be subject to and dependent upon the approval by County Council, prior to the levy of County taxes, of: the creation and organization of an oversight and governance board for County emergency medical services not addressed elsewhere; bylaws and agreements and other organizational documents for such board; applicable minimum standards for County providers of emergency medical services; oversight rules and agreements for County providers of emergency medical services; approval by County Council of funding for such emergency medical services including any required levy of County taxes; and a plan and procedure for the distribution of such levied funds to the County providers of emergency medical services on a fair and equitable basis.

### SECTION XV-SOLID WASTE/RECYCLING FEES

There shall be a uniform $71.68 Residential Solid Waste/Recycling Fee annually imposed upon the owner of record of each residence in the County, including all single and multi-family homes, mobile homes, and all lease and rental properties, and a uniform Commercial $82.49 Solid Waste/Recycling Fee annually imposed upon every business, excepting industries, located in a municipality in the County, and to be collected by such municipality not less frequently than annually and remitted to the County within thirty (30) days from the deadline imposed by the municipality for such collections. Together, these fees, plus the Starr C&D Landfill usage fee of $28/ton and revenues received from the sale of recycled materials, interest income, state grant and tire revenue are currently estimated to produce approximately $7,342,980 for this fiscal year, and
constitute the total anticipated fiscal year 2018-2019 revenues of the Solid Waste and Recycling Department.

The residential Solid Waste and Recycling Fees shall be levied as a uniform assessment by the Anderson County Auditor and placed upon the annual real estate tax notice and collected by the Anderson County Treasurer, pursuant to state law. The fiscal officers of the County shall have the authority to nulla bona or abate these fees to the same extent and under the same conditions as they do for a comparable tax.

Further, there shall be imposed a late fee and supplemental processing charge of $6.00, for all Solid Waste/Recycling Fees not timely remitted to the County Treasurer by March 16 of the year when due. For all past due accounts in excess of one year, the County shall impose an additional annual penalty of $12.00. The County shall pursue all legal remedies available to it to recover past due amounts, and shall hold the property owner responsible for all costs of collection, including reasonable attorney fees, as a part of such collection efforts and as a part of the fees imposed by County Council pursuant to state law, in order that lawful tax-paying citizens not be forced to subsidize those taxpayers who do not pay this lawful fee in a timely manner. Failure by a municipality to collect the uniform Commercial $84.98 Solid Waste/Recycling Fee or to remit such collected fees to the County in accordance with this section may result in the County terminating solid waste disposal privileges for such municipality until all such collections and/or remittances are made current.

All proceeds collected from these fees shall be accounted for in a separate fund to be used solely to account for solid waste operations in the County, including but not limited to, the collection, disposal, transfer, and recycling of solid waste, including, without limitation, the purchase or construction of machinery, equipment, and facilities for such operations, as well as the administrative expenses incurred in the operation of the Anderson County Solid Waste and Recycling Department and collection of the annual solid waste/recycling fee. The County is authorized to issue appropriate legal obligations, including bonds, as appropriately authorized by normal County processes to pay for all of the foregoing costs, utilizing the proceeds from these fees to pay for such costs, including, without limitations, to pay the debt service for such bond obligations. The fees addressed in this section may be set or changed by simple vote of County Council, and will be adjusted by the County Administrator and the Public Works Division Director of the County accordingly to reflect these changes by County Council. The provisions of this Section shall be codified in a separate ordinance of the County pertaining to Solid Waste/Recycling Fees, which shall include provisions for enforcement, including civil and criminal penalties for non-payment.

Because empirical evidence indicates that senior citizens generate less Solid Waste, by consuming less, than younger residents, the Anderson County Auditor shall only levy and collect a $40 Residential Solid Waste/Recycling Fee for every household which qualifies for and is granted the State Homestead Exemption.

SECTION XVI-SEWER FEES

The County is party to multiple agreements with the City of Anderson, South Carolina (the "City"), which have been in effect for many years and are of indefinite duration. Those agreements require the County to pay a pro rata share of the cost of certain upgrades to the City's sewer system, based on the volume of discharge and the nature of the discharge. Because the County does not set
the amount of such costs and because the costs are based on actual use by customers using the system, the only equitable method to use for paying the cost of increase charged by the City, pursuant to contractual agreements of long standing, is to increase the County sewer use charges affected, by the respective percentage or amount of increase charged by the City, i.e., to treat the amount charged by the City as a "pass-through" charge to the system users. In addition, the County has certain debt instruments in effect, with the South Carolina State Revolving Fund and others, which require the County to set sewer user charges in such an amount as will generate sufficient funds to pay all debt service on such debt instruments. The County Administrator and the Public Works Division Director may effect such "pass-through" charges by insuring that amounts charged by the City are correct and then passing those charges along, pro rata, to the users of the County sewer system impacted by the City charges, in the form of adjusted sewer use charges, based on the same cost increase factors utilized by the City, and may otherwise adjust such sewer use charges as required to adequately meet all debt service requirements of sewer system debt instruments and obligations duly authorized by County Council.

SECTION XVII-STORMWATER REQUIREMENTS AND PERSONNEL.

Federal and state law mandates the management of stormwater runoff by Anderson County. Accordingly, certain Public Works employees have been assigned to the management of Anderson County’s Stormwater Runoff management program. Anderson County Council may utilize funds from the Sewer Fund for the Stormwater Runoff management program, to the extent such funds are available and sufficient for that purpose and exceed stormwater fees collected for that purpose, rather than impose additional federally and state mandate-created fees for such purposes.

SECTION XIII-CREATION AND APPROPRIATION OF PUBLIC INFRASTRUCTURE FUND

There has heretofore been established, and shall be maintained as a separate budgetary and operational fund of the County, the Anderson County Public Infrastructure Fund (the “Fund”). The County shall deposit into such Fund those revenues of the County derived from fee-in-lieu-of-tax (“FILOT”) payments from the several joint county industrial and business parks of the County (“multi-county parks” or “MCIPs”), which are designated to be so deposited by this Ordinance or other ordinances of Anderson County, including, without limitation, Ordinance #2004-041, as amended from time to time (“Ordinance #2004-041”). Moneys deposited into the Fund shall be utilized for the costs of infrastructure serving economic development purposes in Anderson County (“Infrastructure”) in accordance with the provisions of 4-1-170, et seq., Code of Laws of South Carolina, 1976, as amended, and as directed by Anderson County Administrator. Such expenditures are hereby authorized by Anderson County Council. Deposits into such Fund shall include, without limitation, those revenues from the Anderson County-Greenville County multi-county park which are allocated to that purpose by Ordinance #2004-041, (exclusive of such revenues as are being utilized for separate special source revenue bonds issued to fund Infrastructure). Moreover, Anderson County Council affirms that distribution of the FILOT revenues received by Anderson County pursuant to the multi-county park agreements with Clarendon County and with Abbeville/McCormick Counties for park premises under those two agreements which are located in Anderson County shall be distributed in the same manner and pursuant to the same allocation methodology as set forth in Ordinance #2004-041. All monies and revenues received by Anderson County pursuant to Ordinance #2004-041 and this Section shall be accumulated in, accounted for, and distributed from such Fund as provided in such Ordinance and in this Section. Expenditures may be made from such Fund to pay
the cost of such Infrastructure directly or to make debt service payments on bonds or notes payable
issued by the County to fund such Infrastructure.

SECTION XIX-SPECIAL TAX DISTRICT REVENUES AND APPROPRIATIONS

The County Finance Department shall receive and account for those revenues of the County
levied and collected for the special tax districts of the county, as authorized, required, and levied by
the County ordinances creating such special tax districts. The County Finance Department will
disburse moneys from such funds in accordance with the County ordinances creating the special tax
districts, including, without limitation, for reimbursements of the County Public Works Division in
accordance with such ordinances. Such monies are hereby appropriated for those purposes.

SECTION XX-FUNDING OF COUNTY ORGANIZATIONS

All dependent boards, agencies, commissions, and organizations of the County, funded by
these budgets, except for County Rescue Squads shall be disbursed funds on a quarterly basis upon
a letter of request to the County Administrator any time after the beginning of the first month of
the quarter. A brief report shall be submitted along with the letter of request, detailing how County
funds were expended in the previous quarter. An audit report shall be presented to the County
Administrator within six months following the end of the respective fiscal year for each
organization addressed by this Section following receipt of request by the County Administrator.

SECTION XXI-SETTING OF A MILLAGE RATE

The Anderson County Council, working in cooperation with the Anderson County Auditor
and Treasurer and in accordance with the laws and Constitution of the State of South Carolina, shall
calculate and fix the amount of the millage necessary, not to exceed 81.7 mills total, exclusive of debt
service millage to be set by the Anderson County Auditor, as set forth herein, to support the
appropriations herein made, with the exception of those appropriations and portions thereof supported
by revenues other than property taxes, and shall so advise the Auditor and Treasurer of Anderson
County who shall levy and collect said millage, respectively, as hereby directed by the County
Council, in addition to any millage (for debt service or otherwise) for which the statutory authority to
determine and levy is granted to the Anderson County Auditor and the authority to collect is given to
the Anderson County Treasurer. All such levies of taxes authorized herein by Anderson County
Council for County of Anderson purposes shall be set forth, stated, and mailed to the taxpayers of
Anderson County on a tax notice showing such levies separate and independent of levies of taxes by
any other legal entity or political subdivision of the State of South Carolina, whether on a two-sided
tax notice or a multi-page tax notice or any other form of tax notice accomplishing the purpose set
forth in this paragraph. Anderson County Council will provide forms for such tax notices and no funds
appropriated by this budget ordinance are authorized for the procurement or preparation of any other
form of tax notice.

SECTION XXII-COMPLIANCE WITH COUNTY CODE AND ACCOUNTABILITY

All funds for County ordinary purchases and procurements shall be obligated in accordance
with the County Code through the County Central Purchasing Department and will be disbursed by
the Finance Department so as to provide for necessary auditing, unless specifically exempted by
County Council in public session.
All State and Federal Grants will be administered, coordinated, and accounted for by the Anderson County Finance Department. Use of funds appropriated by County Council district or otherwise, to reimburse members of County Council for reimbursable expenses (that is, for lodging, travel, registration fees, training, meals, and telephone usage) incurred in the discharge of their official duties shall be in accordance with the terms and provisions of the County Code.

SECTION XXIII-DEPOSITS

All service charges, reimbursements, fees, fines, other funds received by county departments shall be deposited with the County Treasurer as soon as possible after collection; but in no case shall the time lapse between collection and deposit with the Treasurer exceed thirty (30) days. The Treasurer is authorized and directed to deposit all funds received into the appropriate interest-bearing accounts, and any surplus funds and all accumulative interest shall be deposited into the General Fund of Anderson County.

SECTION XXIV-SURPLUS FUNDS

Except as otherwise noted herein, any surplus in the General Fund of the County or any moneys accruing therefrom shall be used as a contingency fund and shall be spent as authorized and directed by the Anderson County Council during the fiscal year addressed by this Ordinance, only. At the end of such fiscal year those funds shall be accounted for as addressed in the next succeeding Section. Any surplus in other funds of the County or any moneys accruing therefrom shall be retained and accounted for in such other fund or funds and shall be carried forward from year to year as fund balances in such funds.

SECTION XXV-END OF FISCAL YEAR ACCOUNTING

All appropriations made by this Ordinance for which monies have not been obligated or encumbered by the end of June 30, 2019, shall lapse and expire at that time. All appropriations made by this Ordinance for which the funding monies have been obligated or encumbered by June 30, 2019 shall remain on the books of Anderson County at June 30, 2019 for matching of the applicable expenditure for year-end accrual purposes. Once the ledgers are closed for year-end accrual purposes, the unused encumbrance amount will be removed from the encumbrance system. Unobligated General Fund budgetary appropriations and monies received by County departments and existing without obligation at the close of the fiscal year addressed by this Ordinance shall revert to the General Fund of Anderson County to be accounted for as fund balance; no existing appropriation or actual revenues on hand at the end of the fiscal year may be expended by any department during the succeeding fiscal year without new appropriation by County Council. Any surplus in other funds of the County or any moneys accruing therefrom shall be retained and accounted for in such other fund or funds and shall be carried forward from year to year as fund balances in such funds.

SECTION XXVI-TRANSFERRING OF FUNDS

The Administrator may approve changes in a department budget from one line item to another in an amount up to and including $10,000 at any one time; provided, however, the total department budget shall not increase, no new positions may be created, or capital expenses, may be accomplished by such a transfer without County Council approval. No transfer for any one type
of good or services may be subdivided, split or “stacked” for purposes of evading the requirements of this section.

Aggregate transfers within the fiscal year within a department which exceed $20,000 shall require County Council approval thereafter. All transfers shall be included in the “Administrator’s Report” section of the County Council agenda for Council’s review.

SECTION XXVII-DISBURSEMENTS

The County Administrator, based on financial conditions and cash-flow considerations, shall determine the proper rate of disbursement of the above-enumerated appropriations during the fiscal year. Transfers from fund to fund in order to properly account for and manage County funds and appropriations in accordance with generally accepted accounting standards continue to be explicitly approved notwithstanding any other language of this Ordinance, subject always to the reporting requirements of this Ordinance. All out of state travel for official County government business shall be approved in advance by the County Administrator to include any lodging, registration fees or meals associated with the trip. The County Administrator and the County Treasurer are hereby granted authority to enter into agreements with the Anderson County Board of Education and the School Districts of Anderson County, consistent with this Ordinance, to make accelerated disbursements of Anderson County school tax receipts to the School Districts of Anderson County and to the Anderson County Board of Education.

SECTION XXVIII-PAUPER BURIALS

Pauper burials shall be funded in the budget of the Coroner (5131) at the rate established by sealed bid. Documentation for each such burial will be maintained at the Coroner’s Office and, as further, the Coroner is hereby authorized to arrange for the disposition of deceased indigent persons in accordance with state law including, but not limited to, Title 32, Chapter 8 of the South Carolina Code of Laws (1976, as amended).

SECTION XXIX-RETIREMENT OF AUTOMOTIVE AND HEAVY EQUIPMENT

Unless otherwise directed by County Council, automotive and heavy equipment will be retired from service by any department receiving replacement equipment on a one for one basis as the replacement equipment is received. Retired equipment will be appropriately evaluated for reassignment or disposition by the Public Works Division Director and the County Administrator for those departments under the director of the County Administrator and the Sheriff for those vehicles used by those departments reporting to this elected official.

SECTION XXX-TAX ANTICIPATION NOTES

As permitted by Article X, Section 14, of the Constitution of the State of South Carolina, 1895, as amended and Section 11-27-40, Code of Laws of South Carolina, 1976, as amended, County Council is hereby empowered to authorize the issuance of tax anticipation notes in the aggregate principal amount of not exceeding $10,000,000 (the “TANS”) in anticipation of the collection of taxes imposed and levied by this Ordinance. The TANS may be issued at any time or from time to time during the fiscal year beginning July 1, 2018 and ending June 30, 2019; shall be issued pursuant to a Resolution adopted by County Council; may be issued in bearer form or fully registered upon terms and conditions prescribed in such Resolution; shall be issued in the principal amounts, mature and bear interest as prescribed in such Resolution; may be sold by negotiated or public sale upon such terms and conditions as County Council prescribes in the Resolution.
SECTION XXXI-CREDIT CARD PAYMENTS

To the maximum extent authorized by and in accordance with law, and in accordance with County procurement policies, all Anderson County offices, including those of elected officials, are authorized to adopt and implement uniform procedures, through the County Central Administrative Services Division, to accept credit card payments for all payments due to the County or processed by County offices.

SECTION XXXII-CREDIT CARD POLICY

All Anderson County credit card charges and purchases made utilizing an Anderson County credit card, to include purchasing cards, are to be reported to the Finance Office, and accompanied by a detailed receipt and a written report, the format of which is to be designed and determined by the County Administrator or his designee. The written report shall contain sufficient detail to show who made the charge, what the charge was for, when the charge was made, where the charge was made, and why the charge was incurred. Charges incurred for or associated with economic development projects must still be reported, as addressed above, and accompanied by the receipt and report described above, but may be reported by project codename, until such time as the project is publicly announced or finally terminated.

SECTION XXXIII-GRANTS AND GRANT MATCHING FUNDS

The Anderson County Administrator, or his duly authorized representative, is hereby authorized to apply for all grants of any nature whatsoever where no County matching funds are required, or for those grants for which County matching funds are required when all necessary County matching funds have been made available by Anderson County Council through the annual Anderson County operating and capital budgets or are available in applicable County enterprise fund balances, for County Council authorized programs, institutions, and facilities of Anderson County, and to receive and expend such grant funds for the purposes authorized in the respective grant applications. Notwithstanding the foregoing, County staff shall conduct an analysis identifying any recurring expense or monetary obligation for which the County may be responsible in the future where said expense or obligation will be payable from funding sources other than the grant being applied for. Any grant opportunity which involves such expenses or obligations shall require County Council approval prior to the submission of the grant application.

No funds appropriated by this Ordinance may be utilized as matching funds for any parks and recreation grant, including, without limitation, grants received from the South Carolina Department of Parks, Recreation, and Tourism, except for Anderson County Council District Recreation Funds appropriated hereby, except as otherwise provided herein.

SECTION XXXIV-APPLICABLE CIVIC CENTER RATES

Rates as set forth on rate sheets as may be in effect during the fiscal year (subject to amendment) shall be applied by the Civic Center of Anderson for all rental contracts entered into between July 1, 2018 and June 30, 2019.

SECTION XXXV-APPLICABLE ANIMAL SHELTER RATES

Rates as set forth on Animal Shelter rate sheets dated July 1, 2018 shall be applied by the Anderson County Animal Shelter for all services rendered between July 1, 2018 and June 30, 2019.
SECTION XXXVI-APPLICABLE JUROR REIMBURSEMENT RATES

There shall be paid unto the Grand Jurors in Circuit Court the sum of $20 per diem and Petit Jurors shall be paid the sum of $12 per diem. There shall be paid unto Jurors in Summary Court the sum of $10 per diem Jurors. In addition to the aforesaid sum, jurors shall be reimbursed twenty-five, $.25, cents per mile per day from their home to the Anderson County Courthouse for the term for which they are drawn to serve. These rates shall be effective for all services rendered between July 1, 2018 and June 30, 2019.

SECTION XXXVII-FUNDING OF E-911 SERVICES

In order to provide all citizens of Anderson County with the best emergency dispatch services available and to fund those services in the most effective, efficient manner possible, the County Administrator is hereby directed to utilize and apply the maximum E-9-1-1 tariff funds available by current South Carolina law to the County's E-9-1-1 system, in accordance with County procurement policies and state law.

SECTION XXXVIII-ROAD ENCROACHMENT PERMITS

The Anderson County Public Works Division is authorized to charge fees for encroachments on County roads and rights-of-way and for encroachment permits for such encroachments in accordance with an encroachment fee schedule prepared, from time to time, by the Anderson County Public Works Division, and approved by Anderson County Council by appropriate Council action. Such fees for encroachments on Anderson County roads and rights-of-way and for encroachment permits for such fees shall be sufficient to fully reimburse the County for all costs of supervising, inspecting, and repairing, as necessary, all damage to County roads and rights-of-way caused by such encroachments.

SECTION XXXIX-FUND BALANCE POLICY

Maintenance of an adequate and appropriate fund balance is critical to an overall sound fiscal policy and practice of the County. Maintenance of such fund balance not only protects the County against emergencies and unexpected contingencies, it actually saves the County significant amounts of money, through less reliance on tax anticipation notes and through lower interest rates for borrowing money and issuing debt. A fund balance policy is looked upon favorably by rating agencies and investors. County Council, therefore, and hereby, establishes a policy that the County will maintain a general fund balance of approximately six (6) months of current budget expenditures, including operating transfers out, but not less than two (2) months of such expenditures.

SECTION XXXX-REASONABLE ACCOMMODATION POLICY

Anderson County is a participant in the Federal Community Development Block Grant Program for the purpose of undertaking various important community and economic development activities throughout the County. The Community Development Block Grant Program requires a reasonable accommodations policy for Section 504 regulations. Anderson County, acting by and through the Anderson County Council, desires to comply with all necessary Grant requirements. Anderson County, acting by and through the Anderson County Council, is hereby willing to make reasonable accommodations for the known physical or mental impairments of an otherwise qualified participant, applicant or employee, providing it does not cause undue financial or
administrative burden on the County or cause a fundamental alteration of the County’s program. Anderson County Council hereby recognizes that the policy created hereunder includes employees, applicants for employment, and the public when the public is involved in County activities. The Anderson County Administrator, for and on behalf of the County, is hereby authorized and directed to do any and all things necessary or appropriate in connection with this Policy.

SECTION XXXXI-SMALL, WOMEN-OWNED AND MINORITY-OWNED BUSINESS ENTERPRISES

To promote free competition and equal opportunity, Anderson County is committed, within the parameters of the County procurement code, to assisting small, minority-owned and woman-owned businesses in becoming active vendors with the County. Anderson County encourages and invites small, woman, and/or minority owned businesses located inside and outside of the County to participate in the County’s procurement process. It is the policy of the County to prohibit discrimination against any person or business in pursuit of procurement opportunities on the basis of race, color, national origin, ancestry, religion, disability, political affiliation or gender.

SECTION XXXXII-SOLICITOR CASE FACILITATOR

Funding for the temporary Case Facilitator in the Solicitor’s Office is budgeted for an additional year and is intended to provide representation for Anderson County in the Magistrates Courts of Anderson County. This is a temporary position only. In order for this position to be considered in future budget years, the Solicitor’s Office must provide the Administrator with quarterly reports indicating the number of new cases referred each quarter, the number of court appearances each quarter, and a certification from the Solicitor that this position was only used for representation in Magistrate Court on Anderson County cases during the quarter.

SECTION XXXXIII-SEVERABILITY

If any clause, phrase, sentence, paragraph, appropriation, or section of this Ordinance shall be held invalid for any reason, it shall not affect the validity of this Ordinance as a whole or the remaining clauses, phrases, sentences, paragraphs, appropriations, or sections hereof, which are hereby declared separable.

SECTION XXXXIV-EFFECTIVE DATE

This Ordinance shall become effective and enforced from and after July 1, 2019.
ADOPTED in meeting duly assembled this 19th day of June, 2018.

ARTICLE III
THE PROJECT

Section 3.1. The Project. The Sponsor and the Sponsor Affiliate have acquired and/or installed since the Commencement Date or made plans for the acquisition and/or installation of certain Equipment on the Land which comprises the Project.

Pursuant to the Act, the Sponsor, the Sponsor Affiliate and the County hereby agree that the property comprising the Project shall be Economic Development Property as defined under the Act.

Section 3.2. Diligent Completion. The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.

ARTICLE IV
PAYMENTS IN LIEU OF TAXES

Section 4.1. Special Source Revenue Credit. The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, a Special Source Revenue Credit, in reimbursement of investment in Qualifying Infrastructure Costs as described below, to be applied to its annual fee-in-lieu of taxes liability in an amount equal to the FILOT Payments due under this Fee Agreement, to be calculated as set forth in Section 4.2, minus the Net FILOT Payment. For illustration purposes, and only as a means of illustration, a formula of this calculation is shown on Exhibit B, attached hereto. In no event may the Sponsor's aggregate Special Source Revenue Credit claimed pursuant to this Section exceed the aggregate amount of Qualifying Infrastructure Costs.

(a) The Special Source Revenue Credit shall be effective starting with the first property tax year following execution of this Fee Agreement and, so long as the Sponsor meets the Project Commitment within the Investment Period, shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, "Qualifying Infrastructure Costs" shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved real estate in connection with the Project, and any other such similar or like expenditures authorized by the Code.

(b) In order to receive the Special Source Revenue Credit on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Sponsor shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the FILOT Payment of that given year. Any payment made under the foregoing sentence shall be due at the time the corresponding FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the FILOT Act.
Section 4.2. Negotiated FILOT Payments. Pursuant to Section 12-44-50 of the Act, the Sponsor and Sponsor Affiliate are required to make payments in lieu of ad valorem taxes to the County with respect to the Project. Inasmuch as the Sponsor and Sponsor Affiliate anticipate the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor and the Sponsor Affiliate have negotiated the amount of the payments in lieu of taxes in accordance therewith. In accordance therewith, the Sponsor and Sponsor Affiliate shall make payments in lieu of ad valorem taxes on all the Equipment, Structures and Real Property which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of ad valorem taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2023, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes, less the Special Source Revenue Credit. The amount of such equal annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to the required procedures under the Act and to Section 4.4 hereof):

Step 1: Determine the fair market value of the improvements to the Real Property and Equipment in the Phase of the Project placed in service in any given year for such year and for the following 29 years using the original income tax basis for State income tax purposes less depreciation for each year allowable to the Sponsor and the Sponsor Affiliate for any Equipment as determined in accordance with Title 12 of the Code, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall be allowable but taking into account all applicable property tax exemptions which would be allowable to the Sponsor under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The County and Sponsor and the Sponsor Affiliate also agree pursuant to Section 12-44-50(A)(1) of the Act that the value of the Real Property included in any Phase of the Project shall be its fair market value as determined by appraisal but the fair market value of the Real Property shall be subject to reappraisal by the South Carolina Department of Revenue not more than once every five (5) years.

Step 2: Apply an assessment ratio of 6% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the twenty-nine (29) years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 3: Use a millage rate of 309.1 mils, or the combined millage rates set for the tax year 2018 by the County and Anderson County School District (or the applicable school district) (these combined millage rates being in effect on June 30 prior to the calendar year in which this Agreement is signed as permitted by Section 12-44-50(A)(1)(d) of the Act) and any other overlapping political units having taxing jurisdiction where the Real Property is located, to determine the amount of the payments in lieu of taxes which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 4: Reduce the calculated amounts determined in the previous Steps by the Special Source Revenue Credit as described in Section 4.1 herein. The Special Source Revenue Credit shall
be, at the option of the County, shown on the bill sent by the County to the Sponsor, or paid by a check from the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of taxes are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Sponsor and the Sponsor Affiliate with the benefits to be derived hereof, it being the intention of the County to offer the Sponsor and the Sponsor Affiliate an inducement to locate the Project in the County. If the Project is deemed to be subject to ad valorem taxation, the payment in lieu of ad valorem taxes to be paid to the County by the Sponsor and the Sponsor Affiliate shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor and the Sponsor Affiliate with respect to a year or years for which payments in lieu of ad valorem taxes have been previously remitted by the Sponsor and the Sponsor Affiliate to the County hereunder, shall be reduced by the total amount of payments in lieu of ad valorem taxes made by the Sponsor and Sponsor Affiliate with respect to the Project pursuant to the terms hereof.

To the extent permitted by law, because the Negotiated PILOT Payments agreed to herein are intended to be paid by the Sponsor and the Sponsor Affiliate to the County in lieu of taxes, it is agreed that said Negotiated PILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Sponsor and Sponsor Affiliate to the County in property taxes if the Sponsor and Sponsor Affiliate had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said Negotiated PILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

If the Sponsor fails to meet the Act Minimum Investment Requirement by December 31, 2023, the Fee Agreement shall terminate and the Sponsor and Sponsor Affiliate shall owe the County a retroactive tax payment in an amount equal to the difference between ad valorem property taxes on the Real Property and the Equipment subject to payments in lieu of taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and PILOT Payments made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor and Sponsor Affiliate, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter “Retroactive Tax Payment”). The repayment obligations arising under this Section survives termination of this Fee Agreement.

Section 4.3. Payments in Lieu of Taxes on Replacement Property. If the Sponsor and Sponsor Affiliate elect to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor and the Sponsor Affiliate shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):
(a) to the extent that the income tax basis of the Replacement Property (the “Replacement Value”) is less than or equal to the original income tax basis of the Removed Components (the “Original Value”) the amount of the payments in lieu of taxes to be made by the Sponsor and the Sponsor Affiliate with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to thirty (30) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor and the Sponsor Affiliate for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the “Excess Value”), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property.

Section 4.4. Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty. In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. Place and Allocation of Payments in Lieu of Taxes. The Sponsor and Sponsor Affiliate shall make the above-described payments in lieu of taxes directly to the County in accordance with applicable law.

Section 4.6. Removal of Equipment. The Sponsor and Sponsor Affiliate shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the “Removed Components”) shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of ad valorem taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor and the Sponsor Affiliate, in their sole discretion, elects to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof. To the extent that the Special Source Revenue Credit is used as payment for personal property, including machinery and equipment, and the Removed Component is removed from the Project at any time during the life of the Negotiated FILOT Payment for said Removed Component, the amount of the Negotiated FILOT Payment on the Removed Component for the year in which the Removed Component was removed from the Project also shall be due for the two years immediately following the removal. To the extent that any Special Source Revenue Credits were used for both real property and personal property or infrastructure and personal property, all amounts will be presumed to have been first used for personal property. Notwithstanding the foregoing, if the Removed Component is removed from the Project but is replaced with qualifying Replacement Property, then the Removed Component will not be considered to have been removed from the property.
Section 4.7. Damage or Destruction of Project.

(a) Election to Terminate. In the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor and Sponsor Affiliate shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Agreement, and (ii) the Sponsor and Sponsor Affiliate have not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor and Sponsor Affiliate shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) Election to Rebuild. In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor and Sponsor Affiliate do not elect to terminate this Fee Agreement, the Sponsor and Sponsor Affiliate may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor and the Sponsor Affiliate. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor and the Sponsor Affiliate to the County under Section 4.2 hereof.

(c) Election to Remove. In the event the Sponsor and the Sponsor Affiliate elect not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 4.8. Condemnation.

(a) Complete Taking. If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.

(b) Partial Taking. In the event of a partial taking of the Project or transfer in lieu thereof, the Sponsor and the Sponsor Affiliate may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor and Sponsor Affiliate have not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 4.9. Merger of Sponsor with Related Party. The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor and the merged entity assumes all duties and liabilities of the Sponsor set forth in this Fee Agreement.
Section 4.10. **Indemnification Covenants.**

(a) Except as provided in paragraph (d) below, the Sponsor and Sponsor Affiliate shall indemnify and save the County, its employees, elected officials, officers and agents (each, an “**Indemnified Party**”) harmless against and from all liability or claims arising from the County’s execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement or the administration of its duties pursuant to this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement.

(b) The County is entitled to use counsel of its choice and the Sponsor shall reimburse the County for all of its costs, including attorneys’ fees, incurred in connection with the response to or defense against such liability or claims as described in paragraph (a), above. The County shall provide a statement of the costs incurred in the response or defense, and the Sponsor shall pay the County within 30 days of receipt of the statement. The Sponsor may request reasonable documentation evidencing the costs shown on the statement. However, the County is not required to provide any documentation which may be privileged or confidential to evidence the costs.

(c) The County may request the Sponsor to resist or defend against any claim on behalf of an Indemnified Party. On such request, the Sponsor shall resist or defend against such claim on behalf of the Indemnified Party, at the Sponsor’s expense. The Sponsor is entitled to use counsel of its choice, manage and control the defense of or response to such claim for the Indemnified Party; provided the Sponsor is not entitled to settle any such claim without the consent of that Indemnified Party.

(d) Notwithstanding anything herein to the contrary, the Sponsor is not required to indemnify any Indemnified Party against or reimburse the County for costs arising from any claim or liability (i) occasioned by the acts of that Indemnified Party, which are unrelated to the execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement, or the administration of its duties under this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement; or (ii) resulting from that Indemnified Party’s own negligence, bad faith, fraud, deceit, or willful misconduct.

(e) An Indemnified Party may not avail itself of the indemnification or reimbursement of costs provided in this Section unless it provides the Sponsor with prompt notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to afford the Sponsor notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

**Section 4.11. Confidentiality/Limitation on Access to Project.** The County acknowledges and understands that the Sponsor utilizes confidential and proprietary “state-of-the-art” trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor’s operations would result in substantial harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as confidential information (“Confidential Information.”). Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County’s police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such
Confidential Information; (ii) shall request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) shall disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. Records and Reports. The Sponsor and the Sponsor Affiliate agree to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, “Filings”).

Notwithstanding any other provision of this Section 4.12, the Sponsor and Sponsor Affiliate may designate as Confidential Information any Filings delivered to the County segments thereof that the Sponsor or the Sponsor Affiliate believes contain proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor or the Sponsor Affiliate with respect to maintaining confidentiality of such designated segments.

Section 4.13. Payment of Administrative Expenses. The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County including a general statement of the amount and nature of the Administration Expense and requesting the payment of the same. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 4.14. Collection and Enforcement Rights of County. The parties acknowledge that, as provided in Section 12-44-90 of the Code, the County’s right to receive payments in lieu of taxes hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of ad valorem property taxes and, for purposes of this application, payments in lieu of taxes due hereunder shall be considered a property tax.

Section 4.15. Assignment and Subletting. This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor or the Sponsor Affiliate so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor or Sponsor Affiliate in which the Sponsor or the Sponsor Affiliate requests the release of the Sponsor or the Sponsor Affiliate from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.
Section 4.16. County's Estoppel Certificates for Sponsor's Financing Transactions. The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor and Sponsor Affiliate, respectively, any estoppel certificates, acknowledgements or other documents certifying, to the County Administrator’s knowledge, the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor, Sponsor Affiliate or any lender of the Sponsor and Sponsor Affiliate from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor and Sponsor Affiliate as contemplated under Section 12-44-120 of the Act.

Section 4.17. Sponsor's Continuing Obligations After Termination by Sponsor. In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of taxes under Article IV or retroactive payments required under this Fee Agreement or the Act.

Section 4.18. Events of Default. The following shall be “Events of Default” under this Fee Agreement, and the term “Events of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor or the Sponsor Affiliate to make, upon levy, the payments in lieu of taxes described in Section 4.2 hereof; provided, however, that the Sponsor and Sponsor Affiliate shall be entitled to all redemption rights granted by applicable statutes; or

(b) Failure by the Sponsor or Sponsor Affiliate to perform any of the other material terms, conditions, obligations or covenants of the Sponsor or the Sponsor Affiliate, respectively, hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Sponsor and Sponsor Affiliate specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a thirty (30) day cure period the County shall grant to the Sponsor and Sponsor Affiliate (which cure period shall not be applicable in the case of failure to make the payments in lieu of taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter be become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement.

Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to
entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Sponsor is not competent to waive.

Section 4.21. Primary Responsibility of the Sponsor. The Sponsor acknowledges that it has the primary responsibility for the duties and obligations of the Sponsor and any Sponsor Affiliate under this Fee Agreement, including the payment of FILOT Payments or any other amount due to or for the benefit of the County under this Fee Agreement. For purposes of this Fee Agreement, “primary responsibility” means that if the Sponsor Affiliate fails to make any FILOT Payment or remit any other amount due under this Fee Agreement, the Sponsor shall make such FILOT Payments or remit such other amounts on behalf of the Sponsor Affiliate.

Section 4.22. Decommissioning the Project. The Sponsor shall obtain a bond listing the County as obligee in an amount sufficient to ensure performance of Sponsor’s Decommissioning obligations upon abandonment, termination of the lease governing the Land, or other termination of the Project by the Sponsor, and taking into consideration the salvage value of the Equipment. The obligations arising under this Section survive termination of this Fee Agreement.

Section 5.8. Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable intent thereof and so as to afford the Sponsor with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Sponsor the strongest inducement possible to locate the Project in the County.
Section 5.9. **Limited Obligation.** ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEEDS DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 5.10. **Force Majeure.** Except for payments in lieu of taxes under this Fee Agreement the due dates of which are statutorily mandated, the Sponsor and Sponsor Affiliate shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders, acts or regulations, war or national emergency, or acts of God.

Section 5.11. **Execution Disclaimer.** Notwithstanding any other provisions, the County is executing this Fee Agreement as a statutory accommodation to assist the Sponsor and Sponsor Affiliate in achieving the intended benefits and purposes of the Act. FEE-IN-LIEU OF AD VALOREM TAXES AGREEMENT

THIS FEE-IN-LIEU OF AD VALOREM TAXES AGREEMENT ("Fee Agreement") is entered into, effective, as of ____________, 2018, between Anderson County, South Carolina ("County"), a body politic and corporate and a political subdivision of the State of South Carolina ("State"), acting through the Anderson County Council ("County Council") as the governing body of the County, and Adams Solar, LLC, a limited liability company organized and existing under the laws of the State of South Carolina ("Sponsor"), previously identified as Project Avocado.

WITNESSETH:

WHEREAS, the County is authorized and empowered under and pursuant to the provisions of Title 12, Chapter 44 (the "Act") of the Code of Laws of South Carolina 1976, as amended (the "Code") and the Multi-County Park Act (as defined herein): (i) to enter into agreements with certain entities meeting the requirements of the Act to construct, operate, maintain, and improve certain industrial and commercial properties through which the economic development of the State of South Carolina will be promoted and trade developed by inducing corporate headquarters, manufacturing and commercial enterprises to locate and remain in the State of South Carolina and thus utilize and employ the manpower, agricultural products, and natural resources of the State; (ii) to covenant with such investors to accept certain payments in lieu of ad valorem taxes with respect to the project; and (iii) to maintain, create or expand, in conjunction with one or more other counties, a multi-county industrial park in order to afford certain enhanced income tax credits to such investors; and

WHEREAS, the Sponsor is a wholly owned subsidiary of Southern Current, LLC, a limited liability company organized and existing under the laws of the State of Delaware;

WHEREAS, the Sponsor proposes to develop, install or operate, as applicable solar power generating facilities located at a leased site situated east of Durham Rd and Highway 17 (the "Land") in Anderson County, South Carolina (the "Project");

WHEREAS, the Project will involve an investment which, but for this Fee Agreement, would have a value for ad valorem taxation purposes, of not less than $2,800,000 within the time period required under the Act ("Project Commitment"), meeting the minimum investment requirement under the Act;

WHEREAS, the County Council adopted an Inducement Resolution on May 15, 2018, (the "Resolution"), wherein the County Council, as an inducement to the Sponsor to develop the Project, committed the County to enter into, and authorized the County Administrator, County Attorney and the Executive Director of the Anderson County Economic Development Commission to negotiate with the Sponsor the terms of, this Fee Agreement;

WHEREAS, for the purposes set forth above, based solely on information provided by the Sponsor to the County, the County has determined that it is in the best interests of the County to enter into this Fee Agreement with the Sponsor subject to the terms and conditions herein set forth.

NOW, THEREFORE, AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows, with the understanding that no obligation of the County described herein shall create a pecuniary liability or charge upon its general credit or taxing powers, but shall be payable solely out of the sources of payment described herein and shall not under any circumstances be deemed to constitute a general obligation to the County:

The County has duly authorized the execution and delivery of this Fee Agreement and any and all other agreements described herein or therein.

(b) Based on representations by the Sponsor, County Council evaluated the Project based on all relevant criteria including the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment resulting from the Project, and the anticipated costs and benefits to the County and following the evaluation, the County determined that (i) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (ii) the Project gives rise to no pecuniary liability of the County or any incorporated municipality and to no charge against the County’s general credit or taxing power; (iii) the purposes to be accomplished by the Project are proper governmental and public purposes; and (iv) the benefits of the Project are greater than the costs.

(c) The County identified the Project, as a “project” on May 15, 2018, by adopting an Inducement Resolution, as defined in the Act.

(f) The County agrees to use its best efforts to cause the Land to be located within the Multi-County Park, and the County will diligently take all reasonable acts to ensure that the Project will continuously be included with the boundaries of the Multi-County Park or another multi-county park in order that the maximum tax benefits afforded by the laws of the State of South Carolina for projects in the County located within multi-county industrial parks will be available to the Sponsor.
(g) No actions, suits, proceedings, inquiries, or investigations known to the undersigned representatives of the County are pending or threatened against or affecting the County in any court or before any governmental authority or arbitration board or tribunal, which could materially adversely affect the transactions contemplated by this Agreement or which could, in any way, adversely affect the validity or enforceability of this Agreement.

(c) The Sponsor intends to operate the Project as a "project" within the meaning of the Act as in effect on the date hereof. The Sponsor intends to develop, install or operate, as applicable solar power generating facilities, to conduct other legal activities and functions with respect thereto, and for such other purposes permitted under the Act as the Sponsor may deem appropriate.

(d) The availability of the payment in lieu of taxes with regard to the Economic Development Property authorized by the Act has induced the Sponsor to undertake the Project in the County.

(e) The Sponsor plans and commits to achieve its Project Commitment by the end of the Investment Period.

(f) The income tax year of the Sponsor, and accordingly the property tax year, for federal income tax purposes, ends on December 31.

ARTICLE III
THE PROJECT

Section 3.1. The Project. The Sponsor has acquired and/or installed since the Commencement Date or made plans for the acquisition and/or installation of certain Equipment on the Land which comprises the Project.

Pursuant to the Act, the Sponsor and the County hereby agree that the property comprising the Project shall be Economic Development Property as defined under the Act.

Section 3.2. Diligent Completion. The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.
ARTICLE IV
PAYMENTS IN LIEU OF TAXES

Section 4.1. Special Source Revenue Credit. The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, a Special Source Revenue Credit, in reimbursement of investment in Qualifying Infrastructure Costs as described below, to be applied to its annual fee-in-lieu of taxes liability in an amount equal to the FILOT Payments due under this Fee Agreement, to be calculated as set forth in Section 4.2, minus the Net FILOT Payment. For illustration purposes, and only as a means of illustration, a formula of this calculation is shown on Exhibit B, attached hereto. In no event may the Sponsor’s aggregate Special Source Revenue Credit claimed pursuant to this Section exceed the aggregate amount of Qualifying Infrastructure Costs.

(a) The Special Source Revenue Credit shall be effective starting with the first property tax year following execution of this Fee Agreement and, so long as the Sponsor meets the Project Commitment within the Investment Period, shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, “Qualifying Infrastructure Costs” shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved real estate in connection with the Project, and any other such similar or like expenditures authorized by the Code.

(b) In order to receive the Special Source Revenue Credit on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Sponsor shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the FILOT Payment of that given year. Any payment made under the foregoing sentence shall be due at the time the corresponding FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the FILOT Act.

Section 4.2. Negotiated FILOT Payments. Pursuant to Section 12-44-50 of the Act, the Sponsor is required to make payments in lieu of ad valorem taxes to the County with respect to the Project. Inasmuch as the Sponsor anticipates the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor have negotiated the amount of the payments in lieu of taxes in accordance therewith. In accordance therewith, the Sponsor shall make payments in lieu of ad valorem taxes on all the Equipment, Structures and Real Property which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of ad valorem taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2023, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes, less the Special Source Revenue Credit. The amount of such equal
annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to the required procedures under the Act and to Section 4.4 hereof):

**Step 1:** Determine the fair market value of the improvements to the Real Property and Equipment in the Phase of the Project placed in service in any given year for such year and for the following 29 years using the original income tax basis for State income tax purposes less depreciation for each year allowable to the Sponsor for any Equipment as determined in accordance with Title 12 of the Code, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall be allowable but taking into account all applicable property tax exemptions which would be allowed to the Sponsor under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The County and Sponsor also agree pursuant to Section 12-44-50(A)(1) of the Act that the value of the Real Property included in any Phase of the Project shall be its fair market value as determined by appraisal but the fair market value of the Real Property shall be subject to reappraisal by the South Carolina Department of Revenue not more than once every five (5) years.

**Step 2:** Apply an assessment ratio of 6% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the twenty-nine (29) years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

**Step 3:** Use a millage rate of 308.5 mils, or the combined millage rates set for the tax year 2018 by the County and Anderson County School District (or the applicable school district) (these combined millage rates being in effect on June 30 prior to the calendar year in which this Agreement is signed as permitted by Section 12-44-50(A)(1)(d) of the Act) and any other overlapping political units having taxing jurisdiction where the Real Property is located, to determine the amount of the payments in lieu of taxes which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

**Step 4:** Reduce the calculated amounts determined in the previous Steps by the Special Source Revenue Credit as described in Section 4.1 herein. The Special Source Revenue Credit shall be, at the option of the County, shown on the bill sent by the County to the Sponsor, or paid by a check from the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of taxes are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Sponsor with the benefits to be derived hereof, it being the intention of the County to offer the Sponsor an inducement to locate the Project in the County. If the Project is deemed to be subject to *ad valorem* taxation, the payment in lieu of *ad valorem* taxes to be paid to the County by the
Sponsor shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor with respect to a year or years for which payments in lieu of ad valorem taxes have been previously remitted by the Sponsor to the County hereunder, shall be reduced by the total amount of payments in lieu of ad valorem taxes made by the Sponsor with respect to the Project pursuant to the terms hereof.

To the extent permitted by law, because the Negotiated FILOT Payments agreed to herein are intended to be paid by the Sponsor to the County in lieu of taxes, it is agreed that said Negotiated FILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Sponsor to the County in property taxes if the Sponsor had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said Negotiated FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

If the Sponsor fails to meet the Act Minimum Investment Requirement by December 31, 2023, the Fee Agreement shall terminate and the Sponsor shall owe the County a retroactive tax payment in an amount equal to the difference between ad valorem property taxes on the Real Property and the Equipment subject to payments in lieu of taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and FILOT Payments made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter “Retroactive Tax Payment”). The repayment obligations arising under this Section survives termination of this Fee Agreement.

Section 4.3. Payments in Lieu of Taxes on Replacement Property. If the Sponsor elects to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):

(a) to the extent that the income tax basis of the Replacement Property (the “Replacement Value”) is less than or equal to the original income tax basis of the Removed Components (the “Original Value”) the amount of the payments in lieu of taxes to be made by the Sponsor with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to thirty (30) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the “Excess Value”), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property.
Section 4.4. **Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty.**

In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. **Place and Allocation of Payments in Lieu of Taxes.** The Sponsor shall make the above-described payments in lieu of taxes directly to the County in accordance with applicable law.

Section 4.6. **Removal of Equipment.** The Sponsor shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the “**Removed Components**”) shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of ad valorem taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor, in their sole discretion, elects to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof.

To the extent that the Special Source Revenue Credit is used as payment for personal property, including machinery and equipment, and the Removed Component is removed from the Project at any time during the life of the Negotiated FILOT Payment for said Removed Component, the amount of the Negotiated FILOT Payment on the Removed Component for the year in which the Removed Component was removed from the Project also shall be due for the two years immediately following the removal. To the extent that any Special Source Revenue Credits were used for both real property and personal property or infrastructure and personal property, all amounts will be presumed to have been first used for personal property. Notwithstanding the foregoing, if the Removed Component is removed from the Project but is replaced with qualifying Replacement Property, then the Removed Component will not be considered to have been removed from the property.

Section 4.7. **Damage or Destruction of Project.**

(a) **Election to Terminate.** In the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Agreement, and (ii) the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) **Election to Rebuild.** In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Sponsor may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor to the County under Section 4.2 hereof.
(c) Election to Remove. In the event the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 4.8. Condemnation.

(a) Complete Taking. If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.

(b) Partial Taking. In the event of a partial taking of the Project or transfer in lieu thereof, the Sponsor may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 4.9. Merger of Sponsor with Related Party. The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor and the merged entity assumes all duties and liabilities of the Sponsor set forth in this Fee Agreement.

Section 4.10. Indemnification Covenants.

(a) Except as provided in paragraph (d) below, the Sponsor shall indemnify and save the County, its employees, elected officials, officers and agents (each, an "Indemnified Party") harmless against and from all liability or claims arising from the County's execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement or the administration of its duties pursuant to this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement.

(b) The County is entitled to use counsel of its choice and the Sponsor shall reimburse the County for all of its costs, including attorneys’ fees, incurred in connection with the response to or defense against such liability or claims as described in paragraph (a), above. The County shall provide a statement of the costs incurred in the response or defense, and the Sponsor shall pay the County within 30 days of receipt of the statement. The Sponsor may request reasonable documentation evidencing the costs shown on the statement. However, the County is not required to provide any documentation which may be privileged or confidential to evidence the costs.

(c) The County may request the Sponsor to resist or defend against any claim on behalf of an Indemnified Party. On such request, the Sponsor shall resist or defend against such claim on behalf of the Indemnified Party, at the Sponsor’s expense. The Sponsor is entitled to use counsel of its choice, manage
and control the defense of or response to such claim for the Indemnified Party; provided the Sponsor is not entitled to settle any such claim without the consent of that Indemnified Party.

(d) Notwithstanding anything herein to the contrary, the Sponsor is not required to indemnify any Indemnified Party against or reimburse the County for costs arising from any claim or liability (i) occasioned by the acts of that Indemnified Party, which are unrelated to the execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement, or the administration of its duties under this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement; or (ii) resulting from that Indemnified Party’s own negligence, bad faith, fraud, deceit, or willful misconduct.

(e) An Indemnified Party may not avail itself of the indemnification or reimbursement of costs provided in this Section unless it provides the Sponsor with prompt notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to afford the Sponsor notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

Section 4.11. Confidentiality/Limitation on Access to Project. The County acknowledges and understands that the Sponsor utilizes confidential and proprietary “state-of-the-art” trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor’s operations would result in substantial harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as confidential information (“Confidential Information”). Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County’s police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such Confidential Information; (ii) shall request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) shall disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. Records and Reports. The Sponsor agrees to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, “Filings”).

Notwithstanding any other provision of this Section 4.12, the Sponsor may designate as Confidential Information any Filings delivered to the County segments thereof that the Sponsor believes contain
proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor with respect to maintaining confidentiality of such designated segments.

Section 4.13. Payment of Administrative Expenses. The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County including a general statement of the amount and nature of the Administration Expense and requesting the payment of the same. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 4.14. Collection and Enforcement Rights of County. The parties acknowledge that, as provided in Section 12-44-90 of the Code, the County’s right to receive payments in lieu of taxes hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of ad valorem property taxes and, for purposes of this application, payments in lieu of taxes due hereunder shall be considered a property tax.

Section 4.15. Assignment and Subletting. This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor in which the Sponsor requests the release of the Sponsor from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.

Section 4.16. County’s Estoppel Certificates for Sponsor's Financing Transactions. The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor, respectively, any estoppel certificates, acknowledgements or other documents certifying, to the County Administrator’s knowledge, the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor or any lender of the Sponsor from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor as contemplated under Section 12-44-120 of the Act.

Section 4.17. Sponsor’s Continuing Obligations After Termination by Sponsor. In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of taxes under Article IV or retroactive payments required under this Fee Agreement or the Act.

Section 4.18. Events of Default. The following shall be “Events of Default” under this Fee Agreement, and the term “Events of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor to make, upon levy, the payments in lieu of taxes described in Section 4.2 hereof; provided, however, that the Sponsor shall be entitled to all redemption rights granted by applicable statutes; or
(b) Failure by the Sponsor to perform any of the other material terms, conditions, obligations or covenants of the Sponsor hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Sponsor specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a thirty (30) day cure period the County shall grant to the Sponsor (which cure period shall not be applicable in the case of failure to make the payments in lieu of taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement.

Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Sponsor is not competent to waive.

Section 4.21. Decommissioning the Project. The Sponsor shall obtain a bond listing the County as obligee in an amount sufficient to ensure performance of Sponsor's Decommissioning obligations upon abandonment, termination of the lease governing the Land, or other termination of the Project by the Sponsor, and taking into consideration the salvage value of the Equipment. The obligations arising under this Section survive termination of this Fee Agreement.

Section 5.2. Binding Effect. This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Sponsor and the County and their respective successors and assigns. In the event of the dissolution of the County or the consolidation of any party of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 5.8. Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable intent thereof and so as to afford the Sponsor with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Sponsor the strongest inducement possible to locate the Project in the County.

Section 5.9. Limited Obligation. ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEEDS DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 5.10. Force Majeure. Except for payments in lieu of taxes under this Fee Agreement the due dates of which are statutorily mandated, the Sponsor shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders, acts or regulations, war or national emergency, or acts of God.

Section 5.11. Execution Disclaimer. Notwithstanding any other provisions, the County is executing this Fee Agreement as a statutory accommodation to assist the Sponsor in achieving the intended benefits and purposes of the Act. WHEREAS, the Sponsor is a wholly owned subsidiary of Southern Current, LLC, a limited liability company organized and existing under the laws of the State of Delaware;

WHEREAS, the Sponsor proposes to develop, install or operate, as applicable solar power generating facilities located at a leased site situated at Timms Road and Highway 86 (the "Land") in Anderson County, South Carolina (the "Project");

WHEREAS, the Project will involve an investment which, but for this Fee Agreement, would have a value for ad valorem taxation purposes, of not less than $2,800,000 within the time period required under the Act ("Project Commitment"), meeting the minimum investment requirement under the Act;

WHEREAS, pursuant to the Act, the County has determined that (a) the Project (as defined herein) is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefit not otherwise adequately provided locally; (b) the Project gives rise to no pecuniary liability of the County or incorporated municipality and to no charge against its general credit or taxing power; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project to the public are greater than the costs to the public;

WHEREAS, the County Council adopted an Inducement Resolution on May 15, 2018, (the "Resolution"), wherein the County Council, as an inducement to the Sponsor to develop the Project, committed the County to enter into, and authorized the County Administrator, County Attorney and the Executive Director of the Anderson County Economic Development Commission to negotiate with the Sponsor the terms of, this Fee Agreement;

WHEREAS, the Project constitutes Economic Development Property within the meaning of the Act; and

WHEREAS, for the purposes set forth above, based solely on information provided by the Sponsor to the County, the County has determined that it is in the best interests of the County to enter into this Fee Agreement with the Sponsor subject to the terms and conditions herein set forth.

NOW, THEREFORE, AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows, with the understanding that no obligation of the County described herein shall create a pecuniary liability or charge upon its general credit or taxing powers, but shall be payable solely out of the sources of payment described herein and shall not under any circumstances be deemed to constitute a general obligation to the County:

Provided, the Net FILOT Payments shall be increased in any year in which the total power generation capacity of the Project exceeds two megawatts of AC power, in proportion to the excess. For example, and by way of example only, if the total power generation capacity of the Project as of the last day of the 2022 tax year is 125% of two megawatts of AC power, then the Net FILOT Payment for such year shall be increased by 25%. The Sponsor shall provide the County Administrator and Finance Director with report(s) (including third party reports, if applicable) not less frequently than annually, at the end of the calendar year, or any time the power generation capacity of the Project is increased, providing conclusive evidence of the then-current power generation capacity of the Project and the actual maximum power production of the Project since the last such report.
“Non-Qualifying Property” shall mean that portion of the Project consisting of: (i) property as to which the Sponsor incurred expenditures prior to the Investment Period or, except as to Replacement Property, after the end of the Investment Period; (ii) Existing Property; and (iii) any released property or other property which fails or ceases to qualify for PILOT Payments, including without limitation property as to which the Sponsor has terminated the PILOT pursuant to Section 4.19(a) hereof. The Sponsor agrees that the real estate improvements on the Real Property as of the date of this Agreement shall constitute Non-Qualifying Property for purposes of this Agreement.

“Phase” or “Phases” in respect of the Project shall mean the Building and Equipment placed in service during each year of the Investment Period.

“Phase Termination Date” shall mean with respect to each Phase of the Project the day thirty (30) years after each such Phase of the Project becomes subject to the terms of this Fee Agreement with an option to extend the term for a further ten (10) years in accordance with the Act. Anything contained herein to the contrary notwithstanding, the last Phase Termination Date shall be no later than the later of: (a) December 31, 2053, unless an extension of time in which to complete the Project is granted by the County pursuant to Section 12-44-30(13) of the Act or (b) December 31 of the year of the expiration of the maximum period of years that the annual fee payment is available to the Sponsor under Section 12-44-30(20) of the Act, as amended.

“Project” shall mean the Structure and the Equipment, together with the acquisition and installation thereof as acquired, in Phases.

“Project Commitment” shall have the meaning set forth in the recitals to this Fee Agreement.

“Qualifying Infrastructure Costs” shall have the meaning set forth in Section 4.1 of this Fee Agreement.

“Real Property” shall mean the Land identified on Exhibit A, together with all and singular rights, hereditaments and appurtenances belonging or in any way incident or appertaining thereto to the extent such become a part of the Project under this Fee Agreement, all improvements now or hereafter situated thereon and all fixtures now or hereafter attached thereto, to the extent such improvements and fixtures become part of the Project under this Fee Agreement.

“Replacement Property” shall mean any property which is placed in service as a replacement for any item of Equipment which is scrapped or sold by the Sponsor and treated as a Removed Component under Section 4.6 hereof regardless of whether such property serves the same function as the property it is replacing and regardless of whether more than one piece of property replaces any item of Equipment, but only to the extent that such property may be included in the calculation of the PILOT pursuant to Section 4.2 hereof and Section 12-44-60 of the Code.

“Special Source Revenue Credit” shall mean the Special Source Revenue Credit described in Section 4.1 hereof.

“Sponsor” shall mean Whitt Solar, LLC, a South Carolina limited liability company duly qualified to transact business in the State of South Carolina and any surviving, resulting, or transferee entity in any merger, consolidation, or transfer of assets; or any assignee hereunder which is designated by the Sponsor and approved or ratified by the County.
“Structure” shall mean the structures and other improvements to be constructed or installed upon the Real Property as part of the implementation of the Project.

“Substantial Energy Generation” shall mean generation of at least 50% of energy capacity at the Project.

Any reference to any agreement or document in this Article I or otherwise in this Fee Agreement shall be deemed to include any and all amendments, supplements, addenda, and modifications to such agreement or document.

ARTICLE II
REPRESENTATIONS AND WARRANTIES

Section 2.1. Representations of the County. The County hereby represents and warrants to the Sponsor as follows:

(a) The County is a body politic and corporate and a political subdivision of the State which acts through the County Council as its governing body and by the provisions of the Act is authorized and empowered to enter into the transactions contemplated by this Fee Agreement and to carry out its obligations hereunder. The County has duly authorized the execution and delivery of this Fee Agreement and any and all other agreements described herein or therein.

(b) Based on representations by the Sponsor, County Council evaluated the Project based on all relevant criteria including the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment resulting from the Project, and the anticipated costs and benefits to the County and following the evaluation, the County determined that (i) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (ii) the Project gives rise to no pecuniary liability of the County or any incorporated municipality and to no charge against the County’s general credit or taxing power; (iii) the purposes to be accomplished by the Project are proper governmental and public purposes; and (iv) the benefits of the Project are greater than the costs.

(c) The County identified the Project, as a “project” on May 15, 2018, by adopting an Inducement Resolution, as defined in the Act.

(d) By proper action of the County Council, the County has duly authorized the execution and delivery of this Agreement and any and all actions necessary and appropriate to consummate the transactions contemplated hereby.

(e) This Agreement has been duly executed and delivered on behalf of the County.

(f) The County agrees to use its best efforts to cause the Land to be located within the Multi-County Park, and the County will diligently take all reasonable acts to ensure that the Project will continuously be included with the boundaries of the Multi-County Park or another multi-county park in order that the maximum tax benefits afforded by the laws of the State of South Carolina for projects in the County located within multi-county industrial parks will be available to the Sponsor.
(g) No actions, suits, proceedings, inquiries, or investigations known to the undersigned representatives of the County are pending or threatened against or affecting the County in any court or before any governmental authority or arbitration board or tribunal, which could materially adversely affect the transactions contemplated by this Agreement or which could, in any way, adversely affect the validity or enforceability of this Agreement.

Section 2.2. Representations of the Sponsor. The Sponsor hereby represents and warrants to the County as follows:

(a) The Sponsor is duly organized and in good standing under the laws of the State of South Carolina, has power to enter into this Fee Agreement, and by proper company action has duly authorized the execution and delivery of this Fee Agreement.

(b) The Sponsor’s execution and delivery of this Fee Agreement and its compliance with the provisions hereof will not result in a default, not waived or cured, under any company restriction or any agreement or instrument to which the Sponsor is now a party or by which it is bound.

(c) The Sponsor intends to operate the Project as a “project” within the meaning of the Act as in effect on the date hereof. The Sponsor intends to develop, install or operate, as applicable solar power generating facilities, to conduct other legal activities and functions with respect thereto, and for such other purposes permitted under the Act as the Sponsor may deem appropriate.

(d) The availability of the payment in lieu of taxes with regard to the Economic Development Property authorized by the Act has induced the Sponsor to undertake the Project in the County.

(e) The Sponsor plans and commits to achieve its Project Commitment by the end of the Investment Period.

(f) The income tax year of the Sponsor, and accordingly the property tax year, for federal income tax purposes, ends on December 31.

(g) The Sponsor has retained legal counsel to confirm, or has had a reasonable opportunity to consult legal counsel to confirm, its eligibility for the FILOT and other incentives granted by this Fee Agreement and has not relied on the County, its officials, employees or legal representatives with respect to any question of eligibility or applicability of the FILOT and other incentives granted by this Fee Agreement.

ARTICLE III
THE PROJECT

Section 3.1. The Project. The Sponsor has acquired and/or installed since the Commencement Date or made plans for the acquisition and/or installation of certain Equipment on the Land which comprises the Project.

Pursuant to the Act, the Sponsor and the County hereby agree that the property comprising the Project shall be Economic Development Property as defined under the Act.

Section 3.2. Diligent Completion. The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.
ARTICLE IV
PAYMENTS IN LIEU OF TAXES

Section 4.1. Special Source Revenue Credit. The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, a Special Source Revenue Credit, in reimbursement of investment in Qualifying Infrastructure Costs as described below, to be applied to its annual fee-in-lieu of taxes liability in an amount equal to the FILOT Payments due under this Fee Agreement, to be calculated as set forth in Section 4.2, minus the Net FILOT Payment. For illustration purposes, and only as a means of illustration, a formula of this calculation is shown on Exhibit B, attached hereto. In no event may the Sponsor’s aggregate Special Source Revenue Credit claimed pursuant to this Section exceed the aggregate amount of Qualifying Infrastructure Costs.

(a) The Special Source Revenue Credit shall be effective starting with the first property tax year following execution of this Fee Agreement and, so long as the Sponsor meets the Project Commitment within the Investment Period, shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, “Qualifying Infrastructure Costs” shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved real estate in connection with the Project, and any other such similar or like expenditures authorized by the Code.

(b) In order to receive the Special Source Revenue Credit on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Sponsor shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the FILOT Payment of that given year. Any payment made under the foregoing sentence shall be due at the time the corresponding FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the FILOT Act.

Section 4.2. Negotiated FILOT Payments. Pursuant to Section 12-44-50 of the Act, the Sponsor is required to make payments in lieu of ad valorem taxes to the County with respect to the Project. Inasmuch as the Sponsor anticipates the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor have negotiated the amount of the payments in lieu of taxes in accordance therewith. In accordance therewith, the Sponsor shall make payments in lieu of ad valorem taxes on all the Equipment, Structures and Real Property which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of ad valorem taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2023, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes, less the Special Source Revenue Credit. The amount of such equal
annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to the required procedures under the Act and to Section 4.4 hereof):

Step 1: Determine the fair market value of the improvements to the Real Property and Equipment in the Phase of the Project placed in service in any given year for such year and for the following 29 years using the original income tax basis for State income tax purposes less depreciation for each year allowable to the Sponsor for any Equipment as determined in accordance with Title 12 of the Code, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall be allowable but taking into account all applicable property tax exemptions which would be allowed to the Sponsor under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The County and Sponsor also agree pursuant to Section 12-44-50(A)(1) of the Act that the value of the Real Property included in any Phase of the Project shall be its fair market value as determined by appraisal but the fair market value of the Real Property shall be subject to reappraisal by the South Carolina Department of Revenue not more than once every five (5) years.

Step 2: Apply an assessment ratio of 6% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the twenty-nine (29) years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 3: Use a millage rate of 309.1 mils, or the combined millage rates set for the tax year 2018 by the County and Anderson County School District (or the applicable school district) (these combined millage rates being in effect on June 30 prior to the calendar year in which this Agreement is signed as permitted by Section 12-44-50(A)(1)(d) of the Act) and any other overlapping political units having taxing jurisdiction where the Real Property is located, to determine the amount of the payments in lieu of taxes which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 4: Reduce the calculated amounts determined in the previous Steps by the Special Source Revenue Credit as described in Section 4.1 herein. The Special Source Revenue Credit shall be, at the option of the County, shown on the bill sent by the County to the Sponsor, or paid by a check from the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of taxes are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Sponsor with the benefits to be derived hereof, it being the intention of the County to offer the Sponsor an inducement to locate the Project in the County. If the Project is deemed to be subject to ad valorem taxation, the payment in lieu of ad valorem taxes to be paid to the County by the
Sponsor shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor with respect to a year or years for which payments in lieu of ad valorem taxes have been previously remitted by the Sponsor to the County hereunder, shall be reduced by the total amount of payments in lieu of ad valorem taxes made by the Sponsor with respect to the Project pursuant to the terms hereof.

To the extent permitted by law, because the Negotiated FILOT Payments agreed to herein are intended to be paid by the Sponsor to the County in lieu of taxes, it is agreed that said Negotiated FILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Sponsor to the County in property taxes if the Sponsor had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said Negotiated FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

If the Sponsor fails to meet the Act Minimum Investment Requirement by December 31, 2023, the Fee Agreement shall terminate and the Sponsor shall owe the County a retroactive tax payment in an amount equal to the difference between ad valorem property taxes on the Real Property and the Equipment subject to payments in lieu of taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and FILOT Payments made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter “Retroactive Tax Payment”). The repayment obligations arising under this Section survives termination of this Fee Agreement.

**Section 4.3. Payments in Lieu of Taxes on Replacement Property.** If the Sponsor elects to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):

(a) to the extent that the income tax basis of the Replacement Property (the “Replacement Value”) is less than or equal to the original income tax basis of the Removed Components (the “Original Value”) the amount of the payments in lieu of taxes to be made by the Sponsor with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to thirty (30) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the “Excess Value”), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property.
Section 4.4. Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty.

In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. Place and Allocation of Payments in Lieu of Taxes. The Sponsor shall make the above-described payments in lieu of taxes directly to the County in accordance with applicable law.

Section 4.6. Removal of Equipment. The Sponsor shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the "Removed Components") shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of ad valorem taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor, in their sole discretion, elects to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof. To the extent that the Special Source Revenue Credit is used as payment for personal property, including machinery and equipment, and the Removed Component is removed from the Project at any time during the life of the Negotiated FILOT Payment for said Removed Component, the amount of the Negotiated FILOT Payment on the Removed Component for the year in which the Removed Component was removed from the Project also shall be due for the two years immediately following the removal. To the extent that any Special Source Revenue Credits were used for both real property and personal property or infrastructure and personal property, all amounts will be presumed to have been first used for personal property. Notwithstanding the foregoing, if the Removed Component is removed from the Project but is replaced with qualifying Replacement Property, then the Removed Component will not be considered to have been removed from the property.

Section 4.7. Damage or Destruction of Project.

(a) Election to Terminate. In the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Agreement, and (ii) the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) Election to Rebuild. In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Sponsor may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor to the County under Section 4.2 hereof.
(c) Election to Remove. In the event the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 4.8. Condemnation.

(a) Complete Taking. If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.

(b) Partial Taking. In the event of a partial taking of the Project or transfer in lieu thereof, the Sponsor may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 4.9. Merger of Sponsor with Related Party. The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor and the merged entity assumes all duties and liabilities of the Sponsor set forth in this Fee Agreement.

Section 4.10. Indemnification Covenants.

(a) Except as provided in paragraph (d) below, the Sponsor shall indemnify and save the County, its employees, elected officials, officers and agents (each, an “Indemnified Party”) harmless against and from all liability or claims arising from the County’s execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement or the administration of its duties pursuant to this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement.

(b) The County is entitled to use counsel of its choice and the Sponsor shall reimburse the County for all of its costs, including attorneys’ fees, incurred in connection with the response to or defense against such liability or claims as described in paragraph (a), above. The County shall provide a statement of the costs incurred in the response or defense, and the Sponsor shall pay the County within 30 days of receipt of the statement. The Sponsor may request reasonable documentation evidencing the costs shown on the statement. However, the County is not required to provide any documentation which may be privileged or confidential to evidence the costs.

(c) The County may request the Sponsor to resist or defend against any claim on behalf of an Indemnified Party. On such request, the Sponsor shall resist or defend against such claim on behalf of the Indemnified Party, at the Sponsor’s expense. The Sponsor is entitled to use counsel of its choice, manage
and control the defense of or response to such claim for the Indemnified Party; provided the Sponsor is not entitled to settle any such claim without the consent of that Indemnified Party.

(d) Notwithstanding anything herein to the contrary, the Sponsor is not required to indemnify any Indemnified Party against or reimburse the County for costs arising from any claim or liability (i) occasioned by the acts of that Indemnified Party, which are unrelated to the execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement, or the administration of its duties under this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement; or (ii) resulting from that Indemnified Party’s own negligence, bad faith, fraud, deceit, or willful misconduct.

(e) An Indemnified Party may not avail itself of the indemnification or reimbursement of costs provided in this Section unless it provides the Sponsor with prompt notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to afford the Sponsor notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

Section 4.11. Confidentiality/Limitation on Access to Project. The County acknowledges and understands that the Sponsor utilizes confidential and proprietary “state-of-the-art” trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor’s operations would result in substantial harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as confidential information (“Confidential Information”). Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County’s police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such Confidential Information; (ii) shall request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) shall disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. Records and Reports. The Sponsor agrees to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, “Filings”).

Notwithstanding any other provision of this Section 4.12, the Sponsor may designate as Confidential Information any Filings delivered to the County segments thereof that the Sponsor believes contain
proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor with respect to maintaining confidentiality of such designated segments.

Section 4.13. Payment of Administrative Expenses. The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County including a general statement of the amount and nature of the Administration Expense and requesting the payment of the same. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 4.14. Collection and Enforcement Rights of County. The parties acknowledge that, as provided in Section 12-44-90 of the Code, the County’s right to receive payments in lieu of taxes hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of ad valorem property taxes and, for purposes of this application, payments in lieu of taxes due hereunder shall be considered a property tax.

Section 4.15. Assignment and Subletting. This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor in which the Sponsor requests the release of the Sponsor from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.

Section 4.16. County’s Estoppel Certificates for Sponsor’s Financing Transactions. The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor, respectively, any estoppel certificates, acknowledgements or other documents certifying, to the County Administrator’s knowledge, the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor or any lender of the Sponsor from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor as contemplated under Section 12-44-120 of the Act.

Section 4.17. Sponsor’s Continuing Obligations After Termination by Sponsor. In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of taxes under Article IV or retroactive payments required under this Fee Agreement or the Act.

Section 4.18. Events of Default. The following shall be “Events of Default” under this Fee Agreement, and the term “Events of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor to make, upon levy, the payments in lieu of taxes described in Section 4.2 hereof; provided, however, that the Sponsor shall be entitled to all redemption rights granted by applicable statutes; or
(b) Failure by the Sponsor to perform any of the other material terms, conditions, obligations or covenants of the Sponsor hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Sponsor specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a thirty (30) day cure period the County shall grant to the Sponsor (which cure period shall not be applicable in the case of failure to make the payments in lieu of taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement.

Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. WHEREAS, the Sponsor is a wholly owned subsidiary of Southern Current, LLC, a limited liability company organized and existing under the laws of the State of Delaware;

WHEREAS, the Sponsor proposes to develop, install or operate, as applicable solar power generating facilities located at a leased site situated at Henry Cullins Road and Highway 413 (the "Land") in Anderson County, South Carolina (the "Project");

WHEREAS, the Project will involve an investment which, but for this Fee Agreement, would have a value for ad valorem taxation purposes, of not less than $2,800,000 within the time period required under the Act ("Project Commitment"), meeting the minimum investment requirement under the Act;

WHEREAS, pursuant to the Act, the County has determined that (a) the Project (as defined herein) is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefit not otherwise adequately provided locally; (b) the Project gives rise to no pecuniary liability of the County or incorporated municipality and to no charge against its general credit or taxing power; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project to the public are greater than the costs to the public;

WHEREAS, the County Council adopted an Inducement Resolution on May 15, 2018, (the "Resolution"), wherein the County Council, as an inducement to the Sponsor to develop the Project, committed the County to enter into, and authorized the County Administrator, County Attorney and the Executive Director of the Anderson County Economic Development Commission to negotiate with the Sponsor the terms of, this Fee Agreement;

WHEREAS, the Project constitutes Economic Development Property within the meaning of the Act; and

WHEREAS, for the purposes set forth above, based solely on information provided by the Sponsor to the County, the County has determined that it is in the best interests of the County to enter into this Fee Agreement with the Sponsor subject to the terms and conditions herein set forth.

NOW, THEREFORE, AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows, with the understanding that no obligation of the County described herein shall create a pecuniary liability or charge upon its general credit or taxing powers, but shall be payable solely out of the sources of payment described herein and shall not under any circumstances be deemed to constitute a general obligation to the County:

(c) The County identified the Project, as a “project” on May 15, 2018, by adopting an Inducement Resolution, as defined in the Act.

(f) The County agrees to use its best efforts to cause the Land to be located within the Multi-County Park, and the County will diligently take all reasonable acts to ensure that the Project will continuously be included with the boundaries of the Multi-County Park or another multi-county park in order that the maximum tax benefits afforded by the laws of the State of South Carolina for projects in the County located within multi-county industrial parks will be available to the Sponsor.

(g) No actions, suits, proceedings, inquiries, or investigations known to the undersigned representatives of the County are pending or threatened against or affecting the County in any court or before any governmental authority or arbitration board or tribunal, which could materially adversely affect the transactions contemplated by this Agreement or which could, in any way, adversely affect the validity or enforceability of this Agreement.
Section 2.2. **Representations of the Sponsor.** The Sponsor hereby represents and warrants to the County as follows:

(a) The Sponsor is duly organized and in good standing under the laws of the State of South Carolina, has power to enter into this Fee Agreement, and by proper company action has duly authorized the execution and delivery of this Fee Agreement.

(b) The Sponsor's execution and delivery of this Fee Agreement and its compliance with the provisions hereof will not result in a default, not waived or cured, under any company restriction or any agreement or instrument to which the Sponsor is now a party or by which it is bound.

(c) The Sponsor intends to operate the Project as a “project” within the meaning of the Act as in effect on the date hereof. (f) The income tax year of the Sponsor, and accordingly the property tax year, for federal income tax purposes, ends on December 31.

(g) The Sponsor has retained legal counsel to confirm, or has had a reasonable opportunity to consult legal counsel to confirm, its eligibility for the FILOT and other incentives granted by this Fee Agreement and has not relied on the County, its officials, employees or legal representatives with respect to any question of eligibility or applicability of the FILOT and other incentives granted by this Fee Agreement.

**ARTICLE III**

**THE PROJECT**

Section 3.1. **The Project.** The Sponsor has acquired and/or installed since the Commencement Date or made plans for the acquisition and/or installation of certain Equipment on the Land which comprises the Project.

Pursuant to the Act, the Sponsor and the County hereby agree that the property comprising the Project shall be Economic Development Property as defined under the Act.

Section 3.2. **Diligent Completion.** The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.

**ARTICLE IV**

**PAYMENTS IN LIEU OF TAXES**

Section 4.1. **Special Source Revenue Credit.** The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, a Special Source Revenue Credit, in reimbursement of investment in Qualifying Infrastructure Costs as described below, to be applied to its
annual fee-in-lieu of taxes liability in an amount equal to the FILOT Payments due under this Fee Agreement, to be calculated as set forth in Section 4.2, minus the Net FILOT Payment. For illustration purposes, and only as a means of illustration, a formula of this calculation is shown on Exhibit B, attached hereto. In no event may the Sponsor’s aggregate Special Source Revenue Credit claimed pursuant to this Section exceed the aggregate amount of Qualifying Infrastructure Costs.

(a) The Special Source Revenue Credit shall be effective starting with the first property tax year following execution of this Fee Agreement and, so long as the Sponsor meets the Project Commitment within the Investment Period, shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, “Qualifying Infrastructure Costs” shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved real estate in connection with the Project, and any other such similar or like expenditures authorized by the Code.

(b) In order to receive the Special Source Revenue Credit on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Sponsor shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the FILOT Payment of that given year. Any payment made under the foregoing sentence shall be due at the time the corresponding FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the FILOT Act.

Section 4.2. Negotiated FILOT Payments. Pursuant to Section 12-44-50 of the Act, the Sponsor is required to make payments in lieu of ad valorem taxes to the County with respect to the Project. Inasmuch as the Sponsor anticipates the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor have negotiated the amount of the payments in lieu of taxes in accordance therewith. In accordance therewith, the Sponsor shall make payments in lieu of ad valorem taxes on all the Equipment, Structures and Real Property which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of ad valorem taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2023, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes, less the Special Source Revenue Credit. The amount of such equal annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to the required procedures under the Act and to Section 4.4 hereof):

Step 1: Determine the fair market value of the improvements to the Real Property and Equipment in the Phase of the Project placed in service in any given year for such year and for the following 29 years using the original income tax basis for State income tax purposes less depreciation for each year allowable to the Sponsor for any Equipment as determined in accordance with Title 12 of the Code, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall
be allowable but taking into account all applicable property tax exemptions which would be allowed to the Sponsor under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The County and Sponsor also agree pursuant to Section 12-44-50(A)(1) of the Act that the value of the Real Property included in any Phase of the Project shall be its fair market value as determined by appraisal but the fair market value of the Real Property shall be subject to reappraisal by the South Carolina Department of Revenue not more than once every five (5) years.

Step 2: Apply an assessment ratio of 6% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the twenty-nine (29) years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 3: Use a millage rate of 345.4 mils, or the combined millage rates set for the tax year 2018 by the County and Anderson County School District (or the applicable school district) (these combined millage rates being in effect on June 30 prior to the calendar year in which this Agreement is signed as permitted by Section 12-44-50(A)(1)(d) of the Act) and any other overlapping political units having taxing jurisdiction where the Real Property is located, to determine the amount of the payments in lieu of taxes which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 4: Reduce the calculated amounts determined in the previous Steps by the Special Source Revenue Credit as described in Section 4.1 herein. The Special Source Revenue Credit shall be, at the option of the County, shown on the bill sent by the County to the Sponsor, or paid by a check from the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of taxes are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Sponsor with the benefits to be derived hereof, it being the intention of the County to offer the Sponsor an inducement to locate the Project in the County. If the Project is deemed to be subject to ad valorem taxation, the payment in lieu of ad valorem taxes to be paid to the County by the Sponsor shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor with respect to a year or years for which payments in lieu of ad valorem taxes have been previously remitted by the Sponsor to the County hereunder, shall be reduced by the total amount of payments in lieu of ad valorem taxes made by the Sponsor with respect to the Project pursuant to the terms hereof.

To the extent permitted by law, because the Negotiated FILOT Payments agreed to herein are intended to be paid by the Sponsor to the County in lieu of taxes, it is agreed that said Negotiated FILOT Payments
shall not, as to any year, be in any amount greater than what would otherwise be payable by the Sponsor to the County in property taxes if the Sponsor had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said Negotiated FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

If the Sponsor fails to meet the Act Minimum Investment Requirement by December 31, 2023, the Fee Agreement shall terminate and the Sponsor shall owe the County a retroactive tax payment in an amount equal to the difference between ad valorem property taxes on the Real Property and the Equipment subject to payments in lieu of taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and FILOT Payments made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter “Retroactive Tax Payment”). The repayment obligations arising under this Section survives termination of this Fee Agreement.

Section 4.3. Payments in Lieu of Taxes on Replacement Property. If the Sponsor elects to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):

(a) to the extent that the income tax basis of the Replacement Property (the “Replacement Value”) is less than or equal to the original income tax basis of the Removed Components (the “Original Value”) the amount of the payments in lieu of taxes to be made by the Sponsor with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to thirty (30) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the “Excess Value”), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property.

Section 4.4. Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty. In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. Place and Allocation of Payments in Lieu of Taxes. The Sponsor shall make the above-described payments in lieu of taxes directly to the County in accordance with applicable law.

Section 4.6. Removal of Equipment. The Sponsor shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the “Removed Components”) shall no longer be considered a part of the Project and shall no longer be subject
to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of *ad valorem* taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor, in their sole discretion, elects to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof. To the extent that the Special Source Revenue Credit is used as payment for personal property, including machinery and equipment, and the Removed Component is removed from the Project at any time during the life of the Negotiated FILOT Payment for said Removed Component, the amount of the Negotiated FILOT Payment on the Removed Component for the year in which the Removed Component was removed from the Project also shall be due for the two years immediately following the removal. To the extent that any Special Source Revenue Credits were used for both real property and personal property or infrastructure and personal property, all amounts will be presumed to have been first used for personal property. Notwithstanding the foregoing, if the Removed Component is removed from the Project but is replaced with qualifying Replacement Property, then the Removed Component will not be considered to have been removed from the property.

Section 4.7. Damage or Destruction of Project.

(a) *Election to Terminate.* In the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Agreement, and (ii) the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) *Election to Rebuild.* In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Sponsor may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor to the County under Section 4.2 hereof.

(c) *Election to Remove.* In the event the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 4.8. Condemnation.

(a) *Complete Taking.* If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.
(b) Partial Taking. In the event of a partial taking of the Project or transfer in lieu thereof, the Sponsor may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 4.9. Merger of Sponsor with Related Party. The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor and the merged entity assumes all duties and liabilities of the Sponsor set forth in this Fee Agreement.

Section 4.10. Indemnification Covenants.

(a) Except as provided in paragraph (d) below, the Sponsor shall indemnify and save the County, its employees, elected officials, officers and agents (each, an “Indemnified Party”) harmless against and from all liability or claims arising from the County’s execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement or the administration of its duties pursuant to this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement.

(b) The County is entitled to use counsel of its choice and the Sponsor shall reimburse the County for all of its costs, including attorneys’ fees, incurred in connection with the response to or defense against such liability or claims as described in paragraph (a), above. The County shall provide a statement of the costs incurred in the response or defense, and the Sponsor shall pay the County within 30 days of receipt of the statement. The Sponsor may request reasonable documentation evidencing the costs shown on the statement. However, the County is not required to provide any documentation which may be privileged or confidential to evidence the costs.

(c) The County may request the Sponsor to resist or defend against any claim on behalf of an Indemnified Party. On such request, the Sponsor shall resist or defend against such claim on behalf of the Indemnified Party, at the Sponsor’s expense. The Sponsor is entitled to use counsel of its choice, manage and control the defense of or response to such claim for the Indemnified Party; provided the Sponsor is not entitled to settle any such claim without the consent of that Indemnified Party.

(d) Notwithstanding anything herein to the contrary, the Sponsor is not required to indemnify any Indemnified Party against or reimburse the County for costs arising from any claim or liability (i) occasioned by the acts of that Indemnified Party, which are unrelated to the execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement, or the administration of its duties under this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement; or (ii) resulting from that Indemnified Party’s own negligence, bad faith, fraud, deceit, or willful misconduct.

(e) An Indemnified Party may not avail itself of the indemnification or reimbursement of costs provided in this Section unless it provides the Sponsor with prompt notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to
afford the Sponsor notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

Section 4.11. Confidentiality/Limitation on Access to Project. The County acknowledges and understands that the Sponsor utilizes confidential and proprietary “state-of-the-art” trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor’s operations would result in substantial harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as confidential information (“Confidential Information”). Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County’s police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such Confidential Information; (ii) shall request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) shall disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. Records and Reports. The Sponsor agrees to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, “Filings”).

Notwithstanding any other provision of this Section 4.12, the Sponsor may designate as Confidential Information any Filings delivered to the County segments thereof that the Sponsor believes contain proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor with respect to maintaining confidentiality of such designated segments.

Section 4.13. Payment of Administrative Expenses. The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County including a general statement of the amount and nature of the Administration Expense and requesting the payment of the same. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 4.14. Collection and Enforcement Rights of County. The parties acknowledge that, as provided in Section 12-44-90 of the Code, the County’s right to receive payments in lieu of taxes hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of ad valorem property taxes and, for purposes of this application, payments in lieu of taxes due hereunder shall be considered a property tax.
Section 4.15. Assignment and Subletting. This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor in which the Sponsor requests the release of the Sponsor from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.

Section 4.16. County's Estoppel Certificates for Sponsor's Financing Transactions. The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor, respectively, any estoppel certificates, acknowledgements or other documents certifying, to the County Administrator's knowledge, the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor or any lender of the Sponsor from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor as contemplated under Section 12-44-120 of the Act.

Section 4.17. Sponsor's Continuing Obligations After Termination by Sponsor. In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of taxes under Article IV or retroactive payments required under this Fee Agreement or the Act.

Section 4.18. Events of Default. The following shall be "Events of Default" under this Fee Agreement, and the term "Events of Default" shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor to make, upon levy, the payments in lieu of taxes described in Section 4.2 hereof; provided, however, that the Sponsor shall be entitled to all redemption rights granted by applicable statutes; or

(b) Failure by the Sponsor to perform any of the other material terms, conditions, obligations or covenants of the Sponsor hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Sponsor specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a thirty (30) day cure period the County shall grant to the Sponsor (which cure period shall not be applicable in the case of failure to make the payments in lieu of taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement.
Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Sponsor is not competent to waive.

Section 4.21. Decommissioning the Project. The Sponsor shall obtain a bond listing the County as obligee in an amount sufficient to ensure performance of Sponsor's Decommissioning obligations upon abandonment, termination of the lease governing the Land, or other termination of the Project by the Sponsor, and taking into consideration the salvage value of the Equipment. The obligations arising under this Section survive termination of this Fee Agreement.

Section 5.7. Further Assurance. From time to time the County agrees to execute and deliver to the Sponsor such additional instruments as the Sponsor may reasonably request to effectuate the purposes of this Fee Agreement.

Section 5.8. Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable intent thereof and so as to afford the Sponsor with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Sponsor the strongest inducement possible to locate the Project in the County.

Section 5.9. Limited Obligation. ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEEDS DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO
CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 5.10. Force Majeure. Except for payments in lieu of taxes under this Fee Agreement the due dates of which are statutorily mandated, the Sponsor shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders, acts or regulations, war or national emergency, or acts of God.

Section 5.11. Execution Disclaimer. Notwithstanding any other provisions, the County is executing this Fee Agreement as a statutory accommodation to assist the Sponsor in achieving the intended benefits and purposes of the Act. The County has made no independent legal or factual investigation regarding the particulars of this transaction and it executes this Fee Agreement in reliance upon representations by the Sponsor that this document complies with all laws and regulations, particularly those pertinent to industrial development projects in South Carolina.

WHEREAS, the Sponsor is a wholly owned subsidiary of Southern Current, LLC, a limited liability company organized and existing under the laws of the State of Delaware;

WHEREAS, the Sponsor proposes to develop, install or operate, as applicable solar power generating facilities located at a leased site situated at Mountain Springs Rd & Hwy 86 and off of Easley Hwy and Ballard Road (the "Land") in Anderson County, South Carolina (the "Project");

NOW, THEREFORE, AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows, with the understanding that no obligation of the County described herein shall create a pecuniary liability or charge upon its general credit or taxing powers, but shall be payable solely out of the sources of payment described herein and shall not under any circumstances be deemed to constitute a general obligation to the County:

(c) The Sponsor intends to operate the Project as a “project” within the meaning of the Act as in effect on the date hereof. Section 3.2. Diligent Completion. The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.
ARTICLE IV
PAYMENTS IN LIEU OF TAXES

Section 4.1. Special Source Revenue Credit. The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, a Special Source Revenue Credit, in reimbursement of investment in Qualifying Infrastructure Costs as described below, to be applied to its annual fee-in-lieu of taxes liability in an amount equal to the FILOT Payments due under this Fee Agreement, to be calculated as set forth in Section 4.2, minus the Net FILOT Payment. For illustration purposes, and only as a means of illustration, a formula of this calculation is shown on Exhibit B, attached hereto. In no event may the Sponsor’s aggregate Special Source Revenue Credit claimed pursuant to this Section exceed the aggregate amount of Qualifying Infrastructure Costs.

(a) The Special Source Revenue Credit shall be effective starting with the first property tax year following execution of this Fee Agreement and, so long as the Sponsor meets the Project Commitment within the Investment Period, shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, “Qualifying Infrastructure Costs” shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved real estate in connection with the Project, and any other such similar or like expenditures authorized by the Code.

(b) In order to receive the Special Source Revenue Credit on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Sponsor shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the FILOT Payment of that given year. Any payment made under the foregoing sentence shall be due at the time the corresponding FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the FILOT Act.

Section 4.2. Negotiated FILOT Payments. Pursuant to Section 12-44-50 of the Act, the Sponsor is required to make payments in lieu of ad valorem taxes to the County with respect to the Project. Inasmuch as the Sponsor anticipates the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor have negotiated the amount of the payments in lieu of taxes in accordance therewith. In accordance therewith, the Sponsor shall make payments in lieu of ad valorem taxes on all the Equipment, Structures and Real Property which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of ad valorem taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2023, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes, less the Special Source Revenue Credit. The amount of such equal
annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to
the required procedures under the Act and to Section 4.4 hereof):

Step 1: Determine the fair market value of the improvements to the Real Property and Equipment in
the Phase of the Project placed in service in any given year for such year and for the following
29 years using the original income tax basis for State income tax purposes less depreciation
for each year allowable to the Sponsor for any Equipment as determined in accordance with
Title 12 of the Code, as amended and in effect on December 31 of the year in which each
Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall
be allowable but taking into account all applicable property tax exemptions which would be
allowed to the Sponsor under State law, if the property were taxable, except those exemptions
specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect
on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The
County and Sponsor also agree pursuant to Section 12-44-50(A)(1) of the Act that the value
of the Real Property included in any Phase of the Project shall be its fair market value as
determined by appraisal but the fair market value of the Real Property shall be subject to
reappraisal by the South Carolina Department of Revenue not more than once every five (5)
years.

Step 2: Apply an assessment ratio of 6% to the fair market value as determined for each year in Step
1 to establish the taxable value of each Phase of the Project in the year it is placed in service
and in each of the twenty-nine (29) years thereafter or such longer period of years that the
annual fee payment is permitted to be made by the Sponsor under the Act, as amended.

Step 3: Use a millage rate of 309.1 mils, or the combined millage rates set for the tax year 2018 by
the County and Anderson County School District (or the applicable school district) (these
combined millage rates being in effect on June 30 prior to the calendar year in which this
Agreement is signed as permitted by Section 12-44-50(A)(1)(d) of the Act) and any other
overlapping political units having taxing jurisdiction where the Real Property is located, to
determine the amount of the payments in lieu of taxes which would be due in each year of
the Fee Term on the payment dates prescribed by the County for such payments or such
longer period of years that the annual fee payment is permitted to be made by the Sponsor
under the Act, as amended.

Step 4: Reduce the calculated amounts determined in the previous Steps by the Special Source
Revenue Credit as described in Section 4.1 herein. The Special Source Revenue Credit shall
be, at the option of the County, shown on the bill sent by the County to the Sponsor, or paid
by a check from the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement
of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently
than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of taxes are declared invalid or
unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments
and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent
thereof and so as to afford the Sponsor with the benefits to be derived hereof, it being the intention of the
County to offer the Sponsor an inducement to locate the Project in the County. If the Project is deemed to
be subject to ad valorem taxation, the payment in lieu of ad valorem taxes to be paid to the County by the
Sponsor shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor with respect to a year or years for which payments in lieu of ad valorem taxes have been previously remitted by the Sponsor to the County hereunder, shall be reduced by the total amount of payments in lieu of ad valorem taxes made by the Sponsor with respect to the Project pursuant to the terms hereof.

To the extent permitted by law, because the Negotiated FILOT Payments agreed to herein are intended to be paid by the Sponsor to the County in lieu of taxes, it is agreed that said Negotiated FILOT Payments shall not, as to any year, be in any amount greater than what would otherwise be payable by the Sponsor to the County in property taxes if the Sponsor had not entered into a fee-in-lieu of taxes arrangement with the County (except it is not intended that said Negotiated FILOT Payments would necessarily be less than such property taxes to the extent that the constitutional abatement of property taxes would otherwise apply).

If the Sponsor fails to meet the Act Minimum Investment Requirement by December 31, 2023, the Fee Agreement shall terminate and the Sponsor shall owe the County a retroactive tax payment in an amount equal to the difference between ad valorem property taxes on the Real Property and the Equipment subject to payments in lieu of taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and FILOT Payments made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter “Retroactive Tax Payment”). The repayment obligations arising under this Section survives termination of this Fee Agreement.

Section 4.3. Payments in Lieu of Taxes on Replacement Property. If the Sponsor elects to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):

(a) to the extent that the income tax basis of the Replacement Property (the “Replacement Value”) is less than or equal to the original income tax basis of the Removed Components (the “Original Value”) the amount of the payments in lieu of taxes to be made by the Sponsor with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to thirty (30) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the “Excess Value”), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property.
Section 4.4. Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty.
In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. Place and Allocation of Payments in Lieu of Taxes. The Sponsor shall make the above-described payments in lieu of taxes directly to the County in accordance with applicable law.

Section 4.6. Removal of Equipment. The Sponsor shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the “Removed Components”) shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of ad valorem taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor, in their sole discretion, elects to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof. To the extent that the Special Source Revenue Credit is used as payment for personal property, including machinery and equipment, and the Removed Component is removed from the Project at any time during the life of the Negotiated FILOT Payment for said Removed Component, the amount of the Negotiated FILOT Payment on the Removed Component for the year in which the Removed Component was removed from the Project also shall be due for the two years immediately following the removal. To the extent that any Special Source Revenue Credits were used for both real property and personal property or infrastructure and personal property, all amounts will be presumed to have been first used for personal property. Notwithstanding the foregoing, if the Removed Component is removed from the Project but is replaced with qualifying Replacement Property, then the Removed Component will not be considered to have been removed from the property.

Section 4.7. Damage or Destruction of Project.

(a) Election to Terminate. In the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Agreement, and (ii) the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) Election to Rebuild. In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Sponsor may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor to the County under Section 4.2 hereof.
(c) **Election to Remove.** In the event the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

**Section 4.8. Condemnation.**

(a) **Complete Taking.** If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.

(b) **Partial Taking.** In the event of a partial taking of the Project or transfer in lieu thereof, the Sponsor may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor has not met the Act Minimum Investment Requirement at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has met the Act Minimum Investment Requirement within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

**Section 4.9. Merger of Sponsor with Related Party.** The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor and the merged entity assumes all duties and liabilities of the Sponsor set forth in this Fee Agreement.

**Section 4.10. Indemnification Covenants.**

(a) Except as provided in paragraph (d) below, the Sponsor shall indemnify and save the County, its employees, elected officials, officers and agents (each, an “Indemnified Party”) harmless against and from all liability or claims arising from the County’s execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement or the administration of its duties pursuant to this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement.

(b) The County is entitled to use counsel of its choice and the Sponsor shall reimburse the County for all of its costs, including attorneys’ fees, incurred in connection with the response to or defense against such liability or claims as described in paragraph (a), above. The County shall provide a statement of the costs incurred in the response or defense, and the Sponsor shall pay the County within 30 days of receipt of the statement. The Sponsor may request reasonable documentation evidencing the costs shown on the statement. However, the County is not required to provide any documentation which may be privileged or confidential to evidence the costs.

(c) The County may request the Sponsor to resist or defend against any claim on behalf of an Indemnified Party. On such request, the Sponsor shall resist or defend against such claim on behalf of the Indemnified Party, at the Sponsor’s expense. The Sponsor is entitled to use counsel of its choice, manage
and control the defense of or response to such claim for the Indemnified Party; provided the Sponsor is not entitled to settle any such claim without the consent of that Indemnified Party.

(d) Notwithstanding anything herein to the contrary, the Sponsor is not required to indemnify any Indemnified Party against or reimburse the County for costs arising from any claim or liability (i) occasioned by the acts of that Indemnified Party, which are unrelated to the execution of this Fee Agreement, performance of the County’s obligations under this Fee Agreement, or the administration of its duties under this Fee Agreement, or otherwise by virtue of the County having entered into this Fee Agreement; or (ii) resulting from that Indemnified Party’s own negligence, bad faith, fraud, deceit, or willful misconduct.

(e) An Indemnified Party may not avail itself of the indemnification or reimbursement of costs provided in this Section unless it provides the Sponsor with prompt notice, reasonable under the circumstances, of the existence or threat of any claim or liability, including, without limitation, copies of any citations, orders, fines, charges, remediation requests, or other claims or threats of claims, in order to afford the Sponsor notice, reasonable under the circumstances, within which to defend or otherwise respond to a claim.

Section 4.11. Confidentiality/Limitation on Access to Project. The County acknowledges and understands that the Sponsor utilizes confidential and proprietary “state-of-the-art” trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor’s operations would result in substantial harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as confidential information (“Confidential Information”). Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County’s police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such Confidential Information; (ii) shall request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) shall disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. Records and Reports. The Sponsor agrees to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, “Filings”).

Notwithstanding any other provision of this Section 4.12, the Sponsor may designate as Confidential Information any Filings delivered to the County segments thereof that the Sponsor believes contain
proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor with respect to maintaining confidentiality of such designated segments.

Section 4.13. Payment of Administrative Expenses. The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County including a general statement of the amount and nature of the Administration Expense and requesting the payment of the same. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 4.14. Collection and Enforcement Rights of County. The parties acknowledge that, as provided in Section 12-44-90 of the Code, the County’s right to receive payments in lieu of taxes hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of ad valorem property taxes and, for purposes of this application, payments in lieu of taxes due hereunder shall be considered a property tax.

Section 4.15. Assignment and Subletting. This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor in which the Sponsor requests the release of the Sponsor from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.

Section 4.16. County’s Estoppel Certificates for Sponsor’s Financing Transactions. The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor, respectively, any estoppel certificates, acknowledgements or other documents certifying, to the County Administrator’s knowledge, the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor or any lender of the Sponsor from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor as contemplated under Section 12-44-120 of the Act.

Section 4.17. Sponsor’s Continuing Obligations After Termination by Sponsor. In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of taxes under Article IV or retroactive payments required under this Fee Agreement or the Act.

Section 4.18. Events of Default. The following shall be “Events of Default” under this Fee Agreement, and the term “Events of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor to make, upon levy, the payments in lieu of taxes described in Section 4.2 hereof; provided, however, that the Sponsor shall be entitled to all redemption rights granted by applicable statutes; or
(b) Failure by the Sponsor to perform any of the other material terms, conditions, obligations or covenants of the Sponsor hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Sponsor specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. Remedies on Default. Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a thirty (30) day cure period the County shall grant to the Sponsor (which cure period shall not be applicable in the case of failure to make the payments in lieu of taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement.

Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Sponsor is not competent to waive.

Section 4.21. Decommissioning the Project. The Sponsor shall obtain a bond listing the County as obligee in an amount sufficient to ensure performance of Sponsor’s Decommissioning obligations upon abandonment, termination of the lease governing the Land, or other termination of the Project by the Sponsor, and taking into consideration the salvage value of the Equipment. The obligations arising under this Section survive termination of this Fee Agreement.

Section 5.2. Binding Effect. This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Sponsor and the County and their respective successors and assigns. In the event of the dissolution of the County or the consolidation of any party of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 5.6. Amendments. The provisions of this Fee Agreement may only be modified or amended in writing by an agreement or agreements entered into between the parties.  

Section 5.7. Further Assurance. From time to time the County agrees to execute and deliver to the Sponsor such additional instruments as the Sponsor may reasonably request to effectuate the purposes of this Fee Agreement.
Section 5.8. Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable intent thereof and so as to afford the Sponsor with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Sponsor the strongest inducement possible to locate the Project in the County.

Section 5.9. Limited Obligation. ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEEDS DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 5.10. Force Majeure. Except for payments in lieu of taxes under this Fee Agreement the due dates of which are statutorily mandated, the Sponsor shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders, acts or regulations, war or national emergency, or acts of God.

Section 5.11. Execution Disclaimer. Notwithstanding any other provisions, the County is executing this Fee Agreement as a statutory accommodation to assist the Sponsor in achieving the intended benefits and purposes of the Act. The County has made no independent legal or factual investigation regarding the particulars of this transaction and it executes this Fee Agreement in reliance upon representations by the Sponsor that this document complies with all laws and regulations, particularly those pertinent to industrial development projects in South Carolina.

IN WITNESS WHEREOF, the County, acting by and through the County Council, has caused this Fee Agreement to be executed in its name and behalf by its Chairman and to be attested by the County Manager; and the Sponsor has caused this Fee Agreement to be executed by its duly authorized officer, all as of the day and year first above written.

NOW THEREFORE, be it ordained by Anderson County Council, in meeting duly assembled that:

The existing footprint may be used for the placement of a mobile home/manufactured home as long as the new mobile home/manufactured home placement does not extend beyond the original footprint or appropriate setbacks can be maintained.

2. The remaining terms and provisions of the Anderson County Code of Ordinances not revised or affected hereby remain in full force and effect.

3. Should any part or portion of this Ordinance be deemed unconstitutional or unenforceable by any court of competent jurisdiction, such determination shall not affect the remainder of this Ordinance, all of which is hereby deemed separable.
4. All Ordinances, Order, Resolutions and actions of Anderson County Council inconsistent herewith are, to the extent of such inconsistency only, hereby repealed, revoked, and rescinded.
