**Take some of the stress out of traveling**

Travelling domestically or abroad can be both exciting and stressful. With the ever-present risk of fraud, card issuers are more diligent than ever about questioning suspicious activity, even with travel and entertainment cards. Making your card issuer aware of your travel plans 24 - 48 hours prior to departure is one way you can avoid declined transactions and ensure a more positive travel experience.

With TD Commercial Plus Card, setting up travel notes is easy. Simply contact us at 877-253-4558 and select Option 2 for "Other inquiry" and then option 4 for "Reporting Upcoming Travel." You'll be asked to enter your cardholder information for validation with Option 2, and Option 4 will take you to a card specialist that can assist you. Our specialists are happy to assist you 24 hours a day, 7 days a week, 365 days per year.
