West Pelzer

The Cherokee Indians were the first settlers of the present site of West Pelzer, which was originally called Frankville.

While there were settlers in the vicinity in the 1800's, the town of Frankville was not chartered until 1913. The original survey for the town was made by John Frank. The street lay-out in the older part of the town is the same today as called for in the original street plat, and in many cases the size of the lots is still the same. The original survey was made in the fall of 1911 and the spring of 1912.

On November 19, 1913, the first petition for a charter was filed by ten freeholder electors setting forth the corporate limits and the number of inhabitants of the proposed town. It was also stated that there was a desire to be incorporated.

A commission was issued on November 19, 1913, to W. L. Welborn, Sr., John W. Garrett and A. W. Crenshaw empowering them to provide for the registration of all electors within the corporate limits to appoint managers to hold election and to certify results of the election to the Secretary of State of South Carolina.

W. E. Allen, W. A. Elrod and D. S. Guest were appointed managers of the election. On December 24, 1913 they made a formal report that the people voted in favor of incorporation; that the name of the town would be Pelzer, and that C. C. Hindman was elected intendent (mayor), with C. B. Drake, F. C. Mundy, N. A. Smith, and T. C. Stewart as wardens (aldermen). The original charter was issued December 24, 1913 by H. M. McCaron, Secretary of State.

The first officials were elected for terms of six years and during the last two-year term of their service, a new petition was filed with the Secretary of State for a change of name. By due process of law, on September 13, 1915, the name was changed from Frankville to West Pelzer.

It was that year in which the first water was piped to a part of the town. The water system was owned by C. C. Hindman and John Franks.

West Pelzer has the distinction of being the only town in Anderson County to have had a woman mayor. Mrs. John W. Garrett was elected mayor in 1923. Aldermen were Burt Boyce, E. M. Eidson, Sr., C. M. Davenport, and J. T. Simmons.

Mayor Garrett served for three months and then resigned in objection to the council's granting a license to a carnival to set up in town for a week.

R. O. Thompson was elected mayor in 1925 and reelected in 1927, resigning four months before the expiration of his second term. Mayor pro tem E. M. Eidson, Sr. finished the term as mayor. Other mayors since that time were: M. E. Proffitt, Sr., Joe Walborn, (who was 26 years old and the youngest mayor on record in the United States), E. A. Dunlap, Eddie Durham, Arthur Davis.

Although the town name much later, the first school in the vicinity was founded in 1887, just above the C. E. Eskey home. It was called Viola, and served the school needs until the 1912-13 school term.

In 1916 West Pelzer lost the high school to Pelzer, which had not had one.

West Pelzer school was part of the school consolidation in 1949 and the new district was called Pelzer-Williamston. In 1952 it became School District Number One of Anderson County. In November, 1953, West Pelzer lost its third school building by fire. All pupils attended Gossett School in Williamston for the remainder of the term and during a part of the following term. In February, 1955, the West Pelzer school opened at a new location in a new $128,000 building.

On July 4, 1924, the Church of God of Prophecy was organized and met in front of the Southern Railway Depot until 1953 when the present building on Main Street was completed. The Church of God was organized in 1931, building a small place of worship. In 1942 a new church was built on Railroad Boulevard, and again in 1950 a move was made, this time to the brick structure on Highway 20. The West Pelzer Baptist Church was organized
During Arthur Davis' first term as mayor in 1957-59, the town had its first permanent home, the present Town Hall, which was erected at a cost of $7,000. During his second term, a new water tank, sewage lines, and a disposal plant were installed at a cost of $240,000.

The West Pelzer Fire Department, a part of the Anderson County Fire Protection System, has been a most valuable addition in recent years.

BARKER’S CREEK BAPTIST CHURCH HISTORY

Barker’s Creek Baptist Church, located 3 ½ miles west of Honea Path, was organized on November 3, 1821. The membership of eleven men and twelve women was found to be sound in the Baptist faith, thus declaring them to be a church of Jesus Christ with the keys of self-government. The original members were: Reuben Brock, Labon Massey, James Brock, William Hunt, Hugh Clement, Benjamin Clement, John Gantt, Enos Brock, Thomas Lord, William Lord, John Cullens, Milly Reed, Jane Hunt, Isabel Armstrong, Mary Clement, Elizabeth Shirley, Polly Smith, Clary Cullens, Ann Williams, Blaney Smith, Jencey Clement, Catherine Campbell, and Elizabeth Davis.

Arthur Williams was the first pastor of the church and served as pastor for about twenty years without any mention of compensation. The first record of delegates attending the annual meeting of Saluda Association was July 6, 1822.

According to records, the first church was a log house located on the site of our present parsonage. James Williams donated the property. In 1855 a new house of worship was built across the road on property donated by William Hunt. Barker’s Creek hosted the meeting of the Saluda Association in July, 1855.

The first mention of a special offering for missions was in 1879 during the pastorate of Reverend G. M. Rodgers. In 1891, the church gave $23.62 to State Missions, $25.78 to Home Missions, and $20.90 to Foreign Missions.

In 1897, the need for a new church building was discussed. The building was completed and dedicated in October, 1898.

J. Lawrence Branyon gave additional property in 1912 and in 1919. During his fourth term as pastor, Reverend D. W. Hiott encouraged the people to build a more modern building for worship in May, 1919. The building was completed in 1924.

Plans for a parsonage were made during the pastorate of Reverend Sam Putnam in 1949. The parsonage was completed in 1950. Reverend Tommy Dyar, our first full-time pastor, was also the first pastor to live in the new parsonage.

The educational building was built during the ministry of Reverend W. C. Brissie and dedicated during the ministry of Reverend W. H. Floyd. Reverend W. P. Hall, Jr. assumed the pastorate of Barker’s Creek Baptist Church in August, 1962. With the church constantly growing, a new auditorium was proposed. The planning committee was composed of the following men: Horace Bell, Leonard Wilson, Collie Suell, Addison Shirley, Nathan Shirley, Robert Smith, Roy Gambrell, Jr., Harold Campbell, Raymond Parker, Leon Thomas, Walter Branyon, and Marvin Lusk.

In June, 1968, a building committee was elected. That committee was composed of David Greer (Chairman), Leonard Wilson, Howard Locke, Marvin Lusk, and Pat Clinkscales. This building was built and dedicated during the ministry of Reverend W. P. Hall, Jr. The dedication service was held in January, 1972, the 150th anniversary of the church. The old auditorium was remodeled and converted into classrooms. Its dome was preserved and is now visible in the Upper Room.

In January, 1988, during the ministry of Dr. Broadus Moody, the membership voted to build a fellowship/activities building. This building was completed and dedicated on March 12, 1989, with the oldest member of the church, Mrs. Rosa Branyon, cutting the ribbon.

Reverend Randy Creamer began his ministry in June, 1990, and resigned effective April 30, 2002, to assume a position with the North American Mission Board. Dr. Robert Miller, retired from Woodfields Baptist Church in Greenwood, served Barker’s Creek as interim pastor.

Reverend Arnold Hiette began his ministry in August 2003. He became ill and was out of the pulpit five months before having a liver transplant. He resigned September 10, 2006. Dr. Robert Miller served again as interim from January 2006 through July 2007.

Barker’s Creek Baptist Church has had a long and illustrious history. Since its origin, it has been a church that has believed in and supported missions.
PROCLAMATION

Declaring October as National Disability Awareness Month

Whereas, as our country has been at the forefront of civil and human rights of individuals therefore, it is natural the United States recognizes and ensures the inalienable rights of people with disabilities, by passing the Americans with Disabilities Act (ADA) which South Carolina is committed to full compliance; and,

Whereas, America needs the knowledge, skills, talents and productivity of our 49 million people with disabilities to help energize our economy to provide individuals with disabilities the opportunity to work and reduce the $300 billion spent annually in public assistance and lost productivity; and,

Whereas, persons with disabilities represent the nation’s largest pool of talented, skilled, knowledgeable and hard-working people encompassing the full spectrum of race, religion, national origin, age, and gender. It is important for Anderson County to move purposefully toward diversity in the workplace because we have learned that people with the severest disabilities can learn, work, pay taxes, buy goods and services and be self-supporting if given the appropriate opportunities; and,

Whereas, this is the twenty-eighth anniversary of the Americans with Disabilities Act of 1990 and the seventy third anniversary of the National Disability Employment Awareness Month; and,

Now, Therefore, be it resolved we the Anderson County Council of Anderson, South Carolina do hereby proclaim the month of October 2018, as National Disability Awareness Month in Anderson County.

We ask all citizens to recognize the tremendous potential of these disabled citizens, the quality they contribute to our culture, renewing our commitment to full inclusion and equal opportunity for them. We call on all citizens of Anderson County to observe this month with appropriate programs and activities that affirm our determination to fulfill the promise of the Americans with Disabilities Act and achieve full employment for people with disabilities.

TOMMY DUNN: At this time I’d like to call the regular Anderson County Council meeting of October 2nd to order. I’d like to welcome each and every one of you here tonight. Sorry for any inconvenience of having the meeting over here. We’ve got some issues with the elevator over there, so we moved it over here. I want to appreciate and thank the Clerk of Court, Mr. Shirley, and his staff for allowing us to have it over here, and feeding us a little bit before the meeting. So thank them very much for their hospitality.

So at this time we’ll move on to Item number 2 on the agenda, our invocation and pledge of allegiance by Councilman Wooten. If we’ll all rise, please.

(INVOCATION AND PLEDGE OF ALLEGIANCE BY CRAIG WOOTEN)

TOMMY DUNN: At this time, moving on to Item number 3, approval of the minutes of the September 18, 2018 meeting. Are there any corrections or changes that needs to be made?

CINDY WILSON: May I, Mr. Chairman?

TOMMY DUNN: Ms. Wilson.

CINDY WILSON: Thank you. On page 51, line 48, instead of follow, the word should be following. And on page 37, line 2, Welpine is spelled W-E-L-P-I-N-E. And then on page 61, the names of Patricia Seawright, that’s spelled together. And instead of Clary, that’s Clardy, on lines 20 and 21.

TOMMY DUNN: Anything else?

GRACIE FLOYD: Yes.

TOMMY DUNN: Yes, ma’am, Ms. Floyd?

GRACIE FLOYD: Page 25, line 15, it says Maggie. It says the place was called Maggie’s. But the word is Mattie’s, M-A-T-T-I-E-S. Maggie’s is listed two or three times, but the company or the place’s name is Mattie’s.

TOMMY DUNN: Any other corrections? Do we have a motion to accept the minutes with those corrections?

CINDY WILSON: I make a motion that we accept the minutes as amended.

TOMMY DUNN: Have a motion Ms. Wilson. Have a second?

TOM ALLEN: Second.

TOMMY DUNN: Second Mr. Allen. All in favor of the motion, show of hands. Opposed like sign. Show the motion carries unanimously.

Now we’re going to be moving on to Item number 4, Citizens Comments. At this time the attorney, Mr. Harmon, will call your name. These are for comments that’s on the agenda items only for the first go-
around. At the end of the meeting will be comments for any other discussion that’s not other -- on the agenda. You have three minutes. Please address the chair. Please state your name and district for the record. Mr. Harmon?

LEON HARMON: Mr. Chair, the first speaker is Michael Acquilano.

MICHAEL ACQUILANO: Hello. Thank you for having us here this evening. I am here representing the Catholic Diocese of Charleston, the project Saint Clare’s home, which we have discussed, I believe it was early August and now we’re at the first week of October. And we appreciate you giving us this time to chat with residents and discuss this further because I think it was very fruitful. I think we came down to what their real concerns were. We spent time responding to them and getting down to the real issue, which for them is the rezoning piece. And that is why you’ll notice in the folder that I provided to you with the red, blue, green and yellow tabs, we provided them in the red section -- if you go to the first tab -- a proposal. Because they’re most concerned about rezoning. And being around town today, I can understand why, because there’s traffic. And we are proposing to restrict the use of the property so that even though the rezoning, which was requested by planning staff has to occur for us to operate, we’re willing to permanently restrict the property through a restricted covenant forever that would pass with the deed. So this is something that we would give to them on the whole hundred and five acres; not just the four percent or the 3.8 acres we’re talked about. And we’re hoping that that resolves their concerns. It is a rezoning and we understand that that’s a concern. But they defer to you in our most recent communication which is in the blue tab. You’ll see that they deferred to council rather than providing a yes, no, maybe so. They’re deferring to you on this. And we believe what their concerns are, are rezoning, and that growth and impact on the community. And we believe our proposal restricting it completely forever, in perpetuity is great for them, as it is for us, because it provides that buffer we all want.

In addition we also are providing in the restricted easements their votes. If we ever were to change it or if we ever sold or changed hands, fifty-one percent of them, the residents of Massey Estates, would have to authorize that. We’re not looking to bring in anything that they don’t want. They’ve even admitted that it was not the women, it wasn’t the
mission. They even said that that night. It wasn’t about that. It’s about the rezoning and the potential growth that could occur on a hundred and five acres, which is a lot. It could turn into something they don’t want.

So we are pretty confident that we’ve offered the best alternative for you all to review. And after speaking to many of you over the last several days, I think that many of us agree that it is a good decision for the protection of that area. I live in a rural community myself south of Charleston, which it sounds crazy that there’s rural country there, but there is. And I can appreciate their desire to preserve the quiet countryside. And that’s why we selected the property.

So you can see that the red is the proposal we offered them at the end of August; blue is all of our correspondence; green is a letter from a sheriff that lives next to a home just like this in Alabama and she provides that there’s no crime there whatsoever and the community has actually been blessed by it; and the last one is actually a letter from Palmetto Family Council. They just gave this to me today. It’s not necessarily the best report, but it’s an endorsement. Thank you.

LEON HARMON: Mr. Chairman, the next speaker is Seth Thompson.

SETH THOMPSON: How you doing? I’m Seth Thompson. I live at 1460 Massey Road. I’m against the rezoning for this. We spoke last time. I had the same thoughts then that I do now. I just don’t think it’s the right place. Even that proposal sounds nice, I just don’t agree with it. I don’t understand why they can’t find a different place to go to. We have -- it’s just a small town community. We want to keep it that way. The people who are in favor for it, most of them don’t live here; not in Anderson County. If they do live in Anderson County, they don’t live next to it. And that’s -- you know, they don’t have to deal with the things that could arise from this being here. And I know they said they’re going to try to deal with all the traffic and rezoning and all that. I’m not a lawyer. I don’t have a law degree like that fellow there, but I don’t speak as well as he does, but you know, I understand what’s going on. And so do my neighbors. And we just don’t appreciate it. We don’t want it. I think what they’re doing is great, but I think there’s just another place for it. And on Massey Road is not it.

We have kids that live in the neighborhood. We
have people that live behind where this house is going
to go that are up to no good. I had a tree stand
stolen out of the woods last week, last Wednesday
night. Went to my tree stand, stand was not there,
camera is not there. I don't know who took it. I've
got a pretty good idea where they came from and it's
right over there across behind the woods where that
house is going. And I know the last time you said
you're going to have security. But I don't think
you're going to have enough security if something goes
wrong. That's just what I'm saying. That's how I
believe; that's what I think. I think they can find a
different area for this to go. Thank you for your
time.

TOMMY DUNN: Mr. Harmon?

LEON HARMON: Mr. Chairman, next speaker

KIM BRYANT: Hey. I'm Kim Bryant. I
just have a lot of reservation for what they're trying
to do. I know he said that they did try to contact
us. They did email us. But they never tried to come
and have a meeting. We went to all of the people that
live on Massey Road and put flyers in their mailboxes
and talked to them, and you know, told them, I think
pretty diplomatically, what could happen; what's the
good and the bad. And everybody just had more cons
than they did pros on it. I think it's a good thing.
I just don't think they need to be in our
neighborhood. It is a business. You know, I don't
want to get into a contest about what the Catholic
Church is doing right now. I think there's a lot of
things that they need to do besides this. You know, I
don't know if anybody knows if this piece of property
has been sold to them. Anybody know? Is it already
sold to them or not?

TOMMY DUNN: We don't know.

KIM BRYANT: Okay. No? Okay. So with
that being said, he told us that night that it was
going to be bought regardless, in two days, after the
first meeting we had when we talked with him. Because
we really wanted to know what was going on, you know.
We didn't have any information. We really wanted to
know what they were planning to do. So we stayed with
them for a long time. And I spoke to several people
after that; several Council members after that. He
said that it would be bought within two days no matter
what and they would put nuns in there if they didn't
put the whole pregnancy deal. So that's a lie. So
that tells me that I really can't believe what he
says.
Number two, I’ve talked with several of the Council members and they say that all this stuff that he’s trying to say that he wants to do, it’s never been done. It doesn’t hold. So that being said, you know, if they restrict it and do all this stuff, that doesn’t really mean anything. Once it’s rezoned, it’s rezoned; if I understand correctly. There is no, we’ll restrict it and we’ll send it back to you and we’ll give it back to you. It’s done; it’s done. So I think that’s a good idea that he would like to restrict it, but there’s no -- it’s never been done so I don’t understand how he thinks it could be done.

And as far as the road itself, I’m probably one of the first people that lived on that road and there was nothing there. My father-in-law was a developer and I was like, I’m scared to be here. I came out of a neighborhood and my husband loves land. He’d love to own tons of land. He’s love to own Anderson County. But he just ---

LEON HARMON: Time, Mr. Chairman.
TOMMY DUNN: I’m sorry. That’s time.
LEON HARMON: Mr. Chairman, next speaker is Amber McGraw.
AMBER MCGRAW: My name is Amber McGraw and I reside at 103 Saluda Way, which is the first house on the left as you come into Massey Estates. I grew up in this area and lived in the Wren School District for about twenty years. Coming back from college, I knew I wanted to live back in this area, especially after living four years in Spartanburg. I bought my home a year out of college and I reside in the first house on the left as you come into Massey Estates.

This community and neighborhood, on Sundays feels like a time capsule. Neighbors actually talk to each other. Kids ride their bikes and people watch out for one another and their homes. It’s quiet and peaceful and we aren’t dealing with bright lights and heavy traffic from people running errands. I am by no means saying that Saint Clare’s new mission will take that away. But rezoning this piece of property will, in fact, start that process. Saint Clare is a very positive mission. However, it’s asking our community to approve something that we view as negative.

In the first meeting when I spoke I mentioned how Powdersville has grown, and I believe this example should be considered. It has developed and grown at a rate I’m sure nobody excepted or probably didn’t want. People who live in Massey Estates and the surrounding community clearly do not care about driving twenty to thirty minutes to a large town or that the community
is kind of considered under-developed. We chose to live out this far. We chose to live in this area the way it is. And we have a choice to say we do not want it to change.

A few weeks ago, Saint Clare graciously offered a proposal where various restrictions could be set on the property, not including the rezoning. However, after speaking with the neighborhood and taking a vote, we have chosen to let you, the City Council, vote on this matter. Although we are very appreciative of the gesture by Saint Clare’s, it is imperative to point out this issue is between Massey Estates and the rezoning; not us versus aint. Clare’s; not us versus the Catholic Church; not us versus their mission. This is an us versus the rezoning of the three acres. We understand who Saint Clare’s home is, what mixed residential rezoning includes and have considered the information that we have provided. I speak on behalf of Massey Estates when I say we ask that you deny this request to rezone 1226 Massey Estates to make it multi residential. Thank you.

LEON HARMON: Mr. Chairman, next speaker is Elizabeth Fant.

ELIZABETH FANT: Good evening. I’m speaking on number 19. Not 19; excuse me. It’s 16, sheriff’s report; and also on 5 and 6, hospitality tax and alcohol sales.

TOMMY DUNN: Mr. Burns.

RUSTY BURNS: Yes, sir.

TOMMY DUNN: Hold on just a minute, Ms. Fant. Could you get the mic closer to her or turn it up. Ms. Floyd can’t hear her real good.

GRACIE FLOYD: I can hear very well. I just couldn’t hear her.

TOMMY DUNN: I said you can’t hear her real good. That’s what I was saying.

RUSTY BURNS: Try that.

ELIZABETH FANT: That better?

GRACIE FLOYD: That’s better. Thank you.

TOMMY DUNN: Start over.

ELIZABETH FANT: All right. My name is Elizabeth Fant, District 3. I’m speaking on number 16, the sheriff’s report, and number 5 and 6, hospital and alcohol sales. I’ll start with the sheriff’s report first. You’re getting a lot of bang for the buck with your sheriff. If any of you don’t see this report that he puts out once a month, this is a total compilation of all the calls, the warrants, the fingerprints, meals served, how many bags of litter
are picked up. Our sheriff is doing a wonderful job in Anderson County, he and his staff.

On numbers 5 and 6, the hospitality tax and the alcohol tax, everybody has their opinion one or the other, I guess, on which way it should go, but the outlying areas of the county, yes, we could be making money through the tax, through people who come through, especially up at the Clemson exit. But as in a lot of things that are happening in the county with fee-in-lieu of and all the business stuff that’s happening, they’re mostly happening and helping big business. We don’t talk about the small mom and pop businesses. If you go to a restaurant and you buy a lunch, it’s going to cost you ten bucks probably, and then all the taxes and fees is probably going to be another dollars. And then generally three dollars maybe for the tip. That simple lunch has already cost almost fifteen, and that’s without alcohol or any of the perks, that’s just a plain old lunch. Your mom and pop businesses are the ones that are going to suffer with this.

Hospitality tax, yes, it generates money for recreation. But we’ve already had a report in the last council meeting that we’re not being able to keep up with the projects that we’ve got going, so we’re probably making too many recreation projects and not doing a very good job of keeping up what we’ve got.

Anderson is a wonderful town to live, to play, to work. But we’re fast becoming and jamming too much into Anderson County, including the hotel that’s coming downtown. We’re fast taking away the ambience, the parking places, the le ze faire atmosphere, the family atmosphere. We’re not Greenville, and I don’t ever want to be. Thank you.

TOMMY DUNN: Mr. Harmon.
LEON HARMON: Next speaker is Karen Fox.

KAREN FOX: Hi. I’m Karen Fox. I live at 133 McAlister Drive, Pendleton, 29670. I am in support of Saint Clare’s Home. I recently spoke with someone who ran a similar home as Saint Clare’s. And because I heard the concerns. And I, like the folks on Massey Road, live in that area. I’m about six miles away, but I live in a rural area. So I understood the concerns and my heart went out to them about their concerns. I wanted to do some more research. So I spoke with someone, like I said, who ran a similar home, and asked, did you have security issues? No. Do you put measures in place, which they’ve already indicated that they will do that?
It’s going be twenty-four monitored and secured. And they want to keep it quiet. It’s imperative that they keep it quiet and they protect these very vulnerable, precious woman and the precious cargo that they’re carrying.

So for that reason, and some of the other research that I, you know, did in addition to that indicated exactly that, that the concerns that were stated are valid. However when a place like this is run correctly, those concerns can really be allayed. So it may be a benefit, you know, as far as security goes that they have twenty-four hour security. And I’m sure, as this previous person spoke, our sheriff is doing a lot in Anderson County, and I’m in full support of him and really thankful for him for what he’s doing to make our county safe again. Thank you.

TOMMY DUNN: Mr. Harmon?

LEON HARMON: Mr. Chairman, no one else is signed up.

TOMMY DUNN: I want to make sure there wasn’t no mistake or confusion about the sign-up sheet, signing up on the right side or the left side of the issue. Is anybody signed up that signed that sign-up sheet that wants to speak on this issue. Did you sign up?

UNKNOWN: I didn’t sign up.

TOMMY DUNN: No, ma’am, you had to sign up. Did anybody at all that signed up that didn’t get to talk before council on a -- that’s signed up but he didn’t call your name out, that thought they was signing up to talk at first on agenda matters? Anybody?

Okay. Moving on. Be moving on now to Item number 5, and 5 and 6 sort of goes together. The Chamber of Commerce going to do a presentation on hospitality tax. And after that there will be -- I don’t know how they want to do it, but might intertwine; they’re going to do a presentation of the local alcohol sales tax. Local alcohol sales; I’m sorry, on Sunday. Ms. Christopher?

PAMELA CHRISTOPHER: Yes, thank you. I’ve got to come up here to run the presentation. I just want to let you know that’s what I’m doing. And we wanted to come and bring this before you.

TOMMY DUNN: Give us just a second and let us get situated. Ms. Floyd, do you need to move somewhere where you can see?

GRACIE FLOYD: Yeah, because I sure can’t twist like that.

PAMELA CHRISTOPHER: And I did make copies
for all of you also, for you to have all along but to
also have later to look at.

We wanted to be very respectful. We brought the
hospitality tax and alcohol sales before you at your
meeting, I believe it was in August. And since then
we have come forward with a marketing proposal of what
we want to do. And we wanted to bring that before
you, be very respectful and do that, and let you know
what we wanted to propose forward and how we would be
moving forward on the initiative.

So this is the beginning of a power point
presentation. We have a speaker’s bureau that will be
going out and speaking on behalf of the hospitality
tax and the alcohol sales. So I wanted to kind of go
through that with you. This is the power point. I
won’t go through everything because I know it’s pretty
lengthy. But you’re going to see we go through
everything when we’re talking to someone about what is
a local hospitality tax. Just so y’all know, it’s a
two percent fee. A lot of people are saying it’s
going to be four percent if we do this two percent,
like the city already has one. It doesn’t double it.
If the city has a two percent, it’s still a two
percent for them, but it’s not going to make it an
additional two. So that’s a misnomer. I will say
that. And then just so you know, it’s two cents on
every dollar. So for ten dollars, that would just be
twenty cents on a bill. So a fifty dollar dinner --
we put that up there as an example -- a fifty dollar
restaurant bill would only be fifty-one dollars with
tax. So it’ll only a dollar for the tax for fifty
dollars on food. So I wanted to go through that and
let you know that. Then we also put why vote yes, how
it would benefit the county. Obviously improving
recreation, tourism and other sports for our county;
updating and adding new public facilities in all
communities; increase the number and variety of
entertainment options for all ages. The bottom line
is it would bring a great deal to our future and to
our kids. This with our chamber board and Imagine
Anderson is really about the future. We’re doing this
because we feel like this is our opportunity to leave
a legacy. Because it’ll offer so much for them.

Talking about a significant portion of the
proceeds generated by this tax will be paid by the
people outside of Anderson County. But a hundred
percent of the funds raised would stay within Anderson
County. There have been reports that have been done
anything as low as sixty-five percent will be paid
when they did two different studies. Sixty-five
percent of it is paid by tourists to our area and they were all out-of-state tags; not even out-of-county, but out-of-state tax. So basically that would be like -- if it’s the seventy percent, that would be like me laying a hundred dollar bill down on the table and saying, I tell you what, if you’ll give me thirty dollars, I’ll let you take that hundred. So, you know, it’s a deal for us. If we don’t do this, we’re passing up money that’s sitting on the table for us because tourists would be paying a great deal of it when they come through our area.

Went through the Anderson County today. This just kind of goes through the population because a lot of people are saying there’s a great deal of age over sixty-five. It’s actually 17.8 percent. So out of our Anderson County age distribution and, again, talking about our future and our legacy, sixty percent of our population is age eighteen to sixty-four.

Then kind of going through the Anderson County tomorrow, what it could do for us, more funding for hospitality tax frees up more of the general funding for the community, so it would be able to be utilized in other areas when you have things for your general budget that are needs. Anderson County population is expected to grow to two hundred and ninety thousand by 2026. So as that grows you’ll continue to see -- and also tourists coming to our area, you’ll continue to see more money generated from that hospitality tax.

We did ask, and I know that was proposed at the last meeting, that the projects will be decided on in an independent feasibility study because I know at some of the meetings prior it’s been a concern over which project or what would be funded. And so we felt like if we had an independent feasibility study, which is what they did in Spartanburg, by a third party, they could come in and tell us the highest and best use. Because we’re not about trying to lobby for one project over another. We want the betterment for Anderson County as a whole. So whatever comes down to the highest and best use is what we’re for. We’re all willing to stand behind that. Because when one of us wins, we all win in Anderson County.

And to kind of give you a synopsis, the latest Anderson City hospitality tax generated approximately three million. So that’s how they did the Wren Park and all of the changes that have been done in downtown Anderson.

Then we just kind of go through the hospitality tax revenue. It shows you for food and beverage service sales, what’s being generated from the
unincorporated areas, what it will do for the unincorporated areas, and what’s happening currently with the towns and municipalities. So they’re getting over one hundred and eighty million. And then from the approximate hospitality tax, it’s over 3.6 million that’s coming into the areas of the towns that do have it. Because they do have some towns that have it in Anderson County. But there’s many areas that don’t in unincorporated like Exhibit 19B, Exhibit 40. So there’s a lot that do not have that area. And let me very clear on where we are on that. We want to make sure that we are supporting all of Anderson County and having opportunities for all with this tax to support tourism.

Went through where are the current hospitality taxes and you’ll see the light blue area, the unincorporated areas are the ones with no; in other words, our county does not have a hospitality tax. The little stars do show the cities within the different counties that have it, but you can see to this right of this, all of those counties to the right shaded green have the hospitality tax. So if you have ever gone to the other counties and you said, why can’t we have this? Well, that’s why we can’t because they’re using the hospitality tax to pay for the things that they’re seeing improving their community.

Hospitality tax usage, it talks about the examples that we could use it for, all the tourism related, cultural, recreation, historic, so it goes on and on what we can utilize it for, as long as it’s related to tourism. So if you have water and sewer that needed to be running for tourism, or promotions for tourism; all those things can take place. If highways, roads, streets or bridges were needed to be provided to access those tourism destinations, it can be utilized for that.

We just want to show you some potential areas of interest for hospitality tax funds. Now you can see there are arts and historic preservation, equestrian, senior recreation, Lake Hartwell, Broadway Lake, parks and infrastructure. They gave you several opportunities to look at what it could do. Then we went through what items would be taxed, because not all food is taxed. And then what items are exempt. And then we did a case study in Greenville to let you see that that’s how they established their hospitality tax, was a way to pay for the hundred thousand in projects needed for recreation. And it was initially voted down in 2001 and then approved in 2006. And going through showing it provides funding for both new
capital projects and operating and maintaining existing facilities and estimated to produce for them 7.5 million annually.

We went through and had testimonials and all the mayors are in support of this. So if you didn’t know, we’ve got a letter of support that did come to all of the council, that the Anderson County Municipal Association is in support. That’s every mayor, that’s every council person in all the towns. So they’re all going to give testimonials. But for right now I have one from Mack Durham and I’m going to go through it to kind of — you know, give a synopsis of it. There’s another thing I want to show you, so I won’t read the whole thing. I have one from Rex Maynard out of Belton. We have one from Mayor Roberts with the City of Anderson. And at the end, there’s kind of a tag line when we had at the beginning, vote yes, hospitality tax, a vote for Anderson County’s Tomorrow, November 6, 2018. And on the back there we have opportunity awaits. Andersonhospitalitytax.com is a website that we have for this marketing. And so you can go there. We don’t have it filtered in yet, but as soon as you guys have it tonight then we will. We wanted to be respectful and bring it to you first.

And I wanted to show you a couple of other things. I went ahead and brought this targeted digital strategy for you. I’ll go through it pretty quickly. Basically you’re going to see everything from billboard advertising that we’re going to be doing, you’re going to obviously see that we’re going to be doing a power point and marketing out to the community. We have several community leaders that are behind the initiative. We will have information for you on our Facebook site and also on our website so we can send people to it when they have questions. But I wanted to kind of tell you a little thing that we’re going to do too, which is a little different. How many of you get those circulars in the mail, vote for me, vote for this, vote for that; right? How many get those? Let’s just see. Where does it usually wind up? In your circle file; right? In your trash can. But because that happens, we don’t want to waste funds. A new way of doing that is by going to this geofencing and doing things through social media. There is now a way that they can go through geofencing and hit your phones. Everybody I’m seeing has one sitting here at your areas. So the thing is you might throw a piece of paper away, but you’re going to have that with you at all times; right? So it’s going to ping information to you and you’ll get it on your
phones. It’s going to talk to you about hospitality tax. We’re also going to do the same thing with the alcohol sales. So it’s going to send information to you. When you read it, you’re on the page long enough, and you get educated on what’s going on, they will know that and then they will move on from that person. If they don’t have enough read -- it’s been proven that if you read it long enough, they know you’re educated on it and you’re usually going to vote for it. If you aren’t then what they’ll do is continue to ping that person and give them more information on it so we can hopefully get them to a yes vote.

It’s very intelligent that it knows all that data. They actually can go down to know who the person is. They won’t share that with us though from Martin Holland, and we wouldn’t ask them to do that because they can’t. But it’s addressable geofencing that they’ll have that and have all the information. Also go to Instagram. We’ll have an Instagram exchange and Facebook because Facebook is typically my age and older. And Instagram is for the younger group. So we’re trying to make sure we hit all groups. So this is a little bit about the geofencing and I gave that to you guys so you can look at it a little bit more. It talks to you about that.

Now, the outdoor strategy on the billboards, we’re going to have the Pendleton Digital billboard at Clemson Boulevard and Mechanics Street and that’s the one when you’re going to the games for Clemson University. And then we will have four digital billboards in Anderson. There will be two on Clemson Boulevard and there will be two off of like 81. So just listed those there for you guys so you can kind of see where they are. They did it by the one at Reed and the one at Whitehall is a good one because it’s long; you’re sitting there long so you’ve got a long time to look at it as they rotate through. I wanted to let you see the story board with what you’re going to see with some of the advertisement that will go on the billboards. Those will be going up two weeks out from the November 6th vote because that is the strategy that is suggested of what we need to do and then advertising says that’s the best. So this is one of them that they’ll see. These are two other examples that they’ll see. And I love it that, you know, Major Roberts, in this economy we’re able to lead from a position of opportunity. Vote yes hospitality tax. And then Rex Maynard, opportunity benefits in our future, vote yes hospitality tax.
So I wanted to you those as some examples. And I wanted to kind of bring up a couple of things. The hospitality handout, you’ll see this. You have it a little bit bigger in your area, but it first says, and that’s what we just showed on the front of it, vote yes hospitality tax, the date. Vote for Anderson County’s tomorrow and the backside says Opportunity Awaits at andersonhospitalitytax.com. Those will be leave-behinds at restaurants. And we’ll have them at bars. So they will be able to have those so that they’re seeing that and there’s advertisement on one side and the other. So hopefully it’ll help us get that word out. And the restaurants have agreed to put them out. That’s awesome. So I wanted to let you guys see that.

And then the other thing I wanted you to see is the web page. On the web landing page, again, Martin Holland Advertising, we want to thank them for what they’ve done on this. I’m wondering of there’s a way I can push it over. And I want to get it to the whole page so they can see. It’s made it large for whatever reason. I’m trying to look for a scroll. Maybe that’ll scroll it. Okay. At least you can kind of see what it is. So vote yes hospitality, a vote for Anderson County. It’s taking it really big and I don’t know why it’s doing that. Let me see if I can go back out and back in if it’ll ... For some reason it’s made it really big. But anyway -- now it’s back to regular size. Okay. So you see where it goes through what it is, the two percent fee, and we gave an example. They can go in when they see this opportunity awaits, there will be an area for them to register to vote. They can click here and register to vote if they haven’t registered already. And an area where it can give them where to vote. Then we go through why vote yes and then go through the benefits. Anderson County today, showing the population. Anderson County tomorrow. And again, I think these pictures are real important. This is about our future and that’s what we wanted to convey. And again hitting on the hospitality tax revenue, showing food and beverage for the towns and for the county, the unincorporated. And then here’s where our current hospitality taxes in the upstate, we went through the different areas and showed where they are in different cities within Greenville, York County, Spartanburg. And of course, you don’t see Anderson on there because we don’t have it yet. Note, I say yet.

Hospitality tax uses examples and we have the Garden House. We went there. They’re all in support
of that, too. And we’re going to the Senior Center. They’re in support of it, as well. And we’re going to be able to talk to them about it. And the potential areas of interest for the hospitality tax funds, what items will be taxed and what items are exempt. And then going through the case study and then doing the testimonies. I wanted you to see that and kind of have that little bit of a handout. I want to see if I -- I think this one might go into the media. No. Billboard marketing display. Here it is. So this kind of lets you see some of the billboards. And there’s so much more that I can show you with the billboards. And there’s also some bites, some sound bites we have and some clips that’ll be like little movie clips. But I know you don’t have a lot of time to go through that.

So let me kind of move into the Sunday sales referendum. On the alcohol sales, we went through, you’ll see it saying vote yes for Sunday sales. The tag line is more choices, more freedom, more jobs. It goes through and talks about why it’s a brighter future for Anderson County. The bottom line is the Chamber believes that we need to put everybody on a level playing field. You know, we have some of the restaurants that have it. Like downtown they have in onsite premises. Like you can go to Sullivan’s or some of the restaurants downtown and you’re able to buy on Sunday. But let me give you an example. When you go to Carolina Bauernhaus House, you can -- they only have it onsite. So you can buy a drink there but if you went in and you wanted to buy some brews or you wanted to take some home or some of your friends or families wanted to take some, they can’t because they don’t have offsite. So if this passes, it’ll cover the whole thing for all of the county. But also on 19B and 40, we’re not allowing them to be able to have alcohol sales. But they can in the city of Anderson. And you can have offsite and onsite in Pendleton, but the rest of the county doesn’t. So we’re not putting our businesses on a level playing field and we think there should be opportunity for all businesses. And as the largest business organization in Anderson County, we feel like it’s time for us to step up and stand behind our businesses. It’s just the right thing to do.

So basically we’re saying we firmly believe that our local business centers throughout the county should have an opportunity to compete on a level playing field. And also with the neighboring counties. Guess what, if they can’t come here and
buy, they’re going to go to our neighboring counties
and that money goes there. We’re trying to keep it
local.

And it talks about keeping it local. The
restaurants, our convenience stores, our entertainment
venues and the community impact is greater than the
value of the products.

It talks about new business how that many
entrepreneurial ventures are based off of Sunday sales
and it gives you a list of them there. Then dining
and entertainment. Many national chains -- I don’t
know if y’all realize this -- will not consider a
location in a county that limits their Sunday sales.
And all of the restaurants at 19B are saying, yes,
please get this passed. Because alcohol sales bring
more into them than food does. So again, we’re not
letting them have their full potential.

It will spur growth and development and we give
you the reasons why. And then at the end just
bringing more opportunities to our community and your
neighbors with a yes vote. Vote yes for Sunday sales
and it gives you the web address there. Like the
other, we have a web address, and we’re going through
the same geofencing with all the information that we
told you about with the phones, with Facebook, with
Instagram, with the websites and the whole thing is
going to happen there, too.

And then I wanted to show you the digital
marketing and display that we have for -- this is
going to be printed like we just told you before,
like the leave behind napkin, there will be one for
the vote yes for Sunday sales, too. This will be what
it looks like. Just saying keep Anderson tax dollars
in Anderson County. If voters approve the change it
will make Anderson County beer and wine sales uniform
with surrounding counties and cities.

And then on the creative strategy, that is the
logo in red, white and blue, more choices, more
freedom, more jobs. Vote yes for Sunday sales. And
then you’re going to see this targeted digital on the
billboards. So I wanted to let you see some of the
examples we have. And this one, as well. So more
digital board -- billboard creative that we’ll have
going forward.

So in a synopsis, that’s both of the strategies
that we wanted to come before you and let you know
what we’re going to be pushing out. And we’re excited
about this. And we’ve got lots of people backing the
program. I want to definitely thank on the
hospitality tax, the Anderson Municipal Association is
behind us, Imagine Anderson, obviously the Anderson Area Chamber of Commerce, and Western Upstate Association of Realtors. I was looking for Peggy. She might have left. But they’re definitely behind that, as well, with us.

On the alcohol sales, the Chamber and the South Carolina Retail Association is moving that forward. So we have outlaid a great deal of money. I won’t tell you -- I won’t go into the total figures, but the Chamber is willing to do that because we believe we need to take a stand. This is our community. We need to have a better quality of life and things to attract for our citizens and our tourists coming into the area. We need to do that for our futures. That’s on the hospitality tax. And we need to have a level playing field for Sunday alcohol sales for all of our businesses. Thank you.

If anybody has any questions I’ll be happy to address those.

TOMMY DUNN: Appreciate that.

GRACIE FLOYD: Mr. Chair?

TOMMY DUNN: Yes, ma’am.

GRACIE FLOYD: Are we going to be allowed to make comments?

TOMMY DUNN: You can.

GRACIE FLOYD: Thank you. I’m going to try to be as brief as I possibly can on this situation. How did it get started? It started with me. I don’t know how many years now. Was it a year ago or two years ago when I first started with this council. There were no takers whatsoever. People did not understand what we don’t have in Anderson County. We don’t have a recreational program for our seniors, our children; nobody. We did not look at the fact that we could use funds from this thing to provide our children with some of what the city has. We have nothing. Each person up here is given thirty thousand dollars, or thirty-five dollars a year. And with that we are supposed to provide recreational opportunities for the people in our district. Each one of us have close to twenty-two thousand people in each district that we serve. And that thirty thousand dollars is supposed to help us provide recreation. Some of it goes toward recreation. Some of it is paid to fire stations. The health organization -- I can’t think of one right now off the top of my head -- but you know, like home for pregnancy mothers and da-da-da. All of it doesn’t go to all recreation. This thing would have helped us immensely.

But I knew a way to get this done that wouldn’t
have cost us one penny, one penny. And that was to get council members on board to help them see what this money could have done. In every other entity that I am aware of it was voted on by the County Council people and it was over; it was over. But of course, being Anderson County, we had to go through some sham and jumps, I want it, I don’t want it, they don’t want me to have it, my people won’t support it, da-da-da-da. So now we’ve got a big thing going. We’ve got a referendum that everybody is going to have to support.

But I just read this for the first time. And I saw something in here a few minutes ago that I want to know -- I don’t have to stand, but I need someone -- I need someone; it’s about the referendum. It was printed on this. Okay. Did you see the representative in this, Mr. Allen, the representative for the ordinance in here.

FEMALE: I think it’s in the red one.

GRACIE FLOYD: It’s where? In the red one? No, no. I am fully -- I fully support that recreational hospitality tax. I fully support it. I support it for the children of Anderson County. I support it for the seniors of Anderson County. I support it for the people who want the soccer thing for the children in Anderson County. I support it for the men who like to play baseball in Anderson County. I fully support it.

When we got to the liquor thing, it says here, the whereas, the Anderson County Council has been informed and believes that Sunday sales of alcohol beverages for on-premises and off-premises consumption may allow restaurants and businesses to remain competitive with. Folks, I am an Anderson Council member; nineteen years. I have never fully supported this, nor have I ever said I fully supported this, nor have I ever voted on anything saying that I supported this. Some people like beer, like beer, like beer. That’s up to you. Okay? But I am not going to tell you -- or I’m not going to support something that I can’t believe in, that I don’t believe in it. If you support it, then vote for it by all means. If you don’t support it, then don’t support it. But please don’t say about me, being one of the seven up here, that as a Anderson County Council member, I have been informed and believe that the sale of -- I don’t know if it’s going to be good for business or not on Sunday. I don’t know that. And I just resent having that being said without my being asked about it, without my
voting on it, and without my reading this ordinance for the first time today. And I thank you. My voice is a little shaky because my blood sugar is going up.

TOMMY DUNN: Any other council members have any comments?

CRAIG WOOTEN: Yes, Mr. Chairman?

TOMMY DUNN: Mr. Wooten.

CRAIG WOOTEN: I just wanted to take the time to thank the Chamber of Commerce and Ms. Christopher for coming forward. Whether you agree with the initiative or not, we have so few in the county who set a vision, actually take action to do something and go out and inform people. We have so many instances where in hindsight everything is critiqued and very few people say, well, where do we want to go and what do we want to be? So for me I really appreciate that. I thank you and your staff. I thank the groups that you’re working for, because at the end of the day, what it’ll allow is for a vote to happen. But it’ll allow for an informed vote. And so many times things are complicated and people don’t have all the facts when they’re making the decision because people are busy. And so I appreciate that effort.

As to whether or not it’s a conservative position or not, support a referendum on the subject matter, I’d like to point out that by anybody’s measuring stick South Carolina is one of the most conservative states in the country. I think both sides would agree on that. And out of the forty-two counties, Anderson, Oconee, Pickens, Spartanburg, Greenville, York, Greenwood, Laurens, are probably in the top eight conservative counties in the state.

So when I look at this hospitality tax in the upstate and I see Spartanburg County, Greenville County, York County, Laurens County, it leads me to believe that our conservative counterparts have seen value in this. And that is not a conservative versus liberal position, but it’s actually just a fiscal policy position where we decide what we want to do or we don’t want to do. And none of those rationales say you have to vote for it or not vote for it. But to take the political items out of it -- and so many times, and in the year and a half I’ve been on this council, I’ve probably heard the term 2008 a hundred times because of what happened in 2008. Well, it’s time we started talking about 2028 and 2038 and where do we want to go and what do we want to do. And if you don’t support it, that’s fine. But recognize that we have some projects that we want to do, come with
other solutions, come with other ideas. Let’s have public discourse. Let’s have the debate about it and we can decide whether or not we move forward.

Under the Sunday alcohol sales, I’ve been clear, it won’t change my behavior on Sunday. But I do think it is an item of equity and fairness. If you know, one person’s restaurant is dead empty on Sunday and another person’s restaurant is hopping, and they can see each other, that seems a little bit unfair to the business owner. I know I spoke with the Outback proprietor and I believe he said out of seven states in the southeast, over a hundred Outbacks, he’s the only Outback in the southeast who can’t sell alcohol on Sunday. That hits his bottom line. And so we could make it very fair and say no alcohol for anybody on Sunday. Or we can make it very fair and say, look, everybody can be on the same playing field. I think that’s the most plausible and reasonable thing to do. It has nothing to do with your personal taste or distaste for alcohol.

So once again, I thank Ms. Christopher for her efforts. She has shown true leadership in Anderson and I appreciate the time she’s given to this.

Thank you, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Wooten.

Any other council members?

RAY GRAHAM: Mr. Chairman?

TOMMY DUNN: Mr. Graham.

RAY GRAHAM: I’d also like to take this time to thank the Chamber and also Martin Holland for the hard work and commitment that they have put into this effort. Not only for the information that you’re willing to share, but the true impact on educating the community on the pros of this -- both of these opportunities, actually. So I definitely want to thank all of you guys for all the hard work that you’ve given.

And as far as Sunday alcohol sales, I did bring that up to be put on as a referendum. You know, as I made it clear before at one of the other meetings, I don’t serve alcohol in my restaurant currently and I don’t perceive doing it when we start doing Sunday alcohol sales, if we do. However, at the end of the day, as a business owner, I think it’s very important for us to offer for all businesses a fair opportunity across the county. And right now we do not do that. We literally have people coming into the city right beside another restaurant that can serve alcohol. And they’ll come into the city and participate and patronize them on Sunday when the restaurant right

Anderson County Council - Special Presentation Meeting - October 2, 2018

beside it outside the city cannot serve it. So it’s

truly about fairness in my mind.

And you know, when I got on council, the purpose

of getting on council was to represent all of Anderson

County, you know, not just my district. And so that’s

the very reason that I have brought that up. And I do

look forward to see what people’s choice is because I

think it’s a very important choice. And I think

that’s the fair way to do it. But again, thank you,

Chamber, for all y’all have done with this in

educating the community. And looking forward to how

these outcomes are.

Thank you, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Graham.

Any other council members? I appreciate y’all taking

y’all’s time out and educating the county to have an

informed decision to make. Appreciate it.

Again, we’ll be moving on to Item number 7, third

reading, Ordinance 2018-036, Ordinance authorizing the

execution and delivery of a fee in lieu of tax and

special source revenue credit agreement by and between

Anderson, South Carolina and Element Materials

Technology, a company, with respect to certain

economic development property in the County, whereby

such property will be subject to certain payments in

lieu of certain special source credits. Before we go

into the public hearing, I’d like to ask Mr. Nelson if

he would just say a few words so people will sort of

know. Appreciate that.

BURRISS NELSON: Thank you, Mr. Chairman.

Project -- we have called it 20180430, but the company

is Element Materials Technology. This company does

the testing of a number of materials for aerospace

company; people like Lockheed, Boeing, GE, those kinds

of companies. They’re going to create thirty-one new

jobs with an average hourly wage rate of twenty-three

dollars and eighty-one cents an hour. Basically this

thirty-one employees will be scientists in this

facility and they will be testing this material for

all of these companies. Annual payroll will be one

point four million dollars with only thirty-one

employees. In the ordinance and I’m sure some of you

noticed, it lists a total capital investment of three

point four two five million dollars. That does not

include the building, which is a two point eight. It

was not included in the fee agreement. So the total

capital investment is six point two two five million

dollars. Taxes that were paid last year of 2015 on

this property were three thousand four hundred and

ninety dollars. The projected taxes for 2020, the
first year, sixty-nine thousand five hundred and eighty-one dollars, and that does include the incentive. And over a total of a twenty-year period, it will generate a projected amount of one point two seven eight million dollars. First year community impact, fifteen million. Twenty years, the total, over a twenty year period, community impact, two hundred sixty-one million. Great project. Great opportunity. Fabulous company. It’s worldwide.

Thank you, Mr. Chairman, members of council. Appreciate the opportunity. Oh, and Mr. Chairman, there are copies of the press release that came out from the governor’s office on the gate right there. Thank you, sir.

GRACIE FLOYD: Mr. Chairman?

TOMMY DUNN: Yes, ma’am.

GRACIE FLOYD: Mr. Burriss, would you please come back? Okay. Mr. Burriss, we were talking about two at the same time; right, 040 and 036? Or just 040?

BURRISS NELSON: Let me see; I’m sorry.

40 will be the multi-county park agreement that goes with 036. But we haven’t gotten to that part yet.

GRACIE FLOYD: Okay. All right. Mr. Burriss, you know me. You know how I like it. Could you just put it in layman’s terms? What are we talking about? Just layman’s terms so anybody -- a six year old child will know exactly what you’re talking about.

BURRISS NELSON: Well, these jobs are being created by this company.

GRACIE FLOYD: Okay. What’s the name of the company?

BURRISS NELSON: It’s Element Materials Technology.

GRACIE FLOYD: Okay. And what type company is it?

BURRISS NELSON: It’s an American company based in Hartford, Connecticut. The company tests materials. For example, the pins in GE turbines, they flex those. They exert stress on those items to see if they will crack, add heat, cold ---

GRACIE FLOYD: They’re coming down here to us now; right?

BURRISS NELSON: Oh, yes, ma’am.

GRACIE FLOYD: They’re building ---

BURRISS NELSON: At exit 35.

GRACIE FLOYD: And how many jobs are they going to bring us?

BURRISS NELSON: Thirty-one.
GRACIE FLOYD: And it’s a fee in lieu of? In other words they don’t pay any taxes?
BURRISS NELSON: No. They’ll pay taxes. They’ll be paying sixty-nine thousand dollars a year.
At your desk there’s -- the announcement is right there. There’s an explanation on the third page.
GRACIE FLOYD: Did it come today?
BURRISS NELSON: I just got it to you.
GRACIE FLOYD: I don’t have time to read it.

---
GRACIE FLOYD: So it’s not a fee in lieu of?
BURRISS NELSON: Yes, ma’am. It is a fee in lieu.
GRACIE FLOYD: Okay. All right. The fee in lieu simply gives a discounted property tax.

---
BURRISS NELSON: Sure. On the third page ---
GRACIE FLOYD: So it’s not a fee in lieu of?
BURRISS NELSON: Yes, ma’am. It is a fee in lieu.
GRACIE FLOYD: Okay. All right. The fee in lieu simply gives a discounted property tax.

---
BURRISS NELSON: Sure.
GRACIE FLOYD: Now, did I ask you this one already? How many jobs?
BURRISS NELSON: Thirty-one.
GRACIE FLOYD: Thirty-one jobs. Okay.
Mr. Burriss, I thank you so much.
BURRISS NELSON: Yes, ma’am. You’re welcome.

---
TOMMY DUNN: At this time we’ll go into a public hearing on this. Anyone wishing to speak to this matter, please step forward, state your name and district and address the chair, please. Public hearing. Anyone at all? Anyone? Public hearing will be closed. We have a motion to put this on the floor?
CINDY WILSON: So moved.
RAY GRAHAM: Second.
TOMMY DUNN: Motion Ms. Wilson, second Mr. Graham. Now are there any discussion? All in favor of the motion show of hands? Opposed like sign. Show the motion carries unanimously.

---
Moving on to Item number 7(b), 2018-039, and this is third reading, an ordinance to amend the zoning map to rezone plus or minus 72.28 acres from PD (Planned Development) to IZOD (Innovative Zoning District) at Crestview Road, Harriet Circle and Midway Road. Do we have a motion to move this forward?
CRAIG WOOTEN: So moved.
TOMMY DUNN: Motion Mr. Wooten, second
by Mr. Allen. Any discussion?

CRAIG WOOTEN: Yes, Mr. Chairman.

TOMMY DUNN: Mr. Wooten?

CRAIG WOOTEN: Yes. This is an on an acreage in District 1. It’s third reading. We’ve passed it on first and second reading. Just to give a recap of where it came from was, this originally was for rezoning as a PD, planned development, I think going back to 2008, 2009. It’s at a busy intersection where Harriet Circle, Midway Road and Crestview come together. There was considerable concern about the development creating more congestion and traffic and what was going there.

What I’d like to point out is this PD that was approved ten years before some of us were on Council was a commercial, a multi-family and a higher density residential. So just by nature that was going to create a lot of traffic problems. Well, because of the layout of that, they were not able to do exactly that because of permits and requirements, even though we had rezoned it that way. So they had come back and said, look, we want to scrap the commercial. We want to leave the multi-family out. We want to actually take the density of the houses from over two hundred down to one seventy. These are all positive things for acreage that was going to be developed. It’s in a hot area of Anderson. And so from that standpoint, I felt like the developers were coming full force in everything that they could do to help the community. They gave right-of-way to the county. They offered even more right-of-way to help build an intersection and widen the roads. Council members have gone together to try to look for funding and to prioritize funding so that this intersection can become more amenable to the local traffic. So I believe these are all good things considering where it came from. And I believe the developer and owners of this property have made extraordinary efforts in something that could have had a commercial or multi-family component to it, and I believe this is going to be a quality development for District 1.

So thank you, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Wooten.

At this time we’ll go into public hearing on this. Anyone wishing to speak to -- I’m sorry. This is not a public hearing. I lost my place. I’m sorry.

Anymore discussion on zoning? Hearing none, all in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

I jumped ahead of myself. The next one is a
public hearing, 2018-040, an ordinance to amend an 
agreement for the development of a joint county 
industrial and business park (2010 park) of Anderson 
and Greenville Counties as to enlarge the park, 
Project 20180430. This will be a public hearing. 
Anyone wishing to speak to this please step forward, 
state your name and district and address the chair. 
Anyone at all? Anybody? Hearing and seeing none, 
public hearing will be closed. 
This will be the third reading. Pertains to item 
number 7(a). This is putting it, in theory only, 
putting it in a joint park with Greenville. It’s not 
Anything you want to add on that, Mr. Nelson? 
BURRISS NELSON: Thank you, sir. It 
merely allows the company, if they can qualify for any 
additional state incentives, it allows them to qualify 
for those. There’s a jobs creation tax credit that 
they may or may not be able to qualify for. Thank 
you, sir. 
TOMMY DUNN: Thank you. Anybody want 
to move this forward? 
TOM ALLEN: So moved. 
CINDY WILSON: Second. 
TOMMY DUNN: Motion Mr. Allen, second 
Ms. Wilson. Any discussion? 
CINDY WILSON: May I quickly? 
TOMMY DUNN: Ms. Wilson? 
CINDY WILSON: The driving force behind 
having to do fee in lieu of taxes and multi-county 
parks and special source revenue credits and that sort 
of thing, our state has the highest industrial tax 
assessment radio in the nation at ten and a half 
percent. And that was put in place in 1895 with out 
reconstruction constitution. And this body with maybe 
a few other different council members made at least 
two efforts over the years to respectfully request our 
general assembly to change that. Even our joining 
state of Georgia is four percent and they can actually 
decree if it’s a neighboring county to South Carolina 
zero taxes. So we’re at a serious disadvantage in 
South Carolina. So just wanted to point that out. 
That’s why we go through all these convoluted 
agreements. And I have to say that one of the top 
attorneys for this took me to task. He would rather 
keep fee in lieu taxes and all of that in place. It 
does cut down on legal fees should we go the other 
way. Thank you. 
TOMMY DUNN: Thank you, Ms. Wilson. 
Anyone else? Anymore discussion? Hearing none, all
in favor show of hands. Opposed like sign. Motion carries.
Moving on to item number 8(a). Mr. Waters, you going to recuse yourself from this?
KEN WATERS: Yeah. I forgot where we were.
TOMMY DUNN: This will be item number 8(a), ordinance second reading, ordinance number 2018-035, an ordinance authorizing the lease of a portion of the Anderson Sports and Entertainment Center consisting of approximately .75 acre of Tax Parcel No. 122-00-01-001 to Duke Energy Carolinas, LLC for relocation of an energy storage system.
Mr. Burns, do you want to just speak to this for a second?
RUSTY BURNS: Yes. As we discussed last time, this will be an emergency power source for the civic center which is a regionally designated emergency shelter operation. It will also come in handy for our day to day operations in case of power outage.
TOMMY DUNN: Let the record show that Mr. Waters has recused himself and stepped out of the room. Anybody want to make a motion to move this forward?
TOM ALLEN: So moved.
TOMMY DUNN: Motion Mr. Allen, second Mr. Graham. Now any discussion? All in favor of the motion show of hands. Opposed like sign. Let the show the motion carries unanimously.
Will you ask Mr. Waters to step back inside. Moving on to 2018-041, an ordinance approving the sale of approximately 4.04 acres of property owned by Anderson County, South Carolina and located near the southwest corner of Orange Way and Martin Road to One World Technologies, Inc. This is a piece of property that we bought to put the road in, help put the road at TTI. It’s been accomplished. They’ve offered to buy this property. Mr. Burns, you want to talk on this for a second?
RUSTY BURNS: We will sell the property for a hundred and fifty-five thousand dollars. TTI/Ryobi intends to put a major operation on that piece of property that will be of benefit to the citizens of Anderson County and create more jobs.
TOMMY DUNN: Mr. Burns, that property was -- the county had it appraised?
RUSTY BURNS: Yes, sir, and we’re selling it for the appraised price; yes, sir.
TOMMY DUNN: We have a motion to move
CINDY WILSON: So moved.
TOMMY DUNN: Motion Mr. Graham, second
Ms. Wilson. Any discussion?
GRACIE FLOYD: Yes.
TOMMY DUNN: Ms. Floyd?
GRACIE FLOYD: Mr. Burns?
RUSTY BURNS: Yes, ma’am.
GRACIE FLOYD: We owned it, we sold it, they bought it?
RUSTY BURNS: Yes, ma’am.
GRACIE FLOYD: What they going to put there?
RUSTY BURNS: They’re going to put a commercial enterprise that they would like to reveal at a later time that will be of great benefit to Anderson County and will attract people from all over to Anderson County.
GRACIE FLOYD: A chicken farm would be a great thing for Anderson County.
RUSTY BURNS: I have some of those, Ms. Floyd. This is not it.
GRACIE FLOYD: This is going to be another chicken farm?
RUSTY BURNS: No, ma’am. Nor a turkey farm or a beef cattle farm. It will be a commercial enterprise.
GRACIE FLOYD: Okay. And we’re supposed to vote for something we don’t know what it’s going to be about; right?
RUSTY BURNS: I think that we have a good idea that it will be a continuation of the development of the TTI site at 81 and 85.
GRACIE FLOYD: Does our chairman know what it’s going to be?
RUSTY BURNS: I think -- we think it will be a store.
GRACIE FLOYD: One of those little cutie stores, I think?
RUSTY BURNS: No. I was going to put that up there but they wouldn’t let me do that.
GRACIE FLOYD: All right. So we don’t know what kind of store it’s going to be?
RUSTY BURNS: They’re going to sell materials that are produced by TTI.
GRACIE FLOYD: I can hold you to that.
Good. Thank you.
RUSTY BURNS: Okay.
TOMMY DUNN: Anyone else? All in favor of the motion show of hands. Opposed like sign.
Show the motion carries.

Moving on to Item 8(c), 2018-044, an ordinance to amend an agreement for the development of a joint county industrial and business park (2010) of Anderson and Greenville Counties so to enlarge the park. Mr. Nelson, you want to speak to that for a second?

BURRISS NELSON: Yes, sir, Mr. Chairman, members of council. If you’ll remember back two months ago we had a solar project called Southern Current. And they put -- or have worked on putting solar panel farms on six different properties in Anderson County. And this is the continuation of putting those properties -- we finished the ordinance for that creation of those projects. And this will continue -- be the continuation of putting it in the multi-county industrial park to allow them to garner any state incentives that might be available to them.

TOMMY DUNN: Thank you. Do we have a motion to move this forward?

CINDY WILSON: So moved.

TOMMY DUNN: Motion Mr. Waters, second Ms. Wilson. Any further discussions? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Moving on to item number 9, ordinance first reading. This will be 9(a), 2018-026, an ordinance amending the zoning map to rezone plus or minus 3.86 acres from R-A (residential-agricultural) to R-M1 (mixed residential district) at 1226 Massey Road.

Before I entertain is there any motions.

KEN WATERS: Mr. Chairman, I’d like to make a motion that we deny the rezoning of this due to the residents in that area just doesn’t want it to be zoned.

TOMMY DUNN: Mr. Waters, for the record, this is in your area, your district?

KEN WATERS: It is.

TOMMY DUNN: Motion made by Mr. Waters, it’s in his district, that we deny the application. Do we have a second?

CINDY WILSON: I’ll second that.

TOMMY DUNN: Second Ms. Wilson. Now, discussion?

CINDY WILSON: May I quickly ask ---

TOMMY DUNN: Ms. Wilson?

CINDY WILSON: I have many conflicting thoughts about this, but we have always respected the people who live in the area, at least since 2009. Did the Diocese give this package to the property owners over there of what you were willing to do?
TOMMY DUNN: Yes, ma'am. I believe so.

MICHAEL ACQUILANO: Yes, ma'am. (Inaudible)

CINDY WILSON: Property owners over there need to be admonished that if we don't go with restrictions and covenants on the property and they work out with the church the ground rules, the restrictive covenants and restrictions trump zoning. So you would -- that would put you into a position of controlling far better what goes on to that property than without. And I do fear that with it being residential agriculture property, all over the county we're being hit with these slab homes. You could have a hundred slab homes over there and they would meet all the criteria. And I would like for folks to know that before we make a final vote here tonight. It does -- I can tell you from my perspective from real estate and farming and so forth, in reviewing what we've been provided this go-round, I would far rather have the church clustered onto 3.86 acres with the rest of the property, all of it, entailed with covenants and restrictions than take my chances on a hundred slab houses. If you want to take a look, go drive through our district and see what that brings. And it would be able to go into RA, residential ag, and that would be a great concern, I would think.

Thank you.

TOMMY DUNN: Thank you, Ms. Wilson.

Ms. Floyd?

GRACIE FLOYD: Okay. I know we have a lot of people here tonight interested in this particular piece on the agenda. I want you to know that I don't do things haphazard. You know that if you know me. I have spent some time today going over this entire thing. Had a wonderful talk with the person from Charleston, South Carolina who is working with this. Found out that I like his very, very much. He's a good man. He's a family man. He believes in this project, and that's good. I am a community, family person. I believe in the, I believe in the -- in communities. I believe in neighborhood. I had promised myself when I took this position September the 14th, 1999 that I would never vote for anything that I couldn't live with myself. I would not put anything in your neighborhood that I would not put in mine or anybody else's neighborhood that I would not put in mine.

This is a worthwhile entity. We need places like this. Years and years ago when I worked for an organization that dealt with things like this; drugs,
alcohol abuse, mentally ill, the pregnancy thing. When we were looking for places to help the mothers, very, very young mothers, we had to go all the way to Charlotte to find a place because we couldn’t anywhere else. And I went to Charlotte to do it.

Now, the question is, what about now? I don’t think we have a place like this already here. And folks, as much as we need this place, as much as this thing that’s looking us in the face, we need it, and it’s a viable, good Christian thing to do, I cannot vote for it. Why? I don’t want it in my neighborhood either. I live in a close knit community. We have children there. We have -- in my community there is seventy percent widows there, and I’m one of them. I don’t want the traffic in and out of my neighborhood. I don’t want that in my neighborhood. I don’t want the police coming in my neighborhood in the middle of the night. I don’t want ambulances or EMS they’re called now, and I don’t want doctors. I just want to sleep peacefully at night. I cannot put that in whatever your neighborhood if I won’t put it in mine.

But just because we don’t feel that that is the place for it, what we need to do is help find a place that would be conducive for this type thing. We need it. We need it. I don’t like the idea of little children growing up around that. The world is bad enough for them now. I don’t want that thing there to look -- be sitting for them all the time and they know what it is. There’s one other thing. There’s 103 acres, 103 acres. Years from now when I’m in my glory, and I will be in my glory. For all the ?? I do go through for this county, I know I’m going to heaven; okay? But the thing is this, you do it now for a hundred and three acres. You can’t tell me that in a couple of years from now it won’t be something else. I look at a situation right here in Anderson County; it started out as a home for battered women in a neighborhood. Nice neighborhood. Now, there’s one across the street from it now. There are houses now that are vacant and they’re gone and the houses are dilapidated. I don’t want that for your community. I don’t want it for mine.

So I’ll -- our ordinance says we can why we are not going to vote for a particular thing. And I’m not going to vote for it, even though the man who called me, I wish I could just move him up to Anderson. Wish you could get to know him. He is a nice, a nice person. Thank you, Mr. Chair.

TOMMY DUNN: Yes, ma’am.

TOM ALLEN: Mr. Chair?
TOMMY DUNN: Mr. Allen?

TOM ALLEN: Oh, okay. Thank you.

Yeah, this has been a very difficult situation and I think both Ms. Wilson and Ms. Floyd made very good points. I think the Diocese has really bent over backwards to make all kinds of concessions to do this. Because as Ms. Wilson said, something could move in there that you really don’t want in there. So it does become a difficult situation. I can sympathize with the Diocese. I understand what they’re trying to do.

I would like also, if this doesn’t pass, see the county try to help out somehow, if you’ll still like to try to find a location in this county. But the thing is, we are representatives, as I’ve said so many times, of the people. And that’s what we do. It’s not my opinion. I think it’s a great service. But I can’t just say the heck with the citizens out there, I think it should go there; I’m voting for it even if they don’t want it. And I don’t think you would want to be in a location where you might have a lot of hostile neighbors right around, either. So it’s a difficult one. Again, I really sympathize with you. And if I can help, or any of us up here can help in any way to find a location suitable, be glad to work with you on that. But in my opinion, I’m going to have to go with the citizens who we represent in that area. That’s all I had.

TOMMY DUNN: Thank you, Mr. Allen.

Go ahead, Mr. Wooten.

CRAIG WOOTEN: With all due respect to my fellow council members, I can’t wholeheartedly disagree more. And I say this not because I’m discounting the feelings of the residents, but at the end of the day we have to look at individual property rights. And we are so ready in this county to jump and tell everybody what they can do with their own property. And at the end of the day the person who pays for the property is the name who’s on the deed. And they should have the right to do with that property what they see fit as long as it is reasonable for the community and is not bringing any undue harm.

So in my opinion, I believe four pregnant women could probably live in this house and not even apply for rezoning. So the fact that we’re adding five or six or seven, you’re basically saying three pregnant women are going to cause the police to come, they’re going to cause the ambulances to come, they’re going to cause so much traffic that we can’t have like quality of life. And then the comments that I’ve been so disappointed in is, it’s irrelevant if it’s the
Catholic Church, the Baptist Church or the Church of God. But whether Charles Stanley came down here or Franklin Graham, we need to look at it as, is it an okay use for the owner of that property? I feel like with a hundred and five acre buffer, that is not going to bring any undue harm on the residents around it. I believe that the church has gone to great lengths that they did not have to. There’s even a question here if they had to come get rezoning in the first place.

They’ve been forthright. They’ve answered everybody’s questions. And you may dislike it. But at the end of the day they’ll be the ones writing the check for the property and they’ll be the ones owing the property. And so I respect my council members on this. I have a conviction for this cause. I’ve always had a conviction for this cause. I’ve asked as many people as I could separate from me that had different backgrounds, I lay out the scenario and say tell me what you think. And I felt like the general consensus was they did not see how it would negatively or adversely affect the people around it. So I can’t guarantee the future for everybody in this community. I can’t guarantee the future for my own community in Anderson. But what is at hand I do not think is an egregious act by anybody. I think it’s something that would generally be okay. Thank you, Mr. Chairman.

TOMMY DUNN: Thank you.
RAY GRAHAM: Mr. Chairman?
TOMMY DUNN: Mr. Graham?
RAY GRAHAM: This has been a very hot topic item among council members, throughout the community. And while I sit here tonight, I would love to support my fellow council member, Mr. Waters, we well on this, and we’ve kind of went back and forth over the weekend, kind of going back and forth trying to figure out what’s the best direction. And you know, at the end of the day I definitely respect the property owners and also Mr. Waters and the opinions that’s been given. In talking with different members of the community that has contacted me, just like the deer stand earlier; I assure you, sir, that deer stand had nothing to do with these individuals here. And I know that was not your intent in making that statement. But the point being, while we have a sheriff here in Anderson County, and I come from the sheriff’s department and I speak that straight from the heart, our guys is out on the road on a daily basis trying to make our community safer. But we have knuckleheads throughout our community and they’re going to steal your deer stand and they’re going to
steal your camera. And this issue here truly has
nothing to do with that. By all means I appreciate
everyone that’s taken the time to call me, to email
me. There was several members of the community even
made statements about they wanted their property
rezoned on different issues as far as development or
what not. And you know, I come back to the same
realization. I’ve told this numerous times to my
fellow council members. And that is that I feel as a
property owner, without any type of restrictions in a
subdivision that’s already in place, if you live in a
rural community you should have somewhat of an ability
to do what you want with your property. And I offered
that same opportunity to the neighbors that’s in that
community.

I don’t know if this will pass tonight, but one
thing I would like to see if it does pass, I would
love to see you guys come together with some true pros
and cons. So far on the ones that you have given me,
personally, and the phone calls — and again I
appreciate those — there are truly no issues on
whether or not that facility should be allowed to be
there. I agree with Councilman Wooten as far as who’s
putting it there, whether it’s a private organization,
whether it’s the Salvation Army, whether it’s a
church, none of that even matters. At the end of the
day, they’re trying to make the community better.
Because realistically speaking, some of the people
that will be there will be from your neighborhood or
be from your community. And also will be from mine.

Again, I respect Ms. Floyd’s wishes that she
wouldn’t want it in her backyard. I can honestly say,
I live down in Starr, and I would not have a problem
with that being in my yard. I don’t foresee it
creating a lot of traffic, a lot of crime rate, you
know, drug activity. You know, I don’t foresee that.
What I do foresee is if we don’t do this, someone
coming in and developing that hundred acres, and you
truly have a traffic problem and you truly have a
crime rate, because with a hundred houses, you’re
going to have a crime rate spike. And there’s
statistics that back that up. That’s not just a
statement. There’s statistics that shows that. And
sometime I can’t help but think, you’re almost cutting
your nose off to spite your face on this. And I mean
that respectfully. And if it does pass, I truly hope
y’all — because if it does there will be two other
readings and there will be plenty of opportunity to
change the council members’ minds supporting it	onight. But I would truly like it to be a truly con
your side that you see that it’s a disadvantage to
your community.

Again, I appreciate everyone that’s taken the time
to contact me personally on this. Thank you.

TOMMY DUNN: Thank you, Mr. Graham.

I’d just like to say a few words. I’ve always,
since I’ve been on council, taken very seriously the
people whose district it’s in. I want the same
respect when it comes to a thing in my district.
Also, of all the things in Anderson County, this had
to be picked out having to be the only precinct, I
think, in District 6 that’s zoned. And I have to
respect the people that voted for zoning that want
zoning. I mean, I don’t necessarily agree all the
time with zoning, but it’s the law we live by.
People’s got a right to that and they’ve got a right
to the expectations of what zoning brings to them.
But I also want to say I wholeheartedly agree with Ms.
Wilson. I hope y’all don’t come back here if this
thing comes, because you’ve got a lot more
restrictions and covenants on this piece of property
that the church is looking at than what you’re going
to have in the future.

Saying that, if nothing else, we’re going to call
for a vote. All in favor of Mr. Waters’ motion to
deny, show of hands. All opposed. Show the motion
carries with Mr. Waters, Mr. Allen, Ms. Floyd, Mr.
Dunn, Mr. Graham in favor. Ms. Wilson, did you vote
to deny? Vote to not deny Mr. Graham and Mr. Wooten.

We’re going to take about a five minute recess.

GRACIE FLOYD: Tell me --
TOM ALLEN: Mr. Chairman?
TOMMY DUNN: It was denied.
TOM ALLEN: I’d just like to say that
was a very difficult vote. And my offer is still out
there if we can help you in any way, shape or form to
try to do something. Thank you.
GRACIE FLOYD: May I say something?
TOMMY DUNN: Yes, ma’am.
GRACIE FLOYD: Okay. I want to tell you
that it was denied. Let me tell you something I
didn’t tell you now. I don’t want it in my backyard,
but you know what I’ve got instead, I got Fafard, the
company that makes the fertilizer. All right. And
what do we hear first thing in the morning, we hear
trains loading up the fertilizer. What do we smell
late at night, what do we smell? The fertilizer.
They have since moved it a little bit away from us
now. But I have been where you’re going. I know how
it is. And I wish you all the best. I wish you all
the best. You’re building up a good, strong neighborhood in your area. Thank you.

TOMMY DUNN: Moving on to Item number 11, road acceptance into the county inventory, Wild Hickory Circle. Do we have a motion to accept this into the county with meeting all county criteria.

RAY GRAHAM: Motion.

TOMMY DUNN: Motion Mr. Graham. Have a second?

CINDY WILSON: So moved.

TOMMY DUNN: Do we have a second?

KEN WATERS: Second.

TOMMY DUNN: Second Mr. Waters. Any discussion? All in favor of the motion show of hands.

GRACIE FLOYD: On the road?

TOMMY DUNN: The road, yes, ma’am.

Show the motion carries unanimously.

Moving on to Item number 12, district paving funds. Mr. Burns.

RUSTY BURNS: Mr. Chairman, this is a request I believe that we have talked with every member of council today. We are going to be taking some existing funds and putting them with the 1.5 million dollars that council approved. Take that up to around a hundred and seventy-five thousand dollars. We will take a portion of that money, sixty thousand dollars, and pave the parking lot at the Mental Health Department. If we put that money together with the money we’re getting from C-funds, it’s going to be around five million dollars.

TOMMY DUNN: Do we have a motion to move this forward?

CINDY WILSON: So moved.

GRACIE FLOYD: Yes.

TOMMY DUNN: Mr. Floyd.

GRACIE FLOYD: Whatever happened this morning was terrible. I got your message. It was explained to me. But evidently I didn’t understand the explanation. Because when I called to get some more, I said what I thought I was told. In fact, I said what I was sure I was told. But I wasn’t told everything.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: And I don’t understand it. I don’t understand why — I think this is called for a vote tonight; am I correct?

RUSTY BURNS: Yes.

GRACIE FLOYD: I don’t understand why we
are having to vote on this tonight when we just
realized how much the C-fund was going to give us
after waiting for years -- for a lot of months to get
that. And all of a sudden we know. Two weeks ago we
knew what the C-fund was going to give us. C-fund;
right?

RUSTY BURNS: Yes, ma’am.
GRACIE FLOYD: But this morning, this
morning I get a phone call to explain something that I
think that we’re going to vote on tonight about it;
right?

RUSTY BURNS: Yes, ma’am.
GRACIE FLOYD: I don’t understand that,
Mr. ...
FEMALE: Burns.
GRACIE FLOYD: Burns. Thank you. I
don’t understand that, Mr. Burns. I don’t understand
why we always have to rush, rush, rush to get things
through.

RUSTY BURNS: We basically knew the
amount of money we were going to get from C-funds. It
was the amount we requested some time ago. At the
meeting that we attended we were assured at the next
meeting that they would vote to approve those funds.
So we knew well before two weeks ago that we were
going to get those monies.

GRACIE FLOYD: We didn’t. Well, excuse
me, I didn’t.

RUSTY BURNS: Well, okay. So what we’re
trying to do is increase the amount of money that we
have to go with our paving list. We put money aside
to match the C-fund money. So in essence we’re going
to be getting around five million dollars for paving
in Anderson County, which is only what we’re going to
be responsible for; not what the state is also going
to be paving, and what the state is going to be paving
in another situation with different money. And the
reason that we contacted all members of council today
while this was in the agenda packet mailed out Friday,
is we wanted to give every council member a chance to
ask questions so we could be perfectly clear and
everyone would have an idea of what we wanted to do.
The paving list that we will be going by is the same
paving list that council has been presented before.

GRACIE FLOYD: That was -- we were
presented that in 19 -- I think it was in June of 19
-- I’m sorry, 2017; that’s how long ago. Yeah, 2017.
And then somehow this showed up. This is the
requested paving list and estimated cost for Anderson
County. Okay. At the time we got this, nobody knew
what it was. And still if I showed this to you right
now, you wouldn’t know what I was talking about. But
on this it talks about what each of us are going to
get and for what roads. I think these are for the C-
fund roads. All right. This was never explained,
just as the rest of our information. It just showed
up in the folder. Okay. But I think whatever is
planned, I am respectfully, if I know how, asking that
we table this until the next week or the next time we
meet after we have understood it more. I want to know
what I’m getting for District 2. All right. I know
that things don’t work out fairly for us, and I said
before God and man, things in District 2 don’t always
work our fairly for us. And I cannot take a chance of
leaving this to the powers that be, that we’re going
to get our fair share of that money. I respectfully
ask. Do you want to see this, Mr. Allen?
TOM ALLEN: That’s okay.
GRACIE FLOYD: Have you seen it?
TOMMY DUNN: Yes, ma’am.
GRACIE FLOYD: You’ve seen it. Have you
seen it?
TOMMY DUNN: Yes, ma’am.
GRACIE FLOYD: Okay. When I get to be
chair maybe I’ll understand it, too. But right now I
don’t. And I thank you.
KEN WATERS: Do we have a motion ——
RUSTY BURNS: If you took the sources
that I just mentioned, we will have a little over five
million dollars to pave in Anderson County, which
doesn’t include money that ANATS will provide in the
ANATS district or money that will come from the GPATS.
It also doesn’t include the portion of the C-fund
money that will go on state roads. Nor does it
include the remainder of the money that was passed by
the general assembly last year. They’re finishing up
that portion now. Does that make sense?
KEN WATERS: Could I say this is the
most money we’ve had to pave in ten years?
RUSTY BURNS: It’s a lot of money, and I
can’t recall that off the top of my head, Mr. Waters.
But if it’s not, it’s awfully close.
KEN WATERS: So we’ve finally got some
money to pave with; is that correct?
RUSTY BURNS: Yes, sir.
KEN WATERS: Well, how about that?
Thank you, sir.
GRACIE FLOYD: But ---
RAY GRAHAM: Mr. Chairman?
TOMMY DUNN: Mr. Graham?
RAY GRAHAM: This might be -- what is
the percentage that we’re putting in our -- between
our paving accounts?
RITA DAVIS: It’s very minuscule, sir.
RAY GRAHAM: Right.
RITA DAVIS: It’s only -- there will be
an additional two hundred and forty-three thousand
over the 1.5 that’s ?? incorporated.
RAY GRAHAM: Right.
RITA DAVIS: So it will make it seven
forty-three.
RAY GRAHAM: In essence this is what we
done last year to get the biggest bang for the buck
with our paving funds?
RITA DAVIS: That’s correct, sir.
RAY GRAHAM: This is being fiscally
responsible as council members to basically take the
paving money and basically multiply it with this money
to get the biggest paving jobs throughout Anderson
County? Throughout Anderson County; not a certain
district?
RITA DAVIS: That’s right.
RAY GRAHAM: Thank you.
GRACIE FLOYD: Mr. Chair? Okay. Mr.
BURNS?
RUSTY BURNS: Yes, ma’am.
GRACIE FLOYD: This money is supposed to
be after we have spent whatever? This money is
supposed to be collected and put all together. And
from that money that’s put all together out of each of
our paving accounts we can -- we’re going to use it as
a -- somebody’s favorite word -- a slush fund?
RUSTY BURNS: No, ma’am.
GRACIE FLOYD: We’re going to put -- wait
a minute. We’ve going to put it in a -- wait a
minute. This is what I have been told. Now listen to
me. We’re supposed to take all the money that’s left
over from the paving account and we’re supposed to put
it all together. And from that money we’re going to
pave whatever? Now, we didn’t do this last year. We
were supposed to have done it. But we didn’t get the
money to do it last year.
RUSTY BURNS: This list comes from the
road maintenance department and it is based on their
best estimation of what we need to pave, being done
scientifically. It is not this, that or the other.
This is their recommendation, which council asked us
to follow, and that’s what we’re trying to do.

GRACIE FLOYD: Okay. Who is their recommendation?

RUSTY BURNS: Road maintenance department. Roads and bridges; yes, ma’am.

GRACIE FLOYD: Okay. The road maintenance department gave each of us last year a sheet with our things on it. All right. We haven’t seen that sheet since last year; I think it was June the 17th, because there was no money. We didn’t get the money that we thought we was going to get from the C-fund so we didn’t do it. So that’s how I know that it couldn’t have been done last year.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: Okay. The road maintenance department gave each of us last year a sheet with our things on it. All right. We haven’t seen that sheet since last year; I think it was June the 17th, because there was no money. We didn’t get the money that we thought we was going to get from the C-fund so we didn’t do it. So that’s how I know that it couldn’t have been done last year.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: Okay. There was a time when District 3 used to get a lot of money. I think the thing was fifty percent roads and fifty percent something else. Okay? They got most of the money. All right. And a lot of money. But that was changed four years ago that was changed?

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: And since then we have not had a situation with road money that was continuous. It’s the same thing every year like it used to be. Okay. So now every year we have to go through something to see what it’s going to be. Okay. And I don’t understand this time.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: All I know that a lot has been done to District 2, but not enough has been for it. I’ve been there nineteen years and I’ll say it until the day I die, I’ve been here for nineteen years and I don’t trust the system.

Now, until we can get this money worked out -- everybody else may know and everybody’s probably got their minds are made up, because that’s how things are done. All right. But until we can all get the same report of who’s going to get what and who is going to put in the pile and who’s going to get the money from the pile can be worked out, I would like to postpone the vote until we can get that done. Thank you.

KEN WATERS: Mr. Chair, can I ask one more question? You did say this did not include the GPATS and the ANATS?

RUSTY BURNS: No, sir, it does not.

KEN WATERS: So that’s even more ---

RUSTY BURNS: Yes, sir.
KEN WATERS: --- projects that'll be
done. So you're looking at over five million; is that
correct?

RUSTY BURNS: Yes, sir.

KEN WATERS: Okay. Thank you, sir.

TOMMY DUNN: All in favor of the
recommendation from the staff, show of hands. All
opposed. Show the motion carries with Mr. Waters, Mr.
Allen, Mr. Dunn, Mr. Graham, Mr. Wooten, Ms. Wilson in
favor. Ms. Floyd opposes.

Moving on to Item 13, executive session. We need
to go into executive session for legal advice
regarding Iva sewer contractual matters. We have a
motion?

RAY GRAHAM: So moved.

TOMMY DUNN: Motion Mr. Graham, second
Mr. Allen. All in favor of the motion, show of hands.
All opposed? Show the motion carries. We'll go right
back here behind us. Is that right, Mr. Burns?

(EXECUTIVE SESSION)

TOMMY DUNN: We're back in session. Do
we have a motion to come out of executive session?

CINDY WILSON: May I make a motion that we
come out of executive session, having received legal
advice regarding the sewer matter.

TOMMY DUNN: Taking no votes?

CINDY WILSON: No action taken.

RAY GRAHAM: Second.

TOMMY DUNN: Second Mr. Graham. All in
favor of the motion show of hands. Shows the motion
carries.

Moving on to Item Number 14, Appointments.

District 7, Ms. Wilson.

CINDY WILSON: Yes. May I please
nominate Mr. Marion Middleton, Jr. for District 7's
position on the Museum Board.

TOMMY DUNN: Got a motion by Ms. Wilson
for Museum Advisory Board appointment. We have a
second?

KEN WATERS: Second.

TOMMY DUNN: Second by Mr. Waters. Any
discussion? All in favor of the motion show of hands.
Like sign. Show the motion carries.

Do we have any more appointments?

Moving on to requests from council members. Mr.
Waters, do you have any?

KEN WATERS: I have none at this time.

TOMMY DUNN: Mr. Allen?

TOM ALLEN: Yes, Mr. Chair. I have
two that I'd like to make. The first one is for the
Crescent Elite Shooters. They’re a skeet trap shooting club and I’d like to take five hundred dollars out of my recreation account for them. And I also have another one for the Townville Recreation Department for four thousand dollars. And I put that in the form of a motion.

KEN WATERS: Second.

TOMMY DUNN: Motion by Mr. Allen, second by Mr. Waters. Any discussion? All in favor of the motion show of hands. Show the motion carries. Anything else, Mr. Allen?

TOM ALLEN: That’s all.

TOMMY DUNN: Ms. Floyd, do you have any?

GRACIE FLOYD: No, I don’t have any at this time.

TOMMY DUNN: Mr. Graham?

RAY GRAHAM: Thank you, Mr. Chairman.

I’d like to take five hundred dollars out of my rec account for the Crescent Elite Shooters. I bring this forth in the form of a motion.

TOM ALLEN: Second.

TOMMY DUNN: Mr. Graham makes a motion to take District 3’s rec account five hundred dollars. Mr. Allen seconds it. Any discussion? All in favor of the motion? Motion carries. Anything else, Mr. Graham?

RAY GRAHAM: No, Mr. Chairman.

TOMMY DUNN: Mr. Wooten?

CRAIG WOOTEN: I have none at this time, sir.

TOMMY DUNN: Ms. Wilson has none. District 5 has none.

Moving on to Item 16, Administrator’s Report.

RUSTY BURNS: Nothing at this time, Mr. Chairman.

TOMMY DUNN: Thank you.

Moving on now to Citizens Comments. When Mr. Harmon calls your name, please state your name and district for the record. You have three minutes. Address the Chair.

LEON HARMON: Mr. Chairman, we have one citizen signed up. Elizabeth Fant.

ELIZABETH FANT: Boy, I mean to tell you, this is right. I don’t know how we do it, but we seem to have telepathy or something about some of the things that we think are important on the agenda, Ms. Floyd and I. I was looking through the paving account and somebody can explain it to me later, the districts and so forth. You come to District 3, Mr. Graham,
city of Belton, zero for paving. You come to District 2, city of Anderson, zero for paving. You come to ---

TOMMY DUNN: Wait a minute. Stop the time a minute. Hold on a second.

GRACIE FLOYD: What are you talking about?

ELIZABETH FANT: Paving account.

GRACIE FLOYD: In your what?

ELIZABETH FANT: Paving account, in your folder. I think there was one other one. And District 1 gets a hundred and nineteen thousand dollars for the Civic Center. I don’t know.

Something is just not equitable about that. I remember in District 3, not too long ago, I believe a hundred thousand dollars of paving went to not roads. It went to paving alright, and if you remember where it went to, you can talk to me about it later. Paving is supposed to be road; period.

I talked to Mr. Burns after the last meeting. I was kind of agitated, and he knew I was kind of agitated. And I came up with this thing. And I told him, I said, you know, a lot of the things that happen in County Council could be exasperated -- no, that’s not the word I want -- eliminated if County Council would only explain them better to the citizens. And I mentioned to him that I thought he ought to have different departments come up and explain their department and what they were doing with enterprise funds and sewer funds and how that worked out. Ms. Wilson has several different times tried to explain what fee-in-lieu of is. But you need to educate us. We are trying the best of our ability to understand what it is y’all are doing. And if you would just be teachers first. A good teacher does that. A good teacher doesn’t come to the students and say, here’s the material, learn it, you’re going to have a test on it. A good teacher makes the ground so everybody understands. If they don’t understand they keep bringing illustrations. They explain it so that the public knows. You would get a lot more support and a lot more participation if people felt like you explained what it was and that you just didn’t ram through one ordinance after another ordinance.

This week particularly I’ve seen communication be again important. I’m always teaching that with my volunteers.

LEON HARMON: Time, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Harmon.

Next?

LEON HARMON: No one else is signed up.
TOMMY DUNN: Thank you, Mr. Harmon.

Have comments from council members. Mr. Waters?

KEN WATERS: I want to apologize for not wearing a suit and tie tonight. It’s been a busy day and I didn’t have time to go by and change clothes. We’ve had tornadoes in the last week and everything else. So I want to apologize for that.

The next time I’ll definitely be in a suit and tie.

It’s been an interesting night tonight. Made some difficult decisions. One of the things we talked about in zoning, sometimes you may win the battle, you know, but you don’t win the war. It’s like a two-headed snake. Sometime or another one end is going to get you. We were correct in doing what the citizens wanted to do. That’s pretty tough. You’ve got a good program. I think somewhere else it’ll do better. Where, I don’t know. And just wanted you to know that was a tough decision for all of us. And it could have been better; could have been worse. Who knows? You know, you just don’t know. So that was a very difficult decision. I like what you’re doing. You could have done it beside my house, but I don’t have one. Anyway, I don’t know if that helps you out any or not, but you know, I felt like I needed to say that.

A lot of good things going on. I really like the money for paving. I almost feel like it’s Christmas because for so many years we’ve wanted this. For so many years people’s complained about it. For so many years when they complained about it, we couldn’t do nothing about it. And so there’s a sigh of relief here, you know, having something to do. And I appreciate the hard work that Mr. Burns did on that. I know there’s a lot of adding -- he can add and subtract pretty good every once in a while. But I appreciate all the hard work.

The jobs, the thirty-one new jobs; six and a half million in capital projects; that’s going to give somebody a job. Any time somebody can get a job and provide for themselves -- the economy is going great right now. I was talking with a builder yesterday and he told me that he was -- to either start planning something you had to plan six months out, and that don’t guarantee you’re going to get anything because there’s so many options out there right now.

And then talked with another gentleman today on a commercial project. Same thing, people are -- you know, they have so many choices now till they can choose what they want to do. And I haven’t seen it like this in a long time. I noticed some of the stock
markets that have been doing bad are starting to improve. And you know, it’s just we’ve got so many good things going on right now till, you know, we’re very blessed in what we’re doing. Looking at some of the problems that we’ve had for over eight years and we stand a good chance of correcting some of those. And so, you know, I just feel good about the things that’s going on. I like them.

And I took a day off yesterday and went to the lake. That was the first time all summer I had time to do that. And done some relaxing and done a lot of thinking about some things. Looking forward to spending more time at the lake. Something I’ve always wanted to do and it looks like I’m going to get to do that.

Ms. Fant, you got something you’d like to say?

You spent about ten minutes of my time tonight, so I thought we’d give you another couple of minutes if you want to, to waste some more time. All right. Well, I appreciate that. And you know, it’s just -- just to count all the good things that are going on, I mean, just every which way you point there’s something good going on. And I just appreciate the comradery that we’ve had here. We can respectfully disagree with each other. We’ve worked out a lot of problems that way. It’s been a -- it’s just been a pleasure, you know, working with my cohorts here. And I still say we’ve got probably one of the best councils in South Carolina, and very proud to say that.

Thank you, Mr. Chairman.

TOMMY DUNN: You sure you’re through?

Mr. Allen?

TOM ALLEN: Yes, sir, Mr. Chair.

KEN WATERS: I don’t get a good microphone like this, so I’m kind of enjoying this.

TOMMY DUNN: And there’s a reason for that. Mr. Allen?

TOM ALLEN: Yeah. I wanted to echo what Ken had to say about the zoning situation tonight. That was a very difficult decision. Hard to swallow. But nonetheless, I’ll just say that.

The other thing I wanted to do is make note of a letter that was sent to the County Council here and thanking Anderson County for the work that they did on the Corporal Freddie Stowers monument up in Sandy Springs. Corporate Stowers was a World War I recipient of the Metal of Honor. He was the first black soldier to receive the Metal of Honor. And although he was killed on September 27th of 1918, the paperwork for his metal was lost in this huge
bureaucracy, like if you saw the Indiana Jones movie, the big warehouse where things get lost. Apparently his paperwork is in there. And it wasn’t until George W. Bush, it was brought up to his attention that his paperwork was there and should have been honored, so at that time, clear into the 1990s, the award at that time was actually awarded to him. The monument was refurbished, rededicated up there, and we were lucky enough to have a Commanding General at Fort Jackson there to say a few words. And I can tell you, when you can get a Commanding General of an Installation to come to your town sometime, that’s quite a chore to get that done. So we are very proud of that. And I, too, want to thank the County. I know Rusty and the crew did a tremendous job up there to get that all put together. The family, the family members, have all signed a letter and they were very appreciative of what occurred that day. So thanks to the County and County Council.

That’s all I have, Mr. Chair.

TOMMY DUNN: Thank you, Mr. Allen. Ms. Floyd?

GRACIE FLOYD: Yes. I would like to know, Mr. Chairman, Mr. Burns, and whoever, who wrote that ordinance, that resolution to be placed on the ballot about the alcohol sales? Who wrote that?

TOMMY DUNN: I think Mr. Harmon did.

GRACIE FLOYD: Mr. Harmon, did you write that?

LEON HARMON: ma’am, I did.

GRACIE FLOYD: You wrote the whereas’

LEON HARMON: My recollection is that I did.

GRACIE FLOYD: Okay. Mr. Harmon, did we vote on that for the Council?

LEON HARMON: Yes, ma’am.

GRACIE FLOYD: I don’t remember ---

LEON HARMON: You voted three times on it because ---

GRACIE FLOYD: I don’t remember voting that says that we promoted the alcohol thing. I probably voted on the referendum thing. But I never voted that the County Council was promoting something like that. Mr. Harmon, I wouldn’t do that. And I think that when it was done like that you put me in a bad situation. I would not vote to have alcohol sales on Sunday. I am a Council person, but I don’t remember we voted on that specific language. We

didn’t. No, I don’t think so. But you put me in a bad situation. I would not vote for that. I don’t believe in that. Okay. You did a good job in getting it done. But since there was no vote on putting the Council’s name in there saying that, I would like for it to be rewritten, please. And if you want to put down the Council people’s name who did it, who agreed with it, then that’s fine. But I don’t want my name as a Council person’s name to be put down. It was a generic, fine, but that’s specific. I like my beer.

LEON HARMON: I understand what you’re saying. But it’s already gone to the voter registration and elections to be put on the ballot. I’ll be glad to look back at the minutes and show you where it was voted on three times.

GRACIE FLOYD: I’m sure it was. But the language to include the County Council as a proponent of that was not on that. The language to include the County Council as someone who was promoting was not on that. What was on there was the fact that somebody — I think it was Mr. Wooten ... In fact, Mr. Wooten, didn’t you help write that? Wasn’t you supposed to be the one who wrote that?

CRAIG WOOTEN: No, ma’am. At no point have I written a legal document.

GRACIE FLOYD: Excuse me. I thought you had wrote it. But anyway, at no point did it say anything like that.

And Mr. Harmon, I’m saying it as politely and respectfully as I know how, I wouldn’t do that; promote the alcohol on Sunday.

LEON HARMON: I understand.

TOMMY DUNN: Mr. Graham?

GRACIE FLOYD: I guess what I could do -- excuse me. I guess what I could do is to write it out. But if I did that, if I would make a statement saying I did not do that, I did not do that ... What am I going to do?

TOMMY DUNN: Mr. Graham?

RAY GRAHAM: I don’t have nothing at this time, Mr. Chair.

TOMMY DUNN: Thank you. Mr. Wooten?

CRAIG WOOTEN: Yes. Just briefly, you know, to Michael and the Diocese of Charleston, I guess I’m apologetic in nature for the time that you put in and the correspondence you did. Thank you for the way you handled yourself. And for me it was an easy decision. And I respectfully disagree with my fellow council members.

You know, there seems to be a reoccurring thing
where we’re sort of told, you can’t have any more money to do anything because the things you’ve got right now are not being taken care of. Well, that’s really telling the poor guy who never had any money, we can’t give you any money because you never did anything with it. We don’t ever have any extra money. So unless you let us take on certain projects, we’re never going to be able to tackle them. And then we’ll just be turned around and accused of not having vision and doing things. So I’m all for efficiency. If anybody can show the County where we can be more efficient, I’m game for it. Could we find a hundred thousand, five hundred thousand? Maybe. I guarantee you we can’t find ten million. I guarantee you we can’t find twenty million. And those are the price tags of the projects that people are talking about. So at the same time that we talk about hospitality or investment in the County, I’ll talk efficiency. We’ll get down to the root level where it can be more efficient. But it’s a myth if we think that we can be more efficient and fund capital projects. That’s like saying, you know, cut the Secretary of Defense’s curtains in his office in DC and we’re going to balance the budget. If you don’t tackle medicaid, medicare and deficit spending, it won’t happen. It’s just talk. And we go by year after year after year and we don’t accomplish the big things that we could accomplish. So, I don’t know. Little frustrated tonight, but I mean we have so many positive things going on in this county, this is, in my opinion, the best county council in the fact that we do have dissent, but we do communicate and I do appreciate everybody’s input. Thank you, sir.

TOMMY DUNN: Thank you, Mr. Wooten.

Ms. Wilson?

CINDY WILSON: Thank you, Mr. Chairman. I’m very sorry that the Massey Estates neighbors did not more carefully review what was being offered by the Diocese. I really believe that that would have provided them concrete assurances from here on out. And I fear for what can take place over there. I do want to thank our Clerk of Court for the hospitality here tonight. And I also wanted to remind everybody who didn’t notice it, the State Ethics Commission is going to do training for us over at the COG office Monday if anyone is wanting to go. I’m going to try to take the Monday morning for the meeting.

The Kinder Morgan meeting that we had with South Carolina DHEC hopefully will provide greater cleanup
efforts on the part of Kinder Morgan. We're very
grateful for the Southern Environmental Law Center’s
efforts for the citizens of our county. And that will
be -- we will be having a town hall meeting over in
the Cheddar area pretty soon to deal with that and
also with the referendum questions. And I’ll be
scheduling some town halls to go over the referendum
questions.

Anyway, thank y'all. It’s always interesting.

TOMMY DUNN: Thank you, Ms. Wilson.

Mr. Harmon, if you would it’s going to take me just a
little bit. Would you let me know when my five
minutes ... I’m going to have to have some energy to
get through this.

LEON HARMON: I’ll be sure to get it
before I leave here.

TOMMY DUNN: Lord knows he don’t need
it.

I want to thank my fellow council members. It’s a
pleasure working with most of you. Sometimes you’ve
got some tough decisions, but that’s what you get put
on here for, to do the best you can and respect one
another’s opinions and votes. And I appreciate that.

I want to thank Mr. Burns and his staff for last
week at the airport dedication. I thought it was a
great turnout, a great job. And I think, as folks
will say, that’s our gateway into Anderson County, and
I think that’s going to be a great thing for Anderson
to keep on thriving, to keep growing, and to keep
prosperity going. If you’re sitting still, we’re
going to get overtaken. You can’t sit on your
laurels. This county has been sitting still and
hasn’t done nothing. The decade before this council
come on, the last ten years, we’re progressing and
getting good paying jobs for the citizens of Anderson
County. It’s going to make a better life for
themselves and their kids. And that’s what we want.
I hope this council continues doing it and future
councils keep doing it and doing it in the best
interest of the citizens of Anderson County. And I
hope the citizens of Anderson County will be well
educated because they’ve got two very big votes coming
up on referendum on hospitality tax and alcohol sales
on Sunday. And we did vote on that three times. And
I think if you look at the votes you might be
surprised who voted for what.

KEN WATERS: Mr. Chairman, have we
worked enough overtime to turn it in on our time
sheets?

GROUND LEASE AGREEMENT

THIS GROUND LEASE AGREEMENT (this “Lease”) is made and entered into as of the _ day of ___, 2018 (the “Effective Date”), by and between Anderson County, a body politic and corporate and a political subdivision of the State of South Carolina (the “Landlord”) and DUKE ENERGY CAROLINAS, LLC, a North Carolina limited liability company (the “Tenant”).

Landlord and Tenant covenant and agree as follows:

1. Premises and Intended Use. In consideration of the rents, terms, covenants, and agreements set forth in this Lease to be paid, kept, and performed, Landlord leases to Tenant and Tenant leases from Landlord approximately _ acres of land (being Tax Parcel No. 1220001001), located in the City of Anderson, Anderson County, South Carolina, more particularly described and/or depicted on Exhibit A attached hereto and incorporated herein by reference (the “Land”), and all improvements, fixtures, personal property and trade fixtures now or in the future located thereon (but excluding any property required to be removed by Landlord pursuant to Section 7(b) of this Lease), together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the Land, together with the above-described property, improvements and appurtenances are hereinafter collectively referred to as the “Premises”), to be occupied and used upon the terms and conditions herein set forth. Tenant’s intended use of the Premises is for the development, construction, installation, operation and maintenance of an energy storage system and related improvements for the storage of electric power and related ancillary technologies, including but not limited to, solar photovoltaic power arrays, voltage regulation, and power quality regulation (the “Intended Use”), and including without limitation, (i) electrical and communication lines, transformers, power inverters, equipment, cables, switches and electrical substation(s); (ii) laydown areas, control buildings, and maintenance facilities; and (iii) roads, fences and gates, and other structures and facilities required for ingress and egress for pedestrians, motor vehicles and equipment and for security (collectively the “Energy Storage System”).

2. Term of Lease, Commencement Date, and Renewal Terms.

(a) Term of Lease and Commencement Date. The term of this Lease (including any extensions or renewals, the “Term”) shall commence on the Commencement Date and shall end at 11:59 P.M. local time on the date that is fifteen (15) years after the Commencement Date (the “Expiration Date”), unless extended or sooner terminated as herein provided. If the Expiration Date is other than the last day of a calendar month, the Term shall be extended automatically until 11:59 P.M. local time on the last day of the calendar month in which the Term otherwise would expire. The “Commencement Date” shall be the Commercial Operation Date. The “Commercial Operation Date” shall be the date that all of the following have occurred: (i) the Energy Storage System has been installed, constructed, tested, commissioned, and is fully capable of being operated for its Intended Use; (ii) the Tenant has received all permits and approvals from governmental authorities having jurisdiction and the applicable electrical transmission provider for the Energy Storage System; and (iii) the Energy Storage System begins delivering electricity to the electrical grid. Once the Commencement Date is ascertained, the parties agree to execute a memorandum or other writing confirming the Commencement Date.

(b) Renewal Terms. Tenant shall have the right to extend the initial Term granted herein for up to three (3) additional terms of five (5) years each (each a “Renewal Term” and collectively, the “Renewal Terms”) by providing Landlord with written notice of Tenant’s desire to extend the Term for the
applicable Renewal Term prior to the Expiration Date (or prior to the expiration of the preceding Renewal Term, as applicable); provided, however, that Landlord, in its sole discretion, consents to such extension.

3. **Due Diligence Period; Construction Period; and Landlord’s Rights Before Construction Commencement Date**

   (a) **Due Diligence Period.** Commencing on the Effective Date and continuing for a period of two (2) years after the Effective Date (the “Initial Due Diligence Period”), Tenant shall have the right to enter the Premises to perform its due diligence, inspection, investigation and pre-construction activities to determine if the Premises is suitable for leasing by Tenant, the Intended Use, and obtaining permits and approvals for the Intended Use. Tenant may extend the Initial Due Diligence Period for one (1) additional year commencing after the expiration date of the Initial Due Diligence Period (the “Extended Due Diligence Period”), by delivering written notice to Landlord prior to the expiration date of the Initial Due Diligence Period. (The Initial Due Diligence Period and Extended Due Diligence Period are collectively referred to herein as the “Due Diligence Period”).

   (b) **Construction Period.** The “Construction Period” shall commence upon the Construction Commencement Date (as hereinafter defined) and expire upon the Commercial Operation Date (which is the same date as the Commencement Date of the Term of this Lease). The “Construction Commencement Date” shall be the earlier of (i) the date Tenant issues written notice to Landlord advising Landlord of Tenant’s intent to begin construction activities at the Premises, or (ii) the date Tenant commences the construction or installation of the Energy Storage System at the Premises; provided however, the Construction Commencement Date shall not be deemed to have occurred by virtue of any testing conducted by Tenant on the Land, minimal site clearing to support such testing, or by virtue of Tenant installing access routes or roads on the Land, nor shall it be any later than six (6) months following the conclusion of the Due Diligence period. Once the Construction Commencement Date is ascertained, the parties agree to execute a memorandum or other writing confirming the Construction Commencement Date.

   (c) **Landlord’s Rights Prior to Construction Commencement Date.** During the period between the Effective Date and the Construction Commencement Date, Landlord shall continue to have full use and control of the Premises, subject to Tenant’s access and inspection rights set forth in Section 3(a) and Section 4 of this Lease. On and after the Construction Commencement Date, Landlord (and any other party claiming, by, through or under Landlord) shall not have full use and control rights of the Premises.

4. **Lease Contingencies and Tenant’s Due Diligence.**

   (a) **Lease Contingencies.** Tenant’s obligation to perform hereunder shall be subject to the satisfaction of the following contingencies (collectively the “Contingencies”): (i) Tenant obtaining all necessary permits and approvals from federal, state and local governmental authorities required by Tenant for its Intended Use and to construct and operate its Energy Storage System at the Premises with interconnection to the grid for the sale and delivery of electrical power; (ii) Tenant’s review and approval of title and survey matters with respect to the Premises, the environmental, geological, geotechnical, and; (iii) Tenant obtaining all necessary easements for its Intended Use. Landlord, at no cost to Landlord, agrees to sign any applications or other documents (that require signature by the fee owner of the Premises), and to take all such other actions, as are reasonably required to allow Tenant to, at Tenant’s expense, obtain any re-zonings, variances, permits or other approvals required by Tenant for the Intended Use. If Tenant is unable to satisfy the Contingencies to Tenant’s satisfaction prior to the expiration date of the Due Diligence Period, Tenant may terminate this Lease by giving written notice to Landlord prior to the expiration date of the Due Diligence Period. In addition, the Tenant’s right to terminate this Lease pursuant to this Section 4(a) shall expire on the Construction Commencement Date and is further subject to the conditions specified in Section 9 of this Lease.
Due Diligence, Inspections, Title and Survey. After the Effective Date, Tenant and its employees, agents, contractors, and authorized representations shall be entitled to enter the Premises and conduct, at Tenant’s expense, inspections, investigations, studies, surveys, borings, sampling, and testing of the Premises as Tenant deems necessary or desirable to determine if the Premises is suitable for Tenant’s Intended Use (the “Due Diligence Work”). Within sixty (60) days after the Commencement Date, Tenant shall obtain a survey of the Premises (the “Survey”). The Survey’s legal description shall be deemed to be the legal description of the Land for all purposes under this Lease. After the Commencement Date, Tenant may, at Tenant’s expense, conduct the necessary survey(s) and submit the required filings to the local governmental authority having jurisdiction to subdivide the parcel(s) of Land comprising the Premises so that the Premises are contained within one or more tax parcels separate from other adjacent property owned by the Landlord.

5. Rent. No rent shall be paid by Tenant to Landlord. In lieu of paying rent, Tenant shall install, maintain and operate the Energy Storage System to provide backup power to Landlord’s Anderson Civic Center in the event of a grid outage.

6. Utilities, Maintenance and Repairs. Tenant shall pay for all utilities used at the Premises by Tenant. Tenant, at Tenant’s cost, shall be responsible for the repair and maintenance of the Energy Storage System and Tenant’s improvements on the Premises.

7. Alterations.

(a) Tenant may, at its expense and upon approval of Landlord which shall not be unreasonably withheld, make any alterations, additions, improvements and changes to the Premises as it may deem necessary or desirable in the operation of its business or Energy Storage System, including without limitation any fencing, security devices and or signage desired by Tenant. Any alteration, addition, improvement or change conducted by Tenant shall be done in compliance with applicable laws and requirements of governmental agencies having jurisdiction. Landlord, at no cost to Landlord, agrees to sign any permit applications and to take all such other actions as are reasonably required to allow Tenant to accomplish any such alterations, additions, improvements and changes to the Premises. The Energy Storage System and any and all improvements constructed on the Premises by or for Tenant, and all machinery, fixtures, trade fixtures, equipment, and other personal property installed or placed in the Premises by or for Tenant, shall, regardless of the manner of attachment to the Premises or the improvements thereon, be and at all times remain the property of Tenant, and shall be removable by it at the expiration or earlier termination of this Lease. In the event that Tenant removes any trees, crops or other vegetation from the Premises during the Term, Tenant may sell and/or dispose of the same, and any revenues derived by Tenant from the sale of the same shall belong to Tenant.

(b) Within thirty (30) days after the Tenant notifies Landlord that the Construction Commencement Date has occurred, Landlord shall, at Landlord’s sole cost and expense, remove and dispose of all of the following from the Premises: NONE

8. Use and Occupancy. Tenant shall be entitled to use the Premises for the Intended Use. Tenant agrees that no unlawful use of the Premises will be made. Landlord shall deliver sole and exclusive possession of the Premises to the Tenant on the Construction Commencement Date.

9. Lease Termination and Surrender of Land.

(a) Termination Rights. Tenant shall have the right to terminate this Lease as provided in Paragraph 4 (the “Termination Date”) by providing Landlord with written notice of such termination on or before the date that is thirty (30) days prior to the Termination Date. Upon a termination of this Lease by
Tenant permitted hereunder, this Lease shall terminate and become null and void, and Tenant shall have no further obligations hereunder.

(b) **Surrender of Land.** Upon the expiration or earlier termination of this Lease, Tenant shall (i) return the Land to Landlord in substantially the same condition the same were in as of the Construction Commencement Date, to the extent practicable and reasonable wear and tear excepted; and if applicable, (ii) decommission and remove Tenant’s Energy Storage System and all improvements and equipment constructed or installed by Tenant on the Land. Notwithstanding the foregoing, in no event shall Tenant have any obligation to replace any crops or other vegetation damaged or removed by Tenant during the Term.

10. **Insurance.** Tenant may, after the Energy Storage System and its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards. Tenant shall keep in force, at its sole cost and expense, comprehensive commercial general liability insurance, with a combined single limit of not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) aggregate, insuring such party, and the other party hereto as additional insured, against liability arising out of the use, occupancy or ownership of the Premises. Landlord maintains General Tort Liability coverage through the State Fiscal Accountability Authority, Insurance Reserve Fund and will, upon request, provides a certificate of insurance. Any provisions herein to the contrary notwithstanding, Landlord and Tenant mutually agree that, in respect to any loss which is covered by insurance then being carried by them respectively (or which would have been covered had such party maintained the insurance required hereunder), the one carrying such insurance and suffering said loss hereby releases the other of and from any and all claims with respect to such loss, and waives any rights of subrogation which might accrue to the carrier of such insurance. Notwithstanding the foregoing, Tenant may self-insure (either by use of deductibles or self-insured retention) the coverage required of Tenant hereunder and Tenant may satisfy its insurance obligations hereunder through a “blanket” policy or policies covering other properties or liabilities of Tenant.

11. **Taxes.** Tenant shall be solely responsible for any ad valorem property taxes that are assessed against either the Premises or Tenant’s personal property for periods falling within the Term. Landlord and Tenant shall apportion taxes appropriately between the parties for any partial tax years falling within the Term. Tenant shall also be responsible for any deferred property taxes (“Deferred Taxes”) due on the Premises as a result of Tenant’s use of the Premises for the Intended Use in accordance with applicable South Carolina laws. However, in the event that Tenant’s use of the Premises for the Intended Use triggers the obligation to pay any Deferred Taxes, or any other taxes, assessments, penalties, fees or interest, on any other property owned by Landlord (other than the Premises), Landlord shall be solely responsible for paying the same. In the event that the Premises is a part of a larger tax parcel owned by Landlord, and Deferred Taxes become payable on the entire tax parcel as a result of Tenant’s use of the Premises for the Intended Use, the Deferred Taxes shall be equitably apportioned as to Landlord and Tenant in a pro-rata manner such that Tenant is responsible only for such costs as they relate to the Premises and Landlord is responsible for the remainder. During the Term, Tenant, at its cost, shall have the right, at any time, to seek a reduction in the assessed valuation of the Premises or to contest any taxes that are assessed against the Premises (or any portion thereof) or are to be paid by Tenant. If Tenant seeks a reduction or contests any taxes, the failure on Tenant’s part to pay the taxes shall not constitute a default as long as Tenant complies with the provisions of this Section 11.

12. **Fire or Other Casualty.** In the event that the Premises, Energy Storage System, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant’s sole reasonable judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises, the Energy Storage System, or other improvements thereon, as the case
may be, Tenant may terminate this Lease by written notice to Landlord. The proceeds of any casualty
insurance policy maintained by Tenant shall be payable to Tenant.

13. **Condemnation.**

(a) If the whole of the Premises shall be taken under the exercise of the power of eminent
domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant’s
judgment, the remainder of the Premises is not suitable for Tenant’s purposes (a “Total Taking”), then this
Lease shall terminate as of the earlier of the date when title thereto vests in the condemnor or the date when
possession thereof shall be delivered to the condemnor.

(b) If a portion or portions of the Premises shall be taken under the exercise of the power of
eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not
constitute a Total Taking (a “Partial Taking”), then this Lease, only as to the portion or portions so taken,
shall terminate as of the date possession thereof shall be delivered to the condemnor, but otherwise this
Lease shall remain in full force and effect. If there is any Partial Taking, the Landlord and the Tenant shall
both be entitled to participate in the condemnation proceeding to establish the condemnation award to the
taking of each parties’ interest in the Premises.

(c) If Landlord and Tenant are unable to obtain separate awards with respect to their respective
interests in the Premises, then, the single award shall be fairly and equitably apportioned between Landlord
and Tenant. The portion of the award to be received by Landlord shall be based upon the taking of or injury
to the fee simple estate in the Land, but not the improvements thereon. The portion of the award to be
received by Tenant shall be based upon the taking and reduction of Tenant’s leasehold estate created by
this Lease, the taking of any improvements constructed or placed by Tenant on the Land, loss or interruption
of Tenant’s business and the cost of any restoration or repair necessitated by such taking or condemnation.
Notwithstanding the foregoing, however, in the event Tenant has exercised its right to terminate this Lease
under this Section 13, then Tenant shall first receive all condemnation proceeds until Tenant has received
an amount equal to the appraised value of the improvements made to the Land by Tenant prior to the taking.
Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to
negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter
into any binding agreement or settlement without the prior consent of Landlord, which consent shall not be
unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and
to execute such documentation as may be reasonably necessary to allow Tenant to participate in such
condemnation proceedings.

14. **Default.** If either party fails to comply with any term, covenant or condition of this Lease
for a period of thirty (30) days after the defaulting party’s receipt of written notice from the other party of
such failure (provided, however, if such failure cannot reasonably be cured within such thirty (30) day
period, the defaulting party shall not be in default hereunder if it commences to cure within such thirty (30)
day period and prosecutes the cure to completion in good faith and with due diligence), then the defaulting
party shall be deemed in default hereunder and the other party may, at its option, may pursue any and all
remedies available to such party at law or in equity. If there is a default by a party hereunder, the non­
defaulting party will take commercially reasonable measures to mitigate its damages.

15. **Binding Effect; Assignment and Subletting.** This Lease shall be binding upon and inure
to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.
Tenant may assign this Lease, in whole or in part, or sublet the Premises, or any part thereof, with
Landlord’s prior consent which shall not be unreasonably withheld, provided that any such assignee shall
agree in writing to be bound by all of the terms and conditions of this Lease. Landlord shall promptly notify
Tenant in writing of the identity and address of any purchaser of Landlord's fee interest in the Premises and Landlord shall cause such purchaser to notify Tenant in writing of the address.

16. **Indemnification.** Except to the extent caused by Landlord, Tenant agrees to indemnify and hold Landlord harmless from any and all damages or claims which Landlord may be compelled to pay on account of injuries to person or damages to property on the Premises where the aforesaid injuries or damages are caused by Tenant (or Tenant's employees, agents, or contractors) or Tenant's breach of this Lease.

17. **Quiet Enjoyment.** Landlord covenants and warrants that as long as Tenant is not in default under the terms and conditions of this Lease (beyond any applicable notice and cure periods), it will defend the right of possession to the Premises in Tenant against all parties whomsoever for the entire Term hereof, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

18. **Waiver.** The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

19. **Notices.** All notices, elections, demands, requests, payments and other communications hereunder shall be in writing, signed by the party making the same and shall be sent by certified or registered United States mail, postage prepaid, or by national overnight courier service which provides tracking and acknowledgement of receipts, addressed to:

or at such other address as may hereafter be designated in writing by either party hereto. The time and date on which mail is postmarked shall be the time and date on which such communication is deemed to have been given.

20. **Memorandum of Lease.** Landlord and Tenant agree that this entire Lease shall not be recorded; provided however, promptly after the full execution of this Lease, Landlord and Tenant shall execute and record (at Tenant’s expense) a memorandum of this Lease in the Office of the Register of Deeds in the County in which the Premises is located and which memorandum shall be in form sufficient to publish notice and protect the validity of this Lease and Tenant's rights hereunder. The lease memorandum shall specify the Commencement Date, the Expiration Date, the Renewal Terms granted herein, and such other provisions of this Lease as the parties mutually agree to incorporate therein.

21. **Governing Law/Dispute Resolution.** This Lease shall be construed and enforced in accordance with the laws of the State of South Carolina without regard to Conflict of laws principles. Any dispute regarding this Lease shall be brought as a non-jury matter in the Court of Common Pleas, Anderson County, South Carolina and the Parties hereby WAIVE THEIR RIGHT TO A JURY TRIAL.
22. **Invalidity of Particular Provisions.** If any term or provision of this Lease shall to any extent be ruled invalid or unenforceable by a court of competent jurisdiction, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

23. **Subordination/Non-Disturbance Agreement.**

(a) Tenant’s obligation to subordinate its interests or attorn to any mortgagees or beneficiaries of mortgages or deeds of trust, or any other holders of liens on the Premises or any portion thereof (each hereinafter a “Mortgagee”) that may heretofore or hereafter be placed against the Premises by Landlord is conditioned upon the Mortgagee’s written agreement not to disturb Tenant’s possession, quiet enjoyment of the Premises, and rights under this Lease so long as Tenant is not in default under the terms of this Lease (beyond any applicable notice and cure periods). Landlord shall use commercially reasonable efforts to provide to Tenant, on or before the expiration date of the Due Diligence Period and Construction Commencement Date, a subordination, non-disturbance, and attornment agreement from any and all current Mortgagees that is reasonably acceptable to Tenant. With respect to any future Mortgagee of a mortgage or deed of trust, Landlord shall use commercially reasonable efforts to obtain from such future Mortgagee a subordination, non-disturbance, and attornment agreement that is reasonably acceptable to Tenant.

(b) In the event any proceedings are brought for foreclosure of any mortgage or deed of trust on the Premises, Tenant will attorn to the purchaser at a foreclosure sale on acquiring Landlord’s interest in the Premises and the Lease, and any assignee thereof, and recognize such purchaser or assignee as Landlord under this Lease provided such purchaser or assignee agrees in writing not to disturb Tenant’s possession or rights under this Lease or in the Premises, and to acknowledge all of Tenant’s rights hereunder, so long as Tenant is not in default under the terms of this Lease (beyond any applicable notice and cure periods). Tenant agrees to give any such Mortgagee of whom Tenant has been informed in writing, written notice of any default or failure to perform by Landlord under this Lease. Such Mortgagee shall have the same amount of time afforded to Landlord hereunder to cure any Landlord default; and Tenant shall accept such cure if timely and effectively made by such Mortgagee.

24. **Warranties and Representations.**

(a) Tenant hereby agrees with, and warrants and represents to Landlord as follows: (i) Tenant is a duly formed and validly existing entity, incorporated or organized under the laws of the State in which it was incorporated or organized; (ii) Tenant has the full legal right, power and authority to execute this Lease and all documents now or hereafter to be executed by it pursuant to this Lease; (iii) this Lease has been duly authorized by all requisite entity action on the part of the Tenant, and is the valid and legally binding obligation of Tenant, enforceable in accordance with its terms; (iv) this Lease will not contravene any provision of Tenant’s organizational documents, any judgment, order, decree, writ or injunction issued against Tenant or any provision of any laws applicable to Tenant; and (v) the consummation of the transaction contemplated hereby will not result in a breach or constitute a default or event of default by Tenant under any agreement to which Tenant or any of its assets are subject or bound and will not result in a violation of any laws applicable to Tenant.

(b) Landlord hereby agrees with, and warrants and represents to Tenant as follows: (i) Landlord is the owner of the Premises with full right and authority to execute this Lease and to lease the Premises to Tenant in accordance with the terms hereof; (ii) to the best of Landlord’s knowledge, the Premises are free from environmental contamination of any sort, and the Premises complies with any and all applicable laws, rules, and ordinances; (iii) Landlord has not received any notice of condemnation,
zoning change or legal noncompliance relating to the Premises; (iv) Landlord will not institute or consent to any rezoning of the Premises during the Term, unless specifically requested by Tenant; (v) Landlord shall not further encumber the title to the Premises after the Effective Date and during the Term; (vi) Landlord acknowledges that access to sunlight is essential to the value of the rights granted to Tenant under this Lease, and accordingly, Landlord shall not cause or permit any property owned or controlled by Landlord in the vicinity of the Premises, or any activities, uses or improvements thereon, to impair Tenant’s use of the Premises or the Energy Storage System thereon (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon or permit the growth of any foliage that may obstruct the sunlight that otherwise would reach the Premises, or that may cast shade or shadows upon the Premises or any portion thereof); (vii) the Premises is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants; (viii) Landlord has not and, to the best of Landlord’s knowledge, Landlord’s tenants or predecessors in title have not used, manufactured, stored or released petroleum products or hazardous substances except in accordance with all laws, rules, and regulations related thereto, in or under the Premises; (ix) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for; (x) there are no delinquent or outstanding assessments, liens, taxes, or other impositions levied or assessed against the Premises; (xi) there is no pending or threatened lawsuit, claim, or legal proceeding against Landlord or the Premises that could affect the Tenant’s rights under this Lease or the Landlord’s ability to perform Landlord’s obligations hereunder; (xii) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Premises (or any portion thereof), whether written or oral, recorded or unrecorded; (xiii) Landlord is not in the hands of a receiver nor is an application for such a receiver pending; (xiv) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and (xv) within ten (10) days after the Effective Date, Landlord shall provide copies of the following documents with respect to the Premises in Landlord’s possession or reasonably available to Landlord: (a) any notices of any statute or code violation; (b) to the extent assignable, copies of all documents, contracts, reports, communications, or other materials reasonably requested by Tenant, that relate to the design, development, construction, condition, ownership or operation of the Premises; (c) surveys of the Land, engineering studies, soil suitability and compaction studies, environmental permits, local zoning permits, variances, waivers, or similar documents; (d) environmental reports and audits (including, but not limited to, all “Phase I” environmental site assessments and other environmental assessment and remediation reports, if any, pertaining to the Premises); (e) liens, mortgages, deeds of trust, leases, easements, restrictions, covenants, and agreements applicable to the Premises; and (f) title commitments, title policies, title opinions, and other title or survey information relating to the Premises. Landlord shall have a continuing obligation to provide to Tenant the documents, if any, referenced in subparts (a) through (f) above, which may come into Landlord’s possession, or become available to Landlord, during the Due Diligence Period.

(c) Tenant shall retain title to and be the legal and beneficial owner of the Energy Storage System at all times. Landlord shall provide timely notice of Tenant’s title and sole ownership of the Energy Storage System to all persons that have, or may come to have, an interest in or lien upon the real property comprising the Premises. Tenant shall be the exclusive owner of the electricity stored by the Energy Storage System and the Environmental Attributes (as hereinafter defined) and Environmental Incentives (as hereinafter defined) thereof. “Environmental Attributes” means the characteristics of electric power generation at the Energy Storage System that have intrinsic value, separate and apart from the generated energy, arising from the perceived environmental benefits of the Energy Storage System or energy generated at the Energy Storage System, including but not limited to all environmental and other attributes that differentiate the Energy Storage System or energy generated at the Energy Storage System from energy generated by fossil-fuel based generation units, fuels or resources, characteristics of the Energy Storage System that may result in the avoidance of environmental impacts on air, soil or water, such as the absence
of emission of any oxides of nitrogen, sulfur or carbon or of mercury, or other gas or chemical, soot, particulate matter or other substances attributable to the Energy Storage System or the compliance of the Energy Storage System or energy generated at the Energy Storage System with the law, rules and standards of the United Nations Framework Convention on Climate Change (the “UNFCCC”) or the Kyoto Protocol to the UNFCCC or any successor laws, rules or standards or crediting “early action” with a view thereto, or laws or regulations involving or administered by the Environmental Protection Agency or successor administration or any state or federal entity having jurisdiction over a program involving transferability of rights arising from Environmental Attributes. Without limiting the forgoing, “Environmental Attributes” includes green tags, renewable energy credits, tradable renewable certificates, portfolio energy credits, the right to apply for (and entitlement to receive) incentives under any demand-side management or energy efficiency programs offered by a utility company, a third-party provider, or other incentive programs offered by the state and the right to claim federal income tax credits, if applicable. “Environmental Incentives” means all rights, credits (including tax credits), rebates, benefits, reductions, offsets, and allowances and entitlements of any kind, howsoever entitled or named (including carbon credits and allowances), whether arising under federal, state or local law, international treaty, trade association membership or the like, arising from the Environmental Attributes of the Energy Storage System or the energy generated at the Energy Storage System or otherwise from the development or installation of the Energy Storage System or the production, sale, purchase, consumption or use of the energy generated at the Energy Storage System.

25. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder’s fee in connection with this Lease. Each party hereto agrees to indemnify and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party’s discussions, negotiations and/or dealings with any real estate broker or agent.

26. Easements. Landlord agrees to reasonably cooperate with Tenant in granting easements and rights of way on adjacent property owned by Landlord necessary to serve the Premises for the Tenant’s Intended Use. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Tenant is hereby authorized to grant such easements across, under and over the Premises as are necessary for rights of way, ingress and egress, and for the installation, construction, operation, maintenance, repair and replacement of utility lines and related facilities serving the Premises, including without limitation any such easements required to connect the Premises to a receiver of electric power generated at the Premises.

27. Access. Tenant, and Tenant’s employees, agents, contractors, guests, subtenants and designees shall have access to the Premises at all times after the Effective Date and during the Term. On and after the Construction Commencement Date, neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises.

28. Confidentiality. Landlord acknowledges that Landlord may become privy to confidential information of Tenant, in addition to information regarding the terms of this Lease. Landlord therefore agrees to take all steps to ensure that any information with regard to Tenant, Tenant’s Intended Use of the Premises (and improvements thereon) and/or this Lease, shall remain confidential and shall not be disclosed or revealed to outside sources by Landlord or by its employees, officers, agents, counsel, accountants or representatives, except as otherwise required by law, including without limitation the South Carolina Freedom of Information Act, or court order. The terms of this Section 28 shall survive the expiration or any sooner termination of this Lease.
29. **Estoppel.** Within fifteen (15) business days after written request therefor by Tenant, Landlord shall deliver a certificate to Tenant, Tenant’s lender (if applicable) and/or any proposed assignee of Tenant, in a commercially reasonable form, setting forth the terms of this Lease, the absence of default hereunder, and such other reasonable terms as may be requested by Tenant or by such lender or assignee. If the Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

30. **Leasehold Mortgages.** Tenant and every successor and assign of Tenant is hereby given the right by Landlord, without Landlord’s consent, to mortgage its interest in this Lease and assign its interest in this Lease as collateral security for such mortgage. If Tenant and/or Tenant’s successors and assigns shall mortgage all or part of its interest in this Lease and if Tenant or the holder of such mortgage shall send to Landlord a true copy thereof together with written notice specifying the name and address of the mortgagee and the pertinent recording data with respect to such mortgage, Landlord agrees that so long as the leasehold mortgage remains unsatisfied of record or until written notice of satisfaction is given by the holder to Landlord, the following provisions shall apply:

   (a) Landlord shall, upon serving Tenant with any notice of default, simultaneously serve a copy of such notice upon the holder of the leasehold mortgage. The leasehold mortgagee shall have the same period, after service of such notice upon it, to remedy or cause to be remedied the defaults complained of, and Landlord shall accept such leasehold mortgagee’s acts if they had been performed by Tenant.

   (b) Landlord agrees that in the event of termination of this Lease by reason of any default by Tenant, that Landlord will enter into a new lease for the Premises with the leasehold mortgagee or its nominee for the remainder of the Term effective as of the date of such termination, at the rent and other charges, and upon the terms, provisions, covenants and agreement contained in this Lease, provided:

      (i) the mortgagee or its nominee shall pay to Landlord, at the time of execution and delivery of the new lease, any and all sums which would then be due pursuant to this Lease but for such termination; and

      (ii) the mortgagee or its nominee shall perform and observe all covenants in this Lease to be performed by Tenant and shall further remedy any other conditions which Tenant was obligated to perform under the terms of this Lease.

   (c) Landlord shall, upon request, execute, acknowledge and deliver to each leasehold mortgagee an agreement prepared at the sole cost and expense of Tenant, in form satisfactory to the leasehold mortgagee and to Landlord, between Landlord, Tenant and the leasehold mortgagee confirming the provisions of this Section 30.

The term “mortgage,” as used in this Section 30, shall include mortgages, deeds of trust and/or whatever security instruments are used in the State in which the Premises are located from time to time, as well as financing statements, security agreements and other documentation required pursuant to the Uniform Commercial Code.

31. **Bankruptcy.** In the event (i) the Premises or any rights therein shall be levied on by execution or other process of law by a creditor of either party, (ii) if either party shall be adjudged bankrupt or insolvent, (iii) if any party has a petition in bankruptcy filed against it, and such petition is not dismissed within ninety (90) days after the filing thereof, (iv) if any receiver shall be appointed for the business and property of either party, or (v) if any assignment shall be made of either party’s property for the benefit of
creditors, thereby diminishing any right or privilege granted by this Lease to the other party, then the other party may terminate this Lease forthwith and otherwise exercise any other remedy it may have at law or equity or under this Lease.

32. **Nature and Extent of Agreement/Amendments.** This Lease contains the complete agreement of the parties regarding the terms and conditions of the lease of the Premises, and there are no oral or written conditions, terms, understandings or other agreements pertaining thereto which have not been incorporated herein. This Lease creates only the relationship of landlord and tenant between the parties as to the Premises; and nothing in this Lease shall in any way be construed to impose upon either party any obligations or restrictions not expressly set forth in this Lease. No amendment or modification of this Lease shall be binding unless in writing and duly executed by both parties.

33. **Counterparts.** This Lease may be executed in any number of counterparts, each of which shall be deemed an original once executed and delivered.

LAND CONVEYANCE AGREEMENT

THIS LAND CONVEYANCE AGREEMENT ("Agreement") is made as of October ____, 2018 ("Effective Date") by and among ANDERSON COUNTY ("Seller") and One World Technologies, Inc. ("Buyer").

A. Seller owns the Property; and

B. Seller has agreed to sell and Buyer has agreed to buy the Property, all on the terms hereinafter set forth.

IN CONSIDERATION of the agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller agrees to sell and Buyer agrees to purchase the Property for the Purchase Price and subject to the terms and conditions hereinafter set forth.

SECTION 1: SALE OF THE PROPERTY

1.1 Property. The property which is the subject of this Agreement is the approximately 3.872 acres of land, more or less, located in Anderson County, South Carolina, which is described in Exhibit A ("Land"), the exact boundaries and acreage to be determined by the survey referred to in Section 1.2 below, together with all rights, hereditaments, and appurtenances thereto belonging or appertaining, all rights of ingress and egress to and from the Land, all rights of Seller in any roads, streets, rights of way or easements affecting or bounding the Land, all rights to any sanitary sewer capacity, drainage, water or other facilities benefitting or pertaining to the Land, and all improvements and fixtures located thereon (collectively, the "Property").

1.2 Survey. The exact acreage and description of the Property shall be determined by a survey to be prepared at Buyer's expense by a surveyor selected by Buyer ("Survey"). After the Survey is completed, Exhibit A hereto shall be deemed to be replaced by a new Exhibit A containing a legal description based on the Survey, and, thereafter, the new legal description shall be the legal description of the Land for all purposes relating to this Agreement. The Survey shall certify to the nearest hundredth of an acre, the number of acres included in the Land.

SECTION 2: [intentionally omitted]

During the Inspection Period, Buyer shall notify Seller of any matters in the Title Commitment or as disclosed on the Survey which make the Property unsuitable for Buyer’s purposes, in Buyer’s sole discretion ("Title and Survey Objections"). FINDINGS AND DETERMINATIONS

Section 1.01 Findings and Determinations

Incident to the enactment of this bond ordinance (this “Bond Ordinance”), the County Council of Anderson County (the “County Council”), the governing body of Anderson County, South Carolina (the “County”), finds that the facts set forth in this Article exist, and the statements herein are in all respects true and correct:

1. The County is a political subdivision and a body politic and corporate of the State of South Carolina (the “State”), and as such possesses all general powers granted by the Constitution and laws of the State to counties, including the Code of Laws of South Carolina 1976, as amended (the “South Carolina Code”).

2. Article X, Section 14(10) of the Constitution of the State of South Carolina, 1895, as amended (the “State Constitution”), provides that “[i]ndebtedness payable solely from a revenue-producing project or from a special source, which source does not involve revenues from any tax or license, may be issued upon such terms and conditions as the General Assembly may prescribe by general law.” S.C. Const. art. X, § 14(10).

3. Article VIII, Section 13 of the State Constitution, provides that

[c]ounties may jointly develop an industrial or business park with other counties within the geographical boundaries of one or more of the member counties. The area comprising the parks and all property having a situs therein is exempt from all ad valorem taxation. The owners or lessees of any property situated in the park shall pay an amount equivalent to the property taxes or other in-lieu-of payments that would have been due and payable except for the exemption herein provided.” Article VIII, Section 13 of the State Constitution further provides that “[t]he participating counties shall reduce the agreement to develop and share expenses and revenues of the park to a written instrument which is binding on all participating counties.

S.C. Const. art. VIII, § 13(D).

4. Section 4-1-170 of the South Carolina Code (together with Article VIII, Section 13(D) of the State Constitution, the “Park Act”), provides that counties may enter into the written agreement contemplated at Article VIII, Section 13 of the State Constitution and requires such written agreement to “(1) address sharing expenses of the park, (2) specify by percentage the revenue to be allocated to each county; [and] (3) specify the manner in which revenue must be
distributed to each of the taxing entities within each of the participating counties." S.C. Code Ann. § 4-1-170(A).

5. Section 4-1-175 of the South Carolina Code (such Section 4-1-175 together with Section 4-29-68 of the South Carolina Code, the "Enabling Act") provides that "[a] county or municipality receiving revenues from a payment in lieu of taxes pursuant to Section 13 of Article VIII of the Constitution of this State may issue special source revenue bonds secured by and payable from all or a part of that portion of the revenues which the county is entitled to retain pursuant to the agreement required by Section 4-1-170 in the manner and for the purposes set forth in Section 4-29-68." S.C. Code Ann. § 4-1-175.

6. Section 4-29-68 of the South Carolina Code provides for the issuance of revenue bonds to "enhance the economic development of" a county and which are "payable solely from all or a specifically described part of the payments in lieu of taxes received and retained by the issuer under ... Section 13 of Article VIII of the Constitution of this State." S.C. Code Ann. § 4-29-68.

7. The County, pursuant to the Park Act, has entered into, and anticipates entering into future agreements, with other counties of the State from time to time to jointly develop industrial and business parks as provided by the Park Act (the "Park Agreements"), and has created several multi-county industrial and business parks (each a "Park" and collectively, the "Parks," as such terms are more particularly defined herein). Each Park Agreement specifies, or will specify as required by the Park Act, the percentage of payments in lieu of taxes derived from such Park the County receives or will receive (the "Park Fees").

8. There are presently outstanding and payable from and secured by a pledge of a portion of the Park Fees the following obligations of the County: (a) the $5,800,000 original principal amount Special Source Revenue Bond, Series 2006, currently outstanding in the principal amount of $1,350,000; (b) the $2,700,000 original principal amount Special Source Revenue Bond, Series 2007, currently outstanding in the principal amount of $850,000; (c) the $1,570,000 original principal amount Special Source Revenue Bond, Series 2008A, currently outstanding in the principal amount of $1,010,000; and (d) the $3,545,000 original principal amount Special Source Revenue Bond, Series 2014A, currently outstanding in the principal amount of $730,000 (collectively, the "Prior Bonds"), which Prior Bonds were authorized by and issued pursuant to the authorizations of General Bond Ordinance No. 2004-041 enacted by the County Council on November 4, 2004, and various ordinances supplemental thereto (collectively, the "Prior Bond Ordinances").

9. The County is now minded to make provision for (i) the refunding and defeasance under the Prior Bond Ordinances of the Prior Bonds, and (ii) for the financing of projects that may be financed with revenue bonds under the Enabling Act pursuant to the authorizations provided in the Enabling Act by providing for the issuance of special source revenue bonds from time to time and to secure the same with a portion of the Park Fees as more particularly set forth in this Bond Ordinance.
10. Upon the enactment hereof, the provisions of this Bond Ordinance shall be in full force and effect.

(2) Bonds shall bear interest at the rate or rates and be payable on the occasions, prescribed or determined in the manner approved by the Series Ordinance.

(3) Bonds shall be issued for a purpose or purposes set forth in Section 3.01(A) herein.

(4) In the case of the first series of Bonds issued under this Bond Ordinance, such amount of the proceeds from the sale of such series of Bonds, together with such other moneys, if any, that the County determines to apply for such purpose shall on their Date of Issue be applied to pay, defease or otherwise discharge the Prior Bonds in accordance with the requirements of the Prior Bond Ordinances.

(5) Unless on the date of delivery of such Series of Bonds there shall be on deposit in each Debt Service Reserve Fund the amount equal to the applicable Reserve Requirement, there shall be deposited in such Debt Service Reserve Funds such amounts as may be necessary to make the value of the moneys and securities in each Debt Service Reserve Fund equal to the applicable Reserve Requirement, unless:

(a) the Series Ordinance and any previous Series Ordinances shall have provided for successive monthly payments beginning in the first month following the date of the issuance of the Bonds of any such Series in substantially equal monthly amounts (the "Monthly Series Payments") so
that by the end of 12 months from the date of issuance of such Series of Bonds there shall be in the applicable Debt Service Reserve Fund an amount equal to the applicable Reserve Requirement with respect to such Bonds; and

(b) there shall be no unremedied defaults of any Monthly Series Payments required to have been made.

(6) Except in the case of the first Series of Bonds issued under this Bond Ordinance or in the event no Bonds are Outstanding:

(b) The County shall have received a rating letter from Moody’s or Standard and Poor’s showing that such Series of Bonds are rated in the “A” category or higher (without regard to modifiers).

In the event that a Series of Bonds is Outstanding and the County determines to issue a note or other obligation in anticipation of the issuance of a Series of Bonds, for the purposes of complying with the additional bonds test established in Section 3.02(6)(a) above, an Authorized Officer shall project the maturity schedule (including rate, term and principal maturities) of the future Series of Bonds that will be used to pay the note or other obligation at maturity; such future Series of Bonds and the accompanying projections shall qualify as a proposed Series of Bonds for purposes of the additional bonds test in Section 3.02(6)(a) herein. The Authorized Officer making the calculations described in this Section 3.02(6)(a) may, but is not required to, rely on a report or calculation of an Auditor.

(7) Without complying with Section 3.02(6), Bonds may be issued for the purpose of refunding any Bonds provided:

(a) the Annual Principal and Interest Requirement of the refunding Bonds shall not exceed 110% of the Annual Principal and Interest Requirement of the refunded Bonds for any Fiscal Year until a time subsequent to the last maturity of Bonds issued prior to the issuance of such refunding Bonds which will remain Outstanding following the issuance of the refunding Bonds;

Each of the County, the Trustee and any purchaser of any Bonds shall be entitled to conclusively rely upon certificates of an Authorized Officer or an Auditor, made in good faith, pursuant to any provision of this Bond Ordinance.

Section 3.04 Execution of Bonds

(A) Unless otherwise prescribed by any Series Ordinance, the Bonds shall be executed in the name of and on behalf of the County by the Chairman of County Council, or in his absence another Authorized Officer, the corporate seal of the County shall be impressed or reproduced thereon and the same shall be attested by the Clerk. Such officers may employ facsimiles of their signatures.

(B) In case any officer whose signature or facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office.

Section 3.05 Authentication

Only such Bonds as shall have endorsed thereon a certificate of authentication duly executed by the Registrar shall be entitled to any right or benefit under this Bond Ordinance. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Registrar, and such executed certificate of the Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Ordinance. The Registrar's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by any Responsible Officer of the Registrar.

Section 3.06 Medium of Payment
The Bonds shall be payable with respect to principal, interest, and premium, if any, in lawful money of the United States of America, unless otherwise provided in a Series Ordinance.

Section 3.07  Mutilated, Lost, Stolen or Destroyed Bonds

In the event any Bond is mutilated, lost, stolen or destroyed, the County may execute and the Registrar may authenticate a new Bond of the same Series of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and to the Registrar evidence of such loss, theft or destruction satisfactory to the County and the Registrar together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the County shall pay the same. The County and the Registrar may charge the Holder or owner of such Bond with their reasonable fees and expenses (including reasonable attorney’s fees, costs and expenses) in connection with such actions.

Section 3.08  Transfer and Registry; Persons Treated as Owners

(A) As long as any Bonds shall be Outstanding, the County shall cause books for the registration and for the transfer of Bonds to be kept. Such books shall be kept by the Registrar of registration for any particular Series of Bonds. The transfer of each Bond may be registered only upon the registration books of the County kept for that purpose by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof and an assignment with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Upon the registration or transfer of any Bond, the County shall cause to be issued, subject to the provisions of Section 3.11 hereof, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, maturity and interest rate as the surrendered Bond.

(B) The County, the Trustee, the Paying Agent and the Registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books of the County as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium (if any) and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or, upon his order, shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid; and none of the County, the Trustee, the Paying Agent or the Registrar shall be affected by any notice to the contrary.

Section 3.09  Date and Payment Provisions

Unless otherwise provided in any Series Ordinance with respect to Bonds issued thereunder, each Bond of a Series shall be authenticated on such dates as it shall, in each case, be delivered. Each Bond shall bear interest from the Date of Issue if no interest has yet been paid; otherwise from the last date to which interest has been paid and which date is on or prior to the date of such Bond’s authentication.
Holders of at least $1,000,000 principal amount of Bonds may, by written notice containing wiring instructions filed with the Paying Agent at least 20 days prior to any Bond Payment Date, provide for the payment of the interest on such Bonds by wire transfer to an account at a bank located in the continental United States.

Section 3.10 Transferability of Bonds

Bonds of a Series, upon surrender thereof at the office of the Registrar for the Bonds of such Series with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder or his duly authorized attorney, may, at the option of the Holder and upon payment by such Holder of any charges made pursuant to Section 3.11 hereof, be exchanged for an equal aggregate principal amount of Bonds of such Series of like maturity and interest rate of any other authorized denominations; provided that Bonds issued in the form of contractual obligations may be transferred as provided in such contracts.

Section 3.11 Regulations With Respect to Exchanges and Transfer

In all cases in which the privilege of exchanging or transferring Bonds is exercised, the County shall execute and the Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Bond Ordinance. There shall be no charge to the Holder for such exchange or transfer of Bonds except that the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer. Neither the County nor the Registrar shall be required to register, transfer or exchange Bonds of a Series during the period between a Record Date and its related Bond Payment Date, or to register, transfer or exchange any Bonds called for redemption after the mailing of any notice of redemption of such Bond.

Section 3.12 Cancellation and Destruction of Mutilated, Paid or Surrendered Bonds

Upon the surrender of mutilated Bonds pursuant to Section 3.07 hereof, the surrender of Bonds for exchange or transfer pursuant to Section 3.11 hereof, or upon the surrender of Bonds for payment at maturity or redemption thereof, the same shall be cancelled and destroyed and shall not be reissued, and a counterpart of the certificate evidencing such destruction shall be furnished by the Registrar to the County. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of this Bond Ordinance.

Section 3.13 Notice of Redemption

If any of the Bonds, or portions thereof, are called for redemption, the Trustee, shall give notice to the Holders of any Bonds to be redeemed, in the name of the County, of the redemption of such Bonds, or portions thereof. Notice of each redemption of Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, at least 30 but no more than 60 days prior to the redemption date to each Holder of Bonds to be redeemed, at the address of such Holder recorded on the bond register and to be otherwise given in accordance with, among others, the following requirements:
(1) notices must contain, at a minimum, the complete official name of the Bonds, any CUSIP numbers, Bond numbers, principal amount of each Bond to be redeemed (if less than all), publication date, redemption date, redemption price, redemption agent’s name and address and phone number, Trustee’s name and address, date of the Bonds, interest rate, maturity date, the place or places where amounts due will be payable, and any other descriptive information deemed necessary by the Trustee;

(2) notices must be sent to Bondholders of $1,000,000 or more, to the Municipal Securities Rulemaking Board, if necessary (via its Electronic Municipal Market Access (EMMA) system, or its successor, as may be amended or modified), and any Securities Depository (if such Bonds are registered in the name of a Securities Depository or the nominee of such Securities Depository) by such method or such other method as is standard in the industry; in addition, any Bondholder holding in excess of $1,000,000 principal amount of Bonds may request the Trustee to send notices to any additional addressee specified;

(3) a second notice to Holders of the Bonds must be mailed by the means specified above to any Holder of Bonds who has not presented Bonds for redemption 60 days after the redemption date;

(4) notice of redemptions effected by advance refundings must also be given notice in accordance with the above requirements at least 30 days but no more than 60 days prior to the actual redemption date; and

(5) CUSIP number identification, if applicable, with appropriate dollar amounts for each CUSIP number must accompany all redemption payments and interest payments, whether by check or by wire transfer.

The obligation to provide notice shall not be conditioned upon the prior payment to the Trustee of money or the delivery to the Trustee of Authorized Investments or Government Obligations sufficient to pay the redemption price of the Bonds to which such notice relates or the interest thereon to the redemption date.

If at the time of mailing of a notice of redemption, there shall not have been deposited with the Trustee moneys sufficient to redeem all the Bonds or portions thereof called for redemption, which moneys are or will be available for redemption of such Bonds, such notice is required to state that it is conditional on the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The failure of the Trustee to give notice to a Bondholder or any defect in such notice shall not affect the validity of the redemption of any other Bonds for which notice is properly given. Any Bondholder may waive notice of redemption by delivery of a written waiver to the Trustee, or delivery of the Bond for payment on the redemption date.
Any Series Ordinance providing for the issuance of Bonds not registered in the name of a Securities Depository or the nominee of such Securities Depository or providing for Bonds in bearer form may provide alternative methods for delivery of notice of redemption.

Provided sufficient funds for such redemption are on deposit with the Trustee, all Bonds so called for redemption shall cease to bear interest on the specified redemption date and shall no longer be deemed to be Outstanding hereunder. If said money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 3.14 Restriction on Optional Redemption

Notwithstanding anything in this Bond Ordinance to the contrary, no optional redemption of Bonds may occur unless all amounts payable by the County owing under a reimbursement agreement with any provider of a surety bond, line of credit, insurance policy or letter of credit as contemplated under Section 6.03(D) hereof shall have been paid in full.

Section 3.15 Selection of Bonds to be Redeemed

In the event that less than all of the Bonds of any Series are to be redeemed at the option of the County, Bonds to be redeemed shall be in such order of maturity as selected by the County. In the event of redemption of less than all of the Bonds of a Series of any maturity, the Bonds or portions of Bonds to be redeemed, shall be selected by lot by the Trustee. The portion of any Bond of a denomination which is larger than the minimum denomination for the Bonds of such Series shall be in the principal amount of such minimum denomination or a multiple thereof, and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of minimum denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by the amount of the minimum denomination; provided further that, if less than all of the beneficial interests in a Bond of a single maturity registered in the name of a Securities Depository or a Securities Depository Nominee are to be redeemed, the beneficial interests to be redeemed shall be selected by lot or in such manner as may be directed by the Securities Depository. If there shall be drawn for redemption less than all of a Bond, the County shall execute and the Registrar shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, Bonds of the same Series in any authorized denomination. The procedures for selection of Bonds of a Series for redemption set forth in this Section 3.15 are subject, however, to any alternative provisions set forth in a Series Ordinance applicable to such Series of Bonds.

Section 3.16 Purchase of Bonds

The Trustee shall, if and to the extent practicable, purchase Bonds at the written direction of the County at such time, in such manner and at such price as may be specified by the County. The Trustee may so purchase Bonds with any money then held by the Trustee which is available for the redemption or purchase of Bonds and in excess of that set aside for the payment of Bonds called for redemption; provided, that the Trustee is provided with an opinion of Bond Counsel to
the effect that such redemption or purchase complies with any limitations or restrictions on such redemption or purchase contained in this Bond Ordinance.

Section 3.17 Bonds in Book-Entry Form

Notwithstanding any other provision of this Bond Ordinance with respect to the form of Bonds to the contrary, a Series Ordinance may provide for the issuance of one or more Series of Bonds solely in fully registered form registerable to a Securities Depository, a Securities Depository Nominee or the beneficial owner of the Bonds. The Series Ordinance may further provide that such Series of Bonds shall be evidenced by one or more certificates or by a system of book entries in a form satisfactory to an Authorized Officer and to provide for payment, redemption, notices and like provisions in a manner consistent with such system of registration.

Section 3.18 Waiver of Certain Provisions

Notwithstanding anything in this Bond Ordinance to the contrary, whenever all of the debt issued or all of the obligations incurred by the County under a Series Ordinance are acquired by and are held by a single entity, that single entity, at its sole option, may waive any provision or requirement of this Bond Ordinance that relates separately to the governance of such Series and is for the protection and benefit of such single entity only and not for the protection or benefit of any other Holder or Holders of Bonds.

Section 4.01  Security for Payment of Bonds

Subject to the following priority provisions of this Section 4.01, the County hereby pledges and grants a lien on the Pledged Revenues to the payment of the principal of, redemption premium, if any, and interest on the Bonds. The County has heretofore agreed to the allocation of Park Fees pursuant to the existing Park Agreement and Park Fees are net of any Other Obligations. It is intended that the pledge of the Pledged Revenues made hereby with respect to the Bonds be subject in all respects to the obligation of the County with respect to the Other Obligations. The principal of the Bonds, together with the interest and redemption premium, if any, thereon shall be payable from and secured, subject to the foregoing, by a pledge of the funds deposited, from time to time, in the funds and accounts created hereunder, including the Bond Fund; provided, however, that amounts on deposit in the accounts and subaccounts within the Bond Fund and in the Debt Service Reserve Funds shall be held solely for the benefit of the Series of Bonds for which such accounts, subaccounts or funds were established. Nothing in this Bond Ordinance shall prohibit the County from making a pledge of and lien on the Pledged Revenues which is subordinate and inferior to the pledge and lien made by this Bond Ordinance to secure bonds, notes or other evidences of indebtedness hereafter issued by the County.

Section 4.02  Limited Obligation

The Bonds shall (a) be payable solely from the Pledged Revenues, (b) not be secured by, or in any way entitled to, a pledge of the full faith, credit, or taxing power of the County, (c) not be an indebtedness of the County within the meaning of any State Constitutional provision or statutory limitation but are payable solely from a special source that does not include revenues from any tax or license, and (d) not be a pecuniary liability of the County or a charge against the County’s general credit or taxing power. The County is not obligated to pay any of the Bonds or the interest thereon except from the Pledged Revenues.

Section 5.01  Right to Issue Junior Lien Bonds; Accession

Notwithstanding that Bonds may be Outstanding, the County may at any time, and without limitation and free of all conditions issue Junior Lien Bonds, in such amount as it may from time to time determine, payable from Pledged Revenues, provided that such pledge granted for such Junior Lien Bonds shall at all times be and remain subordinate and inferior in all respects to the pledges of revenues made or authorized for the Bonds; and provided, further, that the maturity of Junior Lien Bonds may not be accelerated and paid in full unless all of the Bonds shall have been paid or provision therefor has been made pursuant to Article VIII hereof.

By proceedings authorizing the issuance of Junior Lien Bonds, the County may provide for the accession of such Junior Lien Bonds to the status of Bonds provided all of the following conditions are met. Any such subsequent proceedings adopted by the County Council providing for such accession shall make the findings provided in subparagraphs (1) through (4) and state whether and to what extent a Debt Service Reserve Fund shall be established as set forth in subparagraph (5).

(1) The Junior Lien Bonds were issued for a purpose or purposes set forth in Section 3.01(A) hereof.

(2) There shall exist on the date of accession (a) no default in the payment of the principal of or interest on any Outstanding Bonds or any outstanding Junior Lien Bonds, (b) no default in the performance of any duties required under the provisions of this Bond Ordinance, and (c) no amount owed by the County with respect to the full funding of a Debt Service Reserve Fund, either by way of cash or reimbursement of any other funding mechanism, except in accordance with Section 3.02(5)(a) hereof.

(3) There shall be deposited in the Interest Account and Principal Account for such Series of newly-acceded Bonds the amounts which would have been required under the provisions of Section 6.03 hereof to be accumulated therein on the date of accession if said Junior Lien Bonds had originally been issued as Bonds.

(4) On the date of accession, the additional bonds tests prescribed by Sections 3.02(6)(a) or (b) hereof shall have been met.

(5) In the event such proceedings require a Reserve Requirement to be maintained for such Series of newly-acceded Bonds, then in such event, there shall be on deposit on the date of accession in a Debt Service Reserve Fund an amount equal to the Reserve Requirement established for such Junior Lien Bonds which are being acceded to the status of Bonds.

(6) The County shall obtain an opinion of Bond Counsel to the effect that: (a) this Bond Ordinance and the proceedings authorizing such Junior Lien Bonds have been
duly adopted and are in full force and effect; (b) the Junior Lien Bonds have been duly and lawfully authorized and executed by the County and are valid and binding upon, and enforceable against, the County (except to the extent that the enforceability thereof may be limited by the operation of bankruptcy, insolvency and similar laws affecting rights and remedies of creditors); and (c) this Bond Ordinance creates the valid pledge which it purports to create of the revenues and of moneys and securities on deposit in any of the funds established hereunder subject to the application thereof to the purposes and on the conditions permitted by this Bond Ordinance.

(7) In the event such Junior Lien Bonds were issued with variable rates, the provisions of subparagraph (8) of Section 3.02 shall have been met.

ARTICLE VI

ESTABLISHMENT OF FUNDS

Section 6.01  The Revenue Fund

There shall be established a Revenue Fund, and within the Revenue Fund, a Fee Account and an Other Available Moneys Account, to be maintained by the County, or in the discretion of the County, the Trustee.

Section 6.02  The Bond Fund

(A) There shall be established and maintained a Bond Fund held by the Trustee. Within the Bond Fund, there shall be established an Interest Account and a Principal Account for each Series of Bonds Outstanding. Each Interest Account and Principal Account is intended to provide for the ratable payment of the principal of, redemption premium, if any, and interest on the respective Series of Bonds as the same respectively fall due. Payments into the Interest Account and Principal Account shall be made in the manner prescribed by this Bond Ordinance, including the applicable provisions of Article VII hereof, and, except as herein provided, all money in the respective Interest Account and Principal Account is pledged to and shall be used solely to pay the principal of, redemption premium, if any, and interest on the respective Series of Bonds, and for no other purpose. Each Interest Account and Principal Account shall bear a Series designation as may be necessary to distinguish each Interest Account and Principal Account.

(B) The Bond Fund and each Interest Account and Principal Account thereunder shall be kept in the complete custody and control of the Trustee and withdrawals from the Interest Account and Principal Account shall be made only by such Trustee who shall transmit to each Bondholder, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the respective Series of Bonds. Amounts held by the Trustee due to non-presentment of Bonds on any redemption date must be retained by the Trustee for a period of at least one year after the final maturity of such Bonds.

(C) Moneys in the Bond Fund shall be invested and reinvested by the Trustee at the written direction of an Authorized Officer or his designee in Authorized Investments, maturing not later than the date on which such money is required to pay the principal of, premium, if any, and interest on the next occurring maturity of the Bonds. The Trustee shall have no responsibility for the investment of money in the Bond Fund that is not held by the Trustee. Unless otherwise provided in a Series Ordinance, all earnings from such investments shall be added to and become a part of the Bond Fund, Interest Account or Principal Account in which such investments are held, but shall be credited against payments that would otherwise be made to such Account pursuant to the provisions of Section 6.03 hereof.

(D) All monies received by the Trustee as Interest Payment Subsidies shall be deposited in the Interest Account for such Series of Bonds and used to pay debt service on the Series of Bonds with respect to which such Interest Payment Subsidy was received.
The Trustee shall maintain two separate sub-accounts within each Interest Account and Principal Account into which (i) amounts transferred from the Fee Account of the Revenue Fund, and (ii) amounts transferred from the Other Available Moneys Account of the Revenue Fund, respectively, shall be deposited. Within any other Fund or Account created pursuant to this Bond Ordinance, the Trustee may, and at the direction of the County shall, establish additional accounts or sub-accounts.

Section 6.03  The Debt Service Reserve Funds

(A) Each Series Ordinance may create a Debt Service Reserve Fund for the Series of Bonds authorized thereby. Any such Debt Service Reserve Fund shall be for the equal and ratable benefit only of Bonds of that Series. Each such Debt Service Reserve Fund is intended to insure the timely payment of the principal of, and premium, if any, and interest on, that Series of Bonds, and to provide for the redemption of such Bonds prior to their stated maturities. Any Debt Service Reserve Fund shall be maintained in an amount equal to the Reserve Requirement for such Series of Bonds. Unless otherwise provided in a Series Ordinance, money in a Debt Service Reserve Fund shall be used for the following purposes, and for no other:

(1) To prevent a default in the payment of the principal of or interest on that Series of Bonds, by reason of the fact that money in the applicable Interest Account and Principal Account is insufficient for such purposes;

(2) To pay the principal of, interest on, and redemption premium, if any, of the Bonds of that Series in the event that all Outstanding Bonds of that Series be redeemed as a whole; or

(3) To effect partial redemption of the Bonds of that Series; but subject to the restrictions of Section 3.15 hereof and provided that subsequent to said partial redemption, the market value of the cash and securities in the Debt Service Reserve Fund shall be not less than the Reserve Requirement therefor.

Notwithstanding the foregoing provisions of this Section 6.03 above and as permitted by the Code, if the Debt Service Reserve Fund was funded with cash, then, upon the written consent of the Holder of such Series of Bonds secured by such Debt Service Reserve Fund, the monies in such Debt Service Reserve Fund may be returned to the County prior to the final maturity of such Series. The requirements for and provisions governing any Debt Service Reserve Fund in the remainder of this Bond Ordinance shall, in references to “the Debt Service Reserve Fund,” “the Reserve Requirement” and “the Bonds,” be deemed to refer to each such Debt Service Reserve Fund created by a Series Ordinance, if any, and in each case to the respective Reserve Requirement for the respective Series of Bonds, and to Bonds only of that respective Series and not to any other Bonds.

(B) Each Debt Service Reserve Fund shall be kept in the complete custody and control of the Trustee and withdrawals therefrom shall be made only by the Trustee who shall transmit to the Bondholders, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the Bonds.
(C) Money in a Debt Service Reserve Fund shall be invested and reinvested by the Trustee at the written direction of an Authorized Officer or a designee of an Authorized Officer in Authorized Investments. Subject to the remaining provisions of this paragraph (C), the earnings from such investments shall be added to and become a part of the Debt Service Reserve Fund. Except as provided in a Series Ordinance, if as of any date of calculation, the value of the securities and money in a Debt Service Reserve Fund shall exceed its Reserve Requirement, such excess shall either be used to effect partial redemption of Bonds of that Series, or shall be removed from such Debt Service Reserve Fund and, either (i) transferred into the applicable Interest Account or Principal Account, as directed in writing by an Authorized Officer, or (ii) transferred to the Bond Fund, as permitted by the provisions of the Code.

(D) In the event a Series Ordinance requires a Debt Service Reserve Fund to be established for a Series of Bonds, unless otherwise required by such Series Ordinance, the County, in lieu of the deposit of moneys into a Debt Service Reserve Fund, may alternatively satisfy the Reserve Requirement by causing to be so credited an irrevocable and unconditional surety bond, line of credit, letter of credit or insurance policy equal to the Reserve Requirement therefor.

(E) In the event the amount credited to a Debt Service Reserve Fund under a surety bond, letter of credit, or insurance policy (the “Original Funding Instrument”) also includes amounts available under another surety bond, letter of credit, or insurance policy (the “Additional Funding Instrument”), draws on the Original Funding Instrument and the Additional Funding Instrument shall be made on a pro rata basis to fund any insufficiency in the Interest Account or Principal Account. In the event a Debt Service Reserve Fund is funded with both monies and a surety bond, letter of credit, or insurance policy (1) any withdrawals from such Debt Service Reserve Fund shall be made first from such monies (or the liquidation of investments made therewith) and second from such surety bond, line of credit, letter of credit, or insurance policy, and (2) cash deposits to such Debt Service Reserve Fund shall be used first to restore the cash balance and second to reinstate the surety bond, line of credit, letter of credit, or insurance policy. The surety bond, line of credit, letter of credit, or insurance policy shall be payable (upon the giving of notice as required thereunder) on any Bond Payment Date on which moneys will be required to be withdrawn from such Debt Service Reserve Fund and applied to the payment of the principal or interest on the Outstanding Series of Bonds to which such surety bond, line of credit, letter of credit, or insurance policy relates when such payments cannot be made by amounts otherwise credited to such Debt Service Reserve Fund.

Section 6.04 Investments of Funds

Whenever, in the opinion of the County, it becomes desirable to invest money in any of the funds established by this Article (other than the Debt Service Reserve Funds, the Bond Fund, and any capitalized interest account) the County may make Authorized Investments. Earnings resulting from the investment of money in a particular fund shall be deposited into the Fee Account of the Revenue Fund except as otherwise provided in Sections 6.02 or 6.03 hereof.

[End of Article VI]
ARTICLE VII
DISPOSITION OF REVENUES

Section 7.01 Disposition of Funds from the Revenue Fund

So long as any Bonds are Outstanding, funds on deposit in the Revenue Fund shall be applied at the times, in the amounts and for the purposes provided or permitted by this Bond Ordinance. Park Fees shall be deposited upon receipt from time to time by the County to the Revenue Fund. The Park Fees shall be deposited to the Revenue Fund and applied as follows: (A) first, an amount equal to the 15 percent of Park Fees shall be deposited to the Fee Account of the Revenue Fund; and (B) second, the remaining amounts shall be released from the Revenue Fund and applied by the County in the manner provided in the Park Agreement or otherwise as determined by the County. The Park Fees deposited to the Fee Account of the Revenue Fund from time to time are referred to herein as the “Pledged Revenues.”

There shall be deposited to the Other Available Moneys Account of the Revenue Fund such legally available moneys which the County Council in its sole discretion determines to apply for such purpose.

Section 7.02 Payments for Bonds

Provision shall be made for the payment of principal of, premium, if any, and interest on all Bonds then Outstanding without priority of any other Bonds but ratably as to each Series of Bonds. To that end:

(A) On or before the fifteenth day of the calendar month prior to an Interest Payment Date, there shall be transferred to the Interest Accounts in the following order of priority: first, from the Fee Account of the Revenue Fund an amount equal to the installment of interest coming due on the Bonds on such Interest Payment Date, and then, to the extent necessary to pay such installment, from the Other Available Moneys Account of the Revenue Fund (which amounts shall thereafter be credited to the respective sub-accounts therein), so that on each Interest Payment Date the amount of interest to be paid shall have been accumulated and be on hand; provided, however, that if provision has been made for the payment of all or part of the next installment of interest to become due on any Bonds, or the Trustee is in receipt of any Interest Payment Subsidies, pursuant to any other provision of this Bond Ordinance, or any Series Ordinance, or by reason of investment earnings or otherwise, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly. Amounts on deposit in the sub-account of the Interest Fund for other available moneys after each Interest Payment Date shall be returned to the County.

(B) On or before the fifteenth day of the calendar month prior to a Principal Payment Date, there shall be transferred to the Principal Accounts in the following order of priority: first, from the Fee Account of the Revenue Fund an amount equal to the Principal Installment coming due on such Principal Payment Date, and then, to the extent necessary to pay such Principal Installment, from the Other Available Moneys Account of the Revenue Fund (which amounts shall thereafter be credited to the respective sub-accounts therein), so that on each Principal Payment Date the amount of principal to be paid shall have been accumulated and be on hand; provided,
however, that if provision has been made for the payment of all or part of the Principal Installment to become due on the respective Series of Bonds, pursuant to any other provision of this Bond Ordinance, or any Series Ordinance, or by reason of investment earnings or otherwise, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly. Amounts on deposit in the sub-account of the Principal Account for other available moneys after each Principal Payment Date shall be returned to the County.

**Section 7.03 Deposits for the Debt Service Reserve Funds - Valuation**

Deposits shall next be made from the Fee Account of the Revenue Fund in the amounts required by this Section 7.03 or Section 3.02(5) into the respective Debt Service Reserve Funds. The Trustee shall calculate the value of the cash and securities in each Debt Service Reserve Fund 45 days prior to each Bond Payment Date in order to determine if each Debt Service Reserve Fund contains the Reserve Requirement therefor, and the extent to which payments therefor or withdrawals must be made therefrom, and the timing thereof, pursuant to this Bond Ordinance and the respective Series Ordinances. To the extent the Trustee determines that a deficiency exists, but such deficiency is solely the result of accounting practices governing the valuation of securities in the Debt Service Reserve Fund, the Trustee may alternatively calculate the value of the securities in each Debt Service Reserve Fund as of the maturity date of such securities, so long as such securities mature on or prior to the Bond Payment Date. Unless a Debt Service Reserve Fund is being funded pursuant to Section 3.02(5)(a) of this Bond Ordinance or then contains in cash and securities (or a surety bond, insurance policy, or letter of credit as herein described) an amount at least equal to its Reserve Requirement, unless otherwise provided in the Series Ordinance, there shall be paid into such Debt Service Reserve Fund on the last Business Day of each of the 24 months following a determination of a deficiency in such Debt Service Reserve Fund one-twenty-fourth of the amount necessary to re-establish in such Debt Service Reserve Fund its Reserve Requirement; provided, however, nothing herein shall preclude the County from fully re-establishing such Reserve Requirement in a more timely fashion than as so prescribed. Any surety bond, line of credit, insurance policy or letter of credit being used to meet the Reserve Requirement of a Debt Service Reserve Fund shall be valued at the amount still remaining to be drawn thereon; and in the event that any such surety bond, line of credit, insurance policy or letter of credit has been drawn upon, the amount necessary to restore the principal balance thereof shall be paid by the County in the same manner and on a parity with the payments described in this Section 7.03 or as provided in an insurance agreement or applicable Series Ordinance.

The market value of any Authorized Investments in a Debt Service Reserve Fund shall be calculated as follows:

1. as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if published therein, then in *The New York Times*): the average of the bid and asked prices for such investments so published on or most recently prior to such time of determination;

2. as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*: the average bid price at such time of determination for such investments by any two nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time
making a market in such investments or the bid price published by a nationally recognized pricing service;

(3) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest; and

(4) as to any investment not specified above, the value thereof established by prior agreement between the County and the Trustee.

Section 7.04 Reimbursement of Interest on Amounts Advanced by Credit Providers for the Debt Service Reserve Fund

Provision shall then be made for payment of interest and any fees or penalties on amounts advanced by the provider of any surety bond, line of credit, letter of credit or insurance policy as contemplated in Section 6.03(D) hereof.

Section 7.05 Payments for Junior Lien Bonds

Provision shall then be made for the payment of any other indebtedness which is junior and subordinate to the Bonds in the order of priority contemplated by the proceedings authorizing their issuance.

Section 7.06 Use of Surplus Money in Fee Account of the Revenue Fund

In any Bond Year, at such time as the Fee Account of the Revenue Fund and the Interest Account and the Principal Account of the Bond Fund in the aggregate have on deposit therein an amount equal to the amounts required to be paid pursuant to Sections 7.02 through 7.05 for the then current Bond Year, then any excess amount on deposit in or thereafter deposited to the Fee Account of the Revenue Fund in such Bond Year shall be released from the Fee Account of the Revenue Fund and applied by the County in the manner provided in the Park Agreement or as otherwise determined by the County.

ARTICLE VIII

COVENANTS

Section 8.01 Covenants

So long as Bonds are outstanding, the County further covenants and agrees to abide by all covenants, undertakings, and provisions contained in this Bond Ordinance and in any Series Ordinance related to any Bond issued hereunder, including the following:

(A) To Pay Annual Debt Service. The County covenants and agrees to punctually pay, or cause to be paid, out of Pledged Revenues, and special funds created hereunder, the Debt Service on any Bonds Outstanding at the place, on the dates, and in the manner provided herein.

(B) No Superior Pledge. The County will not pledge, mortgage, or otherwise encumber the Pledged Revenues therefrom except in the manner herein authorized.

(C) Records and Audits. The County recognizes that those who may from time to time hereafter be Bondholders will, throughout the life of the Bonds, require full information with respect to the Park Fees and Pledged Revenues, the fiscal affairs of the County, and matters incident to each. To that end, the County hereby covenants and agrees that it will all times maintain proper books of records. The County further covenants and agrees that so long as any Bonds are Outstanding, it will, not later than 210 days after the close of each Fiscal Year, cause to be made and completed by the Auditors, an audit of the records, books and accounts pertaining to the County, made in accordance with Accounting Principles, showing aggregate Park Fees and Pledged Revenues; and that it will furnish a copy of such audit to the Trustee. Such audit shall comment upon any violation of any provision of any resolution authorizing the issuance of any Bonds or Junior Lien Bonds and any violation of any provision of this Bond Ordinance noted by the Auditor, and such other matters as to them seem pertinent.

(D) Covenants related to the Park Agreement. The County shall promptly perform the duties and obligations imposed and assumed by it in accordance with the terms and provisions of the Park Agreement. The County covenants and agrees to take all reasonable action necessary to enforce the Park Agreement in accordance with its terms and shall not terminate the Park Agreement or materially reduce the properties therein unless it shall first provide to the Trustee a certificate executed by an Authorized Officer stating: (a) that, after consideration of the reduction in the Pledged Revenues resulting from the termination of any specific Park Agreement or reduction of any property therein, the amount of Pledged Revenues for the prior consecutive 12 months or Fiscal Year, in his discretion, would not be less than 120% of the maximum Annual Principal and Interest Requirements on all Bonds Outstanding. Nothing in this Bond Ordinance shall limit the County’s ability to grant or agree to Special Source Revenue Credits.

(E) Priority of Pledge. Except as otherwise provided in this Bond Ordinance, the County covenants and agrees not to issue any bonds, notes, certificates or other obligations or evidences of indebtedness other than the Bonds or other obligations authorized or permitted hereby to be secured by a pledge of the Pledged Revenues or funds created hereunder.
(F)  **Federal Tax Covenant.** The County covenants and agrees with the Holders of any Bonds the interest on which was intended at their time of issuance to be exempt from taxation for federal income tax purposes, that it will not make any use of, and it shall direct the Trustee and each Fiduciary not to make any use of, the proceeds of any Series of Bonds which Bonds were intended upon the issuance thereof to be exempt from federal income taxation, which, if such use had been reasonably expected on the date of the issuance of the Bonds of such Series would have caused such Bonds or any other Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and will observe and not violate the requirements of Section 148 of the Code. Further, as to any Series of Bonds that the interest on which was intended at the time of their issuance to be exempt from federal income taxation, it will take all actions required of it under the Code that are necessary to preserve the tax-exempt status of such Series of Bonds, including without limitation, actions necessary to comply with all information reporting requirements and any obligation to rebate arbitrage earnings on the proceeds of such Bonds to the United States Government.

(G)  **Covenant to Consider Appropriation of Lawfully Available Funds.** In adopting the budget for each Fiscal Year, the County shall determine whether it expects to have sufficient Pledged Revenues to make, in such Fiscal Year, the payments and transfers agreed to pursuant to Sections 7.02 through 7.05 of this Bond Ordinance. If the County does not expect to have sufficient Pledged Revenues for such purpose, County Council shall consider a budgetary appropriation from legally available funds in an amount that together with funds on deposit in the Fee Account of the Revenue Fund, the Bond Fund, and any Debt Service Reserve Fund will be sufficient to provide for the interest and Principal Installments on the Bonds in such Fiscal Year. Any such lawfully appropriated funds shall be deposited to the Other Available Moneys Account of the Revenue Fund not later than the fifteenth (15th) day prior to the Bond Payment Date for which they are needed. In considering such budgetary appropriation, the County Council may in its sole discretion determine not to make the budgetary appropriation (a “Determination of Nonappropriation”) described above and such Determination of Nonappropriation shall not constitute an Event of Default under this Bond Ordinance, nor shall the County have any obligation to enact such appropriation.

(H)  **Amounts Derived from Legislative Appropriation.** Wherever in this Bond Ordinance there is a statement to the effect that the County may apply such other legally available moneys as the County Council shall in its discretion determine to apply for a purpose, or words of similar import, such application shall be made by County Council applying its legislative discretion in determining whether to apply such moneys. Any payment from other available moneys described in this Bond Ordinance shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness of the County, nor shall anything contained in this Bond Ordinance constitute or give rise to a general obligation or pledge of the general tax revenues, taxing power or full faith or credit of the County Council. Any such budgetary appropriation shall be subject in all respects to the discretion of County Council, and any failure to make such an appropriation, notwithstanding any provision of this Bond Ordinance to the contrary, shall not constitute a default or Event of Default under this Bond Ordinance.
(I)  *Closing of Prior Bond Ordinances.* From and after the Date of Issue of the first series of Bonds under this Bond Ordinance, no additional bonds shall be issued pursuant to the Prior Bond Ordinances.

[End of Article VIII]
ARTICLE IX
MODIFICATION OF ORDINANCE

Section 9.01 Modification without Bondholder Approval

(A) Provided always that the security of the Bonds shall not be diminished, or in any manner impaired, the County Council may for any one or more of the following purposes at any time, or from time to time, enact an ordinance, supplementing this Bond Ordinance, which supplemental ordinance shall be fully effective in accordance with its terms:

(1) to provide for the issuance of a Series of Bonds in accordance with Article III of this Bond Ordinance;

(2) to add to the covenants and agreements of the County in this Bond Ordinance, other covenants and agreements thereafter to be observed;

(3) to surrender any right, power or privilege reserved to or conferred upon the County by this Bond Ordinance;

(4) to cure, correct and remove any ambiguity or inconsistent provisions contained in this Bond Ordinance; and

(5) for any other purpose which, in the opinion of Bond Counsel, does not materially affect the interests of the Bondholders.

(B) It is further provided that such supplemental ordinance shall not become effective until a copy thereof, duly certified, shall have been filed in the office of the Clerk of Court for the County. The Trustee will promptly give notice of enactment and a copy of any modification made hereunder to any Insurer.

Section 9.02 Modification with Bondholder Approval

The rights and duties of the County and the Bondholders and the terms and provisions of this Bond Ordinance may be modified or altered in any respect by an ordinance enacted by the County Council with the consent of the Holders of 51% in principal amount of all Bonds of each Series which would be affected by such modification or alteration then Outstanding, if any, of each such Series of Bonds, such consent to be evidenced in such manner as may be acceptable to the Trustee, however no such modification or alteration shall, without the consent of the Holders of all Bonds affected by such change or modification:

(1) Effect a change as to the type of currency in which the County is obligated to effect payment of the principal, interest and redemption premium of any Bond;

(2) Permit the creation of a pledge of the Pledged Revenues prior to or equal to the Bonds except as may be permitted under the provisions of this Bond Ordinance;
(3) Permit preference or priority of any Bonds to others;

(4) Alter or modify the provisions of Section 3.02 or of Articles IV, VI, and VII]hereof; or

(5) Reduce the percentage required for the written consent to the modification or alteration of the provisions of this Bond Ordinance.

Section 9.03 Procedure for Procuring Bondholder Approval

The County and the Trustee may rely upon the registry books maintained by the Registrar to determine who are the Holders of the Bonds. Any and all modifications made pursuant to Section 9.02 shall not become effective until (1) there has been filed with the Clerk of Court for the County and with the Trustee a copy of such amendatory ordinance hereinabove provided for, duly certified, and (2) proof of consent to such modification by the Holders (depending on the type of type of type modification) of (A) 51% in principal amount of the Bonds of each Series then Outstanding or (B) all Bonds Outstanding, shall be filed with the Trustee. In the event that any Series of Bonds are held under a book-entry system pursuant to Section 3.17, the approvals of Bondholders may be obtained in the manner provided in the agreement with the Securities Depository.

Section 9.04 Notice to Rating Agencies

Any Rating Agency rating a Series of Bonds shall be provided notice by the County and a copy of any amendment to this Bond Ordinance or to any Series Ordinance within 15 days of its execution or enactment; notice electronically filed on the Municipal Securities Rulemaking Board’s EMMA system shall be deemed sufficient upon such filing for purposes of this Section 9.04.

ARTICLE X

EVENTS OF DEFAULT

Section 10.01 Events of Default

Each of the following events is hereby declared to be an “Event of Default”:

(1) Payment of the principal of any of the Bonds shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption;

(2) Payment of any installment of interest on any Bonds shall not be made when the same becomes due and payable;

(3) An order or decree shall be entered with the consent or acquiescence of the County appointing a receiver, or receivers of the County, or of the Park Fees or any part thereof, or any proceedings shall be instituted with the consent or acquiescence of the County for the purpose of effecting a composition between the County and its creditors whose claims relate to the Park Fees or any part thereof, or for the purpose of adjusting claims of such creditors, pursuant to any federal or State statute now or hereafter enacted, or if such order or decree, having been entered without the consent or acquiescence of the County, shall not be vacated or discharged or stayed on appeal within 60 days after entry thereof, or if such proceeding having been instituted without the consent or acquiescence of the County, shall not be withdrawn or any orders entered shall not be vacated, discharged, or stayed on appeal within 60 days after the institution of such proceedings, or the entry of such orders;

(4) The occurrence of an event of default on the part of the County under any reimbursement agreement between the County and a provider of a surety bond, insurance policy or letter of credit as contemplated under Section 6.03(D) hereof; and

(5) Such other events of default as may be specified in a Series Ordinance.

In determining whether a default in payment has occurred under paragraphs (1) or (2) of this Article and in determining whether a payment on Bonds has been made under any other provision of this Bond Ordinance, no effect shall be given to payments made under a Municipal Bond Insurance Policy.

[End of Article X]
ARTICLE XI

REMEDIES

Section 11.01 Acceleration; Annulment of Acceleration

(A) Upon the occurrence of an Event of Default pursuant to Sections 10.01(1) or (2), the Trustee may, and shall, upon the written request of the Holders of not less than 51% in aggregate principal amount of Bonds Outstanding, by notice in writing to the County, declare all Bonds Outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in the Bonds or in this Bond Ordinance to the contrary notwithstanding. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest accrued thereon and which will accrue thereon to the date of payment.

(B) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Bond Ordinance, the Trustee may annul such declaration and its consequences with respect to any Bonds not then due by their terms if:

1. Moneys shall have been deposited in the Bond Fund sufficient to pay all matured installments of interest and principal (other than principal then due only because of such declaration) of all Outstanding Bonds;

2. Moneys shall have been deposited with the Trustee sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee;

3. All other amounts then payable by the County hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and

4. Every Event of Default known to the Trustee (other than a default in the payment of the principal of such Bonds then due only because of such declaration) shall have been remedied to the satisfaction of the Trustee.

No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 11.02 Additional Remedies and Enforcement of Remedies

(A) Upon the occurrence and continuance of any Event of Default, subject to the provisions of Section 14.01 hereof, the Trustee may, and upon the written request of the Holders of not less than 51% in aggregate principal amount of the Bonds Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall proceed forthwith to protect and enforce its rights and the rights of the Bondholders under this Bond Ordinance by such suits,
actions or proceedings as the Trustee, being advised by counsel, shall deem expedient, including but not limited to:

1. Seeking a writ of mandamus, requiring the County to carry out its duties and obligations under the terms of this Bond Ordinance and under the Enabling Act;

2. Suit upon all or any part of the Bonds;

3. Civil action to require the County to account as if it were the trustee of an express trust for the Holders of Bonds;

4. Civil action to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds; or

5. Enforcement of any other right of the Bondholders conferred by law or by this Bond Ordinance including the right to make application for the appointment of a receiver.

(B) Regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 51% in aggregate principal amount of the Bonds then Outstanding, and upon receipt of assurances of indemnification of the Trustee, the sufficiency of which shall be determined in the Trustee’s sole discretion, shall institute and maintain such suits and proceedings as it may be advised by counsel shall be necessary or expedient:

1. To prevent any impairment of the security under this Bond Ordinance by any acts which may be unlawful or in violation of this Bond Ordinance; or

2. To preserve or protect the interests of the Bondholders, provided that such request is in accordance with law and the provisions of this Bond Ordinance and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Holders of Bonds not making such request.

(C) When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 11.03 Application of Pledged Revenues and Other Moneys After an Event of Default

(A) The County covenants that if an Event of Default shall happen and shall not have been remedied, the County, upon demand of the Trustee, shall pay or cause to be paid over to the Trustee:

1. Forthwith, all moneys and securities then held by the County which are credited to any fund under this Bond Ordinance. Any moneys and securities in any
construction fund created with proceeds of Bonds if construction of the projects to be paid for thereby has been completed or terminated but exclusive of any amounts remaining in such construction fund that are in dispute between the County and any contractor. However, any monies in an Interest Account, a Principal Account or a Debt Service Reserve Fund shall be applied only toward a Series of Bonds for which such Debt Service Reserve Fund was established; and

(2) As promptly as practicable after receipt thereof, all Park Fees required to be deposited to the Fee Account of the Revenue Fund shall be so deposited.

(B) During the continuance of an Event of Default, the Trustee shall apply all moneys, securities, Pledged Revenues, payments and receipts in its possession and the income therefrom as follows and in the following order:

(1) To the payment of the reasonable and proper charges of the Trustee and its reasonable counsel fees and expenses;

(2) To the payment of the interest and principal (and redemption premium, if any) then due on the Bonds, as follows:

(a) Unless the principal of all of the Bonds shall have become or have been declared due and payable,

(i) First: To the payment of the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference;

(ii) Second: To the payment to the persons entitled thereto of the unpaid Principal Installments (and redemption premiums, if any) of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal (plus redemption premium, if any) due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without
any discrimination or preference except as to any differences as to the respective rates of interest specified in the Bonds;

(4) To the payment of the amounts required by Section 7.03, ratably, according to the amounts due thereon to the persons entitled thereto;

(5) To the payment of the amounts required by Section 7.04, ratably, according to the amounts due thereon to the persons entitled thereto; and

(6) To the payment of the amounts required by Section 7.05, ratably, according to the amounts due thereon to the persons entitled thereto.

Section 11.04 Remedies Not Exclusive

No remedy by the terms of this Bond Ordinance conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Bond Ordinance or existing at law or in equity or by statute (including the Enabling Act) on or after the date hereof.

Section 11.05 Remedies Vested in Trustee

All rights of action (including the right to file proof of claims) under this Bond Ordinance or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of Section 11.03 hereof, any recovery of judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

Section 11.06 Majority of Bondholders Control Proceedings

If an Event of Default shall have occurred and be continuing, notwithstanding anything in this Bond Ordinance to the contrary, the Holders of at least 51% in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Bond Ordinance or for the appointment of a receiver or any other proceedings hereunder, provided that such direction is in accordance with law and the provisions of this Bond Ordinance (including indemnity to the Trustee) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Bondholders not joining in such direction and provided further that nothing in this Section 11.06 shall impair the right of the Trustee in its discretion to take any other action under this Bond Ordinance which it may deem proper and which is not inconsistent with such direction by Bondholders.
Section 11.07 Individual Bondholder Action Restricted

(A) No Holder of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Bond Ordinance or for the execution of any trust hereunder or for any remedy under this Bond Ordinance unless:

(1) An Event of Default has occurred:
   (a) under paragraph (1) or (2) of subsection (A) of Section 10.01 hereof;
   (b) as to which a Responsible Officer of the Trustee has actual notice; and
   (c) as to which the Trustee has been notified in writing.

(2) The Holders of at least 25% in aggregate principal amount of Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in this Bond Ordinance or to institute such action, suit or proceeding in its own name; and

(3) Such Bondholders shall have provided assurances of indemnification of the Trustee, the sufficiency of which shall be determined in the Trustee’s sole discretion; and

(4) The Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity.

(B) No one or more Holders of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Bond Ordinance or to enforce any right hereunder except in the manner herein provided and for the equal benefit of the Holders of all Bonds Outstanding.

(C) Nothing contained in this Bond Ordinance shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond:

(1) To receive payment of the principal of or interest on such Bond on the due date thereof; or

(2) To institute suit for the enforcement of any such payment on or after such due date.

Section 11.08 Termination of Proceedings

In case any proceeding taken by the Trustee or any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bondholders, the County, the Trustee and the Bondholders shall be
restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Section 11.09 Waiver and Nonwaiver of Event of Default

(A) No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article XI to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(B) The Trustee may waive any Event of Default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Bond Ordinance, or before the completion of the enforcement of any other remedy under this Bond Ordinance.

(C) Notwithstanding anything contained in this Bond Ordinance to the contrary but subject to the provisions of Section 14.01 hereof, the Trustee, upon the written request of the Holders of at least 51% of the aggregate principal amount of Bonds then Outstanding (including, if more than one Series of Bonds shall at the time be Outstanding, the Holders of at least 51% in principal amount of all Bonds then Outstanding of each such Series), shall waive any Event of Default hereunder and its consequences; provided, however, that except under the circumstances set forth in subsection (B) of Section 11.01 hereof or subsection (B) of this Section 11.09, a default in the payment of the principal of, premium, if any, or interest on, any Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all the Bonds at the time Outstanding.

(D) In case of any waiver by the Trustee of an Event of Default hereunder, the County, the Trustee, each Insurer and the Bondholders shall be restored to their former positions and rights under this Bond Ordinance, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with this Section 11.09.

Section 11.10 Notice of Events of Default

(A) Within 30 days after:

(1) The receipt of notice of an Event of Default as provided in Section 11.07(A)(1)(b) or (c) hereof; or

(2) The occurrence of an Event of Default under paragraphs (1) or (2) of Section 10.01 hereof, as to which the Trustee shall be deemed to have notice,

the Trustee shall, unless such Event of Default shall have theretofore been cured, give written notice thereof by first class mail to each Insurer of any Series of Bonds then Outstanding, if any,
and to each Holder of Bonds then Outstanding, provided that, except in the case of a default in the payment of principal of, together with premium, if any and interest on any of the Bonds, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Bondholders.

(B) The Trustee shall immediately notify the County and each Insurer of any Series of Bonds then Outstanding of any Event of Default actually known to a Responsible Officer of the Trustee.

Section 12.04 Acceptance by Trustee Required

Such successor shall in all instances be a bank or a trust company, and duly chartered pursuant to the laws of the United States or of any state and shall have a combined capital and surplus of not less than $500,000,000.

(B) Immediately following such appointment the County shall give written notice of such appointment to the Bondholders and any Registrar or Paying Agent other than the Trustee.

Section 12.10 When Bondholder May Seek Successor Trustee

If, in a proper case, no appointment of a successor Trustee shall be promptly made pursuant to Section 12.09, any Bondholder, the resigning or removed Trustee may make application to any court of competent jurisdiction for the appointment of a successor and said court may thereupon, after such notice, if any, as such court may prescribe, appoint a successor.

Section 12.11 Acceptance by Successor Trustee

Any successor Trustee appointed hereunder shall execute and deliver to its predecessor and to the County a written acceptance of such appointment, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of its predecessor hereunder with like effect as if originally named as such Trustee and its predecessor shall be obligated to pay over, transfer, assign and deliver all moneys, securities and other property held by it to its successor, and on the written request of the County, or the successor, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may be reasonably required for the vesting and confirming in such successor all the right, title and interest of the predecessor in and to any property held by it.

Section 12.12 Effect of Trustee Merging with Another Bank

Any bank or trust company into which the Trustee may be merged, or with which it may be consolidated, or any bank or trust company resulting from any merger or consolidation to which it shall be a party, or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall become the successor without the execution or filing of any paper or the performance of any further act; provided, always, that if the County shall be dissatisfied with the institution resulting from the merger, consolidation or other action spoken of above, then the County may at any time within 30 days after such action name a new Trustee (with the qualifications prescribed by Section 12.09 hereof) in lieu of the Trustee then acting.
Section 12.13 Trustee to Secure Funds and Securities Held in Trust

Unless the same be secured as trust funds in the manner provided by the regulations of the Comptroller of the Currency as from time to time in effect, all funds or securities in the custody of the Trustee, in excess of the amount of such deposit insured by the Federal Deposit Insurance Corporation, shall be invested in Authorized Investments at the written direction of the County.

Section 12.14 Disposition of Paid Bonds

It shall be the duty of the Trustee to cancel all Bonds which shall have been paid, whether upon their maturity or redemption prior to maturity; such cancellation shall be done in such fashion as to render such Bonds incapable of further negotiation or hypothecation. In any event it shall furnish appropriate certificates to the County indicating the disposition of such Bonds. Upon effecting such cancellation, the Trustee shall furnish appropriate certificates to the County setting forth the disposition made of the Bonds so canceled.

Section 12.15 Appointment of Substitute Registrar and Paying Agent

The County may, from time to time, appoint a Registrar or Paying Agent to act in the place and stead of the Trustee as Registrar or Paying Agent of the Bonds of one or more Series. The County shall cause written notice of such appointment to be mailed to the Holders of all Bonds affected by such appointment 30 days prior to the effective date of such appointment.

Section 12.16 Additional Provisions Regarding the Trustee

The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Bond Ordinance, and no implied covenants or obligations should be read into this Bond Ordinance against the Trustee. If any Event of Default under this Bond Ordinance shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Bond Ordinance and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person’s own affairs.

The Trustee agrees to perform the trust functions provided herein upon and subject to the following expressed terms and conditions:

(A) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents or receivers appointed with due care.

(B) The permissive items assigned to the Trustee as enumerated herein shall not be construed as a duty.

(C) The Trustee shall not be accountable for the use or application by the County of any money paid over by the Trustee in accordance with the provisions of this Bond Ordinance.
(D) Before taking any action under this Bond Ordinance relating to an Event of Default or in connection with its duties under this Bond Ordinance other than making payments of principal and interest on the Bonds as they become due or causing an acceleration of the Bonds whenever required by this Bond Ordinance, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all costs and expenses to which it may be put (including legal fees, costs and expenses) and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated to have resulted from its own negligence or willful misconduct in connection with any action so taken.

(E) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(F) None of the provisions of this Bond Ordinance shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds cannot be assured to the Trustee’s satisfaction.

(G) So long as investments are made in Authorized Investments, the Trustee may conclusively rely upon the County’s written instructions as to both the suitability and legality of all investments directed hereunder. To the extent invested in Authorized Investments, the Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge reasonable fees for such trades, including cash sweep accounts. Notwithstanding anything to the contrary herein, in the absence of written investment instructions from the County, the Trustee shall not be responsible or liable for keeping moneys held by it hereunder fully invested. While invested in Authorized Investments, the Trustee shall not be liable for any losses from such investments. Broker confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered.

(H) The Trustee shall have no duty to review or analyze any financial statements delivered to it hereunder (including the audit required by Section 9.02 hereof) or verify the accuracy thereof and shall hold such financial statements solely as a repository for the benefit of the Bondholders; the Trustee shall not be deemed to have notice of any information contained therein or Event of Default which may be disclosed therein.

(I) The County shall pay to the Trustee reasonable compensation for all services performed by it hereunder and also its reasonable expenses, charges and other disbursements and the fees, costs, and expenses of its attorneys, agents and employees incurred in and about the administration and the performance of its powers and duties hereunder. If the Trustee is required
by governmental agency or court proceeding initiated by a third party to undertake efforts beyond 
that which is set forth herein but related thereto, the Trustee shall notify the County of same in 
writing. Payment for such extraordinary fees, costs and expenses (including but not limited to 
reasonable attorney's fees, costs and expenses) shall be made promptly by the County only after 
said notice.

(J) The Trustee shall not be responsible or liable for any failure or delay in the 
performance of its obligations under this Bond Ordinance arising out of or caused, directly or 
indirectly, by circumstances beyond its reasonable control, including, without limitation: acts of 
God; earthquakes; fire; flood; hurricanes or other catastrophic storms; wars; terrorism; similar 
military disturbances; sabotage; epidemic; pandemic; riots; interruptions; loss or malfunctions of 
utilities, computer (hardware or software) or communications services; labor disputes; acts of civil 
or military authority or governmental action; it being understood that the Trustee shall use 
commercially reasonable efforts which are consistent with accepted practices in the banking 
industry to resume performance as soon as reasonably practicable under the circumstances.

(K) Upon request from any Bondholder and absent any further direction or consent of 
the County, the Trustee may disseminate a copy of the financial statements to such requester.

ARTICLE XIII

DEFEASANCE

Section 13.01  Defeasance Generally

Subject to the provisions of any Series Ordinance, if all of the Bonds issued pursuant to this Bond Ordinance and any other amounts required to be paid to a provider of a surety bond, line of credit, insurance policy or letter of credit hereunder shall have been paid and discharged, then the obligations of the County under this Bond Ordinance, the pledge of Pledged Revenues made hereby, and all other rights granted hereby shall cease and determine.

Subject to the provisions of any Series Ordinance, Bonds shall be deemed to have been paid and discharged within the meaning of this Article under each of the following circumstances:

(A) The Trustee shall hold, at the stated maturities of such Bonds, in trust and irrevocably appropriated thereto, sufficient money for the payment thereof.

(B) If default in the payment of the principal of such Bonds or the interest thereon shall have occurred and thereafter tender of such payment shall have been made, and the Trustee shall then hold in trust and irrevocably appropriated thereto, sufficient money for the payment thereof to the date of the tender of such payment.

(C) If the County shall have deposited with the Trustee, or any other bank or trust company which would otherwise meet the chartering and capital and surplus requirements contained in Section 12.09(A) hereof, in irrevocable trust money or Defeasance Obligations, the principal of and interest on which when due (without reinvestment thereof) will, as certified in a verification report provided by an independent entity providing such services and selected by the County, provide money which, together with the money, if any, deposited at the same time, shall be sufficient to pay, when due, the principal, interest and redemption premium, if any, due and to become due on and prior to the maturity, or, if the County has irrevocably elected to redeem Bonds, on and prior to the redemption date, of such Bonds.

Section 13.02  Money to be Held in Trust - When Returnable to the County

Any money which at any time shall be deposited with the Trustee or other escrow holder authorized under Section 13.01(C), by or on behalf of the County, for the purpose of paying and discharging any Bonds or the interest thereon, shall be and is hereby assigned, transferred and set over to the Trustee or such other escrow holder in trust for the respective Holders of the Bonds, and such money shall be and is hereby irrevocably appropriated to the payment and discharge thereof. But if, through lapse of time or otherwise, the Holders of said Bonds shall no longer be entitled to enforce payment of their obligations, then, in such event, it shall be the duty of the Trustee or such other escrow holder to forthwith return said funds to the County.
Section 13.03 Deposits with Trustee Subject to Conditions of Article XIII

The County covenants and agrees that any money which it shall deposit with the Trustee shall be deemed to be deposited in accordance with, and subject to, the applicable provisions of this Article, and that whenever it shall have elected to redeem Bonds it will irrevocably bind and obligate itself to give notice of redemption thereof, and will further authorize and empower the Trustee to cause the publication of such notice of redemption in its name and on its behalf.

Section 13.04 No Defeasance of Series of Bonds Paid by Insurer

In the event that the principal and/or interest due on a Series of Bonds shall be paid by an Insurer pursuant to a Municipal Bond Insurance Policy, such Series of Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the County until the Insurer has been reimbursed in full therefor in accordance with the terms of the Municipal Bond Insurance Policy, and the assignment and pledge of the Pledged Revenues and all covenants, agreements and other obligations of the County to the registered Holders shall continue to exist and shall run to the benefit of the Insurer, and the Insurer shall be subrogated to the rights of such registered Holders.

[End of Article XIII]
ARTICLE XIV
MISCELLANEOUS

Section 14.01  Miscellaneous Rights of an Insurer

(A) Notwithstanding any provision of this Bond Ordinance to the contrary, each Insurer shall be deemed the exclusive Holder of all Bonds insured by that Insurer, for the purposes of all approvals, consents, waivers, institution of any action, and the direction of all remedies. No rights granted to an Insurer by this Bond Ordinance shall be effective at any time that such Insurer is in breach of its obligations under the Municipal Bond Insurance Policy or is subject to bankruptcy or receivership proceedings. Additionally, this paragraph (A) shall be effective only in the event the Insurer’s Municipal Bond Insurance Policy results in the applicable Series of Bonds being rated at least investment grade by either Standard & Poor’s or Moody’s.

(B) Any provision of this Bond Ordinance expressly recognizing or granting rights in or to an Insurer may not be amended in any manner which affects the rights of such Insurer hereunder without the prior written consent of each such Insurer.

(C) To the extent that an Insurer makes payment of the principal of or interest on any Bonds, it shall become the owner and Holder of such Bonds, appurtenant coupons or right to payment of such principal of or interest on such Bonds and shall be fully subrogated to all of the registered Holders’ rights thereunder, including the registered Holders’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Registrar shall note Insurer’s rights as subrogee on the registration books of the County maintained by the Registrar upon receipt of proof from the Insurer as to payment of interest thereon to the registered Holders of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Insurer’s rights as subrogee on the registration books of the County maintained by the Registrar upon surrender of the Bonds by the registered Holders thereof to the Insurer or its agent.

(D) In the event that the principal of and/or interest on any Bonds shall be paid by the Insurer pursuant to the terms of its Municipal Bond Insurance Policy, (i) such Bonds shall continue to be “Outstanding” under this Bond Ordinance and (ii) the assignment and pledge of the Pledged Revenues and all covenants, agreements and other obligations of the County to the registered Holders shall continue to exist, and the Insurer shall be fully subrogated to all of the rights of such registered Holders in accordance with the terms and conditions of subparagraph (C) above and the Insurer’s Municipal Bond Insurance Policy.

(E) The terms and provisions of this Bond Ordinance or of any applicable Series Ordinance may not be terminated as long as there are any moneys owed to an Insurer under such terms and provisions of this Bond Ordinance or the applicable Series Ordinance or any agreement between such Insurer and the County.
Section 14.02  Purpose of Covenants in Bond Ordinance

Every covenant, undertaking and agreement made on behalf of the County, as set forth in this Bond Ordinance is made, undertaken and agreed to, for the proper securing of the payment of the principal of and interest on the Bonds. Each shall be deemed to partake of the obligation of the contract between the County and the Bondholders and shall be enforceable accordingly. In this connection, any provider of a surety bond, line of credit, insurance policy or letter of credit as contemplated under Section 6.03(D) hereof may enforce the terms, conditions and obligations under this Bond Ordinance as a third party beneficiary hereunder. Nothing in this Bond Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the County, an Insurer, the Trustee, the Registrar, the Paying Agent and the Holders of the Bonds, any right, remedy or claim under or by reason of this Bond Ordinance or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Bond Ordinance contained by and on behalf of the County shall be for the sole and exclusive benefit of the County, an Insurer, the Trustee, and the registered owners of the Bonds.

Section 14.03  Severability

If any Section, paragraph, clause or provision of this Bond Ordinance shall be held invalid, the invalidity of such Section, paragraph, clause or provision shall not affect any of the remaining provisions of this Bond Ordinance.

Section 14.04  Remedies Granted by Ordinance Not Being Available to Holders of Other Bonds

If it shall be held by any court of competent jurisdiction that any right or remedy granted by the Bond Ordinance or any Series Ordinance to the Holders of any Bond is not available to the Holders of all other Bonds, then such rights and remedies are herewith conferred upon the Holders of such other Bonds.

Section 14.05  Authorization to Sign

For purposes of all consents and other necessary documentation associated with the issuance of Bonds, any of the Authorized Officers and the Clerk shall be authorized to sign on behalf of the County and the County Council.

Section 14.07  Governing Law

The provisions of this Bond Ordinance shall be governed by the laws of the State, without regard to conflict of law principles.

Section 14.08  Date Effective

The provisions of this Bond Ordinance shall become effective as of enactment.

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings

Incident to the enactment of this series ordinance (this “2018 Series Ordinance”), and the issuance of the bonds provided for herein, the County Council of Anderson County (the “County Council”), the governing body of Anderson County, South Carolina (the “County”), finds that the facts set forth in this Article exist and the following statements are in all respects true and correct:

(1) The County Council has made general provision for the issuance from time to time of Special Source Revenue Bonds (the “Bonds”) of the County by a bond ordinance entitled, “A MASTER BOND ORDINANCE TO PROVIDE FOR THE ISSUANCE AND SALE OF SPECIAL SOURCE REVENUE BONDS OF ANDERSON COUNTY, SOUTH CAROLINA, AND OTHER MATTERS RELATING THERETO,” enacted by the County Council on December 14, 2018 (the “Bond Ordinance”). Terms with initial capitals and not otherwise defined herein shall have the meanings ascribed thereto in the Bond Ordinance.

(2) It is provided in and by the Bond Ordinance that, upon enactment of a “Series Ordinance,” there may be issued one or more series of Bonds for the purposes of the Enabling Act.

(3) The County currently has the following indebtedness outstanding payable from the Park Fees:

(a) the $5,800,000 original principal amount Special Source Revenue Bond, Series 2006 (the “Series 2006 Bond”), currently outstanding in the principal amount of $1,350,000;

(b) the $2,700,000 original principal amount Special Source Revenue Bond, Series 2007 (the “Series 2007 Bond”), currently outstanding in the principal amount of $850,000;

(c) the $1,570,000 original principal amount Special Source Revenue Bond, Series 2008A (the “Series 2008A Bond”), currently outstanding in the principal amount of $1,010,000; and

(d) the $3,545,000 original principal amount Special Source Revenue Bond, Series 2014A (the “Series 2014A Bond” together with the Series 2006 Bond, the Series 2007 Bond, the Series 2008A Bond, are collectively referred to as the “Prior Bonds”), currently outstanding in the principal amount of $730,000.

The Prior Bonds were authorized by and issued pursuant to the authorizations of General Bond Ordinance No. 2004-041 enacted by the County Council on November 4, 2004, and various ordinances supplemental thereto (collectively, the “Prior Bond Ordinances”). The County is now minded to make provision for the refunding and defeasance under the Prior Bond Ordinances of all of the outstanding principal amounts of the Prior Bonds (the “Refunded Bonds”).
(4) The County has determined to issue the Series 2018 Bonds (as defined herein) to: (1) defray all or a portion of the costs of planning, developing, acquiring, constructing, and equipping of sewer system repairs and improvements to include (i) new, repaired or replaced sewer system lines, pump stations, and treatment facilities, and related infrastructure, and (ii) the decommissioning of certain existing sewer system infrastructure ((i) and (ii), the “2018 Project”); (2) pay all or a portion of the interest coming due on such Series 2018 Bonds for a period not to exceed three years from the date of issuance of the applicable Series 2018 Bonds; (3) pay the cost of the refunding of the Refunded Bonds (the “Refunding”); (4) fund, if necessary, a debt service reserve fund; and (5) pay the costs of issuance of the Series 2018 Bonds.

(5) The Series 2018 Bonds shall be issued under the terms of the Bond Ordinance as a Series of Bonds thereunder.

(6) By reason of the foregoing, the County has determined to enact this 2018 Series Ordinance in accordance with the terms and provisions of the Bond Ordinance in order to issue the Series 2018 Bonds for the purposes described in Paragraph 4 above.

Section 1.02 Determinations Required by Section 3.01(B) of the Bond Ordinance

(2) the exact principal amount of the Series 2018 Bonds shall be determined by an Authorized Officer at the closing thereof; provided, however, that the aggregate principal amount of the Series 2018 Bonds shall not exceed $28,750,000 and further provided that the proceeds thereof shall not exceed the amount necessary for the purposes specified at Section 3.02 hereof;

(3) the dates for payment of interest on the Series 2018 Bonds, and the dates of maturity, not to exceed thirty (30) years, and the amounts thereof, shall be determined by an Authorized Officer at the closing of the Series 2018 Bonds;

(12) the initial maturity of the Series 2018 Bonds shall be numbered R-1, and thereafter sequentially "R-" numbered for identification; and shall be issued in $5,000 denominations or any multiple thereof;

(14) no Reserve Requirement is applicable as no Bonds are currently Outstanding;

(15) no Series Debt Service Reserve Fund is contemplated to be established in connection with the Series 2018 Bonds, and thus no Series Reserve Requirement is anticipated to be established, however if the Authorized Officer determines that a Series Debt Service Reserve Fund shall assist the County in obtaining more advantageous terms, he may establish both a Series Debt Service Reserve Fund and establish a Series Reserve Requirement;

(16) the proceeds of the Series 2018 Bonds shall be applied as set forth at Article V hereof;

The Series 2018 Bonds shall be presented for registration of transfers and exchanges, and notices and demands to or upon the Trustee and the County in respect of the Series 2018 Bonds may be served at the corporate trust office of the Trustee.

The Trustee shall be a member of the Federal Deposit Insurance Corporation (the "FDIC") and shall remain such a member throughout the period during which it shall act as Trustee, Paying Agent, and Registrar. The execution of the Series 2018 Bonds shall constitute conclusive evidence of the approval of any changes to the form of any Series 2018 Bond.
Section 3.10  Book-Entry System

Pursuant to Section 3.17 of the Bond Ordinance, the Series 2018 Bonds will be eligible securities for the purposes of the Book-Entry System of transfer maintained by The Depository Trust Company, New York, New York ("DTC"), and transfers of beneficial ownership of the Series 2018 Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of a $5,000 principal amount of the Series 2018 Bonds of the same maturity or any integral multiple of $5,000, with each increment of $5,000 being separately of a single maturity.

The Series 2018 Bonds shall be issued in fully registered form, one certificate for each of the maturities of the Series 2018 Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of, premium, if any, or interest on the Series 2018 Bonds becomes due, the Trustee, from available monies on deposit for such purposes under the provisions of the Bond Ordinance, shall transmit or cause the Paying Agent to transmit to DTC an amount equal to such installment of principal, premium, if any, and interest. Such payments will be made to Cede & Co. or other nominee of DTC as long as it is owner of record on the applicable Record Date. Cede & Co. or other nominee of DTC shall be considered to be the owner of the Series 2018 Bonds so registered for all purposes of this 2018 Series Ordinance, including, without limitation, payments as aforesaid and receipt of notices and exercise of rights of beneficial owners of Series 2018 Bonds.

The Trustee shall notify DTC of any notice of redemption required to be given pursuant to this 2018 Series Ordinance at least thirty (30) days prior to the date fixed for redemption.

DTC is expected to maintain records of the positions of participants in the Series 2018 Bonds, and the participants and persons acting through participants are expected to maintain records of the beneficial owners in the Series 2018 Bonds. The County makes no assurances that DTC and its participants will act in accordance with such rules or expectations on a timely basis, and the County shall have no responsibility for any such maintenance of records of transfer or payments by DTC to its participants, or by the participants or persons acting through participants to the beneficial owners.

If (a) DTC determines not to continue to act as securities depository for the Series 2018 Bonds, or (b) the County has advised DTC of the County’s determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County of the Series 2018 Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor depository, Series 2018 Bonds of the same principal amount, interest rate and maturity.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in the best interest of the County not to continue the Book-Entry System of transfer or that the interest of the beneficial owners of the Series 2018 Bonds might be adversely affected if the Book-Entry System of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit them to make any such determination), and has made provision to so notify beneficial owners of the Series 2018 Bonds by mailing an appropriate notice to DTC, upon receipt by the County of the Series 2018 Bonds together with an assignment duly executed by DTC, the County shall execute physical certificates for, and cause to be authenticated and delivered pursuant to the instructions of DTC, the Series 2018 Bonds in fully registered form, in substantially the form set forth in this 2018 Series Ordinance, in the denomination of $5,000 or any integral multiple thereof.

Notwithstanding any other provisions of the Bond Ordinance to the contrary, so long as any Series 2018 Bond is registered in the name of Cede & Co., all payments with respect to the principal of, premium, if any, and interest on such Series 2018 Bonds and all notices with respect to such Series 2018 Bonds shall
be made and given, respectively, to DTC, as provided in the letter of representations from the County to DTC.

In connection with any notice or other communication to be provided to the Holders by the County or the Trustee with respect to any consent or other action to be taken by the Holders, the County or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository notice of such record date not less than fifteen (15) days in advance of such record date to the extent possible.

Section 3.11 Delegations to Authorized Officer

The County Council hereby delegates to the Authorized Officer the authority: (a) to determine the aggregate principal amount of the Series 2018 Bonds to be issued, and the interest rates, maturities and redemptions provisions with respect thereto; (b) to determine the Date of Issue of the Series 2018 Bonds; (c) to determine the amount of the 2018 Reserve Requirement and the method of funding the 2018 Debt Service Reserve Fund, if any, including whether to purchase an instrument; (d) to determine whether to issue the Series 2018 Bonds in a single or in multiple Series; (e) to determine whether to borrow for capitalized interest; and (f) to make any such other decisions concerning the Series 2018 Bonds as may be necessary, appropriate or otherwise delegated herein.

MEMORANDUM

ANDERSON COUNTY ROADS AND BRIDGES

DATE: September 28, 2018
TO: Matt Hogan
Roads & Bridges Manager
FROM: Thulasi Vinayagam
Principal Engineer
SUBJECT: Ballard Road Truck Restriction Request

As requested, Roads & Bridges staff conducted a volume and vehicle classification count and examined the impact of restricting trucks on Ballard Road between US 29 and SC 8. Ballard Road is located in the outskirts of Williamston and Pelzer and serves between Midway Road, US 29 and SC 8. It is functionally classified as a minor collector. It has two 9 feet asphalt travel lanes and some, or no, grassed shoulders on the majority of the roadway.

The data collection was conducted between Wednesday, September 19th and Wednesday, September 26th, 2018. One counter was placed at 2300 feet East of US 29. Current average daily traffic volume is 327 vehicles/day. As shown in the table below, the count indicates that less than one percent (0.8%) of the traffic on Ballard Road is tractor trailers, with a total of 19 tractor trailers for the one week study period, which is approximately 2.7 tractor trailers per day.

As shown in the attached maps, the alternate route for the trucks from US 29 and Ballard Road intersection would be US 29 North Ramp (R5301) to SC 8 South. This alternate route would add 0.6 miles to the trip. The alternate route for trucks from...
SC 8 and Ballard Road intersection would be US 29 North Ramp (R5300 and then RS 6300) to US 29. This alternate route would add 1.0 miles to the trip.

The function of collector roads is to draw traffic from local roads and bring it to major collectors or arterial routes. A minor collector road is expected to carry truck traffic in normal condition. In the case of Ballard Road, truck restrictions are recommended, considering the physical condition of the roadway. It has inadequate roadway width and inconstant shoulder widths, which makes Ballard Road incapable of handling truck traffic.

BUDGET TRANSFER

DIVISION: Sheriff's Office

DEPARTMENT: 5213 - Communications

FROM:
TITLE: Salaries - Full Time
ACCT.#: 001-5213-000-101

TO:
TITLE: Salaries - OT
ACCT.#: 001-5213-000-103

AMOUNT: $50,000.00

EXPLAIN, IN COMPLETE DETAIL, THE REASON FOR THE TRANSFER.

REASON:
Moving money to help cover OT costs for communications staff. Aggressive efforts have been made with scheduling to provide dispatchers a 1-hr break during their work day and cut OT costs. With current average, the projected OT for this year, will be about $84,000 less the last fiscal year. Last year, with the scheduling changes that were made in the second half of the fiscal year, OT was about $89,000 less than the previous year. This would be almost $173,000 decrease within a two year period.
That being said, the $50,000 that was budgeted this year (cut from $150,000 last year) is not enough to cover the OT costs that still remain as a result of turnover and short staff.
