second by Ms. Wilson. Are there any discussion? I want to appreciate Mr. Wooten for doing this and for all the association does. Just some great work. And I know you have supported them and been on council. Appreciate it. If no more discussion, all in favor of the motion show of hands. All opposed like sign. Show the motion carries with Ms. Floyd being absent at this time. Mr. Wooten, do you have any?

CRAIG WOOTEN: Yes. If everybody would come forward, we’d like to all take a picture together and recognize who’s in attendance.

PRESENTATION OF RESOLUTION

CRAIG WOOTEN: I think from my standpoint I can’t say enough. I met with these folks years ago and it was a small meeting in a house. And they said they had this big vision and, you know, a lot of people talk about stuff like that, but they saw it all the way through. They’ve opened up a wonderful center that serves everybody in the county. It doesn’t matter who you are. And I just want to thank you for what you’ve done and your leadership and the board’s leadership. I feel very confident for years to come there’s going to be bigger and better things coming. So thank you so much.

FEMALE: Thank you for your support.

APPLAUSE

TOMMY DUNN: This is going to conclude our part of the meetings. We’ll reconvene back at 6:30 for our regular council meeting.

INVOCATION AND PLEDGE OF ALLEGIANCE BY JIMMY DAVIS

TOMMY DUNN: Moving on to item number 3, approval of the minutes of August 20th. Are there any corrections that need to be made? Ms. Wilson.

CINDY WILSON: On page 8, line 29, Linwood Trail is actually Windward Trail. And that was the only thing I noted. Thank you.

TOMMY DUNN: Thank you. Anyone else? Hearing and seeing none, Ms. Wilson, do you want to make the motion to accept the minutes with that change?

CINDY WILSON: So moved.

CRAIG WOOTEN: Second.

TOMMY DUNN: Second by Mr. Wooten. All in favor of the motion show of hands. All opposed like sign. Show the motion carries unanimously.

Moving on now to citizens comments. When Mr. Harmon calls your name, please address the chair. You have three minutes. Items on the agenda only at this time. Please address the chair. Mr. Harmon?

LEON HARMON: Mr. Chairman, first speaker is Rick Freemantle.

THE COURT: Please state your name and district for the record, please.

RICK FREEMANTLE: Good evening, Mr. Chairman. My name is Rick Freemantle. I’m from District 7. I’m here to speak tonight about this proposed fee on our vehicles. I understand also that this thing is still a work in progress, so I just want to kick around some things that bother me about it. I understand that this comes about because there’s a shortfall due to the lower tax rate on our vehicles dropping. I believe it was from ten percent down to six percent, which means you guys get less money. I would have thought y’all would have been happy about that, that your constituents finally get a break. Apparently not.

I also understand that you have no consistency in the paving budget so this is another reason for this, so that you can have monies you can count on every year and set your paving accordingly. As I understand it, my years of watching county council, you guys make the budget, you set the priorities, so why hasn’t this been a priority over the last twenty something years in this
My biggest bone of contention with this is for eleven years this county, every other county in this state, has allowed the theft of money owed to this county by the state budget violating their own state laws. In this county alone that represent over twenty-five million dollars since 2008, and yet nobody, either on this council or previous councils, with the exception of Francis Crowder, ever raised a finger or an eyebrow with any attempt whatsoever to fight this illegal theft of money due to our county. I find that very shameful, disgraceful and appalling that you would want twenty-five dollars per vehicle out of my pocket when twenty-five million dollars isn’t enough to motivate you all to stand up in unison with the rest of the counties in this state and fight to get the money that’s due to us. We wouldn’t be in this situation. Thank you.

TOMMY DUNN: Next.

LEON HARMON: Next speaker is Ruby Garrish.

RUBY GARRISH: Ruby Garrish, District 7. First of all, I would like to thank the council for the wonderful event we had out at the Civic Center. It was wonderful.

I am a Tea Party republican. Now, as to the auto fee, I would respectfully ask that the council take one more time to look further to see if needed funds could be found that are already in the budget in other areas. With the economy improving by leaps and bounds, we are seeing the growth of the county in a residential business and industry like we’ve never seen. This is certain to grow our tax base. Please do not rush through this.

Although it may be true, it will give the general public the impression that there is a negative reason that this is being done quickly. If you determine there is no other avenue than to implement the road fee, I ask that you consider a twelve to fifteen dollar fee with absolutely no exemptions. Set up a web page exclusively for the fee. I ask that the funds from the fee be kept in a lockbox exclusively for the road repair. No bike trails, no green pond, no private subdivisions that now belong to a developer. No new subdivision roads.

I ask that all districts receive work in their areas. If there is a need for a fee, I ask that everybody benefit from it across the whole county. Thank you.

LEON HARMON: Next speaker is Guy
GUY THURMAN: District 6, Guy Thurman.

Forest Glen Drive. I probably speak for ten to twenty thousand people in this county to silence this issue. The reason I'm here, any time somebody talks about raising what we have to pay to live here, when we see in some cases absolutely no services, some roads that we live on. Forest Glen Drive, you might want to check that. When is the last time you did anything on it? I can't remember anything, zip, in the last thirty years. But yet you won't do something, pave something somewhere else, clean out the ditches, ditch maintenance of county roads. It's pathetic. I'd like to see how in the world you can save money? I want to hear discussion. How can you save money? If you're interested in it, you could ask me the question. I'm surprised that we don't have that privilege of answering a question that you would ask.

I think that one thing that you need to do is have some kind of form so that the citizens in this county can do something to help you find ways to save money; not find ways to spend more money. If you save money you might be able to handle some of these situations, like potholes or keeping grass out of the roads or cleaning out ditches. Whatever you're going to do on maintenance.

I don't hear anything from you about saving money. Another thing, I don't even know whether this is proper or not, but years ago this council authorized an eighty thousand dollar budget for a stupid balloon in this county. I don't even know where it is. Do you know where it is? That's a question I'd like to know. If somebody wants to tell me, I'd appreciate it. What's happened to it? Do we have a team that floats that thing? I think it's pretty good, but I think that you need to be accountable about things like that. I can't imagine even authorizing that kind of money when you've got private industry everywhere doing that kind of stuff, want to float their beer balloon or whatever, RE/MAX balloon. You don't need something for the county like that. We don't want that. Thank you very much.

LEON HARMON: Next speaker is Youko Simmons.

YOUKO SIMMONS: Hi, Youko Simmons, District 5. I'm here to discuss about 8(b), about the twenty-five dollar fee. I have some questions and concerns around that. And the reason why I do is because we pay vehicle property tax; right? And if we drive our vehicles on the road, it would make sense that we pay
1 taxes because we utilize our vehicle on the road. But
2 the thing that I see the most that’s on my vehicle tax
3 is school. And that’s the largest amount of tax that
4 I’m paying as far as on my vehicle, which is a vehicle
tax, not a school tax. So I feel that we need to
5 allocate that money, as far as school tax, somewhere
6 else where it properly needs to go. It doesn’t need to
7 go on vehicle taxes, because we don’t use school for
8 our vehicle. We use it for the road. So I come to you
9 asking just to look at that and examine that because I
10 feel like it needs to be -- it’s in the wrong allocated
11 vehicle tax.
12 And secondly, I see a lot of mopeds that are on the
13 road. They operate like a vehicle, as well. I see
14 many of them will bypass a stop sign. If I’m a vehicle
15 and that moped -- I’m stopped and that moped is running
16 through the stop sign, I’m liable to hit him or her
17 who’s riding that moped. So I feel that as we are --
18 we have people who drive mopeds on the road need to pay
19 taxes, as well. They need to pay insurance, as well,
20 even if they have a permit. Because I have noticed
21 that some feel that even if they’re highly intoxicated
22 it’s okay to drive a moped. And it really is not okay
23 to drive a moped while you’re under the influence. So
24 I think as far as there’s an area for opportunity with
25 our mopeds to say, hey, look, first you need to be
26 permitted; secondly you need to be insured. Because if
27 I -- God forbid if I hit a person on a moped, I don’t
28 want just my insurance to be hit, but his or her
29 insurance need to be hit, as well. So that’s an area
30 that I feel needs to be looked into.
31 And that’s all I have for today. So thank you.
32 LEON HARMON: Next speaker is Dan
33 Harvell.
34 DAN HARVELL: Hello, everyone. Thank you
35 for your service. We appreciate you giving of your
36 time to do this. I know you don’t get paid quite
37 enough for all the hassle you go through to be up
38 there. But you do ask -- you do kind of ask for it
39 when you ask for the voters’ approval to put you in
40 office.
41 I’m concerned -- oh, Dan Harvell, District 3. I’m
42 concerned about another tax increase. I know you wish
43 to couch this as a fee, but we know there’s really no
44 difference in fees and taxes. If it’s coming out of
45 the citizens’ pockets, it’s basically a tax. I’m
46 really concerned about another increase on the citizens
47 of our county. We’ve just had a new one by Duke Power.
48 We’ve had numerous increases in the municipalities and
49 outside there for the water and the sewer rates. It
costs so much now to have a house and a water bill at
the same time. I'm just amazed at how those rates have
gone up. I know about the mandates that come down that
you say are our government say caused that. But
nonetheless, it's beginning to squeeze our citizens to
the point to where I think many of them can't take
anymore.

Now, citizens want to see sufficiency in
government, especially when it comes to road funding
and what it costs to maintain our roads and bridges.
What citizens want to see is we want to know that we're
getting the most for our money from the people that
work for us. This is not only county, but of course,
state and federal, too. When we go by a work site and
we see five people hanging on a shovel and one person
doing the work, we think about efficiency and that
makes us think twice about increases and fees and taxes
for roads.

Another thing, it seems like the county's budgets
have increased quite a bit over the years. You know,
I've been here for many years and I know where we
started about in 1987 and I know where we are now. Are
we getting any more services for those fees now than we
were then? It's something to think about. The new
growth and all the development that's happened brings
in new taxes. So you have more money. So, you know,
from the taxpayers' standpoint we just want true
accountability. We want to know that we're getting the
most bang for our buck. We want to know that the money
is being spent in the most efficient manner it can be.
And right now, as a citizen, I can't be assured of
that. So, please, let's don't do this. Let's tighten
our belts more and look for other ways to serve our
citizens. Thank you very much.

LEON HARMON: Next speaker is Mark

TOMMY DUNN: I don't believe Mr. Powell
is here. Somebody must have signed his name up. Or I
can't see him. So move on.

LEON HARMON: Next speaker is Elizabeth
Fant.

ELIZABETH FANT: Elizabeth Fant, District 3.

I was digging in some of my papers and I happened to
come across the summary of budget reviews all funds for
2017 to '18 and then 2018 to '19. I just want to read
you the bottom line on both of those. 2017-18 budget
was a hundred and eighty million dollars total
revenues. Budget for 2018 to 2019 was a hundred and
ninety-four. That's fourteen million dollars more
revenue in one year. I did not bring the one for the
last year. But fourteen million dollars more revenue in one year. Now, where is that money going?

I’m going to talk this morning not just so much on the road fee, but from an emotional standpoint about roads’ condition. The roads, we know, need fixing. They’re in horrible shape. Those of you that know me know that I had a major car accident, which is the reason I’m in the condition that I’m in. I had an aunt that died from no guardrail where a rain swollen creek took her life. Today I visited somebody who’s in the hospital who had a stroke while she was driving.

Thankfully she got somewhere and somebody behind her got her stopped before she ran into something. I used to have to travel a lot at night. One time I came on I-85 when they were doing a lot of construction, two o’clock in the morning, a car where they had done construction, didn’t have the change labeled correctly and I came up on a vehicle that had hydroplaned and was set up in the middle of the air. And I know those people both who were in there got broken necks. It happened right before I got there. Another night as I was traveling in the middle of the road on I-85 I come over a hill and there’s a vehicle right in front of me with all four doors open.

And that’s not a road issue itself, but what I’m trying to say is there are road issues everywhere. We don’t do due diligence in the roads that we make. It is not enough to slap some asphalt and say we have fixed the roads. South Carolina is as stingy as they can be with asphalt. On intersections we don’t do our pipes long enough so we can do road -- where we can put enough road there where somebody doesn’t have to go off into the ditch in order to make a curve. It’s our road construction and it’s our road composition. Evidently the materials that we’re using are worthless. If you have to go behind every three to five years to fix a road, you’re not doing due diligence. So it’s not enough to raise this money. I’m going to talk more on that on the end. It’s the quality of what we do.

LEON HARMON: Time, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Harmon.

Next.

LEON HARMON: No one else is signed up.

TOMMY DUNN: Thank you, Mr. Harmon.

Moving on to item number 5, discussion on Project MCPEND, Ms. Floyd. Ms. Floyd.

GRACIE FLOYD: Thank you. I would like to talk to you tonight about something that’s close and near and dear to my heart. I guess it can go along with the car taxes. But I have been worried about this
thing. It’s just -- you need to know about it so you can make your own decision about it, as I have made mine.

Let me read to you what it is first. It’s an ordinance authorizing pursuant to the titles and the codes and all the little numbers thereof in Article 7, Section 13 of the South Carolina Constitution, the execution and delivery of an infrastructure credit agreement by and between Anderson County, South Carolina and Falls at Meehan Apartments, LLC, including certain related or affiliated entities, formerly identified by the county as Project MCPEND, to provide for certain special source revenues or infrastructure.

It comes up for public service tonight.

Now, I know you’re wondering what this is. All right. It’s an apartment complex to be built in Pendleton. And it’s to be built, I was told, for the Arthrex. We have a company in Pendleton that’s coming or is there or what. But it’s called Arthrex. And what it is, Arthrex -- they’re looking for places to have people to come and live there.

Now, in last week’s minutes we talked about this and there were certain questions that were asked and I want to tell you about it -- these questions. One question was will the schools get some funds out of this? All right. Please know that schools always get funds. They get most of the fund out of anything coming to Anderson that’s an industry or a building or anything. So the schools will get the bulk of the money out of this thing. Another question was someone says this apartment complex helps to deal with the issue of affordable housing. That’s not the truth. This is not an affordable housing complex. It’s a high-end ritzy complex that they’re hoping that the people who get the jobs over at Arthrex will then move right in the town of Pendleton, that they’ll have some place to spend all the money that they’re going to get. So it’s a high apartment complex. We had two people that believed that it was affordable housing. You can check last week’s minutes. And it’s not. We were told that it’s apartments that will certainly be above standard. They’re not student housing and will be for folks to have good -- and it will be for folks who have good quality jobs such as those that will be created at Arthrex.

Now, it sounds really good. But the thing about it is, the people who are going to build these apartments has been given fifty percent off property taxes. Fifty percent they have been excused. They won’t have to pay the whole hundred percent for property taxes like most
of us have to do. They have been excused fifty percent
off their property taxes. And it seems that a better
deal could have been made, it seems like a better deal
could have been made so it would not impact us. Maybe
my questions are not the right questions. I’ve had two
or three meetings about this and I’m still
understanding it the same way.

But here we are, we’re talking about charging
everybody twenty-five dollars on a car so we can have
road money. But what about the fifty percent tax
deduction. Anderson County has never subsidized any
county houses before. Why are we subsidizing this one?
Anderson County have never even built a home for low
income people. Why are we building homes for high
income people? I don’t get it. I don’t understand it.
I think that we should be concerned about it. And I
think that we ought to be asking why.

Now, I was told that, well, we did the same thing
for Anderson when Anderson wants to bring this motel
here in town, this new motel, you’ve heard about it,
that we did the same thing, we’ve done the same thing
and now here we are -- we have one small town that owes
us eight hundred thousand dollars. They owe us eight
hundred thousand dollars. That’s gone. We probably
will never see that. And now here we are, we’re going
to give these people, the builders -- I don’t know who
the builders are, but whomever they are, if they don’t
have the money to pay their property taxes, all of
their property taxes, somebody else will. It doesn’t
mean that we have to do this or these poor people won’t
have any place to live if they come to Arthrex. Look
around you now. We have First Quality down there.
They didn’t build any apartments for them. They didn’t
build an apartment for Milligan or Michelin. These
people live all around us, some of them in Greenville,
some of them in Florida -- I mean Georgia, some of them
down below Laurens. But yet they’re doing all right.
But no, for Arthrex in Pendleton, we are going to give
the builders of the high-end, high class apartments a
fifty, fifty percent property tax reduction.

And now we’re going to ask you to come up with some
money for the roads fee. Most of everything we get in
this county, we go to the schools first. It goes to
the schools first. Maybe we need to go back and re-
evaluate the money that is spent in the school area
because we can. We tried it once before. We can.

But folks, my only concern is this. I pay taxes,
too. I pay taxes, too. And is it right -- do you
think it’s right that we give these people fifty
percent off of their -- what is it? -- property taxes
so they can build a high-end apartment so that Arthrex will pay these people big money so they can live in a really, really, really nice apartment? That's all I have.

TOMMY DUNN: Thank you, Ms. Floyd.

Moving on to item number 6(a), ordinance third reading, be 2019-036, it's an ordinance authorizing pursuant to Title 4 of the Code of Laws of South Carolina 1976, as amended, including sections 4-1-170, 4-1-175 and 4-29-68 thereof, and Article VIII, Section 13 of the South Carolina Constitution the execution and delivery of an infrastructure credit agreement, by and between Anderson County, South Carolina and Falls At Meehan Apartments, LLC, including certain related or affiliated entities, formerly identified by the county as Project MCPEND, to provide for certain special source revenue or infrastructure credits.

This will be a public hearing. Anyone wishing to speak to this matter, please step forward and state your name, district, address the chair. Anyone at all?

RICK FREEMANTLE: Good evening, Mr. Chair, Rick Freemantle, District 7. First, I would like to commend the council lady from District 2. Spoken like a true conservative. I have a question. I've been in this county over twenty-five years. Where's my fifty percent discount? This is just appalling. I come here to talk about the twenty-five dollar per vehicle fee and I find out that you guys are giving people cut-rate taxes if they'll build houses. Seems to be a lot of squirrely stuff going on over there in Pendleton. I've heard wind of about a half a million dollar little fund coming from the state that wasn't done legally to go to the fire department. Maybe this is the reason, so they'll have more fire department for these apartments or whatever they're going to be. But fifty percent tax reduction on people who are just building homes here in this county when we have a shortage of available housing all over this country. There was no reason to give this discount whatsoever. You could get full tax value on these properties, no problem at all, especially if these are going to be high-end jobs. These people can afford to pay their taxes. What is up with you folks? Apparently I shouldn't have taken such a long hiatus from coming to these meetings. This is ridiculous. Thank you, District women 2.

STAN WELCH: Stan Welch, District 7 or maybe 6. I can't tell exactly. Is it 7? Are you disowning me? Okay, I was just asking. If I recall from the original presentation on this project, the seven acres of land involved currently pays about
twelve thousand dollars in property taxes. Once this
development is finished, I believe that amount will
increase to over a half million. If you don’t see the
value in that, I don’t think anybody can explain it to
you. It’s seven acres of scrub land basically. It’s
not being used for anything.
Also, the other issue is, if you create eight
thousand jobs in ten years like this county has done,
you’ve got to give them somewhere to live. They can’t
all live in Elberton and drive over here. Thank you
very much. And I hope you vote for this.

TOMMY DUNN: Anyone else? Anyone at
all?

DAN HARVELL: Dan Harvell, District 3.
There’s hardly anyone in here that has a longer history
of fighting property taxes and the unfairness that they
bring than me. It goes to back to three years as a
citizen lobbyist at the state house because of the
punitive, punishing situation that we have ...

TOMMY DUNN: Wait a minute, Mr. Harvell.
We’ve got to get this squared away.

DAN HARVELL: All right.

TOMMY DUNN: I don’t think it was you.
I think it was something in the equipment; I don’t
know. Just give it a whirl and we’ll try it again.

DAN HARVELL: Okay. But anyway, many of
you know my history on this. And if you give this --
any time you give a fee in lieu of for one thing,
somebody else is going to have to make up the
difference. I applaud Ms. Floyd for her comments
tonight. I appreciate those very much. You’re dead-
on. You’re totally right. You know, you have to
wonder -- yes, it’s a coup for this company to be
coming here. But if they’re coming here, they’re
already committed. If they’re already committed,
they’re already going to have the employees. They’re
already going to have the people here. And the free
market will work itself out.
You know, we as conservatives say that we believe
in the free market, but sometimes we just kind of get
in the way of that. And in doing so, we’re actually
costing our own citizens more money than they should be
paying. So I would agree with Ms. Floyd and not go for
this. Thank you very much.

TOMMY DUNN: Anyone else? Anyone at
all?

RUBY GARRISH: I agree that we shouldn’t
be giving those kind of tax breaks. People when ---

TOMMY DUNN: I’m sorry. Would you state
your name again for the record and your district?
RUBY GARRISH: Ruby Garrish, District 7.

TOMMY DUNN: Yes, ma'am. Go ahead.

RUBY GARRISH: I agree that we shouldn’t be giving those kind of tax breaks when obviously we don’t even have the money to keep our roads up. I’ve been to the point in my younger days when I -- at one point I had eight dollars to my name and nobody gave me a tax break. I still had to pay my taxes. And maybe we could give a small incentive to business and industry, but fifty percent is way too much. And really, in my opinion, it makes no difference if those breaks are being given on housing for the rich or housing for the poor; it’s still not right.

TOMMY DUNN: Anyone else? Anyone at all? Public hearing will be closed. Somebody want to make a motion to put this on the floor for discussion?

CRAIG WOOTEN: So moved.

TOMMY DUNN: Motion Mr. Wooten. Have a second?

Second Mr. Sanders. We’ll start off getting some another. I don’t want to start no argument. The thing about it, sometimes we get things and not know our facts. There’s been a bad misunderstanding. I know you understand about the tax breaks, fee in lieu, like that. But this apartment complex ain’t got one iota to do with Arthrex; not nothing. Now somebody might happen to work there and rent this, but this ain’t -- I want that straight for the record and all news media. This has got not one thing to do with Arthrex. Nothing. This was a request by the town of Pendleton, is what started this, about this coming in. Now, we can debate that or not, but it’s like Mr. Welch said, it is revenue more on tax that we wouldn’t have got. But where this come from is the town of Pendleton wanting this revenue. But I’ve said my piece and I’m going to yield the floor.

BRETT SANDERS: Mr. Chairman?

TOMMY DUNN: Mr. Sanders.

BRETT SANDERS: Yes, sir. I understand where a lot of this is coming from, Ms. Floyd’s ideas, other people’s ideas. I reached out to the town of Pendleton and also what hasn’t been brought to the forefront is this development was actually banned, pretty much. This company came in and spent millions and millions of dollars. They have revamped. I rode through there today. I went and looked at the property. There’s a lot going on there. The town of Pendleton, again, has requested this from council. I met with them. They feel this is the right thing to do in order to help the town of Pendleton, help them decrease their millage rate and trying to get their
millage and tax rates down in Pendleton.

Again, developers came in. They have spent millions without any breaks. Again, this is not for Arthrex. This is apartments. And it is requested from the town of Pendleton. Thank you, Mr. Chairman.

TOMMY DUNN: Thank you. And also I’d like to add, Pendleton can get their tax revenue -- or their revenue up maybe they can get their police force full time and us not having to subsidize it. That’ll be a good point, too.

Mr. Davis.

JIMMY DAVIS: Mr. Nelson? Mr. Nelson, can you remind me and the rest of council what the current tax revenue is on this property?

BURRISS NELSON: It’s currently it’s twelve thousand five hundred and twenty-three dollars on a seven acre tract of land.

JIMMY DAVIS: And Mr. Nelson, if we vote to approve this on third reading for the fee in lieu of agreement, what will be the tax revenue on that property then for the county?

BURRISS NELSON: The projected tax rate in 2021, after it’s completed and all the buildings are up, is eight hundred and twenty thousand three hundred and forty-four dollars.

JIMMY DAVIS: So we gain roughly eight hundred thousand dollars with this agreement?

BURRISS NELSON: Yes, sir.

JIMMY DAVIS: Mr. Nelson, does this property we’re talking about have any affiliation at all with Arthrex?

BURRISS NELSON: Absolutely none.

GRACIE FLOYD: Uh-uh (negative).

JIMMY DAVIS: Thank you, Mr. Nelson.

BURRISS NELSON: Thank you.

CINDY WILSON: Mr. Chairman, may I?

TOMMY DUNN: Ms. Wilson.

CINDY WILSON: I normally have never voted for these type configurations in the past, but when the town of Pendleton requested that we support them in this measure, I gave my vote. And seventy-five percent of the fee in lieu of taxes goes to the schools. The rest of it goes between the town and the county. We don’t get that much, but it was significant for the town of Pendleton. So I will vote for this based on that. If it were out in the county, I probably would not have voted for it without some really good reason. Thank you.

TOMMY DUNN: I don’t think we would be having this discussion if it was out in the county,
RAY GRAHAM: Mr. Chairman?

TOMMY DUNN: Mr. Graham.

RAY GRAHAM: Ms. Wilson, I'm with you.

I think what our citizens are failing to recognize, you know, as far as our municipalities, and I actually have several in my district, you know, we as a county, we’re here as a resource to our municipalities. When they come wanting, you know, to promote growth or whatever they come across the board with, we truly have to take into consideration what are their needs; are their needs being met; what are they benefitting from each individual project. And I mean, looking at those items and looking at -- I wish, honestly, Pendleton would have had some representation here tonight as far as from their council. But I mean when they come to the county asking us to support this, you can’t help but think, you know, they've done their homework, they realize that it’s going to cost us x amount of dollars to provide protection, whether it’s law enforcement, fire service or whatever, to this new apartment complex, but yet this is what we’re going to get in return on the tax revenue. This is what we’re going to get in return on the tax revenue. This is what our local businesses are going to get in return from them -- local people shopping at the local restaurants, to convenience stores, to just the mom and pop stores.

You know, Pendleton is a small hometown. I’m comfortable in saying that they’re doing what’s best for their community. They’ve got to answer to their community. They came to us wanting us to support that. And with that being said, I would probably be very reluctant, which even like Mr. Chairman says, you know, I don’t even know if we would be having this conversation if this was county property. But it’s not. It’s actually something in the town of Pendleton. It’s something that they’ve requested that we support. And with that being said, I can’t help but feel led that we need to support it.

Our council member, one of our fellow co-workers, has done their homework to ensure it’s best for their district, ensure that’s what that community wants up there, and we rely on their recommendation. And with that being said, I mean to me it’s kind of a -- it’s really not nothing in question. At the end of the day, as it was pointed out, we will benefit from it because that revenue that was twelve thousand dollars is now going to be eight hundred and something thousand dollars. Is it going to cost the county more funding to ensure that they’ve got what they need and their
needs are met? Absolutely. But it’s continuing letting Anderson County grow. Is employees of Arthrex going to be living there? Probably, hopefully. It’s right up the street from them. As far as what type of housing it is, that does not even matter in this conversation. A community has asked us to support them and I feel like we should. Thank you, Mr. Chairman.

TOMMY DUNN: Thank you.

GRACIE FLOYD: Mr. Chair?

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: Okay. Right before the meeting we received up here newspaper clipping from -- it was about Arthrex in Naples, Florida. In this article it was talking about how Arthrex was going to pull out -- will probably be pulling out of Naples, Florida because people have nowhere to live down there. They don’t have any housing complex down there. So, you know, why were we given this information right before this other thing came. And I want to read something to you.

Mr. Chairman, my apology, one other thing about the affordable housing -- now remember it’s not affordable housing -- I’m sure everybody on council and plus the community has probably seen Arthrex. Part of the reason they’re not developing as much in Naples, I believe it is due to affordable houses for their employees. This here is right near Arthrex and will be a very easy drive for their employees. So I’m sure they’re going to be grateful for this investment, as well. Nobody said that we’re doing this for Arthrex. What you were told was that these high-end dollar homes were being built near Arthrex so the people could live there in Pendleton because Arthrex is going to be there.

Folks, twenty-five percent reduction, thirty percent reduction would have done it. But I still say, I still say, you’re giving fifty percent of the property taxes that we would have gotten away. I still say that. I still say that the eight hundred thousand dollars that Anderson County will not be getting. We will not be getting eight hundred thousand dollars.

Mr. Burriss, on a monthly basis, except for the first year, the first year Anderson County will get, is it seventy-five thousand?

BURRISS NELSON: Well, the property tax this year is twelve thousand and some change. The development will start, probably get twelve thousand and change next year. The ---

GRACIE FLOYD: And how much will Anderson County get a year?
BURRISS NELSON: Out of that?
GRACIE FLOYD: Uh-huh (affirmative). Each year for property tax we’ll be getting how much?
BURRISS NELSON: About, well, let’s see, about three thousand maybe, twenty-five hundred.
GRACIE FLOYD: Okay. All right. Who will get the bulk of the money from the property taxes that we are going to get?
BURRISS NELSON: The town will probably get another fifteen hundred and the schools and fire districts, but the schools will get the majority.
GRACIE FLOYD: Okay. Let’s start it from the top. Schools will get the top part?
BURRISS NELSON: Yes, ma’am.
GRACIE FLOYD: After that who is it?
BURRISS NELSON: Anderson County.
GRACIE FLOYD: Uh-uh (negative). We were at the bottom; remember?
BURRISS NELSON: Well, no, we’ve got three hundred mils at that location, three hundred and twenty-five mils. So total -- we’re at about eighty-five mils.
GRACIE FLOYD: No, no, no, no, no. Mr. Nelson, you’re going into an area right now that gets all mixed up when you’re talking about it. You’re getting -- if you would just answer the -- on the sheet that you showed me, on the sheet that you showed me ---
BURRISS NELSON: Yes, ma’am.
GRACIE FLOYD: --- who was getting the most money from it?
BURRISS NELSON: The school district.
GRACIE FLOYD: And the next person was?
BURRISS NELSON: Town of Pendleton.
GRACIE FLOYD: Okay. Where was Anderson County on this map?
BURRISS NELSON: We would have been last.
GRACIE FLOYD: Would have been last; okay. Folks, you can do what you want to. You can vote any way you want to. I don’t, I don’t hold it against anybody if you vote your heart. I don’t hold it against you; okay? If you think we’re getting a whole lot of money out of this, fine. If you think that fifty percent tax dollars is enough for us to get, you vote that way. That’s all I’m saying. But you have a right to know. You have the right to know what’s going on. And that’s all I’m doing. Whether you like what I said or not. I care because I pay taxes, too. Okay? But if you don’t like it, I’m too old to care. Thank you, Mr. Chairman.
BRETT SANDERS: Mr. Chairman?
TOMMY DUNN: Mr. Sanders.

BRETT SANDERS: I think when we’re looking at affordable housing, we’ve got to put it in context. Port Royal Naples, Florida, the median home value seven million eight hundred and fifteen thousand three hundred. I’m sure Arthrex needs some affordable housing. And that’s why they’re here in South Carolina and I’m glad they’re in district ---

GRACIE FLOYD: These are not affordable houses. They said -- he said himself these are not -- I asked him that the last meeting, are these affordable houses? And he said no.

TOMMY DUNN: I believe Mr. Wooten has asked for the floor. Mr. Wooten.

CRAIG WOOTEN: I just want to ask a couple of questions of Mr. Nelson. I mean to the best of your knowledge and I won’t hold you to anything specific, but does Pickens, Greenville, Abbeville, Oconee, do they do any type of fee in lieu of or incentive packages for people who invest?

BURRISS NELSON: All of them will if they have the opportunity, certainly.

CRAIG WOOTEN: Same thing with -- would you say that’s pretty reasonable to say with Georgia, North Carolina and Tennessee?

BURRISS NELSON: Certainly.

CRAIG WOOTEN: Here’s where I reconcile. I’m with Mr. Harvell on the free market stance and I have a fundamental problem with fee in lieu of taxes because it doesn’t operate the way we want it to. It’s something that we inherited from a long time ago. I think anybody on this council, if we could do it in a different way, we would. The problem with it, and this is where I have to reconcile is, if I don’t make a deal and I say a deal that’s in benefit for the taxpayers of Anderson County, I feel relatively certain one of our neighboring counties or one of our neighboring states will make the deal. And they’ll take people there. We’re elected to represent Anderson. We’re elected to represent the people.

Now, if the question of whether the tax deduction or increase is worth it or not, that’s something that we have to work with for county economic development. We hire professional economic developers to negotiate on our behalf because we’re part-time council members. That doesn’t mean that we don’t give them scrutiny and that we don’t ever look at what they do and that we don’t hold them accountable. So I look at it in the same way our President is looking at other countries. Is tariffs and subsidies free market? No. Laissez
faire economics. Let’s just let it roll and it’ll work itself out. But our President said, no, we need to do some tariffs and subsidies because these other people aren’t playing fair. Now whether or not you think Georgia and North Carolina are playing fair or not, they have something that they will use to our disadvantage. I can’t go back and look at people and say, I didn’t get you an industry here. I didn’t get you affordable housing here regardless of the definition of affordable housing, because I had to stick so hard to a principal that I let your neighbor benefit.

Now, that doesn’t give me the leeway to just carte blanche do whatever I want to, but I have to look at how it benefits the people here that we’re elected to represent. I’m not trying to oversimplify it, but twelve thousand is what we get now. If we make this deal, we get eight hundred thousand. I would like to get 1.6 million. And if Mr. Nelson says we can go get 1.6 million, let’s go do it. But if he’s saying this is the best I think we can get, I don’t want to lose that eight hundred thousand to Pickens because I bet some of those guys, will make the deal. So that’s how I reconcile. What I don’t like is a system that hopefully one day is out of our hands and be changed so we can make conservative judgment calls on it. But until then we have to weigh the costs and weigh the benefit and make a decision. Thank you, Mr. Chairman.

CINDY WILSON: By my calculations the school district will get over six hundred thousand once this facility is in operation. This -- well, previous council sent two separate resolutions to our general assembly requesting, respectfully, that we change our industrial tax ratios; ten and a half percent, the highest in the United States. Across the river in Georgia, they can make zero taxes, which even our fee in lieu of taxes, which is reduced. And all that does go back to when Michelin first was established here in the county. Our General Assembly has failed to address our 1895 Constitution where it’s ten and a half percent industrial, six percent commercial for rental or commercial, four percent homes. We do have homestead exemptions which do help those of us who are over sixty-five.

Again, the town requested our support for this, so I will vote for it this time. But perhaps it’s time to send that resolution back to the General Assembly and respectfully request that we have a different tool set
in the bag because, I agree, this is so convoluted and it does seem to be unfair a lot of the time. And frankly, and you can ask our Mr. Maybank, he says if we do that it’ll put the lawyers out of work. Mr. Nelson was in that meeting when we had that discussion. But anyway, there are a lot of complications in these agreements. And I try to read through each of them. And Mr. Nelson knows, he gets phone calls from me because a lot of the lawyers change the wording and you have to read through several times to understand exactly what’s going on. And that is ridiculous. They get paid by the hour and we only get paid by the year.

Thank you.

TOMMY DUNN: Thank you. If no one else, call for the vote. All in favor of the motion show of hands. All opposed. Show the motion carries, Mr. Davis, Mr. Sanders, Mr. Dunn, Mr. Graham, Mr. Wooten, Ms. Wilson in favor. Ms. Floyd opposes.

TOMMY DUNN: Moving on to item number 6(b), 2019-037, an ordinance to amend an agreement for the development of a joint county industrial business park, 2010 park, of Anderson and Greenville Counties so as to enlarge the park to include Project MCPEND.

This will be a public hearing. Anyone wishing to speak to this step forward, state your name and district for the record and address the chair, please. Public hearing. Anyone at all? Seeing and hearing none, public hearing will be closed. Do we have a motion to put this on the floor?

JIMMY DAVIS: So moved.

TOMMY DUNN: Motion Mr. Davis; second Mr. Graham. Any discussion?

GRACIE FLOYD: Yes.

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: All right. This one got me, too. I asked -- this is an agreement for the development of a joint county industrial and business park of Anderson and Greenville Counties so as to enlarge the park. And it has Project MCPEND. So I asked a question, is this apartment complex going into the department of joint county industrial park for Greenville and Anderson? And I asked that question of Mr. Burriss. Mr. Burriss, would you please explain to them what your answer was to me?

BURRISS NELSON: Yes, ma’am. It would ---

GRACIE FLOYD: I didn’t understand this part of it.

BURRISS NELSON: It would go into the multi-county park agreement. That’s the platform or method of fee in lieu of taxes that allows commercial
properties to receive a property tax discount.

GRACIE FLOYD: In other words, the apartment complex won’t be going into the industrial park? That’s not the apartment complex. That’s just where we’re getting the credit from?

BURRISS NELSON: Well, the actual complete title of the legislation is multi-county park -- let’s see -- multi-county industrial and business park. And it includes -- when you say business, that includes commercial entities. A rent by the year, by the month or whatever, apartment complex certainly falls under the commercial definition and is allowed under state law.

We have protocols in the county that we developed fifteen, sixteen, seventeen years ago when we had a huge commercial project that looked -- in a part of the county. And we set some limits of minimum capital investment. Council probably doesn’t even know that we operate in our office on these protocols. But it’s got to be somewhere twenty million or greater on a commercial project, whereas an industrial project qualifies it to a half million. And so council has repeatedly said that residential property in the county, whether it was rental property or residential housing at four percent or commercial property, that that was not a subject or an opportunity for fee and for discounted property tax. And we followed that protocol for, I don’t know, Mr. Burns, for thirty years that I’ve been in this business. And of course, Mr. Burns hired me thirty years ago and he was in it before that. So we haven’t changed how we approach economic development as far as residential property unless we are requested by a city or political subdivision that obviously needs a taxed income and that revenue to assist them. It is a -- it just is what it is on that part. They need the help. Otherwise, we wouldn’t be involved in this at all.

GRACIE FLOYD: Thank you.

BURRISS NELSON: Thank you.

GRACIE FLOYD: Mr. Burriss, I just thought they needed to understand it and needed to know. Thank you so much.

BURRISS NELSON: Yes, ma’am.

TOMMY DUNN: Anyone else? All in favor of the motion show of hands. All opposed like sign. Show the motion carries with Mr. Davis, Mr. Sanders, Mr. Dunn, Mr. Graham, Mr. Wooten and Ms. Wilson in favor. Ms. Floyd opposes.

Moving on to item number 7, second readings. There are none.
Going on to 8(a), 2019-042, an ordinance to amend an agreement for the development of a joint county industrial and business park, 2010 park, of Anderson County and Greenville County so as to enlarge the park to include certain property of Project Alloy.

Mr. Nelson, do you want to have a little say before we put this on the floor?

CINDY WILSON: So moved.

TOMMY DUNN: Ms. Wilson makes a motion to put it on the floor. Have a second? Second Mr. Sanders. Now, Mr. Nelson.

CINDY WILSON: May I very quickly?

TOMMY DUNN: Yes, ma’am.

CINDY WILSON: Conversely, this is a project in Greenville County. Greenville takes ninety-nine percent of the fee in lieu of tax funding. Anderson County gets one percent. The previous one involving the apartment complex in Pendleton, Anderson County, which predominantly the school districts, took ninety-nine percent and Greenville received one percent.

BURRISS NELSON: That’s correct.

CINDY WILSON: Okay. Thank you.

TOMMY DUNN: We got anymore discussion?

All in favor of the motion show of hands. All opposed. You opposed Ms. Floyd?

GRACIE FLOYD: Well, no, I’ll vote for it. I was told that it was -- this was a thing for Greenville; not so much for Anderson.

TOMMY DUNN: That’s right, a company in Greenville. Show the motion carries unanimously.

Moving on to item number 8(b), 2019-043, an ordinance to amend the Code of Ordinances, Anderson County, South Carolina, Chapter 38, so as to add to Article VI a new division title Road Maintenance Fee. It’s title only. Put this in the form of a motion to put on the floor for discussion. Second?

CINDY WILSON: I’ll second it for discussion sake.

TOMMY DUNN: Ms. Wilson seconds it. We’ll start off discussion with just a couple of things. We’ve still got work to do if this even passes, but we’ve got a time thing to try to get if we’re going to do something to make this worthwhile for the first of the year. It doesn’t mean we’ll vote on it next council meeting. I think there’s going to be a few more community meetings. And the council needs to meet -- have a special meeting just for this to discuss it to put the nuts and bolts in it. But I just want to get one notion thing I think was said tonight about
rushing into something. We’ve had almost ten community meetings. We’re meeting tonight and there’s going to be some more. So there ain’t going to be no rushing into this. Everybody has got a right to come into them meetings and encourage you to come to more if you found some answers come up tonight.

There was one gentleman tied in about (change of audio) balloon was sold over eleven years ago. The majority of this council didn’t buy it. You made the statement about your road not being worked on. Well, that’s what this whole discussion is about, trying to get some funding to work on roads.

Now, we call it a fee because state law says that’s what we’ve got to call it. It’s a tax, no doubt about it. But we have to call it a fee because that’s what state law says it is. And Ms. Simmons back here mentioned a while ago about her cars and about the schools. That’s state law. They dictate what percentage of car fees goes where and all your tax goes where on that. It’s not the county that does that.

Like I said, we need to have a lot more discussion on this. One thing I think we all do agree on, our roads are in bad shape. We would also be in worse shape if we had some hard freezes this past year we haven’t had and whether or not that comes back. If you go out and ride the county and look at our roads, how they’re cracking and what not. I wish you would come to some of the meetings and I hope y’ all come some more to see what it is. We’ve got to pay this thing, too. Our biggest thing on the road fee is if we don’t come up with some kind of funding on the road, and I’m just telling you, millage ain’t it. I’ve been on council almost twelve years, cutting, scraping and trying to do this, that and the other. To make a dent in our roads, we’re behind, that’s not going to be the answer. But if we can’t come up with some kind of fee to do something with roads, we’re going to still be patching potholes. And it’s going to be discussion, things out and come back. But I’ll leave it at that right and go to Mr. Davis.

JIMMY DAVIS: Thank you, Mr. Chair. I want to reiterate to anyone here, if you’ve not attended one of our town hall type meetings on this topic, I would urge you to -- I’ll be glad to have more in District 6, and I’m sure any council member up here would be glad to have one or more meetings to discuss this and to get the information, the facts, out there that Ms. Davis has done. You know, this past year was mine and Mr. Sanders’ first budget go-round, and I think we did a really good job as a council to pass a
budget with zero millage increase. Yeah, we have a lot of people -- more people and industries moving in to Anderson County, but we also have -- that means increase in services.

Now, I don’t like paying taxes anymore than anybody else does. But one of the biggest things that I ran into as I strove to obtain this -- you know, to win the election to hold this seat and to represent District 6 was roads. Roads, roads, roads; that’s all I heard about in Piedmont and Powdersville. That’s what I came down here to try to figure out, why and what we could do about improving those roads.

Upon going through countless spreadsheets with Ms. Davis through the budget process, as well as looking into this road fee, one of the things that we learned about was when you talk about road fee, you have to spend it on asphalt and culvert work and bridges and pipe. It can’t even go to pay the wages of the guy that’s driving the roller machine or the paving machine. It has to go to road paving. It goes to paving the road in front of your house if you live on a county road.

I have said for quite sometime since we started this process that I do not believe that millage is the answer to paving roads because it gets into too big of a pot of money. It gets into the general fund that can be moved around to so many different places. And we just don’t get the bang for our buck. What I like about a road fee is it’s going to paving. And it’s reportable and auditable. And the only way that I would support it, and I think everybody up here in agreement is that we do report it and we do show you that we’re auditing, and we do show you the projects that need to be worked on. The scientific method that our roads and bridges department goes through I believe is called Cartograph. And we can tell you in advance what roads we’re going to hit next. But spending two million dollars a year, if we’re lucky, to pave roads in the county that has fifteen hundred and thirty-five miles of road is absolutely a waste of time almost. At a cost -- at a rising cost of close to two hundred thousand dollars a mile to pave a road, that’s just simple resurfacing.

Some of you may not know this, but I’m an employer. And one of the biggest challenges that we face in today’s modern age is to hire good people. Well, these paving companies, right now there’s over four hundred paving jobs available. Four hundred paving jobs. These companies can’t even hire enough people to -- what are they doing? They’re picking and choosing the
jobs. The cost of paving is going up. It’s supply and demand. And so we’ve got more areas to struggle with on paving roads than just trying to figure out how much money we can get. There’s a struggle too trying to find the people to do the work. So the cost of paving is going up. Our roads are continuing to degrade. We’ve got to find a way to put money in there that it can’t be moved anywhere else. It can’t be put under the magic coconut shells and moved around. It’s got to go to paving. And this is the way that we can do it. Do any of us like paying more? No. But we’ve got to do something about our infrastructure on our roads. And I thank you, Mr. Chair.

TOMMY DUNN: Thank you. Anyone else?

MS. FLOYD: I have a question of ---

TOMMY DUNN: Mr. Burns? Mr. Burns.

GRACIE FLOYD: Two, three, maybe four years ago we did a special thing where we took money out of the general fund -- we took a million dollars from somewhere and was for road fees or road work. What happened to that money?

RUSTY BURNS: Ms. Floyd, I’m not sure what you’re talking about.

GRACIE FLOYD: Just think about it a little bit. I think Mr. Dunn was the one who made the motion that we take ---

CINDY WILSON: It came out of contingent or fund balance?

GRACIE FLOYD: Wait a minute. --- that we take some money out of the road fund -- I mean out of the fund balance and put it aside for the road stuff. Do you remember that?

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: You remember now?

RUSTY BURNS: I do.

GRACIE FLOYD: So what happened to that money?

RUSTY BURNS: We spent it on paving.

GRACIE FLOYD: All of it is gone?

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: All right.

RUSTY BURNS: We just recently put out a 2.2 million dollar paving contract.

GRACIE FLOYD: Okay. All right. I will check back. I’ll check back, Mr. Burns, because there is some misinformation out there because I was told that the money hadn’t been touched yet. So I will go back to my person and let’s see what’s going on here.

RUSTY BURNS: Okay.
GRACIE FLOYD: Okay. Good. Thank you.

TOMMY DUNN: Ms. Wilson.

CINDY WILSON: It's my understanding that those contracts were let, what was it, last spring and now the paving is being done that involved that pot of money. There was no money in this year's budget for district paving. A lot of my constituents were concerned because they thought the gas tax money was going to provide funding for county roads, and that's not true. The C-fund money will increase slightly. But still the majority must be spent on state roads.

So we're still in a quandary. Having my form of PTSD from the previous regime, when I saw this in title only I came in prepared to vote against this situation tonight. But I talked with our chairman coming in. I thought we were going to get the rush job like we used to get and not have a full discussion. And from his description, we will be having continued town hall meetings.

My constituents in District 7 had requested a meeting this previous weekend and we'll set that up soon. But there has to be a meeting with all of our council members and, of course, the public invited, too, to hash out all the pros and cons before a proposed ordinance is even put up for consideration. I still feel like there's funds in our budget that can be re-prioritized. This year is the first budget I voted approving in I guess about ten, twelve years.

GRACIE FLOYD: Twenty.

CINDY WILSON: And that was because we made a lot of adjustments. Mr. Sanders got in, a welcome addition to our council, he reviewed a lot of our permitting costs which I had not looked at since the great depression that we went through. The study came back that all the counties around us were charging a whole lot more, so we've increased those fees up to level of the surrounding counties.

Also, the driveway apron budget which is in the roads and bridges budget is about three hundred and seventy-five thousand, I believe, and that funding is now in a situation where developers have to pay for their own aprons instead of the county taxpayers. But if you citizens have a driveway apron that needs to be repaired or one put in for you, that's still covered. So that allowed the county budget not to increase our levy this year. And that was very, very heartening to know that. There's still more that needs to be done, but still in all no paving to speak of has been done except in this year's budget between C-fund money and the money that we put forward in last year's budget.
that's now being paved. From 2003 until most of this
council was seated in 2009, there had been no paving in
Anderson County. Our funds were being used for, shall
I say, wine, women and song, by the previous
administrator. The funding -- this county got fleeced
out of about a quarter of a billion dollars from deals
that were done. And you can do the math in your own
mind and know where this came from. Our landfill was
given away for two million dollars; no public
competitive bidding. Mr. Daniel, who did the forensic
audit on what could be found of the contract -- we
still don’t have a completed, executed contract -- it
was kicking off, according to public documentation ten
to thirteen million a year for the group that bought
it. The Civic Center property was given away, same
thing, no public competitive bidding, and sold for like
three hundred and sixty-five thousand. It was worth
about four million. Those people flipped it three
months later for three and a half million.

Y'all it’s hard to overcome that kind of tyranny
that we have had to work through. But the good thing
is, our county, in spite of that baggage and the
recession, we came out, according to the Wall Street
Journal, one of the top ten counties in the nation for
economic development. That can only be attributed to
the good citizens of this county and the county staff
and the county council working so hard together with
industries and learning institutions to turn this ship
around.

So, no, we’re not perfect yet, but we’ve surely
come a long ways and we still have a ways to go. But I
will never vote for anything that I don’t feel like we
have our county citizens and all of us pulling together
and in agreement on. I will vote for this in title
only tonight, but there will be lots more coming. And
we do desperately want your input and your
participation with us. Thank you.

TOMMY DUNN: Thank you, Ms. Wilson.
Anyone else? Mr. Graham and then go to you, Ms. Floyd.
Mr. Graham.

RAY GRAHAM: Thank you, Mr. Chairman.
Just a couple of things. I definitely want to commend
each council member for all the district meetings that
we’ve had concerning this. Since I’ve been on council,
this has probably been one of the most widely spoken-
about topics that we’ve had. And in doing so, it’s
also been the most engaging as far as with our
citizens. I’ll be honest with you. I still have
questions. People in my district still has multiple
questions concerning this. One thing that I have
learned through this process is I think every one that I’ve spoken with agrees; we have issues with our roads. The question is how do we fix them? How do we cover that cost?

So, you know, with that being said, we definitely have a lot of ways to go on this. I am willing to support this tonight. My only thing -- request to my fellow council members would be in between readings of two and three, the second and third readings is that we have enough time to get back out in our district. During these meetings that we’ve had, we have shared so much information. We have gotten so much information. We have got so much -- many comments from citizens, anywhere from just your average Joe, your local farmer, to you know, people that’s been in business their entire lives, local businesses, corporate businesses. I mean we have talked to all levels of education. Everybody has some input. A lot of great ideas have been shared.

Doing this as title only, this is nothing more than a process for us to get it started. I don’t think no council member up here is willing to pass this as far as the final reading in title only. We can’t do that. So there’s a lot of information that we’ve got to still, just among ourselves, talk it out. I look forward to meeting on that second reading and determine, you know, what is the final suggestion as far as to moving forward with. What are we going to do as far as allowing some breaks on some individuals, some we’re not. What is the answer there? There’s a lot of questions unanswered for us to move forward and say, well, this is the third reading, guys, let’s vote on it. I think we’re a ways from that. But I think we’re strongly working hard on getting toward that point. At that point, I mean I hope each and every one is going to vote at the end of the day what’s best for our district. We all realize we’ve got issues with our roads. We’ve go to make a stand and determine what’s our best option for Anderson County. Not for myself, not for individuals that’s in my district, but the entire Anderson County, our entire districts.

We’ve got a lot of information that we’ve still got to gather. I’m definitely planning on still having meetings in District 3 as we kind of, I guess, solidify some of these questions that’s really unanswered right now. You know, what are some of the things that we’re going to do? What’s going to be included on this? And in doing so, I want to go back and share it with my citizens. That’s what they’ve all asked for; you know, what are we going to support, what are we moving
forward with?
Again, everybody realizes we’ve got issues with our roads. Everybody realizes we’ve got to take a stand and do something about it. But we have not nailed that final thing as far as this is the correct—all, this is what we need to lean toward, this is what we need to move forward with. We’ve still working at it. Again, I mean I commend our council members. Each and every one of us, I guarantee you, when it comes to this road topic there’s things that every one of us agrees on and there’s things that there’s probably only one or two that agrees on. But we’re going to have to somehow come together and determine what’s best for Anderson County and what do we need to move forward on? Do we need to scrap this and go to something else? I don’t know. If we do scrap it and go to something else, we’d better be willing to pick something else up. Because we can’t just keep punching this ball down the road and hoping the state is going to come in and fix our roads or Joe Blow down the street is going to come in and give us a lot of money to fix our roads. That’s not going to happen.
We’re not going to save this kind of money in a budget. We’re not going to raise this type of millage in a budget. So again, we’ve got to somehow figure out what is the answer, how do we move forward and make the best decision? I’m looking forward to that. I mean it’s probably one of the toughest decisions that we’ve came up with as far as since I’ve been on council. But we’ve got to make that decision.
Again, Mr. Chairman, I just hope that between the second and third reading that we will allow ourselves time to get back in our community. But again, I appreciate what everybody has done on this. I know it’s been a lot of late nights at community meetings. Look forward to hopefully coming up with a decision on what’s best.

TOMMY DUNN: Along those lines, not only before second reading we’re going to have — council is going to have workshop, not to vote on nothing, but to put the nuts and bolts together on something.

Ms. Floyd.

GRACIE FLOYD: Okay. Thank you. The only thing I wanted to say was that District 2 have not had a community -- full community meeting. We have had community meetings of spot in the district and we have had community meetings with all the leaders. So please look out for District 2's community meeting.

Now, I understand that some of the community meetings were well attended. Some of them were not.
So I don’t know how well we’re getting the news out, but I didn’t -- I was hoping that they would wait until we had all of the meetings done before they brought it -- because it’s not ready to be voted for yet. Okay. And I think our biggest -- the biggest thing we’ve done this year is stuff that was -- really people were talking about was the budget this year. Uh-huh (affirmative). We’ve still proud of what happened to the budget, and they were talking about it. And I thank you.

TOMMY DUNN: Thank you, Ms. Floyd.

Mr. Sanders.

BRETT SANDERS: Mr. Chairman, I would just like to say that -- and commend all the council members, the community meetings we had. Not only have I attended the ones in my district. I’ve went to everyone’s meetings. I think I missed one. I was out of town. I understand some of the comments looking in the budget. I think that needs to continue. But also I would love to see, and it has been discussed but nothing’s in concrete, a four-year sunset clause. And if people look at it from an investment point of view, say you have four cars, you’re talking twenty-seven cents a day to get sixteen million dollars worth of paving over four years. And we’re talking paving outside your window, as Councilman Davis said. I think I heard someone mention about the state. I’ve reached out to not only my state representative but state representatives in every district and asked for help. It’s a problem that’s going to have to be addressed. It is a problem that everything else is status quo. We’re working, we’re looking, we’re trying. I think our budget this past year is a fine example of thinking outside the box, looking for new alternatives, looking for new ways. But we’ve got to do something. These roads, they’re rated, and we can keep -- this four million dollars per year will allow us to keep some of these roads that’s in the hundred thousand dollar, a hundred fifty, two hundred thousand mile maintenance versus five hundred thousand. And I would love to see a four-year sunset clause to where we can actually look, come back to the people and say, hey, this is working, this is not working, this needs to be adjusted. But as of right now I’m not ready to vote on a road fee, but I support title only and I look forward to working with council members. I heard a lot of people complain. I think I’ve seen two people that were actually attending the meetings. Check out the county website, attend the meetings. I think the majority of meetings I’ve been to, everyone comes in,
just like I would have, oh, I’m against this tax. And as things get explained and clarified and a better understanding of what’s going on at our state levels, people -- I don’t want to say -- they understand that there is an issue and we have a serious issue that’s growing exponentially and it’s going to have to be addressed. I hope we can all get together and work something out to help the citizens of Anderson. Thank you, sir.

TOMMY DUNN: Thank you. Anyone else?

CRAIG WOOTEN: I think from my standpoint, you know, just bringing commentary on this, I think so much of life as I get older is timing. I joke sometimes if I had proposed to my wife a month earlier or a month later she would probably say no. But I caught her at the right time. That’s what gives me reservations about this is because I represent a lot of the city and, you know, within this time frame we have been hit with an increased Duke Energy; we have been hit with increased sewer rates, increased water rates, increased sales tax. And so in saying that, it’s not lost on me that there’s a cumulative effect no matter what government entity it comes from. And that should definitely be recognized in a citizen, but using the same determination of timing, with every passing second or minute, day, year, our roads get worse. And we will have to engage on them at some point. And at every juncture that you engage that’s not today then the cost rises exponentially and you’re playing a game of sort of cake walk or hot potato.

And so I don’t think that we can ignore the problem and not continue the debate on it. I would say from the state’s perspective, I understand what some citizen said earlier, I don’t understand all the nuances of what’s available to us. I know we are constantly advocating for, you know, issues here on the ground and we’re communicating to the state. But I also realize that the state is allocating scarce resources among competing ends and they have things that they have to make decisions on that are outside of our purview. So any way that we can continue that conversation, I mean, I think that is, bar none, something that would be good for us. And having said that, I guess we have to acknowledge that there is a road problem. But, you know, in doing so we also have to acknowledge all the other factors that are in place.

So I do commend my fellow council members. I don’t think any issue has been talked about more or more in depth with citizens than this issue has and the willingness to get feedback across district lines is
what we’re elected to do, is listen to the people. So
I appreciate the time.
TOMMY DUNN: Thank you. All in favor of
the motion show of hands. All opposed. In favor Mr.
Davis, Mr. Sanders, Mr. Dunn, Mr. Graham, Ms. Wilson.
Opposed? Did I call for opposed? You oppose? Craig,
you oppose? Show Ms. Floyd and Mr. Wooten opposed.
Moving on to item number (c), be 8(c), 2019-044, an
ordinance authorizing the execution and delivery of a
fee in lieu of tax and incentive agreement by and
between Anderson County, South Carolina and a company
identified for the time being as Project Augustus, with
respect to certain economic development property to be
located at one or more locations in the county, whereby
such property will be subject to certain payments in
lieu of taxes, Project Augustus.
Do we have a motion to put this on the floor?
CINDY WILSON: So moved.
TOMMY DUNN: Motion Ms. Wilson. Do we
have a second? Second Mr. Graham. Mr. Nelson, do you
want to ---
BURRISS NELSON: Thank you, Mr. Chairman,
members of council, this again is much like the project
we had several months ago. A development company has
come to Anderson. They’ve bought land. They’re going
to build with their own money buildings that are for
warehouse or industrial projects, anywhere from a
hundred thousand to two hundred thousand. They’ve
simply asked us to discount the property tax for the
first couple of years to give them a chance to recoup a
little bit of their money in the investment of sewer,
water lines and in paving that they’ll have to do from
state and county roads.
This is the best of all worlds, especially when
you’re using other people’s money for the development
side. It’s a multi-county industrial -- it’s a fee in
lieu of taxes infrastructure credit and it’s eighty-five
percent SSRC for the first five years; thirty-five
percent for the years following. Taxes on the property
that they’re choosing this year is sixty dollars and
five cents. Six zero point zero five. And the 2021
projected taxes, twenty-eight thousand three hundred
and thirty-nine dollars, and that’s just for building
one. And over thirty years property tax, three million
two hundred and eleven dollars -- two hundred and
eleven thousand dollars seven hundred and twenty
dollars.
But anyhow that comes to council as a
recommendation from staff and from the Economic
Development Advisory Board.
TOMMY DUNN: Do we have anymore discussion? Ms. Wilson.

CINDY WILSON: Mr. Chairman, I will vote for this first reading tonight, but Mr. Nelson is getting me some more information. There were a few items that I had some questions about. Thank you.

TOMMY DUNN: Anyone else? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

If there’s no objection we’re going to take about a five-minute break.

BREAK

TOMMY DUNN: ... 2019-045, an ordinance to approve a ground lease by and between Anderson County, South Carolina and Tri-County Technical College for the site at the Anderson Regional Airport for heavy equipment operator training and for a site at the TTI Pearman Dairy Road facility for a lineman training school. And I believe we’ve already had an agreement for them using the place at the airport now for some time. Mr. Burns.

RUSTY BURNS: The place at the airport for some time is an ongoing request. And then on a piece of land that we will not be using, they will conduct a lineman training school on the old TTI site on Highway 28.

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: Is this where we were going to put that department?

RUSTY BURNS: This is raw land way over to the side. It does not affect anything that the county is going to do.

GRACIE FLOYD: Okay. Let me understand now. Let me understand. This is Tri-County Tech?

RUSTY BURNS: Tri-County Tech ---

GRACIE FLOYD: And they’re going to come to the airport first?

RUSTY BURNS: They have been at the airport for some time using land that is on the airport and they use it for heavy equipment training.

GRACIE FLOYD: Okay. That’s where a couple of years ago we were going to use that for the Caterpillar thing.

RUSTY BURNS: That’s what -- they’re still using it.

GRACIE FLOYD: Okay. But not for Caterpillar, though, because they didn’t come?

RUSTY BURNS: No, not Caterpillar, but they’re using it for that.

GRACIE FLOYD: But now Tri-County Tech
wants to go up there where we’re going in the old Ryobi building?

RUSTY BURNS: They want to go on that property on a piece of land. Basically what they’re going to do is they’re going to put up some poles to teach people how to climb poles to be linemen.

GRACIE FLOYD: Okay. All right. And they could use that up at the Tri-County building -- I mean up there in Pendleton to do it?

RUSTY BURNS: No, ma’am. They requested that they use that site.

GRACIE FLOYD: Are they paying us anything for it?

RUSTY BURNS: No, ma’am.

GRACIE FLOYD: Are we paying them anything?

RUSTY BURNS: No, ma’am.

GRACIE FLOYD: We ought to get something out of it. When that building was given to the county, one of the ideas was that we would have training for citizens in Anderson County at that facility.

GRACIE FLOYD: But Ryobi gave us the building; isn’t that correct?

RUSTY BURNS: Ryobi gave us the building. It was purchased using state funds, so it’s our building.

GRACIE FLOYD: Okay. I’m not -- we’ll talk.

BRETT SANDERS: Mr. Chairman?

TOMMY DUNN: Mr. Sanders, if Ms. Floyd is through?

GRACIE FLOYD: Yes, I am. Thank you.

TOMMY DUNN: Yeah, Mr. Sanders.

BRETT SANDERS: Mr. Burns, we’ve actually negotiated a lease with them on using part of that and that came in under that lease that we did with them.

RUSTY BURNS: That’s originally, and there’s no cost. But as you well know, since you’re chairman of that committee, they’re looking to locate an asphalt lab out at that same facility that serves the whole state of South Carolina and also provides that training. They will be paying market rate on that facility, but that will be inside the building. But we’re talking now if you were looking at the Ryobi building straight, if you look way off to the side on land that is completely worthless, all they want to do is put up some poles to teach people how to climb poles.
BRETT SANDERS: And that was sort of a caveat to the lease that we done -- I thought we said, hey, you’re leasing this, we’ll allow you to use this useless property down here ——

RUSTY BURNS: You’re right; yes, sir.

BRETT SANDERS: --- in the blood plain to do your line training?

RUSTY BURNS: Yes, sir.

BRETT SANDERS: Okay. Thank you.

CINDY WILSON: May I, Mr. Chairman?

TOMMY DUNN: Yes, ma’am, Ms. Wilson.

CINDY WILSON: I would like to see this sketched off on an aerial. But it was interesting, I think earlier last week or maybe this week there was an article in the Wall Street Journal about the shortage of linemen.

RUSTY BURNS: A big shortage.

CINDY WILSON: They’re trying to recruit women now. And on the termination, let’s see, this is a ground lease that runs from 1 August 2019 to 31 July 2024, so it’s like a five-year lease. And we have termination capabilities if we have higher and better uses of those properties.

RUSTY BURNS: Yes, ma’am.

CINDY WILSON: Thank you.

RAY GRAHAM: Mr. Chairman?

TOMMY DUNN: Mr. Graham.

RAY GRAHAM: This is nothing more than basically continuing moving forward with a partnership that we’ve had for years.

RUSTY BURNS: That we’ve had for years with Tri-County Tech. There’s a shortage, as you know, as every member of council knows, getting people to work in the asphalt and paving industry. It’s a severe shortage. This is an opportunity that Tri-County uses to train these individuals, Anderson County individuals. The same thing with the lineman school, as Ms. Wilson just eluded to, there is a shortage in the United States of America not having enough linemen to do the work that’s necessary. And so if they can train Anderson County people here in Anderson County on that property which is in essence useless property and the only thing it’s good for is to put a pole up there, I would think that would be a win-win for us.

RAY GRAHAM: Well, something else is we -- correct me if I’m wrong -- but we would not be fortunate enough to have the growth that we currently have with economic development which affects our local sheriff’s department, our fire department, our local communities, our tax base, everything we’re doing, we
would not have the growth with this economic
development without the partnership with Tri-County
Tech stepping up and ensuring these people has the
proper training and everything else. That is our ace
in the hole on the majority of growth that we have.
RUSTY BURNS: They go hand-in-glove with
Tri-County Tech. Ninety percent of the time after
we’ve made initial contact, the next question is, who’s
going to train our workers? Where are they going to
get these skills? Tri-County Tech will go with us to
those meetings, they will set up special training for
training those people. They just had the first class
for Arthrex up at the new training facility up in Sandy
Springs. Those people are already working in that
plant making a product, not for sale, but making the
product, learning how to do the process. So everything
we do, we usually do with Tri-County Tech.
RAY GRAHAM: I just want to commend
Councilman Sanders and the committee for not only
finding a use for land that really had no value to us,
but we are getting a true value on this. Again, we’re
growing our partnership. But definitely a great job to
the committee on what they’ve done with this and look
forward to continued opportunities with Tri-County.
RUSTY BURNS: Yes, sir.
TOMMY DUNN: All in favor of the motion
show of hands. Opposed like sign. Show the motion
carries unanimously.
Moving on to item number 8(c), 2019-046, an
ordinance to approve an amendment to the fee in lieu of
tax agreement and infrastructure finance agreement
between Anderson County, South Carolina and Ortec, Inc.
so as to add the town of Pendleton as a party to the
agreements. Do we have a motion to put this on the
floor?
CINDY WILSON: So moved.
BRETT SANDERS: Second.
TOMMY DUNN: Motion by Ms. Wilson;
second by Mr. Sanders. Mr. Nelson.
BURRISS NELSON: Mr. Chairman, members of
council, thank you for allowing me to present.
This is merely the Ortec project, Projects Smokey
and Rocky, which total over forty million dollars in
capital investment. They’re in the old Westinghouse
Isola building. They bought that building and put the
manufacturing facility in there creating over a hundred
jobs. Payroll, their average pay is twenty-two dollars
an hour. Average annual salary is over four million
dollars. To be able to continue their operation, they
needed additional sewer and water service and they
annexed into the city of Pendleton. And of course, that adds on the Pendleton millage rate to the project. So it increased their millage. This discounts the property tax for that to even that up a little bit so they’re not paying quite as much as they were in the past, would have, if it just stayed in the county. So it’s an opportunity for them to be able to get additional infrastructure and put them together with the town of Pendleton and additionally to assist Pendleton in their tax base.

BRETT SANDERS: Mr. Chairman?

TOMMY DUNN: Yes, sir.

BRETT SANDERS: Mr. Nelson, this was actually an old Brownfield site; right?

BURRISS NELSON: Yes, sir.

BRETT SANDERS: So it’s a perfect example of utilizing and making use of a Brownfield site?

BURRISS NELSON: Yes, sir. It has some issues, but they’re working on cleaning it up. I believe they have a BCC.

BRETT SANDERS: Thank you. Appreciate what you do.

GRACIE FLOYD: Mr. Chairman?

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: Mr. Nelson, Burriss, I have sixty jobs. Did I miswrite it down? You told me they were going to increase it to sixty jobs.

BURRISS NELSON: Well, they had forty that they had from Project Smokey, the original project. That was about a twenty million dollar capital investment. They continued to expand it another twenty million, adding additional employees. They’re over the hundred and five total jobs now.

GRACIE FLOYD: But they got sixty jobs, that’s what it is?

BURRISS NELSON: Originally. That was the original project. There’s two projects. They’ve just kept expanding and growing on the same site.

GRACIE FLOYD: Okay.

TOMMY DUNN: Is that it? Keep in mind all we’re doing is just adding Pendleton to this agreement, from my understanding, the town of Pendleton.

BURRISS NELSON: Yes, sir.

TOMMY DUNN: All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Now we’ll be moving on to item number 9(a), 2019-036, a resolution authorizing, under certain conditions, the execution and delivery by Anderson
County, South Carolina of a fee in lieu of tax and
incentive agreement with a company identified for the
time being as Project Augustus with respect to
commercial and/or industrial projects to be located at
one or more locations in the county, whereby the
project would be subject to payment of certain fees in
lieu of taxes and the provision of certain special
source revenue credits; and providing for related
matters. This, along with the project we just vote on,
two or three votes ago. Do we have a motion to move
this forward?

JIMMY DAVIS: So moved.
CINDY WILSON: So moved.
TOMMY DUNN: Motion Mr. Davis; second by
Ms. Wilson. Mr. Nelson, do you want to comment on
this?
BURRISS NELSON: Nothing other than you’re
correct, sir, that’s the companion piece to 2019-044 at
8(c), item 8(c). Thank you, sir.

TOMMY DUNN: Any discussion? All in
favor of the motion show of hands. Opposed like sign.
Show the motion carries unanimously.

Now moving on to 9(b), 2019-037, a resolution to
certify the Old Isola Laminate Systems Property at 500
Westinghouse Drive in Anderson County, South Carolina
as an abandoned building site. Do we have a motion to
move this forward?
CINDY WILSON: So moved.
TOMMY DUNN: Motion Ms. Wilson. Do we
have a second?
CRAIG WOOTEN: Second.
TOMMY DUNN: Second Mr. Wooten. Mr.
Nelson, do you want to say anything?
BURRISS NELSON: Mr. Chairman, members of
council, thank you for giving me the opportunity to
explain. Ortec took the — has purchased what was in
the beginning the Westinghouse facility, later became
Isola, then was abandoned and empty for ten or eleven
years with nothing there. They bought the building and
began some repairs. Because it was an abandoned
building, nothing there, they actually have a fully
functional and operating business in there, they’re
allowed to apply for this abandoned building credit.
And it’s a credit against their corporate income tax.

By this resolution we merely say that they are a
company in good standing, hiring people, making capital
investment, and they have certainly paid their property
tax. So this is an opportunity for them to get a
little bit of additional income in the house. And it’s
nothing to do with the county other than we’re just
saying they’re a good company and they’re operating.
TOMMY DUNN: Any discussion? All in favor of the motion show of hands. Opposed like sign.
Show the motion carries unanimously.
BURRISS NELSON: Thank you, sir. Thank you for your support.
TOMMY DUNN: Thank you.
Moving on to item number 10, bid approvals. This will be bid number 20-004, the Chris Taylor Park improvements. This was put in the budget, voted on and passed, and this was put out for bids. Ms. Davis, do you want to add anything to this?
RITA DAVIS: I would like to point out that this is a furtherance of the projects that Mr. Wooten’s Park & Rec Ad Hoc Committee (mic cutting out) money was set aside, accommodations fee (mic cutting out) and council voted to do those projects and we’re just (mic cutting out).
TOMMY DUNN: Thank you. Do we have a motion to move this forward?
CRAIG WOOTEN: So moved.
TOMMY DUNN: Motion Mr. Wooten. Do we have a second? Second Mr. Sanders. Any discussion?
CRAIG WOOTEN: Just for clarification, this is ATAX money which comes from outside the county in the form of revenue for people staying in hotels. So this is a positive thing that allows us to upgrade our parks for our children and our people to use.
TOMMY DUNN: All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.
Moving on to item number 11, Capital, this was voter registration and elections. This is -- we’ve all seen this. This is a place to help them store their equipment, get it to site and back to site in secure manner, what needs to be done. Ms. Wilson -- I’m sorry -- Ms. Davis, do you have anything you want to add?
RITA DAVIS: I would just like to say that we’ve put up to two hundred and fifty in contingency just because when the state had advised that we were getting new voting registration equipment, it’s here and so these carts will be able to -- actually it’s taller than me, which isn’t saying much, but you can put the actual apparatus where the ballots go into, this is for security purposes. The voting machines that fit that you walk up and vote on will be in there. All the items that the poll workers will need in their bags will be in this cart. And also there are seven partitions so that you can vote securely will be in there. So we’re asking council for
seventy-nine of these. These are our polling
precincts. So it is in the budget. The Department of
Homeland Security has approved these. I will point out
that the State Election Commission has negotiated and
it’s ten thousand dollars less than what they
originally had advised, print elect, the original quote
and so it’ll be Sole Source to them. And so this will
just ensure that each one of these polling locations
that the items are stored and secured and deployed in
an organized manner so that items aren’t left out
whenever -- because next Mr. Burns has to address how
are we going to get these to the polling locations?
Heretofore, poll workers and poll managers would just
come get their equipment. But these are so large that
this will facilitate the deployment of the necessary
equipment to the polling locations.

TOMMY DUNN: Do we have a motion to move
this forward?

CINDY WILSON: So moved.

TOMMY DUNN: Motion Ms. Wilson. Second
by Mr. Davis. Now discussion?

GRACIE FLOYD: Yes.

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: All right. Mr. Burns,
remember that I called you over the weekend and when
you called me back I couldn’t remember.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: That’s what it was I wanted
to talk to you about.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: I saw the information when
it came to my house on Friday, but I was astounded by
the prices of them. They’re the most inexpensive
things that we can get?

RUSTY BURNS: Those are the ones that
have been approved by everybody, Homeland Security,
State Election Commission; they did the negotiation on
the purchase price. We budgeted, off the top of my
head, two hundred and twenty-five thousand, I think,
that Rita just stated, and I think we’re coming in
about half of that, Rita?

RITA DAVIS: Yes, sir, less.

RUSTY BURNS: Less than that. And so
this is money that council voted to put in the budget.
It just turns out to be only half as much as we needed.
GRACIE FLOYD: Okay. All right. So I
guess it turned out -- but gosh, when I saw the prices
of them. We’re getting how many of them?

RITA DAVIS: Seventy-nine.

GRACIE FLOYD: Yes.
RUSTY BURNS: For each polling place.

RITA DAVIS: And they're huge.

GRACIE FLOYD: Well, we shall see. Thank you.

TOMMY DUNN: Anyone else? I just want to point out, somebody made a statement earlier tonight about so-called we save about state mandates. This is another prime example right here, state mandate. It's greatly needed. It ain't our people in Anderson County's fault, but that is a thing. Just keep on and on and on. More to come, we want good, safe, honest elections, and this is going to make it easier on our voter registration people, I think, to keep up with this. And they've worked out a good thing to store them and all, but it's just another one of these things mandated and they don't send a check with it. It ain't just something we just make up in our minds.

CINDY WILSON: It'll be really good to see how that paper ballot prints out. I'd like to see how all that process works. Thank you.

TOMMY DUNN: All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Moving on, approval of certification of the 2019 tax levy to county auditor. This is what we do every year. Mr. Hunter has asked for this. Hasn't changed. Same thing. Be no tax increase. So do we have a motion to move this forward?

JIMMY DAVIS: So moved.

TOMMY DUNN: Motion Mr. Davis; second Mr. Graham. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

If there's no objections, and this is in District 1, we've got three road, Bronson Ridge, Bronson Road and Greer Farm Lane. Mr. Burns, all of these has been recommended by our road department and met all our standards. Do we have a motion to move all three of these roads into our system?

CRAIG WOOTEN: So moved.

TOMMY DUNN: Motion Mr. Wooten. Do we have a second?

CINDY WILSON: Second.

TOMMY DUNN: Second Ms. Wilson. Any discussion? All in favor of the motion show of hands. Opposed like sign. You approve this, Ms. Floyd?

GRACIE FLOYD: I raised my hand.

TOMMY DUNN: Okay. I'm sorry.

Show the motion carries unanimously.

Now moving on to item number 14, a report from the
Ray Graham: Thank you, Mr. Chairman.

First of all, on August 30th at the Public Safety Meeting, item number 3 was for radio fees for Belton, Honea Path and Williamston. It really is not a fee. It's actually basically a request from Williamston, I think was one radio; from Honea Path, I think was four radios, and for Belton, I think was two, if I remember correctly. This is a common practice with Mark Williamson basically renegotiating the contract with Pal 8. Actually this time when we come to council, it comes at no cost to us because he done a great job as far as renegotiating that contract. So basically this is nothing more than a proper procedure to ensure that we give radio communications to go ahead to move forward as far as cutting these radios on for these municipalities. This does come forth in a recommendation from Public Safety. And Mr. Chairman, I'd ask full council for support.

Tommy Dunn: Doesn't need a second coming from committee. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Moving on.

Ray Graham: Thank you, Mr. Chairman.

Next thing on the list was the inmate healthcare services. Major Vaughan, if you could step forward I'm sure you can probably explain some of this a little bit more. As he's coming forward basically we're looking at redoing the contractual agreement that provides healthcare to our inmates. And one thing, with our recommendation, that I definitely want to share with full council is the sheriff and his staff has basically been able to come up with the money that this is going to cost through their budget. So with that being said, again this is something that's needed, something as far as moving the detention facility forward, especially with CJCC as far as providing proper care. This is basically putting us in place to where we need to be as far as the future.

Major Vaughan, if you want to go ahead and explain what you've got as far as your bids and what you're looking at doing with this.

Major Vaughan: Absolutely.

Tommy Dunn: And before he gets started, I think all this is is just a question and asking to go negotiate with this company.

Major Vaughan: Absolutely. We're not asking for any contracts. We don't even have any
contract sitting before us now. As a part of the RFQ that we began back in May, RFQ’s came back that were scored. The company that ranked number one, the one that we’re actually trying to negotiate with now. However, the reason why we’re before council now is because that price tag and what’s (not speaking in mic or mic cutting out) this year is greater. So that was the only thing that we were asking permission to go forward with the number one. If not we have the number two that we can (mic cutting out) if negotiations does not work.

TOMMY DUNN: But y’all feel very strongly this is the way to go and your team scored this, this is the team. And in the long run it’s not going to be much money difference but more of service.

MAJOR VAUGHAN: Absolutely. With the services that this company is trying to provide us, we’re looking basically at a forty-four thousand dollar difference, what they’re providing us and we currently have. It’s not an amount, like Councilman Graham said, that the sheriff’s in full support of going forward with no negotiations. We’re not writing any contract right now. We’ll have to come back before the council just to go forward and have talks.

TOMMY DUNN: This coming from a committee, it doesn’t need a second. Now open the floor for discussion and questions. Mr. Sanders?

BRETT SANDERS: Yeah, with that difference there’s also a lot of intangibles that it’s hard to quantify, too.

MAJOR VAUGHAN: Absolutely. The increased amount of staff that they’re willing -- they’ve done an analysis with the difference in our average daily population from the contract we have now, they’ve actually done an analysis based on four hundred and twelve inmates in our facility. As of our average population this month, we’re at four oh nine. So they’re more in line with that, whereas our contract currently is for three seventy-five. So any inmate that we have in our facility over three seventy-five currently, we have to pay additional charges. Other intangibles that you brought up is CEO actually does the training for their medical staff. Strongly requires, very strong on his -- while we were talking to him -- having our detention staff there, our leaders, our shift supervisors and our booking officers be a part of the training. Also that’s something I can’t quantify because I don’t know the dollar amount that you would put on that. This company also has a ninety-eight percent retention. That’s a good thing.
And with the increase of the staffing that we have there, I don’t know how I could quantify whether additional staffing there is going to allow officers to bring individuals in our facility and not send them out to the ER.

So another big thing is that’s going to increase our overtime. And one thing that they’ve actually listed in their proposal is having psychiatry four hours a week as part of our mental health initiative as far as the Criminal Justice Coordinating Committee.

RAY GRAHAM: Thank you, Major Vaughan.

TOMMY DUNN: Anyone else?

CINDY WILSON: May I ask a quick question?

TOMMY DUNN: Ms. Wilson.

CINDY WILSON: I know this is a very complicated area to work through. But is it feasible to look at going back to a similar model that we were using before we had an outside carrier come in where we had staff and in-house people to monitor the health out at the jail?

MAJOR VAUGHAN: That was before the position I’m in now. We’ve had a contract with outside independent contracting for medical since 2013. We’re big on doing our due diligence, going through and looking at these contract a little bit more frequently. Since I’ve been involved with the detention center since 2017, I started going down that road and I’ve had a lot of help from our detention staff. So I can’t a hundred percent answer that question (mic cutting out) with respect to the liability. Going back with our own places all the liability back on the county.

CINDY WILSON: Well, it does kind of spread it a little bit with an outside entity. But we’re still in the chain of title, so to speak. They’ll come after us, too, if any mistakes are made.

Thank you.

RAY GRAHAM: Mr. Chairman?

TOMMY DUNN: Mr. Graham.

RAY GRAHAM: Just to kind of help answer some of that. Ms. Wilson some of the biggest things is there’s so many regulations now. And when you look at malpractice and everything else as far as on the doctor’s standpoint. And plus, you know, again the liability that it would put on the county. You know, some things are left best separated. And in having an outside contractor, per se, doing this, in my opinion it takes the ball out of their court as far as saying, well, this inmate needs to go to the hospital or they don’t need to go to the hospital. There’s no rhyme or reason for them to say yes or no. It puts it out into
outside contractor. That liability in itself is
tremendous. Not saying that our guys would do
something like that, but you can bet your tail they’re
going to -- if something happened, some attorney is
going to step up and say, well, they didn’t send that
individual to the hospital because. And I mean doing a
separate contract, that kind of removes that liability,
as well.

So there’s several different things. I know they
have looked at -- they have been looking at this quite
a bit trying to determine what is the best direction.
It goes back looking at the CJCC, all the work and
effort that Anderson County has put in that. This
literally is following right in suit as far as what the
recommendations for that is. Moving that forward,
advancing to basically reduce recidivism, reduce some
of the issues where patients with some type of mental
health issues as far as coming back and forth in the
hospital -- I mean to the jail. Literally I mean it’s
a revolving door almost. And providing this different
level of care is hopefully going to prepare us to
reduce that, as well, and give us better -- basically
get these patients -- or these inmates back into the
community and be a law abiding citizen, hopefully,
through the proper care.

TOMMY DUNN: Anyone else? All in favor
of the motion show of hands. Opposed like sign. Show
the motion carries unanimously.

Thank you, Major.

Moving on now to item number 5, East-West Connector
safety plan.

RAY GRAHAM: Thank you, Mr. Chairman.
Councilman Wooten, would you like to do this?
CRAIG WOOTEN: Sure.
RAY GRAHAM: I know you have spearheaded
this and I think it’s a great plan.
CRAIG WOOTEN: Yes. Last council meeting
I had spoke with Chairman Graham about adding to the
agenda of the Public Safety meeting a safety plan for
the connector because we had talked about from the
money that was coming from the state that was sent to
us, they would expand the connector. And there’s more
and more people walking or riding bikes on it. Fearful
at Ingles on 81; fearful at Applebee’s on Clemson
Boulevard and even at the movie theater there will be a
lot of kids and bikes crossing. That’s really busy
intersections, so we wanted to make sure that we do
that in a safe way. And then also any time you’ve got
a lot of people of all ages you want to make sure that
maybe we could have a blue light stand where, you know,
you get the phone or you hit the emergency button if
you’re having chest pains or if a strange person is
following you or something like that. So these are
pretty inexpensive ways to make it safer. And we
talked with Steve Kelly, the EMS director, about the
easiest way to deploy these things. These will be
things that we’re going to try to do over time as the
budget allows and do it with recommendations of EMS and
police.

TOMMY DUNN: Thank you, Mr. Wooten.
RAY GRAHAM: One thing on that, we did
look at some pricing on this and surprisingly it’s
actually a fairly reasonable cost on this. Hopefully
that is something we can move forward with. That was
definitely, again, a great idea Mr. Wooten came up with
on that.

Going on down as far as franchise agreement and
application process. We’re still working through --
we’ve got that in place. As council members know, we
voted on that last year. And we have got one
individual that’s looking at possibly doing an
application and going through the process. So we’re
trying to work out some kinks on that as far as
requirements and what we need to do on that.
Definitely have some more information on that probably
in meetings to come.

Dispatch, Steve has implemented some new SOGs as
far as the EMS dispatch. Basically some of the issues
we’ve had in the past as far as (change of audio)
procedures. We’ve got great dispatchers; great EMS
providers. Basically we just had to get everybody on
the same page. That’s what this amounts to in a
 nutshell. Steve has done great as far as implementing
these SOGs, along with staff at dispatch, and Director
Baker. Again, that’s already -- technically has
already been implemented and we’re just sharing an
update on that.

EMS fee schedule. As everyone knows we did not do
an increase as far as on the EMS supplement that the
county does to the providers this year. They basically
came to us wanting us to consider a possible EMS fee
increase. We’ve done that about a little over two
years ago. And basically what that does, in a
 nutshell, the county regulates what they can and cannot
charge for a simple trip to the hospital, what it cost
for drugs or what not. With the cost of drugs and
everything else skyrocketing, they’re basically wanting
to come up with a fee. Basically what we’ve done is we
recommended -- kind of left it at the table right now,
but the committee recommended to Steve to go back to
the Chiefs Association to basically, you know, poll the local counties. Let’s see what they’re doing with the fees. Let’s see what -- are we in line with it, do we need to go up, is it something we’re hitting our taxpayers on? Is it something their insurance is going to cover? Basically where’s the money being left on the table? I think every one of the members of Public Safety, along with Ms. Wilson that was there, our biggest concern is, is this going to put another burden on the taxpayers or is this something that the insurance will cover? So we’re looking into that, as well, and hopefully we’ll have some more information to bring back to full council on that.

There’s some discussion on medical control. We’re probably going to have some changes on that due to Dr. Stoll was looking at possibly relinquishing that position due to some obligations he has. With that being said, we’re probably looking at appointing another medical control doctor. Naturally that will be brought before full council for full council’s support as we move forward with that.

EMD process with new radio system. We’ve kind of put that back with Steve and Mark Williams as far as -- got some ideas as far as what we can possibly go with. The biggest thing is making sure it’s going to interact with the radio equipment and computer system that Mark and them is discussing possibly going with in the near future. So again, there’s some more information to be gained on that.

A lot of information that was shared at this meeting, we had a lot to go over, but really the ones that, again, that Public Safety had a vote on and brought back to full council has already been taken care of, but I did want to keep everybody informed as far as where we stand on some of this. Definitely got a lot going on and I’m sure we’re going to be discussing it some more at the next few meetings.

Thank you, Mr. Chairman.

TOMMY DUNN: Appreciate you, Chairman Graham. I’d just like to add one comment. If you would because it’s very important and this has been going on way too long, this medical control thing. We should have something in place on that. Should have done had something.

RAY GRAHAM: I agree.

TOMMY DUNN: I understand about the doctor, but we need to move on. I understand -- I think they’re waiting on a new doctor to come in town that’s going to be in this. But if it ain’t, we need to get this one took care of. This affects our
citizens and everybody around. It’s about quality control. And we don’t this study a few years ago. That’s one of the recommendations, we need to get this and improve on this. So we need to make this happen enough to move this on.

RAY GRAHAM: Mr. Chairman, I agree a hundred percent on that. And we did discuss that. I think our EMS system has made great strides in moving forward. As fellow council members can attest to this, that was one thing that I did say point blank we have failed on. And if it’s okay with council, I will go back to Steve and let him know that we do need to move through this process and try to get something in place. We definitely don’t want to hurry up by no means, but we want to put the right person in the position. But in the same respect, it is a very key part of this process.

TOMMY DUNN: I don’t think we’ll be hearing it after waiting as long as we’ve waited on it.

RAY GRAHAM: I agree.

TOMMY DUNN: I appreciate it.

Now moving on to item number 15, appointments. Mr. Sanders.

BRETT SANDERS: Yes, sir, Mr. Chairman. I’d like to put in the form of a motion for Harold D. Durham, Jr. to fill a vacancy on the Land Use and Zoning Board of Appeals.

TOMMY DUNN: Have a motion. Do I have a second? Second Ms. Wilson. Any discussion? I think that’s a fine appointment and will do well. All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

CINDY WILSON: I do. With our disbanding of the Citizen Advisory Zoning Board groups for District 7, I have some wonderful volunteers. Tonight I would like to appoint Ms. Catherine Bucks to the Behavioral Service Board and Ms. Catherine Hamby to the ATAX Board. Their applications are on file from Citizen Advisory ---

TOMMY DUNN: I see them here. We have a motion by Ms. Wilson. Do we have a second? Have a second from Mr. Sanders. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Anyone else have any appointments?

Moving on now, requests by council members. Mr. Davis.

JIMMY DAVIS: Thank you, Mr. Chair. From District 6’s special projects fund, I would like to
allocate one thousand five hundred dollars to the Wren High Bass Team -- it’s not the Wren High, it’s the Wren Bass Team; middle school is included. And I would also like to allocate one hundred dollars to FAVOR of Anderson. I make that in the form of a motion.

TOMMY DUNN: Have a motion. Do I have a second?

CINDY WILSON: Second.

TOMMY DUNN: Second Ms. Wilson. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously. Anything else, Mr. Davis?

JIMMY DAVIS: No, sir.

TOMMY DUNN: Mr. Sanders.

BRETT SANDERS: Yes, sir. I’d like to put them all ---

TOMMY DUNN: Go ahead. That’ll be fine.

BRETT SANDERS: --- if I could. First Tee of the Upstate, I’d like to give five hundred; Anderson County Humane Society, three hundred; Faces and Voices of Recovery, two hundred. I’d like to put that in the form of a motion.

TOMMY DUNN: Have a motion by Mr. Sanders. Have a second?

CINDY WILSON: Second.

TOMMY DUNN: Second Ms. Wilson. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously. Anything else, Mr. Sanders?

BRETT SANDERS: No, sir. Thank you.

TOMMY DUNN: Ms. Floyd.

GRACIE FLOYD: (Mic not on)

TOMMY DUNN: That’s a group; they’ve been around a long time. I think they’re on Whitner Street. They do work for women that’s been battered or abused and other things, a shelter. And I think this request is they requested for a frigidaire. They’re in need of a frigidaire and they’re trying to get money up to get a frigidaire.

GRACIE FLOYD: Okay. Mr. Dunn, I don’t know how to do this, but may I suggest that they get in touch with the Frigidaire company?

TOMMY DUNN: They have. They said they quit doing that. They won’t do nothing else, is my understanding.

GRACIE FLOYD: Oh, you’re kidding?

TOMMY DUNN: Yes, ma’am. Anything else?

Mr. Graham.

RAY GRAHAM: Thank you, Mr. Chairman.

If it’s okay I’ll do all ---
TOMMY DUNN: Yes, sir.
RAY GRAHAM: mine together, as well.
Just want to mention one thing before I do this.
Anderson Pregnancy Care, I hate I missed the
treatment at an earlier meeting. I had a prior
engagement I could not get away from. But they
definitely do great work. Ms. Audrey Shaw, she is just
absolutely -- does wonderful with that program. With
that being said, when they actually brought their
request forth is when I was at Hilton Head at the
conference. I'd like to do twenty-five hundred dollars
to Anderson Pregnancy Care. I'd like to do five
thousand dollars to City of Belton Parks & Recreational
Department; I'd like to do a hundred dollars to
Anderson County Humane Society. I bring that in forth
of a motion.
TOMMY DUNN: Have a motion Mr. Graham.
RAY GRAHAM: Second Ms. Wilson. Any discussion?
All in favor of the motion show of hands. Opposed like
sign. Show the motion carries unanimously.
Mr. Wooten.
CRAIG WOOTEN: Yes, Mr. Chairman. I'll
put three together and make a motion to do three
hundred dollars for the Humane Society; three hundred
dollars for the Lights of Hope; and three hundred
dollars for the Faces and Voices of Recovery. I put
that in the form of a motion.
TOMMY DUNN: Second Ms. Wilson; motion
by Mr. Wooten. Any discussion? All in favor of the
motion show of hands. Opposed like sign. Show the
motion carries unanimously.
Ms. Wilson?
CINDY WILSON: Thank you. From District
7's recreation fund, may I appropriate three hundred
for the Anderson County Humane Society; one hundred for
the Lights of Hope; and one hundred dollars for the
FAVOR request.
TOMMY DUNN: We have a motion by Ms.
Wilson. Have a second? Second Mr. Davis. Any
discussion? All in favor of the motion show of hands.
Opposed like sign. Show the motion carries
unanimously.
Mr. Burns.
RUSTY BURNS: Nothing at this time.
TOMMY DUNN: No, hang on just a minute
now. Hang on. Look here, ain't nobody wanting to get
out of here no more worsen than me and Ms. Floyd, but
you've just got to settle down here a minute.
It's my understanding, you correct me if I'm wrong,
FAVOR needed eight hundred dollars; is that right?
RUSTY BURNS: Correct.

TOMMY DUNN: I just want to make sure they get what they need. So I think my calculation is they got seven. From District 5's account, give one hundred to FAVOR, to give them a total of eight hundred dollars; and give three hundred dollars to the Humane Society for the Fur Ball. Put that in the form of a motion.

BRETT SANDERS: Second.

TOMMY DUNN: Second by Mr. Sanders. Any discussion? All in favor of the motion show of hands. Opposed like sign. Show the motion carries unanimously.

Now you can hit it.

RUSTY BURNS: My answer still stands.

TOMMY DUNN: Now citizens comments.

When Mr. Harmon calls your name, please state your name and district for the record. You have three minutes. Address the Chair, please. Mr. Harmon.

LEON HARMON: Mr. Chairman, first speaker is Rick Freemantle.

RICK FREEMANTLE: Good evening, Mr. Chairman. I’m from District 7. Been meaning to get here and comment on the latest happenings with Mr. Preston. There’s two of you on this council I really want to give a special thanks to for sticking to this. I know you guys got a lot of grief from a lot of people. Some of you new folks, if you helped with this my thanks goes out to you also. I know there was a lot of discussion about how much money this was costing the county. Sometimes money doesn’t need to be the issue. And this was a perfect example. The precedence set with this case is going to help people in this state for generations to come.

No longer will we have clowns sit in positions where they can have anticipatory breaches of contracts. How I wish I could get away with that. But anyways, I know you guys went through a lot of grief. I know it was a long tough-fought battle. And I really want to commend you for sticking to it and doing the right thing in spite of all the grief you caught. I know I come here and give you guys grief a lot of times. This is one time where you really deserve a huge pat on the back. Thank you.

TOMMY DUNN: Mr. Harmon.

LEON HARMON: Next speaker signed up is Mark Powell. I don’t believe he’s here tonight.

TOMMY DUNN: He left the building.

LEON HARMON: Next speaker is Elizabeth Fant.
ELIZABETH FANT: Elizabeth Fant, District 3.

The road thing. I guess I’m leaning towards a road fee because I don’t think that if we do it -- really what I’d like to do is do a one cent sales tax if we thought we really needed the road money, but I don’t want to do that because the sales tax gets collected in Columbia and then they send us what they want to send us basically. If you are aware, the Legislation changed the aid to subdivision formula in May. Did you know that? So they’re not going to give us any more than they want to. Likewise, as somebody pointed out today, I don’t know why it is that the rest of you all won’t sit on them more because you’re citizens just like the rest of us, even if you are a council person, and they shouldn’t be allowed to do that. It’s our money, our tax money, that goes to Columbia. We’re supposed to get a share back. It should be the fair share. I get very upset when I hear that they’re spending forty million for a Carolina Panthers exit ramp. They’re spending -- even on the radio this morning they were talking about how Darlington car thing gets a hundred thousand dollars last year. Talking about the Carolina Law Library, that they’re going to do another one and that’s going to cost three hundred million. And I understand there’s a bonus of about three hundred and fifty million sitting in Columbia and they dang share it with us. It’s our money.

We should be able to find some money out of the general budget -- general fund budget. And I don’t understand, if we’re going to do that, why don’t we just go ahead just like we do for the library and just like we do for Tri-County Tech, we set aside a certain millage every year for roads.

That being said, do you remember when we used to get an inspection sticker on our car. Used to cost about ten bucks. They stopped doing that because all you had to do was find a buddy who would check off the stuff whether you had raw tires or no horn or whatever. I’d like to see, if we go forward with this, that there be a whole lot more discussion. I don’t want to have second reading until you all have had your little budget workshop thing, and you don’t need to do it at twelve o’clock in the middle of the day. You need to do it at night when other people can come like citizens tonight.

Here’s what I suggest. I know I’m probably going to run out of time. If you do a road fee, do a twelve dollar fee per vehicle. That’s twenty-five cents a week per vehicle. If you’ve got four vehicles at home, that’s only forty-eight dollars a year. If you’re
Cromer & Son food thing, you can probably get by with a reasonable amount. These people have got a fleet of vehicles. We do it for two years sunset, not four. Of course it’ll take a year for the money to ---

LEON HARMON: Time, Mr. Chairman.

TOMMY DUNN: Thank you, Mr. Harmon.

Next.

LEON HARMON: No one else is signed up.

TOMMY DUNN: Thank you. We’re going to have comments from council. Mr. Davis.

JIMMY DAVIS: Thank you, Mr. Chair. Just want to say Celebrate Anderson was one of the best times I’ve had in a long time. And I thank all the county staff that worked so hard to put it on. Thank you.

TOMMY DUNN: Thank you. Mr. Sanders.

BRETT SANDERS: Likewise. I was back out there today. Everything is spotless, looking great. I know everyone worked hard, overtime. It was a spectacular event and I appreciate all the hard work that the county put into it.

TOMMY DUNN: Thank you. Ms. Floyd.

GRACIE FLOYD: Mr. Burns, it’s hurricane season again.

RUSTY BURNS: Yes, ma’am.

GRACIE FLOYD: And as you know, in the past, not eight years is a long time ago but in the last five years, we’ve had a lot of our workers exiting, going down to the coast to work. As you know, I have always been against that because it’s double payment. Now, a lot of you may not have realized this. But every time they went down to the coast to pass out water, they were getting paid from the FEMA people and then they were getting money for their jobs that they left here to go down there.

Now, a lot of these were office workers. Mr. Burns, I don’t mind our people who specialize in this kind of thing going down; EMS, the roads and bridges, the people who cut the trees, the people who suck up the water that they do here for us. I think that they ought to be down there. But Mr. Burns, I don’t think no secretary or no office worker or anybody else should be going down there to get that extra money. I have been against that from the first. All right. And I’m hoping that that’s a practice that we won’t have to be doing any more. You can just leave your job -- walk off your job to go down there to get that money.

Okay. We’re closing Allen Park. That’s one of the parks around the Broadway Lake. Okay. We’re closing it because it wasn’t being used that much. And when it
was being used, it wasn’t being used (not speaking into
mic). So this is a park that we’re closing.
If you missed the trip to ITT, you missed it. We
had a good time. I have -- my son have told me about a
place in Charlotte just like that that he has worked.
They have a full cafeteria; they have a full gym; they
have -- it’s just a wonderful place. ITT. If you can
ever get an invitation up there, please, please go.
Where were you?

CRAIG WOOTEN: My wife informed me I was
taking the kids to school that morning.

GRACIE FLOYD: That’s no excuse because
you could have dropped them off and come on up.

CRAIG WOOTEN: I don’t know if I could
have made it in time.

GRACIE FLOYD: Yeah, he made it. Brett
made it; didn’t you?

BRETT SANDERS: No. I was out of town.

GRACIE FLOYD: Okay, yeah. We had a good
time. But we need to start going. But you missed
those horses, the Clydesdale. Oh, man, they were
beautiful. They were just absolutely beautiful. And I
can’t think of nothing else better that you had going
other than your family. Now I can excuse families for
anything; okay?

CRAIG WOOTEN: Okay.

GRACIE FLOYD: But a job and other stuff
y’all are doing, you should have been there.

And Mr. Burns, may I suggest something, please?
When we are invited to places like that, why don’t we
call one or two of our constituents and see if they
would like to go just to see the thing because they can
help us spread the good news out there; okay? They
wouldn’t mind. Three more plates wouldn’t hurt. Mr.
Dunn ate heartily. It was just that good in the
cafeteria. Anyway, that’s all I had to say. And I
thank you.

TOMMY DUNN: Thank you. Mr. Graham.

RAY GRAHAM: Thank you, Mr. Chairman. I
know it’s getting late, but Mr. Burns, if you would, by
all means let all of our county employees know that
worked so hard on Celebrate Anderson. I know they’re
already planning for next year. I mean it’s just a
tremendous amount of work that goes into it.
Definitely had a great time. As always, I think we top
ourselves every year. It’s just a great event. Good
for everyone’s families, our employees, our community.
Glad Anderson County is able to take part in that.
That’s all I have, Mr. Chairman. Thank you.

TOMMY DUNN: Thank you. Mr. Wooten.
CRAIG WOOTEN: Just real quickly, I feel like I don’t get constituent calls for two weeks and then I’ll get six in one day. And when that happens staff has been so helpful in getting back to people in a timely manner with either an answer or help with their problem. I appreciate that.

TOMMY DUNN: Thank you, Ms. Wilson.

CINDY WILSON: Well, I heard from a lot of 4-H’ers and pony clubbers and their families, so please pass on to Ms. Adrienne Cole how much they appreciated that ability to get up close with the Clydesdales. And thank y’all for your prayers. I appreciate it. Thank you.

TOMMY DUNN: Yes, ma’am. Just a couple of things. I want the whole council to wish Mr. Harmon a happy birthday. Appreciate all you do and hope you have a good birthday. And I think you had a good surprise, I think Saturday you said your son got to come back, so I know you enjoyed that.

LEON HARMON: I did, Mr. Dunn. He was able -- he and his wife were able to come over from Germany. He has to go back tomorrow. They don’t give him much time off. He flies airplanes in the Air Force. But thank you very much. I appreciate that.

TOMMY DUNN: I also want to thank Mr. Burns, you and your staff, for putting Celebrate Anderson together. And the clean-up, the process it goes through. Y’all don’t realize, this thing don’t just start Labor Day weekend. It starts back with them working, getting money raised. Appreciate all the staff and all the hard work.

Just want to also thank again, Mr. Wooten, for bringing our six o’clock agenda to on the pregnancy thing. Appreciate all you do on that and your leadership on that, Mr. Wooten.

I also want, the last thing, just bring up, I was told today, Anderson County has passed Spartanburg on our median pay. So we’re number two now. And that’s great. Chasing that. That’s only a good thing for Anderson County. That means people’s got good jobs. They’re able to buy things and that’s what it’s all about.

Y’all have a good night.

RECITALS

1. The Code of Laws of South Carolina, 1976, as amended (the “Code”), and, more particularly, Title 12, Chapter 44 of the Code (the “PILOT Act”), authorizes the County to (a) induce industries to locate in the State; (b) encourage industries now located in the State to expand their investments and thus make use of and employ manpower, products, and other resources of the State; and (c) enter into a fee agreement with entities meeting the requirements of the PILOT Act, which identifies certain property of such entities as economic development property and provides for the payment of a fee in lieu of tax with respect to such property.

2. The Company (as a Sponsor, within the meaning of the PILOT Act) desires to provide for the acquisition and construction of the Project (as defined herein) to constitute the establishment of certain commercial or manufacturing facilities by the Company and any tenant thereof and/or successor in interest thereto at one or more locations in the County.

3. Based on information supplied by the Company, the County Council has evaluated the Project based on relevant criteria that include, but are not limited to, the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment, and the anticipated costs and benefits to the County. Pursuant to Section 12-44-40(H)(1) of the PILOT Act, the County finds that: (a) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (b) the Project will give rise to no pecuniary liability of the County or any incorporated municipality therein and no charge against their general credit or taxing powers; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project are greater than the costs.

4. The Project is located, or if not so located as of the date of this Fee Agreement the County intends to use its best efforts to so locate the Project, in a joint county industrial or business park created with an adjoining county in the State pursuant to agreement entered into pursuant to Title 4, Chapter 1 of the Code, and more particularly, Section 4-1-170 of the Code and Article VIII, Section 13(D) of the South Carolina Constitution.

5. Section 4-1-175 of the Code authorizes the County to provide special source revenue credits (“Special Source Credits”) against payments in lieu of taxes for purposes of defraying of the cost of designing, acquiring, constructing, improving, or expanding (i) the infrastructure serving the County or a project and (ii) for improved and unimproved real estate, and personal property, including machinery and equipment, used in the operation of a manufacturing facility or commercial enterprise (collectively, “Special Source Improvements”).

(a) The Company intends and expects, together with any Sponsor Affiliates, to (i) construct and acquire the Project, as shall be determined in its sole discretion, and (ii) meet the Contract Minimum Investment Requirement within the Investment Period. The Company anticipates that the first Phase of the Project will be placed in service during the property tax year ending [December 31].

(b) Pursuant to the FILOT Act and subject to Section 4.03 hereof, the Company and the County hereby agree that the Company and any Sponsor Affiliates shall identify annually those assets which are eligible for FILOT payments under the FILOT Act and which the Company or any Sponsor Affiliate selects for such treatment by listing such assets in its annual PT-300S form (or comparable form) to be filed with the Department (as such may be amended from time to time) and that by listing such assets, such assets shall automatically become Economic Development Property and therefore be exempt from all ad valorem taxation during the Exemption Period. Anything contained in this Fee Agreement to the contrary notwithstanding, the Company and any Sponsor Affiliates shall not be obligated to complete the acquisition of the Project. However, if the Company, together with any Sponsor Affiliates, do not meet the Contract Minimum Investment Requirement within the Investment Period, the provisions of Section 4.03 hereof shall control.

(c) The Company may add to the Land such real property, located in any of the same taxing district or districts in the County as the original Land, as the Company, in its discretion, deems useful or desirable. In such event, the Company, at its expense, shall deliver to the County an appropriately revised Exhibit A to this Fee Agreement, in form reasonably acceptable to the County, and such revised Exhibit A shall, effective as of the date set forth in the written notice transmitting the revised Exhibit A, be automatically made a part of this Fee Agreement without further action or proceedings by the County.

Such books and records shall (i) permit ready identification of the various Phases and components thereof; (ii) confirm the dates on which each Phase was placed in service; and (iii) include copies of all filings made by the
Company and any such Sponsor Affiliates in accordance with Section 3.03(a) or (b) above with respect to property placed in service as part of the Project.

ARTICLE IV
FILOT PAYMENTS

Section 4.01. FILOT Payments

(a) Pursuant to Section 12-44-50 of the FILOT Act, each of the Company and any Sponsor Affiliates, as applicable, are required to make payments in lieu of ad valorem taxes to the County with respect to its respective portion of Economic Development Property. Inasmuch as the Company anticipates an initial investment of sums sufficient for the Project to qualify for a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the FILOT Act, the County and the Company have negotiated the amount of the FILOT Payments in accordance therewith. Each of the Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of ad valorem taxes with respect to its respective portion of Economic Development Property which comprises the Project and is placed in service, as follows: each of the Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of ad valorem taxes during the Exemption Period with respect to its respective portion of the Economic Development Property or, if there are Phases of the Economic Development Property, with respect to its respective portion of each Phase of the Economic Development Property, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for ad valorem taxes. The determination of the amount of such annual FILOT Payments shall be in accordance with the following procedure (subject, in any event, to the procedures required by the FILOT Act):

**Step 1:** Determine the fair market value of the Economic Development Property (or Phase of the Economic Development Property) placed in service during the Investment Period using original income tax basis for State income tax purposes for the Land and Improvements without regard to depreciation (provided, the fair market value of real property, as the FILOT Act defines such term, that the Company and any Sponsor Affiliates obtains by construction or purchase in an arms-length transaction is equal to the original income tax basis, and otherwise, the determination of the fair market value is by appraisal) and original income tax basis for State income tax purposes for any personal property less depreciation for each year allowable for property tax purposes, except that no extraordinary obsolescence shall be allowable. The fair market value of the real property for the first year of the Exemption Period remains the fair market value of the real property for the life of the Exemption Period. The determination of these values shall take into account all applicable property tax exemptions that State law would allow to the Company and any Sponsor Affiliates if the property were taxable, except those exemptions that Section 12-44-50(A)(2) of the FILOT Act specifically disallows.

**Step 2:** Apply an assessment ratio of six percent (6%) to the fair market value in Step 1 to establish the taxable value of the Economic Development Property (or each Phase of the Economic Development Property) in the year it is placed in service and in each of the 29 years thereafter or such longer period of years in which the FILOT Act permits the Company and any Sponsor Affiliates to make annual FILOT payments.

**Step 3:** Use a millage rate of 308.7 mills which millage rate shall be in accordance with Section 12-44-50(A)(1)(b)(i) of the FILOT Act, during the Exemption Period against the taxable value to determine the amount of the FILOT Payments due during the Exemption Period on the applicable payment dates.
(b) In the event that a final order of a court of competent jurisdiction from which no further appeal is allowable declares the FILOT Act and/or the herein-described FILOT Payments invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions to reform such payments so as to effectuate most closely the intent thereof (without increasing the amount of incentives being afforded herein) and so as to afford the Company and any Sponsor Affiliates with the benefits to be derived herefrom, the intention of the County being to offer the Company and such Sponsor Affiliates a strong inducement to locate the Project in the County. If the Economic Development Property is deemed to be subject to ad valorem taxation, and, subject to any request from the Company or any Sponsor Affiliate to enter into a lease purchase agreement, as set forth below, this Fee Agreement shall terminate, and the Company and any Sponsor Affiliates shall pay the County regular ad valorem taxes from the date of termination, but with appropriate reductions equivalent to all tax exemptions which are afforded to the Company and such Sponsor Affiliates. Any such amount determined to be due and owing to the County from the Company and such Sponsor Affiliates, with respect to a year or years for which the Company or such Sponsor Affiliates previously remitted FILOT Payments to the County hereunder, shall (i) take into account all applicable tax exemptions to which the Company or such Sponsor Affiliates would be entitled if the Economic Development Property was not and had not been Economic Development Property under the Act; and (ii) be reduced by the total amount of FILOT Payments the Company or such Sponsor Affiliates had made with respect to the Project pursuant to the terms hereof. The County agrees, if requested by the Company or Sponsor Affiliate, to enter into a lease purchase agreement with the Company or Sponsor Affiliate pursuant to Section 12-44-160 of the FILOT Act and Title 4, Chapter 29 or Title 4, Chapter 12 of the Code, as applicable. The Company or any Sponsor Affiliate acknowledges, if a court of competent jurisdiction holds all or part of the FILOT Act unconstitutional or otherwise illegal, the FILOT Act currently provides that the Company and each Sponsor Affiliate must transfer its respective portion of the Economic Development Property to the County within one hundred eighty (180) days following such determination in order for the FILOT benefits to continue to apply to such property. In any such lease purchase agreement referenced above, the County, upon the conveyance of title to the Project to the County at the expense of the Company or any Sponsor Affiliate, as the case may be, agrees to lease such entity’s portion of the Project to the Company or any Sponsor Affiliate, as the case may be. At the end of the term of any such lease purchase agreement, and upon payment of all outstanding obligations incurred under such lease purchase agreement, the Company and each such Sponsor Affiliate shall have the option to purchase its respective portion of the Project from the County for Ten Dollars ($10.00). In furtherance of this covenant, the County also agrees that, in the event that, for any reason, the MCIP is declared by a court of competent jurisdiction to be invalid or unenforceable in whole or in part, the parties express their intentions that tax or FILOT payments be reformed so as to best afford the Company and each Sponsor Affiliate benefits commensurate with, but not in excess of, those intended under this Fee Agreement, as then permitted by law, including, without limitation, any benefits afforded under Title 12, Chapter 6, Title 4, Chapter 1 and Title 4, Chapter 29 of the Code, as applicable, to the extent allowed by law.

Section 4.02. Special Source Credits

(a) As reimbursement for investment in Special Source Improvements, and subject to the requirements of Section 4-1-175 of the Code, the County hereby agrees that the Company shall be entitled to receive, and the County shall provide, Special Source Credits against each FILOT Payment due from the Company with respect to the Project for a period of thirty (30) consecutive tax years, commencing with the tax year for which the initial FILOT Payment is due with respect to the Project hereunder as follows: (i) for the first five (5) such tax years, in an amount equal to 85% of each such FILOT Payment; and (ii) for the remaining twenty-five (25) such tax years, in an annual amount equal to thirty-five percent (35%) of each such FILOT Payment;
(b) Notwithstanding anything herein to the contrary, under no circumstances shall the Company be entitled to claim or receive any abatement of ad valorem taxes for any portion of the investment in the Project for which a Special Source Credit is taken.

(c) In no event shall the aggregate amount of all Special Source Credits claimed by the Company exceed the amount expended with respect to the Special Source Improvements at any point in time. The Company shall be responsible for making written annual certification as to compliance with the provisions of the preceding sentence through the delivery of a certification in substantially the form attached hereto as Exhibit C.

(d) Should the Contract Minimum Investment Requirement not be met by the end of the Standard Investment Period, any Special Source Credits otherwise payable under this Agreement shall no longer be payable by the County, and the Company shall be retroactively liable to the County for the amount of the Special Source Credits previously received by the Company, plus interest at the rate payable for late payment of ad valorem taxes. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Standard Investment Period.

(e) As provided in Section 4-29-68 of the Code, to the extent any Special Source Credits are taken against fee in lieu of tax payments on personal property, and the personal property is removed from the Project at any time during the term of this Agreement (and not replaced with qualifying replacement property), the amount of the fee in lieu of taxes due on the personal property for the year in which the personal property was removed from the Project shall be due for the two (2) years immediately following such removal.

(f) Each annual Special Source Credit shall be reflected by the County Auditor or other authorized County official or representative on each bill for FILOT Payments sent to the Company by the County for each applicable tax year, by reducing such FILOT Payments otherwise due by the amount of the Special Source Credit to be provided to the Company for such tax year.

(g) The Special Source Credits are payable solely from the FILOT Payments, are not secured by, or in any way entitled to, a pledge of the full faith, credit or taxing power of the County, are not an indebtedness of the County within the meaning of any State constitutional provision or statutory limitation, are payable solely from a special source that does not include revenues from any tax or license, and are not a pecuniary liability of the County or a charge against the general credit or taxing power of the County.

Section 4.03. Failure to Achieve Minimum Investment Requirement

(a) In the event the Company, together with any Sponsor Affiliates, fails to meet the Contract Minimum Investment Requirement by the end of the Standard Investment Period, this Fee Agreement shall terminate and the Company and each Sponsor Affiliate shall be obligated to pay the County an amount which is equal to the excess, if any, of (i) the total amount of ad valorem taxes as would result from taxes levied on each such entity's respective portion of the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the items of property comprising the Economic Development Property were not Economic Development Property, but with appropriate reductions equivalent to all tax exemptions and abatements to which each such entity would be entitled in such a case, through and including the end of the Standard Investment Period, over (ii) the total amount of FILOT payments each such entity has made with respect to such entity's respective portion of the Economic Development Property (after taking into account any Special Source Credits received) (such excess, a "Deficiency Amount") for the period through and including the end of the Standard Investment Period. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Standard Investment Period.
provided, however, any such Deficiency Amount due shall be offset by any repayments of Special Source Credits made by any such entity under Section 4.02(c) hereof.

(b) As a condition to the FILOT benefit provided herein, the Company agrees to provide the County Administrator, the County Assessor, the County Auditor and the County Treasurer with an annual certification as to investment in the Project. Such certification shall be in substantially the form attached hereto as Exhibit B, and shall be due no later than the May 1 following the immediately preceding December 31 of each year during the Investment Period.

Section 4.04. Removal of Project Property

Subject, always, to the other terms and provisions of this Fee Agreement, the Company and any Sponsor Affiliates shall be entitled to remove and dispose of components of the Project from the Project in its sole discretion with the result that said components shall no longer be considered a part of the Project and, to the extent such constitute Economic Development Property, shall no longer be subject to the terms of this Fee Agreement. Economic Development Property is disposed of only when it is scrapped or sold or removed from the Project. If it is removed from the Project, it is subject to ad valorem property taxes to the extent the Property remains in the State and is otherwise subject to ad valorem property taxes.

Section 4.05. FILOT Payments on Replacement Property

If the Company or any Sponsor Affiliate elects to replace any Removed Components and to substitute such Removed Components with Replacement Property as a part of the Economic Development Property, or the Company or any Sponsor Affiliate otherwise utilizes Replacement Property, then, pursuant and subject to the provisions of Section 12-44-60 of the FILOT Act, the Company or such Sponsor Affiliate shall make statutory payments in lieu of ad valorem taxes with regard to such Replacement Property in accordance with the following:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest Economic Development Property subject to the Fee, whether real or personal, which is disposed of in the same property tax year in which the Replacement Property is placed in service. Replacement Property qualifies as Economic Development Property only to the extent of the original income tax basis of Economic Development Property which is being disposed of in the same property tax year. More than one piece of property can replace a single piece of Economic Development Property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to annual payments calculated as if the exemption for Economic Development Property were not allowable. Replacement Property is entitled to treatment under the Fee Agreement for the period of time remaining during the Exemption Period for the Economic Development Property which it is replacing; and

(ii) The new Replacement Property which qualifies for the FILOT shall be recorded using its income tax basis, and the calculation of the FILOT shall utilize the millage rate and assessment ratio in effect with regard to the original property subject to the FILOT.

Section 4.06. Reductions in Payment of Taxes Upon Diminution in Value; Investment Maintenance Requirement

In the event of a Diminution in Value of the Economic Development Property, the FILOT Payments with regard to the Economic Development Property shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of the Economic Development Property.
as determined pursuant to Step 1 of Section 4.01(a) hereof; provided, however, that if at any time subsequent to the end of the Investment Period, the total value of the Project remaining in the County based on the original income tax basis thereof (that is, without regard to depreciation), is less than the FILOT Act Minimum Investment Requirement, then beginning with the first payment thereafter due hereunder and continuing until the Termination Date, the Project shall no longer be entitled to the incentive provided in Section 4.01, and the Company and any Sponsor Affiliates shall therefore commence to pay regular ad valorem taxes thereon, calculated as set forth in Section 4.01(b) hereof.

[End of Article IV]
ARTICLE V
PARTICULAR COVENANTS AND AGREEMENTS

Section 5.01. Cessation of Operations

Notwithstanding any other provision of this Fee Agreement, each of the Company and any Sponsor Affiliates acknowledges and agrees that the County’s obligation to provide the FILOT incentive ends, and this Fee Agreement is prospectively terminated, if the Company and all Sponsor Affiliates cease operations at the Project. For purposes of this Section, “cease operations” means closure of the Project or the cessation of commercial activities, including, but not limited to, the cessation of production and shipment of products to customers for a continuous period of twenty-four (24) months. The provisions of Section 4.03 hereof relating to retroactive payments shall apply, if applicable, if this Fee Agreement is terminated in accordance with this Section prior to the end of the Standard Investment Period. Each of the Company and any Sponsor Affiliates agree that if this Fee Agreement is terminated pursuant to this subsection, that under no circumstance shall the County be required to refund or pay any monies to the Company or any Sponsor Affiliates.

Section 5.02. Rights to Inspect

The Company and any Sponsor Affiliates acknowledge and agree that the County and its authorized agents shall have the right at all reasonable times and upon prior reasonable notice to the Company to enter upon and examine and inspect the Project. The County and its authorized agents shall also be permitted, at all reasonable times and upon prior reasonable notice to the Company and any Sponsor Affiliates, to have access to examine and inspect the Company’s South Carolina property tax returns of the Company and any Sponsor Affiliates, as filed with respect to the Project. The aforesaid rights of examination and inspection shall be exercised only upon such reasonable and necessary terms and conditions as the Company and any Sponsor Affiliates shall prescribe, and shall be subject to the provisions of Section 5.03 hereof.

Section 5.03. Confidentiality

The County acknowledges and understands that the Company and any Sponsor Affiliates may utilize confidential and proprietary processes and materials, services, equipment, trade secrets, and techniques (herein “Confidential Information”). In this regard, the Company and any Sponsor Affiliates may clearly label any Confidential Information delivered to the County “Confidential Information.” The County agrees that, except as required by law, neither the County nor any employee, agent, or contractor of the County shall disclose or otherwise divulge any such clearly labeled Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by law. Each of the Company and any Sponsor Affiliates acknowledge that the County is subject to the South Carolina Freedom of Information Act, and, as a result, must disclose certain documents and information on request, absent an exemption. In the event that the County is required to disclose any Confidential Information obtained from the Company or any Sponsor Affiliates to any third party, the County agrees to provide the Company and such Sponsor Affiliates with as much advance notice as is reasonably possible of such requirement before making such disclosure, and to cooperate reasonably with any attempts by the Company and such Sponsor Affiliates to obtain judicial or other relief from such disclosure requirement.

Section 5.04. Limitation of County’s Liability

Anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder, including for the payment of money, shall not be deemed to constitute a pecuniary liability or a

debt or general obligation of the County (it being intended herein that any obligations of the County with respect to the Special Source Credits shall be payable only from FILOT Payments received from or payable by the Company or any Sponsor Affiliates); provided, however, that nothing herein shall prevent the Company from enforcing its rights hereunder by suit for mandamus or specific performance.

Section 5.05. Mergers, Reorganizations and Equity Transfers

Each of the Company and any Sponsor Affiliates acknowledges that any mergers, reorganizations or consolidations of the Company and such Sponsor Affiliates may cause the Project to become ineligible for negotiated fees in lieu of taxes under the FILOT Act absent compliance by the Company and such Sponsor Affiliates with the Transfer Provisions; provided that, to the extent provided by Section 12-44-120 of the FILOT Act or any successor provision, any financing arrangements entered into by the Company or any Sponsor Affiliates with respect to the Project and any security interests granted by the Company or any Sponsor Affiliates in connection therewith shall not be construed as a transfer for purposes of the Transfer Provisions. Notwithstanding anything in this Fee Agreement to the contrary, it is not intended in this Fee Agreement that the County shall impose transfer restrictions with respect to the Company, any Sponsor Affiliates or the Project as are any more restrictive than the Transfer Provisions.

Section 5.06. Indemnification Covenants

(a) Notwithstanding any other provisions in this Fee Agreement or in any other agreements with the County, the Company and each Sponsor Affiliate agrees to jointly and severally indemnify, defend and save the County, its County Council members, elected officials, officers, employees, servants and agents (collectively, the “Indemnified Parties”) harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project or the Land by the Company or any Sponsor Affiliate, their members, officers, shareholders, employees, servants, contractors, and agents during the Term, and, the Company and each Sponsor Affiliate agrees to jointly and severally further indemnify, defend and save the Indemnified Parties harmless against and from all claims arising during the Term from (i) entering into and performing its obligations under this Fee Agreement, (ii) any condition of the Project, (iii) any breach or default on the part of the Company or any Sponsor Affiliate in the performance of any of its obligations under this Fee Agreement, (iv) any act of negligence of the Company or any Sponsor Affiliate or its agents, contractors, servants, employees or licensees, (v) any act of negligence of any assignee or lessee of the Company or any Sponsor Affiliate or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the Company or any Sponsor Affiliate or (vi) any environmental violation, condition, or effect with respect to the Project. The Company and each Sponsor Affiliate shall be obligated to jointly and severally indemnify, defend and save the County harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon notice from the County, the Company and each Sponsor Affiliate shall be obligated to jointly and severally defend it in any such action, prosecution or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld).

(b) Notwithstanding the fact that it is the intention of the parties that the Indemnified Parties shall not incur pecuniary liability by reason of the terms of this Fee Agreement, or the undertakings required of the County hereunder, by reason of the granting of the FILOT, by reason of the execution of this Fee Agreement, by the reason of the performance of any act requested of it by the Company or any Sponsor Affiliate, or by reason of the County’s relationship to the Project or by the operation of the Project by the Company or any Sponsor Affiliate, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County or any of the other Indemnified Parties should incur any such pecuniary liability, then in such event the Company and each Sponsor Affiliate shall be obligated to jointly and severally indemnify, defend and hold them harmless.
against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Company and each Sponsor Affiliate shall be obligated to jointly and severally defend them in any such action or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld); provided, however, that such indemnity shall not apply to the extent that any such claim is attributable to (i) the grossly negligent acts or omissions or willful misconduct of the County, its agents, officers or employees, or (ii) any breach of this Fee Agreement by the County.

(c) Notwithstanding anything in this Fee Agreement to the contrary, the above-referenced covenants insofar as they pertain to costs, damages, liabilities or claims by any Indemnified Party resulting from any of the above-described acts of or failure to act by the Company or any Sponsor Affiliate, shall survive any termination of this Fee Agreement.

Section 5.07. Qualification in State

Each of the Company and any Sponsor Affiliates warrant that it is duly qualified to do business in the State, and covenants that it will continue to be so qualified so long as it operates any portion of the Project.

Section 5.08. No Liability of County’s Personnel

All covenants, stipulations, promises, agreements and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the County and shall be binding upon any member of the County Council or any elected official, officer, agent, servant or employee of the County only in his or her official capacity and not in his or her individual capacity, and no recourse shall be had for the payment of any moneys hereunder against any member of the governing body of the County or any elected official, officer, agent, servants or employee of the County and no recourse shall be had against any member of the County Council or any elected official, officer, agent, servant or employee of the County for the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon except solely in their official capacity.

Section 5.09. Assignment, Leases or Transfers

The County agrees that the Company and any Sponsor Affiliates may at any time (a) transfer all or any of their rights and interests under this Fee Agreement or with respect to all or any part of its respective portion of the Project, or (b) enter into any lending, financing, leasing, security, or similar arrangement or succession of such arrangements with any financing or other entity with respect to this Fee Agreement or all or any part of its respective portion of the Project, including without limitation any sale-leaseback, equipment lease, build-to-suit lease, synthetic lease, nordic lease, defeased tax benefit or transfer lease, assignment, sublease or similar arrangement or succession of such arrangements, regardless of the identity of the income tax owner of such portion of the Project, whereby the transferee in any such arrangement leases such portion of the Project in question to the Company or any Sponsor Affiliate or operates such assets for the Company or any Sponsor Affiliate or is leasing the portion of the Project in question from the Company or any Sponsor Affiliate. In order to preserve the FILOT benefits afforded hereunder with respect to any portion of the Project so transferred, leased, financed, or otherwise affected: (i) except in connection with any transfer to an Affiliate of the Company or of any Sponsor Affiliate, or transfers, leases, or financing arrangements pursuant to clause (b) above (as to which such transfers the County hereby consents), the Company and any Sponsor Affiliates, as applicable, shall obtain the prior consent or subsequent ratification of the County which consent or subsequent ratification may be granted by the County in its sole discretion; (ii) except when a financing entity which is the income tax owner of all or part of the Project is the transferee.
pursuant to clause (b) above and such financing entity assumes in writing the obligations of the Company or any Sponsor Affiliate, as the case may be, hereunder, or when the County consents in writing, no such transfer shall affect or reduce any of the obligations of the Company and any Sponsor Affiliates hereunder; (iii) to the extent the transferee or financing entity shall become obligated to make FILOT Payments hereunder, the transferee shall assume the then current basis of, as the case may be, the transferor Company or any Sponsor Affiliates (or prior transferee) in the portion of the Project transferred; (iv) the Company or applicable Sponsor Affiliate, transferee or financing entity shall, within sixty (60) days thereof, furnish or cause to be furnished to the County and the Department a true and complete copy of any such transfer agreement; and (v) the Company, the Sponsor Affiliates and the transferee shall comply with all other requirements of the Transfer Provisions.

Subject to County consent when required under this Section, and at the expense of the Company or any Sponsor Affiliate, as the case may be, the County agrees to take such further action or execute such further agreements, documents, and instruments as may be reasonably required to effectuate the assumption by any such transferee of all or part of the rights of the Company or such Sponsor Affiliate under this Fee Agreement and/or any release of the Company or such Sponsor Affiliate pursuant to this Section.

Each of the Company and any Sponsor Affiliates acknowledges that such transfer of an interest under this Fee Agreement or in the Project may, subject to the provisions of this Section 5.09, cause all or part of the Project to become ineligible for the FILOT benefit afforded hereunder or result in penalties under the FILOT Act absent compliance by the Company and any Sponsor Affiliates with the Transfer Provisions.

Section 5.10. Administration Expenses

The Company agrees to pay, or cause to be paid, any Administration Expenses to the County when and as they shall become due following receipt of a written statement from the County requiring payment of such Administration Expenses, but in no event later than the date which is the earlier of any payment date expressly provided for in this Fee Agreement or the date which is forty-five (45) days after receiving written statement from the County, accompanied by such supporting documentation as may be necessary to evidence the County’s right to receive such payment, specifying the nature of such expense and requesting payment of same. The parties understand that the County has incurred, and will incur, legal fees and other expenses in connection with the original execution and delivery of this Fee Agreement, the MCIP Agreement and all resolutions, ordinances, and other documentation related thereto in an amount not to exceed $5,000.

Section 5.11. Priority Lien Status

The County’s right to receive FILOT payments hereunder shall have a first priority lien status pursuant to Sections 12-44-90(E) and (F) of the FILOT Act and Chapters 4, 49, 51, 53, and 54 of Title 12 of the Code.

Section 5.12. Interest; Penalties

In the event the Company or any Sponsor Affiliate should fail to make any of the payments to the County required under this Fee Agreement, then the item or installment so in default shall continue as an obligation of the Company or such Sponsor Affiliate until the Company or such Sponsor Affiliate shall have fully paid the amount, and the Company and any Sponsor Affiliates agree, as applicable, to pay the same with interest thereon at a rate, unless expressly provided otherwise herein and in the case of FILOT payments, of 5% per annum, compounded monthly, to accrue from the date on which the payment was due and, in the case of FILOT payments, at the rate for non-payment of ad valorem taxes under State law and subject to the penalties the law provides until payment.
Section 5.13. Sponsor Affiliates

The Company may designate from time to time any Sponsor Affiliates pursuant to the provisions of Sections 12-44-30(20) and 12-44-130 of the FILOT Act, which Sponsor Affiliates shall join with the Company and make investments with respect to the Project, or participate in the financing of such investments, and shall agree to be bound by the terms and provisions of this Fee Agreement pursuant to the terms of a written joinder agreement with the County and the Company, in form and substance reasonably acceptable to the County. The Company shall provide the County and the Department with written notice of any Sponsor Affiliate designated pursuant to this Section within ninety (90) days after the end of the calendar year during which any such Sponsor Affiliate has placed in service any portion of the Project, in accordance with Section 12-44-130(B) of the FILOT Act.

Section 6.01. Events of Default

The following shall be "Events of Default" under this Fee Agreement with respect to the defaulting Company or Sponsor Affiliate, or the County, as the case may be, and the term "Event of Default" shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Company or any Sponsor Affiliate, as the case may be, to make the FILOT Payments due with respect to its respective portion of the Project described in Section 4.01 hereof, or any other amounts payable to the County under this Fee Agreement when due, which failure shall not have been cured within thirty (30) days following receipt of written notice thereof from the County; provided, however, that the Company and any Sponsor Affiliates shall be entitled to all redemption rights granted by applicable statutes; or

(b) A representation or warranty made by the Company or any Sponsor Affiliate, as the case may be, hereunder which is deemed materially incorrect when deemed made; or

(c) Failure by the Company or any Sponsor Affiliate, as the case may be, to perform any of the terms, conditions, obligations, or covenants hereunder (other than those under (a) above), which failure shall continue for a period of thirty (30) days after written notice from the County to the defaulting Company or Sponsor Affiliate specifying such failure and requesting that it be remedied, unless the Company or such Sponsor Affiliate shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the Company or such Sponsor Affiliate is diligently pursuing corrective action; or

(d) Failure by the County to perform any of the terms, conditions, obligations, or covenants hereunder, which failure shall continue for a period of thirty (30) days after written notice from the Company or Sponsor Affiliate, as the case may be, specifying such failure and requesting that it be remedied, unless the County shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the County is diligently pursuing corrective action.

Section 6.02. Remedies Upon Default

(a) Whenever any Event of Default by the Company or any Sponsor Affiliate (the "Defaulting Entity") shall have occurred and shall be continuing, the County may take any one or more of the following remedial actions as to the Defaulting Entity, only:

(i) terminate this Fee Agreement; or

(ii) take whatever action at law or in equity may appear necessary or desirable to collect the amounts due hereunder.

In no event shall the Company or any Sponsor Affiliate be liable to the County or otherwise for monetary damages resulting from the Company's (together with any Sponsor Affiliates) failure to meet the FILOT Act Minimum Investment Requirement, or the Contract Minimum Investment Requirement other than as expressly set forth in this Fee Agreement.
In addition to all other remedies provided herein, the failure to make FILOT payments shall give rise to a lien for tax purposes as provided in Section 12-44-90 of the FILOT Act. In this regard, and notwithstanding anything in this Fee Agreement to the contrary, the County may exercise the remedies that general law (including Title 12, Chapter 49 of the Code) provides with regard to the enforced collection of ad valorem taxes to collect any FILOT payments due hereunder.

(b) Whenever any Event of Default by the County shall have occurred or shall be continuing, the Company and any Sponsor Affiliate may take one or more of the following actions:

(i) bring an action for specific enforcement;

(ii) terminate this Fee Agreement as to the acting party; or

(iii) in case of a materially incorrect representation or warranty, take such action as is appropriate, including legal action, to recover its damages, to the extent allowed by law.

Section 6.03. Reimbursement of Legal Fees and Expenses and Other Expenses

Upon the occurrence of an Event of Default hereunder by the Company or any Sponsor Affiliate, should the County be required to employ attorneys or incur other reasonable expenses for the collection of payments due hereunder or for the enforcement of performance or observance of any obligation or agreement, the County shall be entitled, within thirty (30) days of demand therefor, to reimbursement of the reasonable fees of such attorneys and such other reasonable expenses so incurred from such defaulting entity.

Section 6.04. No Waiver

No failure or delay on the part of any party hereto in exercising any right, power, or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or remedy preclude any other or further exercise thereof or the exercise of any other right, power, or remedy hereunder. No waiver of any provision hereof shall be effective unless the same shall be in writing and signed by the waiving party hereto.

Section 7.02. Binding Effect

This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Company and any Sponsor Affiliates, the County, and their respective successors and assigns. In the event of the dissolution of the County or the consolidation of any part of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises, and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer,
board, commission, agency, or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 7.03. Counterparts

This Fee Agreement may be executed in any number of counterparts, and all of the counterparts taken together shall be deemed to constitute one and the same instrument.

Section 7.04. Governing Law

This Fee Agreement and all documents executed in connection herewith shall be construed in accordance with and governed by the laws of the State.

Section 7.05. Headings

The headings of the articles and sections of this Fee Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Fee Agreement.

Section 7.06. Amendments

The provisions of this Fee Agreement may only be modified or amended in writing by any agreement or agreements entered into between the parties.

Section 7.07. Further Assurance

From time to time, and at the expense of the Company and any Sponsor Affiliates, the County agrees to execute and deliver to the Company and any such Sponsor Affiliates such additional instruments as the Company or such Sponsor Affiliates may reasonably request and as are authorized by law and reasonably within the purposes and scope of the FILOT Act and this Fee Agreement to effectuate the purposes of this Fee Agreement.

Section 7.08. Invalidity; Change in Laws

In the event that the inclusion of property as Economic Development Property or any other issue is unclear under this Fee Agreement, the County hereby expresses its intention that the interpretation of this Fee Agreement shall be in a manner that provides for the broadest inclusion of property under the terms of this Fee Agreement and the maximum incentive permissible under the FILOT Act and the MCIP Act, to the extent not inconsistent with any of the explicit terms hereof. If any provision of this Fee Agreement is declared illegal, invalid, or unenforceable for any reason, the remaining provisions hereof shall be unimpaired, and such illegal, invalid, or unenforceable provision shall be reformed to effectuate most closely the legal, valid, and enforceable intent thereof and so as to afford the Company and any Sponsor Affiliates with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Company and any Sponsor Affiliates the strongest inducement possible, within the provisions of the FILOT Act or MCIP Act, to locate the Project in the County. In case a change in the FILOT Act, the MCIP Act, or South Carolina laws eliminates or reduces any of the restrictions or limitations applicable to the Company and any Sponsor Affiliates and the FILOT, the parties agree that the County will give expedient and full consideration to reformation of this Fee Agreement, and, if the County Council so decides, to provide the Company and any Sponsor Affiliates with the benefits of such change in the FILOT Act, MCIP Act, or South Carolina laws.

Section 7.09. Termination by Company
The Company and each Sponsor Affiliate is authorized to terminate this Fee Agreement at any time with respect to all or part of its respective portion of the Project upon providing the County with thirty (30) days' written notice; provided, however, that (i) any monetary obligations existing hereunder and due and owing at the time of termination by such entity to a party hereto (including without limitation any amounts owed with respect to Section 4.03 hereof); and (ii) any provisions which are intended to survive termination shall survive such termination. In the year following such termination, all property shall be subject to ad valorem taxation or such other taxation or fee in lieu of taxation that would apply absent this Fee Agreement. The obligation to make PILOT Payments under this Fee Agreement shall terminate with respect to the Company or any Sponsor Affiliate, as the case may be, in the year following the year of such termination pursuant to this section.

Section 7.10. Entire Understanding

This Fee Agreement expresses the entire understanding and all agreements of the parties hereto with each other, and neither party hereto has made or shall be bound by any agreement or any representation to the other party which is not expressly set forth in this Fee Agreement or in certificates delivered in connection with the execution and delivery hereof.

Section 7.11. Waiver

Either party may waive compliance by the other party with any term or condition of this Fee Agreement only in a writing signed by the waiving party.

Section 7.12. Business Day

In the event that any action, payment, or notice is, by the terms of this Fee Agreement, required to be taken, made, or given on any day which is a Saturday, Sunday, or legal holiday in the jurisdiction in which the person obligated to act is domiciled, such action, payment, or notice may be taken, made, or given on the following business day with the same effect as if given as required hereby, and no interest shall accrue in the interim.

NOTWITHSTANDING THE FOREGOING, GROUND LESSOR SHALL BE LIABLE FOR LOSSES, DAMAGES OR INJURIES PROXIMATELY CAUSED BY THE GROSS NEGLIGENCE OR INTENTIONAL ACTS OF GROUND LESSOR OR ITS EMPLOYEES OR AGENTS. THE PARTIES DO, HOWEVER, HEREBY AGREE THAT UNDER NO CIRCUMSTANCES SHALL GROUND LESSOR BE LIABLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES, WHETHER IN CONTRACT OR TORT.

Section 8. Insurance. Ground Lessee shall, at its sole expense, carry and keep in force a policy of comprehensive liability insurance, including property damage, with respect to Program. Said policy shall provide at least the following limits: bodily injury $1,000,000.00 each person, $1,000,000.00 each occurrence and property damage $1,000,000.00 each occurrence. In addition to Ground Lessee and to the extent possible, the policy shall also name Ground Lessor as an additional insured at the cost of Ground Lessee, at all times while the Ground Lease is in effect. Ground Lessee shall, upon written request from Ground Lessor, deliver to Ground Lessor certificates or other evidence that the insurance coverage required above is in effect. Ground Lessee shall further require any third party operating upon the Demised Premises or furnishing equipment to be operated upon the Demised Premises to carry comprehensive liability insurance in an amount commensurate with the risk, but in no event with less than the limits stated above, as well as property and casualty insurance fully insuring said third party’s property against loss. Ground Lessee shall have the option of procuring at its sole expense additional insurance coverage against third party risks and liability in which event Ground Lessor shall be named as an additional insured in accordance with the foregoing provisions. All insurance required hereunder shall, at a minimum, be issued by insurance companies authorized to do business in the State of South Carolina, with a Best’s Rating of at least A and a Financial Size Category of at least VH as rated in the most recent edition of Best’s Insurance Reports.

Section 9. Environmental. Ground Lessee and/or its employees, agents, contractors, invitees, licensees or permittees shall not deposit or cause to be deposited Hazardous Material (as hereinafter defined) in or upon the Demised Premises and shall operate the Demised Premises in full compliance with all laws, orders, regulations, rules, ordinances, and requirements of the Federal, State, County and local Governments, including all Environmental Laws (as hereinafter defined). The term “Hazardous Material” means any substance, chemical, compound, product, solid, gas, liquid, waste, byproduct, pollutant, contaminant, or material which is hazardous or toxic. The term “Environmental Laws” means all federal, state and local laws, statutes, ordinances and regulations, now or hereafter in effect, and applicable to the Premises relating to the regulation and protection of human health and safety and/or the environment and natural resources.

Section 10. Improvements. Ground Lessee shall not erect any permanent structure on or upon the Demised Premises. Upon termination of the Ground Lease, Ground Lessee shall, at its sole expense, return
the Demised Premises to its original condition, normal wear and tear excepted.

Section 11. Default by Ground Lessor. If Ground Lessee shall fail to keep or shall violate a condition or agreement in this Ground Lease on the part of Ground Lessee to be performed and if either such failure or violation shall have continued for a period of 60 days after Ground Lessee shall have received written notice by certified or registered mail from Ground Lessor to cure such violation or failure, or for such additional period of time as may be reasonably necessary provided Ground Lessee diligently undertakes to cure such default, then, in such event, Ground Lessor shall have the right at its option, in addition to and not in lieu of all of the rights to which it may be entitled hereunder and by law, to terminate this Ground Lease and re-enter and repossess all and singular the Demised Premises. Neither the exercise by Ground Lessor of any or all of its rights under this Ground Lease or law nor the defaults by Ground Lessee of any of Ground Lessee’s obligations to Ground Lessor shall in any way relieve Ground Lessee of Ground Lessee’s obligation to any third party to whom Ground Lessee may be obligated.

Section 12. Default by Ground Lessor. If Ground Lessor shall fail to keep or shall violate a condition or agreement in this Ground Lease on the part of Ground Lessor to be performed and if either such failure or violation shall have continued for a period of 60 days after Ground Lessor shall have received written notice by certified or registered mail from Ground Lessee to cure such violation or failure, or for such additional period of time as may be reasonably necessary provided Ground Lessor diligently undertakes to cure such default, then, in such event Ground Lessee may in addition to and not in lieu of all of the rights to which it may be entitled hereunder and by law, terminate this Ground Lease and turn over possession of the Demised Premises to Ground Lessor.

Section 13. Termination. Ground Lessee agrees upon the expiration of the original term as specified in Section 3, or upon the earlier termination of the Ground Lease as provided herein, to quit and surrender the Demised Premises and that all title and interest in the Demised Premises shall vest in Ground Lessor free and clear of the encumbrances of this Ground Lease and that the improvements on the Demised Premises will be and become the property of Ground Lessor or Ground Lessor’s designee.

Notwithstanding the foregoing, either party may terminate this Ground Lease for convenience upon ninety days written notice to the other party; Ground Lessor shall use best efforts to make an alternative site available to Ground Lessee upon the same terms and conditions contained herein in the event Ground Lessor terminates the Ground Lease for convenience under this provision.

(a) The County is a body politic and corporate and a political subdivision of the State of South Carolina ("State");

(b) The County is authorized and empowered by the provisions of the Act to enter into and carry out its obligations under this Agreement;

(c) The County has duly authorized and approved the execution and delivery of this Agreement by adoption of an ordinance in accordance with the procedural requirements of the Infrastructure Credit Act and any other applicable state law;

(d) The County is not in default of any of its obligations (contractual or otherwise) as a result of entering into and performing its obligations under this Agreement;

(e) The County has approved the inclusion of the Property in the Park by adoption of an ordinance; and

(f) Based on representations made by the Company, the County has determined the Project and the Infrastructure will enhance the economic development of the County. Therefore, the County is entering into this Agreement for the purpose of promoting the economic development of the County.

Section 1.2. **Representations by the Company.** The Company represents to the Local Governments as follows:

(a) The Company is in good standing under the laws of the State, has power to conduct business in the State and enter into this Agreement, and by proper company action has authorized the officials signing this Agreement to execute and deliver it;

(b) The Company will invest the Investment Commitment, as defined below, at the Project; and

(c) The Company’s execution and delivery of this Agreement, and its compliance with the provisions of this Agreement do not result in a default under any agreement or instrument to which the Company is now a party or by which it is bound.

ARTICLE II
INFRASTRUCTURE CREDITS

Section 2.1 **Investment Commitment; Jobs Commitment.**

(a) The aggregate amount the Company shall invest in the Project shall equal or exceed $4,195,000, as measured by original cost without regard to depreciation ("Investment Commitment"), before the end of the investment period, which shall begin on the first day of the first tax year in which the Company places investments into service and shall include each subsequent year through December 31, 2024 ("Investment Period").
Section 2.2  Infrastructure Credits.

(a) Subject to the provisions in this Section 2.2, the County grants an annual infrastructure credit ("Infrastructural Credit") to the Company and any Project Affiliate against each annual Fee Payment in an amount equal to the percentage ("Applicable Percentage") shown in the table below multiplied by the otherwise due Fee Payment liability each year for a period of twenty (20) years ("Credit Period"). The Credit Period shall commence in the first property tax year for which any Fee Payment becomes due. The Parties anticipate that the first year of the Credit Period will be property tax year 2020 (i.e., since the Fee Payment for investments made in 2019 will be invoiced to the Company in property tax year 2020 and payable on or before January 15, 2021) and that the last year of the Credit Period will be tax year 2039.

</tbody>

(b) The County shall deduct the Infrastructure Credits from the Company’s annual Fee Payment liability and reflect the deduction on the Company’s property tax bills with respect to the Project and the Company shall remit the Fee Payment net of the Infrastructure Credit ("Net Fee Payment") to the County. Under no circumstances shall the Company and any Sponsor Affiliates be entitled to enjoy both the amount of the Infrastructure Credit described in this Section 2.2 and any five-year statutory abatement of ad valorem taxes otherwise applicable to manufacturing property.

(c) Any Infrastructure Credit provided under this Agreement shall be used to reimburse the Company for eligible expenditures, as permitted by the Infrastructure Credit Act, which includes the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Company’s property, for improved or unimproved real estate or for personal property. The Infrastructure Credit benefits shall be first deemed to be applied to the eligible expenditures of the Company, with any remaining Infrastructure Credit benefit to be applied to the eligible expenditures of a Project Affiliate, if any, the allocation of which shall be determined in the sole discretion of the Company. In no event shall the aggregate amount of Infrastructure Credits received as of any point in time exceed the amount of the Company’s, and any Project Affiliate’s, aggregate investment in such eligible expenditures as of such time.

(d) To the extent that the Company is unable to apply the annual Infrastructure Credit to its fullest extent in any given year of the Credit Period, the Company may use any remaining amount of annual Infrastructure Credit in any of the succeeding years of the Credit Period. To the extent that the Company has any remaining, unused Infrastructure Credit upon the end of the Credit Period, the Company may request that the County extend the Credit Period so that the Company may apply such amount to future Fee Payments, the extension of which may be approved by the County Administrator, without further action by County Council. However, if there is sufficient Fee Payment in any given year during the Credit Period against which an annual Infrastructure Credit could be applied, then the annual Infrastructure Credit must be taken to the fullest extent against such Fee Payment in such year.

(e) Subject to the provisions in this Section 2.2, in the event the Company fails to, by the end of the third year after the first year in which property is placed in service for the Project, which date the Parties expect to be December 31, 2022, achieve either (i) an aggregate investment in the County of at least $3,000,000, as measured by original cost without regard to depreciation for new machinery and equipment, or (ii) aggregate job creation in the County of at least eighty new, full-time jobs, the Applicable Percentage
otherwise required by this Agreement shall be reduced to forty-two percent (42%) for the fourth year of the Credit Period and shall remain forty-two percent (42%) for each of the remaining years of the Credit Period.

(f) In the event the reduction provided by Section 2.2(e) of this Agreement is triggered and the Company subsequently achieves, by the end of the Investment Period, both (i) an aggregate investment in the County of at least $4,195,000, as measured by original cost without regard to depreciation for new machinery and equipment, and (ii) aggregate job creation in the County of at least one hundred and fifteen new, full-time jobs, the Applicable Percentage otherwise required by this Agreement shall be restored to fifty percent (50%) for years 6-10 of the Credit Period and shall remain forty-two percent (42%) for years 11-20 of the Credit Period.

Section 2.3. Certification. For each year during the Credit Period, the Company shall be responsible for completing an “Investment Certification” (in substantially the form attached as Exhibit C) on or before May 31 following each year of the Investment Period, beginning on May 31, 2020, in accordance with the instructions set forth therein. Exhibit C shall be part of this Agreement. Should the Company fail to submit the Investment Certification on May 31 following each year of the Investment Period, the County may choose to terminate this Agreement upon written notice of default to the Company by the County and the expiration of a 90-day cure period.

Section 2.4. Project Shall Remain in the Park. The County will use its best efforts to ensure that the Project will remain in the Park so long as the Company is located at the Project Site. If, for any reason, the Park Agreement is modified to exclude the Project or is otherwise terminated, then the County will use its best efforts to ensure that the Project shall be immediately placed into another multi-county park arrangement to which the County is party and that would enable the Company to receive the Infrastructure Credit benefits set forth in this Agreement. To the extent that no multi-county park arrangement exists to which the County is a party, then the County agrees to use its best efforts to make arrangements with the Company to offer a legally available alternative arrangement, upon mutually agreeable terms, that would deliver the same value of the benefits as the Infrastructure Credit benefits set forth in this Agreement for the remainder of the Credit Period, as extended, to the maximum extent permitted by law.

Section 2.5. Addition of Project Affiliates. Any Project Affiliate may join as a Party to this Agreement, without the approval of County Council, provided that it agrees to be bound by the terms of that Joinder Agreement attached as Exhibit B, a fully executed copy of which will be delivered to the County.

ARTICLE III
DEFAULTS AND REMEDIES

Section 3.1. Events of Default. The following are “Events of Default” under this Agreement:

(a) Failure by the Company to make a Net Fee Payment to the County, which failure has not been cured within 30 days following receipt of written notice from the County specifying the delinquency in payment and requesting that it be remedied;

(b) A representation or warranty made by the Company which is deemed materially incorrect when deemed made;

(c) Failure by the Company to perform any obligation under this Agreement (other than those described in Sections 2.1 and 2.2 and under (a) above), which failure has not been cured within 30 days after written notice from the County to the Company specifying such failure and requesting that it be remedied, unless the Company has instituted corrective action within the 30-day period and is diligently pursuing corrective action until the default is corrected, in which case the 30-day period is extended to
include the period during which the Company is diligently pursuing corrective action;

(d) A representation or warranty made by the County which is deemed materially incorrect when deemed made;

(e) Failure by the County to perform any of the terms, conditions, obligations, or covenants hereunder, which failure has not been cured within 30 days after written notice from the Company to the County specifying such failure and requesting that it be remedied, unless the County has instituted corrective action within the 30-day period and is diligently pursuing corrective action until the default is corrected, in which case the 30-day period is extended to include the period during which the County is diligently pursuing corrective action.

Section 3.2. Remedies on Default.

(a) If an Event of Default by the Company has occurred and is continuing, then the County may take any one or more of the following remedial actions:

(i) terminate the Agreement; or

(ii) take whatever action at law or in equity may appear necessary or desirable to collect amounts due or otherwise remedy the Event of Default or recover its damages.

(b) If an Event of Default by the County has occurred and is continuing, the Company may take one or more of the following actions:

(i) bring an action for specific enforcement; or

(ii) terminate the Agreement.

Section 3.3. Reimbursement of Legal Fees and Other Expenses. On the occurrence of an Event of Default, if a Party is required to employ attorneys or incur other reasonable expenses for the collection of payments due under this Agreement or for the enforcement of performance or observance of any obligation or agreement, the prevailing Party is entitled to seek reimbursement of the reasonable fees of such attorneys and such other reasonable expenses so incurred.

Section 3.4. Remedies Not Exclusive. No remedy described in this Agreement is intended to be exclusive of any other remedy or remedies, and each and every such remedy is cumulative and in addition to every other remedy given under this Agreement or existing at law or in equity or by statute.

Section 3.5. Nonwaiver. A delay or omission by the Company or Local Governments to exercise any right or power accruing on an Event of Default does not waive such right or power and is not deemed to be a waiver or acquiescence of the Event of Default. Every power and remedy given to the Company or County by this Agreement may be exercised from time to time and as often as may be deemed expedient.

ARTICLE IV

Section 4.8. Assignment. This Agreement may be assigned in whole or in part. To the extent any further consent is required by the Act and requested, the County may grant such consent by adoption of a Resolution, which consent will not be unreasonably withheld.

THE FULL FAITH, CREDIT, AND TAXING POWER OF THE COUNTY OR ANY MUNICIPALITY ARE NOT PLEDGED FOR THE INFRASTRUCTURE CREDITS.

Section 4.10. Force Majeure. The Company is not responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders or regulations, war or national emergency, acts of God, and any other cause, similar or dissimilar, beyond the Company's reasonable control.

Section 4.11. Administration Expenses. The Company agrees to pay the reasonable and necessary expenses incurred by the County with respect to this Agreement ("Administration Expenses"), including reasonable attorney fees; provided, however, that no such expense shall be considered an Administration Expense until the County has furnished to the Company a statement in writing indicating the amount of such expense and the reason it has been or will be incurred. The parties hereto agree the Administration Expenses shall not exceed $5,000 in any event. The Company agrees to pay the Administration Expenses to the County when and as they shall become due, but in no event later than the date which is the earlier of any payment date expressly provided for in this Fee Agreement or the date which is forty-five (45) days after receiving written notice from the County, accompanied by such supporting documentation as may be necessary to evidence the County's right to receive such payment, specifying the nature of such expense and requesting payment of same.
Section 4.12  *Entire Agreement.* This Agreement expresses the entire understanding and all agreements of the Parties with each other, and no Party is bound by any agreement or any representation to another Party which is not expressly set forth in this Agreement or in certificates delivered in connection with the execution and delivery of this Agreement.

Section 4.13  *Construction.* Each Party and its legal counsel have reviewed this Agreement and any rule of construction to the effect that ambiguities are to be resolved against a drafting party does not apply in the interpretation of this Agreement or any amendments or exhibits to this Agreement.

Section 4.14  *Waiver.* Any Party may waive compliance by another Party with any term or condition of this Agreement but the waiver is valid only if it is in a writing signed by the waiving Party.

Section 4.15  *Termination.* Unless first terminated under any other provision of this Agreement, this Agreement terminates on the expiration of the Credit Period and payment by the Company of any outstanding Net Fee Payment due on the Project pursuant to the terms of this Agreement.

Section 4.16  *Business Day.* If any action, payment, or notice is, by the terms of this Agreement, required to be taken, made, or given on any Saturday, Sunday, or legal holiday in the jurisdiction in which the Party obligated to act is situated, such action, payment, or notice may be taken, made, or given on the following business day with the same effect as if taken, made or given as required under this Agreement, and no interest will accrue in the interim.

Clerk, Anderson County Council
ORDINANCE NO. 2019-048

AUTHORIZING THE EXECUTION AND DELIVERY OF A FEE-IN-LIEU OF AD VALOREM TAX AND INCENTIVE AGREEMENT BY AND BETWEEN ANDERSON COUNTY, SOUTH CAROLINA AND PROJECT SANTA’S HAT TO PROVIDE FOR PAYMENT OF A FEE-IN-LIEU OF TAXES; AUTHORIZING THE INCLUSION OF A PROJECT SITE IN A MULTI-COUNTY BUSINESS PARK; AUTHORIZING CERTAIN SPECIAL SOURCE REVENUE CREDITS; AND OTHER RELATED MATTERS.

WHEREAS, Anderson County, South Carolina (“County”), acting by and through its County Council (“County Council”) is authorized pursuant to the provisions of Title 12, Chapter 44, Code of Laws of South Carolina, 1976, as amended (“FILOT Act”), to encourage manufacturing and commercial enterprises to locate in the State of South Carolina (“State”) or to encourage manufacturing and commercial enterprises now located in the State to expand their investments and thus make use of and employ the manpower, products, and other resources of the State by entering into an agreement with a sponsor, as defined in the FILOT Act, that provides for the payment of a fee-in-lieu of ad valorem tax (“FILOT Payments”), with respect to economic development property, as defined in the FILOT Act;

WHEREAS, pursuant to Article VIII, Section 13 of the South Carolina Constitution and Title 4, Section 1, Code of Laws of South Carolina, 1976, as amended (collectively, “MCIP Act”), the County is authorized to jointly develop multicounty parks with counties having contiguous borders with the County and, in the County’s discretion, include property within the boundaries of such multicounty parks. Under the authority provided in the MCIP Act, the County has created a multicounty park with Greenville County (“Park”);

WHEREAS, pursuant to the FILOT and MCIP Acts, the County is authorized to provide special source revenue credits (“Infrastructure Credits”) against FILOT Payments derived from economic development property to pay costs of designing, acquiring, constructing, improving or expanding (i) infrastructure serving a project or the County and (ii) improved and unimproved real estate and personal property used in the operation of a commercial enterprise or manufacturing facility (“Infrastructure”);

WHEREAS, Project Santa’s Hat (“Sponsor”) desires to establish a photovoltaic solar facility in the County (“Project”) consisting of an investment in real and personal property of not less than $2,500,000; and

WHEREAS, at the request of the Sponsor and as an inducement to locate the Project in the County, the County desires to enter into a Fee-in-Lieu of Ad Valorem Taxes Agreement with the Sponsor, as sponsor and a sponsor affiliate, the final form of which is attached as Exhibit A (“Fee Agreement”), pursuant to which the County will provide certain incentives to the Sponsor with respect to the Project, including (i) providing for FILOT Payments, to be calculated as set forth in the Fee Agreement, with respect to the portion of the Project which constitutes economic development property; (2) locating the Project in the Park; and (3) providing Infrastructure Credits, as described in the Fee Agreement, to assist in paying the costs of certain Infrastructure.

NOW THEREFORE, BE IT ORDAINED, by the County Council as follows:

Section 1. Statutory Findings. Based on information supplied to the County by the Sponsor, County Council evaluated the Project based on relevant criteria, including the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment, and the anticipated costs and benefits to the County, and hereby finds:
(a) The Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally;

(b) The Project gives rise to no pecuniary liability of the County or incorporated municipality or a charge against its general credit or taxing power;

(c) The purposes to be accomplished by the Project are proper governmental and public purposes; and

(d) The benefits of the Project are greater than the costs.

Section 2. Approval of Incentives; Authorization to Execute and Deliver Fee Agreement. The incentives as described in this Ordinance ("Ordinance"), and as more particularly set forth in the Fee Agreement, with respect to the Project are hereby approved. The form, terms and provisions of the Fee Agreement that is before this meeting are approved and all of the Fee Agreement’s terms and conditions are incorporated in this Ordinance by reference. The Chair of County Council ("Chair") is authorized and directed to execute the Fee Agreement in the name of and on behalf of the County, subject to the approval of any revisions or changes as are not materially adverse to the County by the County Administrator and counsel to the County, and the Clerk to County Council is hereby authorized and directed to attest the Fee Agreement and to deliver the Fee Agreement to the Sponsor.

Section 3. Further Assurances. The County Council confirms the authority of the Chair, the County Administrator, the Clerk to County Council, and various other County officials and staff, acting at the direction of the Chair, the County Administrator, or Clerk to County Council, as appropriate, to take whatever further action and to negotiate, execute and deliver whatever further documents as may be appropriate to effect the intent of this Ordinance and the incentives offered to the Sponsor under this Ordinance and the Fee Agreement.

Section 4. Savings Clause. The provisions of this Ordinance are separable. If any part of this Ordinance is, for any reason, unenforceable then the validity of the remainder of this Ordinance is unaffected.

Section 5. General Repealer. Any prior ordinance, resolution, or order, the terms of which are in conflict with this Ordinance, is, only to the extent of that conflict, repealed.

Section 6. Effectiveness. This Ordinance is effective after its third reading and public hearing.

THIS FEE-IN-LIEU OF AD VALOREM TAXES AGREEMENT ("Fee Agreement") is entered into, effective, as of [DATE], between Anderson County, South Carolina ("County"), a body politic and corporate and a political subdivision of the State of South Carolina ("State"), acting through the Anderson County Council ("County Council") as the governing body of the County, and Santa's Hat Solar, LLC, a limited liability company organized and existing under the laws of the State of South Carolina ("Sponsor").

WITNESSETH:

(a) Title 12, Chapter 44, ("Act") of the Code of Laws of South Carolina, 1976, as amended ("Code"), authorizes the County to induce manufacturing and commercial enterprises to locate in the State or to encourage manufacturing and commercial enterprises currently located in the State to expand their investments and thus make use of and employ the manpower, products, and other resources of the State by entering into an agreement with a sponsor, as defined in the Act, that provides for the payment of a fee-in-lieu of ad valorem tax ("FILOT") with respect to Economic Development Property, as defined below;

(b) Sections 4-1-170, 4-1-175, 4-29-68 of the Code authorize the County to (i) create multi-county industrial parks in partnership with contiguous counties; (ii) include the property of eligible companies within such parks as an inducement to locate within the County, which inclusion under the terms of Section 13 of Article VIII of the Constitution of the State of South Carolina makes such property exempt from ad valorem property taxes, therefore changing the character of the annual receipts from such properties from ad valorem property taxes to FILOT payments; and (iii) grant an annual tax credit against such FILOT payments in order to assist a company in paying the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the property of any company located within such multi-county industrial parks or for improved or unimproved real estate and personal property including machinery and equipment used in the operation of a commercial enterprise located within such multi-county parks in order to enhance the economic development of the County;

(c) The Sponsor desires to establish a commercial enterprise ("Facility") in the County, consisting of investment in real and personal property of not less than $2,500,000;

(d) By an ordinance enacted on [DATE], County Council authorized the County to enter into this Fee Agreement with the Sponsor to provide for a FILOT and the other incentives as more particularly described in this Fee Agreement to induce the Sponsor to locate its Facility in the County.

NOW, THEREFORE, AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, parties agree as follows:

(d) The Sponsor will use commercially reasonable efforts to achieve the Act Minimum Investment Requirement.

(e) The execution and delivery of this Fee Agreement by the County and the availability of the FILOT Payments and other incentives provided by this Fee Agreement has been instrumental in inducing the Sponsor to locate the Project in the County.

THE PROJECT

Section 3.1. The Project. The Sponsor intends and expects to (i) construct or acquire the Project and (ii) meet the Act Minimum Investment Requirement within the Investment Period. The Sponsor anticipates that the first Phase of the Project will be placed in service during the calendar year ending December 31, 2021. Notwithstanding anything contained in this Fee Agreement to the contrary, the Sponsor is not obligated to complete the acquisition of the Project.

Section 3.2. Leased Property. To the fullest extent that State law allows or is revised or construed to permit leased assets including a building, or personal property to be installed in a building, to constitute Economic Development Property, then any property leased by the Sponsor is, at the election of the Sponsor, deemed to be Economic Development Property for purposes of this Fee Agreement.

(ii) An assessment ratio of six percent (6%), multiplied by

6

Ordinance 2019-048
(iii) A fixed millage rate equal to the cumulative millage rate levied by or on behalf of all the taxing entities within which the Project is located as of June 30, 2019, which the parties believe to be 353.4 mills.

The calculation of the FILOT Payment must allow all applicable property tax exemptions except those excluded pursuant to Section 12-44-50(A)(2) of the Act.

(b) If a final order of a court of competent jurisdiction from which no further appeal is allowable declares the FILOT Payments invalid or unenforceable, in whole or in part, for any reason, the parties shall negotiate, in accordance with and subject to the terms of Section 10.8, the reformation of the calculation of the FILOT Payments to most closely afford the Sponsor with the intended benefits of this Fee Agreement.

Section 4.2. FILOT Payments on Replacement Property. If the Sponsor elects to place Replacement Property in service, then, pursuant and subject to the provisions of Section 12-44-60 of the Act, the Sponsor shall make the following payments to the County with respect to the Replacement Property for the remainder of the Phase Exemption Period applicable to the Removed Component of the Replacement Property:

(a) FILOT Payments, calculated in accordance with Section 4.1, on the Replacement Property to the extent of the original income tax basis of the Removed Component the Replacement Property is deemed to replace.

Components of the Project are deemed removed when scrapped, sold or otherwise permanently removed from the Project with the intent that it no longer be used for the Project. If the components removed from the Project are Economic Development Property, then the Economic Development Property is a Removed Component, no longer subject to this Fee Agreement and is subject to ad valorem property taxes to the extent the Removed Component remains in the State and is otherwise subject to ad valorem property taxes. In case Economic Development Property is removed, the Fixed FILOT Payment shall be adjusted downward pro rata.

Section 4.4. Damage or Destruction of Economic Development Property.

(a) Election to Terminate. If Economic Development Property is damaged by fire, explosion, or any other casualty, then the Sponsor may terminate all or part of this Fee Agreement. In the property tax year in which the damage or casualty occurs and continues, the Sponsor is obligated to make FILOT Payments with respect to the damaged Economic Development Property only to the extent property subject to ad valorem taxes would have been subject to such taxes under the same circumstances for the period in question.

(b) Election to Restore and Replace. If Economic Development Property is damaged by fire, explosion, or any other casualty, and the Sponsor does not elect to terminate this Fee Agreement, then the Sponsor may restore and replace the Economic Development Property. All restorations and replacements made pursuant to this subsection (b) are deemed, to the fullest extent permitted by law and this Fee Agreement, to be Replacement Property.
(c) *Election to Remove.* If Economic Development Property is damaged by fire, explosion, or any other casualty, and the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to restore or replace pursuant to subsection (b), then the damaged portions of the Economic Development Property are deemed Removed Components and the Fixed FILOT Payment shall be adjusted downward pro rata.

**Section 4.5. Condemnation.**

(a) *Complete Taking.* If at any time during the Fee Term title to or temporary use of the Economic Development Property is vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation, or the right of eminent domain; by voluntary transfer under threat of such taking; or by a taking of title to a portion of the Economic Development Property which renders continued use or occupancy of the Economic Development Property commercially unfeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement by sending written notice to the County within a reasonable period of time following such vesting.

(b) *Partial Taking.* In the event of a partial taking of the Economic Development Property or a transfer in lieu, the Sponsor may elect: (i) to terminate all or part of this Fee Agreement; (ii) to restore and replace the Economic Development Property, with such restorations and replacements deemed, to the fullest extent permitted by law and this Fee Agreement, to be Replacement Property; or (iii) to treat the portions of the Economic Development Property so taken as Removed Components with a corresponding pro rata downward adjustment of the Fixed FILOT Payment.

(c) In the year in which the taking occurs, the Sponsor is obligated to make FILOT Payments with respect to the Economic Development Property so taken only to the extent property subject to *ad valorem* taxes would have been subject to taxes under the same circumstances for the period in question.

**Section 4.6. Calculating FILOT Payments on Diminution in Value.* If there is a Diminution in Value, the FILOT Payments due with respect to the Economic Development Property or Phase so diminished shall be calculated by substituting the diminished value of the Economic Development Property or Phase for the original fair market value in Section 4.1(a)(i) of this Fee Agreement. For the avoidance of doubt, the Infrastructure Credit shall remain applicable to such adjusted FILOT Payment at all times.

**Section 4.7. Payment of Ad Valorem Taxes.* If Economic Development Property becomes subject to *ad valorem* taxes as imposed by law, pursuant to this Fee Agreement, the Act, or otherwise, then the calculation of any *ad valorem* taxes due with respect to the Economic Development Property in a particular property tax year shall: (i) include the property tax reductions and exemptions that would have applied to the Economic Development Property as if it were not Economic Development Property; and (ii) include a credit for FILOT Payments or Net FILOT Payments or the Sponsor has made with respect to the Economic Development Property.

**Section 4.8. Place of FILOT Payments.* All Net FILOT Payments shall be made directly to the County in accordance with applicable law.

**ARTICLE V**

**ADDITIONAL INCENTIVES**

**Section 5.1. Infrastructure Credits.* To assist in paying for costs of Infrastructure, the Sponsor is entitled to claim an Infrastructure Credit to reduce certain FILOT Payments due and owing from the Sponsor to the County under this Fee Agreement. The term, amount and calculation of the Infrastructure
Credit is described in Exhibit C. In no event may the Sponsor’s aggregate Infrastructure Credit claimed pursuant to this Section exceed the aggregate expenditures by the Sponsor on Infrastructure.

For each property tax year in which the Infrastructure Credit is applicable (“Credit Term”), the County shall prepare and issue the annual bills with respect to the Project showing the Net FILOT Payment, calculated in accordance with Exhibit C. Following receipt of the bill, the Sponsor shall timely remit the Net FILOT Payment to the County in accordance with applicable law.

ARTICLE VI
CLAW BACK

Section 6.1. Act Minimum Investment Requirement Claw Back. If the Sponsor together with any Sponsor Affiliate fails to reach the Act Minimum Investment Requirement then this Agreement shall be terminated and the Sponsor and any Sponsor Affiliate is subject to the claw backs as described in the Act, subject to the provisions of Exhibit C with respect to Infrastructure Credits.

(c) A representation or warranty made by the County which is materially incorrect when made or deemed made; or

(d) Failure by the County to perform any of the material terms, conditions, obligations, or covenants hereunder, which failure has not been cured within 30 days after written notice from the Sponsor to the County specifying such failure and requesting that it be remedied, unless the County has instituted corrective action within the 30-day period and is diligently pursuing corrective action until the default is corrected, in which case the 30-day period is extended to include the period during which the County is diligently pursuing corrective action.

Section 7.2. Remedies on Default.

(a) If an Event of Default by the Sponsor has occurred and is continuing, then the County may take any one or more of the following remedial actions:
(i) bring an action for collection of any amounts due hereunder; and/or terminate this Fee Agreement, upon another 30 days written notice, in the case of an Event of Default under Section 7.1(a); or

(ii) take whatever action at law or in equity that may appear necessary or desirable to remedy the Event of Default under Section 7.1(b) but the County’s damages under this Agreement for an Event of Default shall always be limited to and never exceed under any circumstance the amount of FILOT Payments due (after application of any Infrastructure Credit) plus legal fees and expenses under Section 7.3 hereof, and any penalty and interest required by statute. (iii) take such other action as is appropriate, including legal action, to recover its damages, to the extent allowed by law. For purposes of this Agreement, the Sponsor and any Sponsor Affiliate’s damages under this Agreement for an Event of Default shall be limited to and never exceed, under any circumstance, the actual savings to be realized by the Sponsor and/or the Sponsor Affiliate due to the FILOT Payments and Infrastructure Credit provided herein, plus any legal fees and expenses under Section 7.3 hereof, plus interest at the same rate as provided under (a)(ii) above. Under no circumstances will the County ever be liable for any other damages hereunder or penalty or other interest.

Section 7.3. Reimbursement of Legal Fees and Other Expenses. If a party is required to employ attorneys or incur other reasonable expenses for the collection of payments due under this Fee Agreement or for the enforcement of performance or observance of any obligation or agreement, the prevailing party is entitled to reimbursement of the reasonable fees of such attorneys and other reasonable expenses so incurred.

Section 7.4. Remedies Not Exclusive. The County acknowledges that the Sponsor may utilize confidential and proprietary processes and materials, services, equipment, trade secrets, and techniques ("Confidential Information") and that disclosure of the Confidential Information could result in substantial economic harm to the Sponsor. The Sponsor may clearly label any Confidential Information delivered to the County pursuant to this Fee Agreement as "Confidential Information." Except as required by law, the County, or any employee, agent, or contractor of the County, shall not disclose or otherwise divulge any labeled Confidential Information to any other person, firm, governmental body or agency. The Sponsor acknowledges that the County is subject to the South Carolina Freedom of Information Act, and, as a result, must disclose certain documents and information on request, absent an exemption. If the County is required to disclose any Confidential Information to a third party, the County will use its best efforts to provide the Sponsor with as much advance notice as is reasonably possible of such disclosure requirement prior to making such disclosure, and to cooperate reasonably with any attempts by the Sponsor to obtain judicial or other relief from such disclosure requirement.

Section 8.3. No Liability of County Personnel. All covenants, stipulations, promises, agreements and obligations of the County contained in this Fee Agreement are binding on members of the County Council or any elected official, officer, agent, servant or employee of the County only in his or her official capacity and not in his or her individual capacity, and no recourse for the payment of any moneys under this Fee Agreement may be had against any member of County Council or any elected or appointed official, officer, agent, servant or employee of the County and no recourse for the payment of any moneys or performance of any of the covenants and agreements under this Fee Agreement or for any claims based on this Fee Agreement may be had against any member of County Council or any elected or appointed official, officer, agent, servant or employee of the County except solely in their official capacity.

Section 8.4. Limitation of Liability. The County is not liable to the Sponsor for any costs, expenses, losses, damages, claims or actions in connection with this Fee Agreement, except from amounts received by the County from the Sponsor under this Fee Agreement. Notwithstanding anything in this Fee Agreement to the contrary, any financial obligation the County may incur under this Fee Agreement is deemed not to constitute a pecuniary liability or a debt or general obligation of the County.

ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEED DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 8.5. Assignment. The Sponsor may assign this Fee Agreement in whole or in part with the prior written consent of the County or a subsequent written ratification by the County, which may be done by resolution, and which consent or ratification the County will not unreasonably withhold; provided, however, that the County hereby expressly consents in advance to any such assignment of this Fee Agreement, in whole or in part, by the Sponsor to any entity, now existing or to be formed in the future, which controls, is controlled by, or is under common control with, the Sponsor. The Sponsor agrees to notify the County and the Department of the identity of the proposed transferee within 60 days of the transfer. In case of a transfer, the transferee assumes the transferor’s basis in the Economic Development Property for purposes of calculating the FILOT Payments.

Section 8.6. No Double Payment; Future Changes in Legislation. Notwithstanding anything contained in this Fee Agreement to the contrary, and except as expressly required by law, the Sponsor is not required to make a FILOT Payment in addition to a regular ad valorem property tax payment in the same year with respect to the same piece of Economic Development Property. The Sponsor is not required
to make a PILOT Payment on Economic Development Property in cases where, absent this Fee Agreement, *ad valorem* property taxes would otherwise not be due on such property.

Section 8.7. Administration Expenses. The Sponsor will reimburse the County for its Administration Expenses in an amount that shall in any event be capped at and limited in the aggregate to $2,500 on receipt of a written request from the County or at the County’s direction, which request shall include a statement of the amount and nature of the Administration Expense. The Sponsor shall pay the Administration Expense as set forth in the written request no later than 60 days following receipt of the written request from the County. The County does not impose a charge in the nature of impact fees or recurring fees in connection with the incentives authorized by this Fee Agreement. The payment by the Sponsor of the County’s Administration Expenses shall not be construed as prohibiting the County from engaging, at its discretion, the counsel of the County’s choice.

Section 8.8. Multicounty Park. The County will use its best efforts to cause, prior to the Project being placed in service, the Real Property to be placed in the Multicounty Park (if not already in the Multicounty Park) and to maintain the Real Property in the Multicounty Park or in some other multicounty industrial or business park within the meaning of the MCIP Act for at least as long as the Infrastructure Credit is to be provided to the Sponsor under this Fee Agreement.

Section 8.9. Decommissioning. The Sponsor shall obtain a bond listing the County as obligee in the amount of $10,000 per megawatt of output AC produced by the Project to ensure performance of Sponsor’s Decommissioning obligations within six (6) months of the Abandonment, termination of the lease governing the Real Property or other termination of the Project by the Sponsor. The obligations arising under this Section survive termination of the Fee Agreement.

ARTICLE IX
SPONSOR AFFILIATES

Section 9.1. Sponsor Affiliates. The Sponsor may designate Sponsor Affiliates from time to time, including at the time of execution of this Fee Agreement, pursuant to and subject to the provisions of Section 12-44-130 of the Act. To designate a Sponsor Affiliate, the Sponsor must deliver written notice to the County identifying the Sponsor Affiliate and requesting the County’s approval of the Sponsor Affiliate. Except with respect to a Sponsor Affiliate designated at the time of execution of this Fee Agreement, which may be approved in the County Council ordinance authorizing the execution and delivery of this Fee Agreement, approval of the Sponsor Affiliate may be given by the County Administrator delivering written notice to the Sponsor and Sponsor Affiliate following receipt by the County Administrator of a recommendation from the Economic Development Committee of County Council to allow the Sponsor Affiliate to join in the investment at the Project; provided, however, that the County hereby expressly consents to any future designation by the Sponsor as a Sponsor Affiliate (i) any entity, now existing or to be formed in the future, which controls, is controlled by, or is under common control with, the Sponsor and (ii) any third party that the Sponsor may elect to involve in the construction or financing of the Project, and (iii) the landowner(s) of the Real Property. The Sponsor Affiliate’s joining in the investment at the Project will be effective on delivery of a Joinder Agreement, the form of which is attached as Exhibit B, executed by the Sponsor Affiliate to the County.

Section 9.2. Primary Responsibility. Notwithstanding the addition of a Sponsor Affiliate, the Sponsor acknowledges that it has the primary responsibility for the duties and obligations of the Sponsor and any Sponsor Affiliate under this Fee Agreement, including the payment of PILOT Payments or any other amount due to or for the benefit of the County under this Fee Agreement. For purposes of this Fee Agreement, “primary responsibility” means that if the Sponsor Affiliate fails to make any PILOT Payment or omit any other amount due under this Fee Agreement, the Sponsor shall make such PILOT Payment or
remit such other amounts on behalf of the Sponsor Affiliate. The Sponsor Affiliate’s obligation to make FILOT Payments under this Fee Agreement to the County shall be limited to the FILOT Payments due on the Sponsor Affiliate’s Economic Development Property only and under no circumstances shall the Sponsor Affiliate be liable for any FILOT Payments relating to the Sponsor’s Economic Development Property.

Section 10.2. Provisions of Agreement for Sole Benefit of County and Sponsor. Except as otherwise specifically provided in this Fee Agreement, nothing in this Fee Agreement expressed or implied confers on any person or entity other than the County and the Sponsor and any Sponsor Affiliates any right, remedy, or claim under or by reason of this Fee Agreement, this Fee Agreement being intended to be for
the sole and exclusive benefit of the County and the Sponsor and any Sponsor Affiliates.

Section 10.3. Counterparts. This Fee Agreement may be executed in any number of counterparts, and all of the counterparts together constitute one and the same instrument.

Section 10.4. Governing Law. South Carolina law, exclusive of its conflicts of law provisions that would refer the governance of this Fee Agreement to the laws of another jurisdiction, governs this Fee Agreement and all documents executed in connection with this Fee Agreement.

Section 10.5. Headings. The headings of the articles and sections of this Fee Agreement are inserted for convenience only and do not constitute a part of this Fee Agreement.

Section 10.6. Amendments. This Fee Agreement may be amended only by written agreement of the parties to this Fee Agreement.

Section 10.7. Agreement to Sign Other Documents. From time to time, and at the expense of the Sponsor, to the extent any expense is incurred, the County agrees to execute and deliver to the Sponsor such additional instruments as the Sponsor may reasonably request and as are authorized by law and reasonably within the purposes and scope of the Act and this Fee Agreement to effectuate the purposes of this Fee Agreement.

Section 10.8. Interpretation; Invalidity; Change in Laws.

(a) If the inclusion of property as Economic Development Property or any other issue is unclear under this Fee Agreement, then the parties intend that the interpretation of this Fee Agreement be done in a manner that provides for the broadest inclusion of property under the terms of this Fee Agreement and the maximum incentive permissible under the Act, to the extent not inconsistent with any of the explicit terms of this Fee Agreement. It is expressly agreed that the Sponsor may add Economic Development Property, whether real or personal, by including such property on the Sponsor’s PT-300 Schedule S or successor form during the Investment Period to the fullest extent permitted by law.

(b) If any provision of this Fee Agreement is declared illegal, invalid, or unenforceable for any reason, the remaining provisions of this Fee Agreement are unimpaired, and the parties shall reform such illegal, invalid, or unenforceable provision to effectuate most closely the legal, valid, and enforceable intent of this Fee Agreement so as to afford the Sponsor with the maximum benefits to be derived under this Fee Agreement, it being the intention of the County to offer the Sponsor the strongest inducement possible, within the provisions of the Act, to locate the Project in the County.

(c) The County agrees that in case the FILOT incentive described in this Fee Agreement is found to be invalid and the Sponsor does not realize the economic benefit it is intended to receive from the County under this Fee Agreement as an inducement to locate in the County, the County agrees to provide a special source revenue or Infrastructure Credit to the Sponsor (in addition to the Infrastructure Credit explicitly provided for above) to the maximum extent permitted by law, to allow the Sponsor to recoup all or a portion of the loss of the economic benefit resulting from such invalidity.

Section 10.9. Force Majeure. Notwithstanding Section 7.1 hereof or any other provision of this Fee Agreement to the contrary, the Sponsor is not liable or responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fires, floods, inability to obtain materials, conditions arising from governmental orders or regulations, war or national emergency, acts of God, natural disasters, and any other cause, similar or dissimilar, beyond the Sponsor’s reasonable control.
Section 10.10. Termination; Termination by Sponsor.

(a) Unless first terminated under any other provision of this Fee Agreement, this Fee Agreement terminates on the Final Termination Date.

(b) The Sponsor is authorized to terminate this Fee Agreement at any time with respect to all or part of the Project on providing the County with 30 days' notice.

(c) Any monetary obligations due and owing at the time of termination and any provisions which are intended to survive termination, survive such termination.

(d) In the year following termination, all Economic Development Property is subject to ad valorem taxation or such other taxation or payment in lieu of taxation that would apply absent this Fee Agreement. The Sponsor’s obligation to make FILOT Payments under this Fee Agreement terminates to the extent of and in the year following the year the Sponsor terminates this Fee Agreement pursuant to this Section.

Section 10.11. Entire Agreement. This Fee Agreement expresses the entire understanding and all agreements of the parties, and neither party is bound by any agreement or any representation to the other party which is not expressly set forth in this Fee Agreement or in certificates delivered in connection with the execution and delivery of this Fee Agreement.

Section 10.12. Waiver. Either party may waive compliance by the other party with any term or condition of this Fee Agreement only in a writing signed by the waiving party.

Section 10.13. Business Day. If any action, payment, or notice is, by the terms of this Fee Agreement, required to be taken, made, or given on any Saturday, Sunday, or legal holiday in the jurisdiction in which the party obligated to act is situated, such action, payment, or notice may be taken, made, or given on the following business day with the same effect as if taken, made or given as required under this Fee Agreement, and no interest will accrue in the interim.

Section 10.14. Agreement's Construction. Each party and its counsel have reviewed this Fee Agreement and any rule of construction to the effect that ambiguities are to be resolved against a drafting party does not apply in the interpretation of this Fee Agreement or any amendments or exhibits to this Fee Agreement.

IN WITNESS WHEREOF, the County, acting by and through the County Council, has caused this Fee Agreement to be executed in its name and on its behalf by the Chair of County Council and to be attested by the Clerk of the County Council; and the Sponsor has caused this Fee Agreement to be executed by its duly authorized officer, all as of the day and year first above written.

EXHIBIT C
DESCRIPTION OF INFRASTRUCTURE CREDIT

The Project shall be entitled to the Infrastructure Credit each year for a period of forty (40) consecutive years, to commence with the first FILOT Payment to be made with respect to the Project after it is placed in service, unless the Sponsor requests a different starting date by notice to the County no later than June 30 of the property tax year in which the Infrastructure Credit is to commence. For the avoidance of doubt, should any part or all of the Project not be eligible as Economic Development Property, the FILOT Payment shall also mean, in such case, the payments in lieu of taxes made as a result of the Project being located in a Multicounty Park so that the Infrastructure Credit and Negative Infrastructure Credit provided for herein can be utilized to reduce or increase, as appropriate, such FILOT Payments to the Fixed FILOT Payment (as defined below).

The Infrastructure Credit shall be equal to the amount necessary to reduce the FILOT Payment for the applicable year to an amount equal to $8,000 (the “Fixed FILOT Payment”). The Fixed FILOT Payment is subject to adjustments after the Project is placed in service as provided in sections 4.2, 4.3, 4.4, and 4.5 of this Agreement. Should the FILOT Payment for any year be less than the Fixed FILOT Payment due for such year, the Sponsor agrees to pay an amount in addition to the FILOT Payment due for such year to make the Sponsor’s total payment to the County for that year equal to the Fixed FILOT Payment (as may be adjusted).

The Infrastructure Credit may be allocated among the Sponsor and any Sponsor Affiliates’ cost of Infrastructure as determined from time to time by Sponsor as the Project components owned by each of the Sponsor and the Sponsor Affiliates constitute one integrated Project. To the extent a Sponsor Affiliate is not able to use or apply an Infrastructure Credit due to a lack of Infrastructure costs, such Infrastructure Credit shall be applied to the Sponsor’s Infrastructure costs so as to put the Sponsor in the same economic position as if the Sponsor Affiliate had been able to use such Infrastructure Credit.

To the extent the Infrastructure Credit is used to pay for the cost of personal property and the removal of such personal property results in a penalty pursuant to 4-29-68(A)(2)(ii) of the Code, the Sponsor shall be entitled to an additional Infrastructure Credit against any remaining FILOT Payments to be made on property remaining subject to the FILOT Payments after the date of such removal.
AN ORDINANCE AUTHORIZING THE TERMINATION OF A LEASE AGREEMENT BETWEEN ANDERSON COUNTY, SOUTH CAROLINA AND PROJECT LILAC; THE CONVEYANCE OF CERTAIN PROPERTY FROM ANDERSON COUNTY, SOUTH CAROLINA TO PROJECT LILAC OR ITS DESIGNEE; THE EXECUTION AND DELIVERY OF AN INFRASTRUCTURE CREDIT AGREEMENT, BY AND BETWEEN ANDERSON COUNTY, SOUTH CAROLINA AND PROJECT LILAC OR ITS DESIGNEE, TO PROVIDE FOR SPECIAL SOURCE REVENUE CREDITS; AND OTHER RELATED MATTERS.

WHEREAS, Anderson County, South Carolina (the “County”), acting by and through its County Council (the “County Council”), as authorized by Title 4, Chapter 12 of the Code of Laws of South Carolina 1976, as amended (the “FILOT Act”), entered into a Lease Agreement dated December 15, 1999, with [Original Company] (the “1999 Lease Agreement”), and by way of succession, merger, name change and assignment [Project Lilac] is now the party to the 1999 Lease Agreement, a copy of which is attached hereto as Exhibit A, and is now the owner of the Project (defined herein); and

WHEREAS, pursuant to the 1999 Lease Agreement [Project Lilac] would, in lieu of statutory ad valorem taxes, make Payments-in-Lieu-of-Taxes (as defined in the 1999 Lease Agreement) for real and personal property comprising the Project (as defined in the 1999 Lease Agreement and the Infrastructure Credit Agreement (defined herein)) that were placed in service after February 5, 1999 and before February 6, 2005, for a total of 20 years for each item of property comprising the Project; and

WHEREAS, [Project Lilac] transferred the real property upon which the Project is located (the “Land”), a description of which is attached hereto as Exhibit B, to the County, as required by the FILOT Act; and

WHEREAS, at the time the parties entered the 1999 Lease Agreement [Project Lilac] anticipated investing at least $30,000,000 in the Project and [Project Lilac] has since invested and maintained at least $30,000,000 in the Project; and

WHEREAS, based on the Inducement (defined herein) [Project Lilac] transferred a substantial portion of the Project to a new owner by way of an equity sale (the “Acquisition”); and

WHEREAS, the Land and personal property comprising the Project are currently located in a multicounty business park (the “Park”) [ENTER PARK INFORMATION] and in accordance with Article VIII, Section 13 of the South Carolina Constitution and Sections 4-1-170, 4-1-175, and 4-29-68 of the Code of Laws of South Carolina 1976, as amended (collectively the “Multi County Park Act”), real and personal property having a situs in a Park is exempt from all ad valorem property taxes; however, the owner or lessee of such property is obligated to make, or cause to be made, payments in lieu of taxes to the County in the total amount equivalent to the ad
valorem property taxes that would have been due and payable with respect to such property but for the location of such property within the Park (each a “FILOT Payment”).

WHEREAS, pursuant to that Resolution No. 2019-007 adopted by the County Council on February 19, 2019, as an inducement to the Acquisition and the anticipated retention of the Project in the County (the “Inducement”), [Project Lilac] requested and the County authorized, finding it to be a substantial public benefit to the County, a new incentive arrangement with [Project Lilac] or its designee (“New Incentive Arrangement”), the form of which is presented to County Council and attached hereto as Exhibit C (the “Infrastructure Credit Agreement”); and

WHEREAS, the New Incentive Arrangement permits the Company, at its sole discretion, to make PILOT Payments net of Special Source Revenue Credits (“SSRC”)s such that the net PILOT Payments would be equivalent to the remaining Payments-in-Lieu-of-Taxes that would have become due under the 1999 Lease Agreement and to extend the term of such benefits by a period of 20 years, resulting in a total term of 40 years during which the Company could continue to make such net PILOT Payments, as further set forth in the Infrastructure Credit Agreement; and

WHEREAS, in order for the real and personal property assets of [Project Lilac] that are subject to the benefits of the 1999 Lease Agreement to receive the benefits under the New Incentives Arrangement, [Project Lilac] must exercise its option to purchase pursuant to Section 11.1. of the 1999 Lease Agreement, upon which the County would convey such real and personal property back to [Project Lilac], or at [Project Lilac’s] option, to its designee, and the County consents thereto; and

WHEREAS, as of the effective date of this Ordinance, with the consent of the County thereto, [Project Lilac] has exercised its option to purchase pursuant to the 1999 Lease Agreement, and the County has conveyed, or will as soon as practicable convey, all real and personal property comprising the Project, at the option of [Project Lilac] back to [Project Lilac] or its designee, and the 1999 Lease Agreement is terminated or will terminate upon such conveyance.

NOW, THEREFORE, BE IT ORDAINED BY THE ANDERSON COUNTY COUNCIL DULY ASSEMBLED THAT:

Section 1. Inclusion and Maintenance of the Project in the Park. The County will use its best efforts to ensure that the Project is incorporated into and will remain in the Park (or a successor multi-county business park) for no less than the term of the Infrastructure Credit Agreement.

Section 2. Authorization to Execute and Deliver the Infrastructure Credit Agreement. The form, terms and provisions of the Infrastructure Credit Agreement presented at this meeting and filed with the Clerk to County Council are hereby approved, and all of the terms, provisions and conditions thereof are hereby incorporated herein by reference as if the Infrastructure Credit Agreement was set out in this Ordinance in its entirety. The Chairman of County Council and the Clerk to County Council are hereby authorized, empowered and directed to execute, acknowledge and deliver the Infrastructure Credit Agreement in the name and on behalf of the County, and thereupon to cause the Infrastructure Credit Agreement to be delivered to [Project Lilac] or [the Buyer]. The Infrastructure Credit Agreement to be in substantially the form
now before this meeting and hereby approved, or with such changes therein as shall not materially adversely affect the rights of the County thereunder and as shall be approved by the officials of the County executing the same upon the advice of the County Attorney, their execution thereof to constitute conclusive evidence of their approval of any and all changes or revisions therein from the form of Infrastructure Credit Agreement now before this meeting.

Section 3. Approval of Termination of 1999 Lease Agreement. The termination of the 1999 Lease Agreement, effective upon the execution of the Infrastructure Credit Agreement by all parties thereto is hereby approved. The County hereby releases the Company from any future obligations or liability in connection therewith.

Section 4. Approval of Conveyance of Property. The conveyance of the real and personal property comprising the Project by the County to [Project Lilac] or its designee is hereby approved. The Chairman of County Council and the Clerk to County Council are hereby authorized, empowered and directed to execute, acknowledge and deliver limited warranty deeds and bills of sale or other conveyance documents in the name and on behalf of the County, the form of such documents as shown on Exhibit D attached hereto, are hereby approved, subject to any reasonable changes thereto, which are not materially adverse to the County. Upon their execution the County shall cause said deed(s) and bill(s) of sale to be delivered to [Project Lilac] or its designee for recording with the County’s real estate records department.

Section 5. Further Acts. The County Council authorizes the Chairman of County Council, the County Administrator, other County staff and the County Attorney, along with any designees and agents who any of these officials deems necessary and proper, in the name of and on behalf of the County (each an “Authorized Individual”), to take whatever further actions, and enter into whatever further agreements, as any Authorized Individual deems to be reasonably necessary and prudent to effect the intent of this Ordinance.

Section 6. General Repealer. All ordinances, resolutions and parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed.

Section 7. Severability. Should any part, provision or term of this Ordinance be deemed unconstitutional or otherwise unenforceable by any court of competent jurisdiction, such finding or determination shall not affect the rest and remainder of the Ordinance or any part, provision or term thereof, all of which is hereby deemed separable.

This Ordinance takes effect and is in full force only after the County Council has approved this Ordinance following three readings and a public hearing.

COUNTY OF ANDERSON

BILL OF SALE

THIS BILL OF SALE (the “Bill of Sale”) is given as of the ___ day of __________, 2019, by ANDERSON COUNTY, SOUTH CAROLINA, a body politic and corporate and a political subdivision of the State of South Carolina (the “County”), to [Project Lilac], a corporation duly organized under the laws of the State of South Carolina (the “Company”).

RECITALS:

On December 15, 1999, the Company and the County entered into a fee-in-lieu of taxes arrangement pursuant to Title 4, Chapter 12 of the South Carolina Code of Laws, as amended (the “Code”). In connection therewith, the County and the Company entered a Lease Agreement (the “1999 Lease Agreement”) and the Company transferred to the County its Project in the County (as defined in the 1999 Lease Agreement), consisting, in relevant part, of real and personal property (the “Property”), pursuant to which the County leased the Project to the Company and which 1999 Lease Agreement provides for fee-in-lieu of taxes treatment for the Project (as defined in the 1999 Lease Agreement).

The Company and the County having agreed to enter into a new arrangement, have agreed to terminate the 1999 Lease Agreement and the Company has exercised its option pursuant to the 1999 Lease Agreement to purchase the Project from the County.

Pursuant to an ordinance enacted on ________________, 2019 (the “Ordinance”), the County Council of Anderson County, South Carolina authorized the termination of the 1999 Lease Agreement and the above-described reconveyance of title to the Project to the Company.

EXHIBIT A
Legal Description

At that piece or parcel of land, together with any and all improvements thereon, situate, lying and being in Anderson County, and being more particularly described as follows: to wit,
EXHIBIT A-1

All machinery, equipment, fixtures, goods, furniture, office equipment, and all other personal property and fixtures located on, or acquired in connection with, the construction of improvements on the land described in Exhibit A.
This Infrastructure Credit Agreement (the “Agreement”) is made and entered into as of [date] by and between Anderson County, South Carolina (the “County”), a body politic and corporate and a political subdivision of the State of South Carolina (“State”), acting by and through the Anderson County Council (“County Council”) as the governing body of the County and [Project Lilac / Buyer], a company formerly known to the County as Project Lilac, a [state corp / llc], its affiliated and related entities and assigns (“Company”) and any other party that may join as a Project Affiliate (hereinafter, the County, the Company, and any Project Affiliate are referred to collectively as “Parties,” and individually as a “Party”).

WHEREAS, the County, acting by and through its County Council, as authorized by Title 4, Chapter 12 of the Code of Laws of South Carolina 1976, as amended (the “FILOT Act”), entered into a Lease Agreement dated December 15, 1999, with [Original Company] (the “1999 Lease Agreement”), and by way of succession, merger, name change and assignment [Project Lilac] is now the party to the 1999 Lease Agreement, a copy of which is attached hereto as Exhibit A, and is now the owner of the Project (defined herein); and

WHEREAS, pursuant to the 1999 Lease Agreement [Project Lilac] would, in lieu of statutory ad valorem taxes, make Payments-in-Lieu-of-Taxes (as defined in the 1999 Lease Agreement) for real and personal property comprising the Project (as defined in the 1999 Lease Agreement and this Agreement) that were placed in service after February 5, 1999 and before February 6, 2005, for a total of 20 years for each item of property comprising the Project; and

WHEREAS, [Project Lilac] transferred the real property upon which the Project is located (the “Land”), a description of which is attached hereto as Exhibit B, to the County, as required by the FILOT Act; and

WHEREAS, at the time the parties entered the 1999 Lease Agreement [Project Lilac] anticipated investing at least $30,000,000 in the Project and [Project Lilac] has since invested and maintained at least $30,000,000 in the Project; and

WHEREAS, based on the Inducement (defined herein) [Project Lilac] transferred a substantial portion of the Project to a new owner by way of an equity sale (the “Acquisition”); and
WHEREAS, the Land and the Project are currently located in a multicounty business park (the “Park”) and in accordance with Article VIII, Section 13 of the South Carolina Constitution and Sections 4-1-170, 4-1-175, and 4-29-68 of the Code of Laws of South Carolina 1976, as amended (collectively the “Multi County Park Act”), real and personal property having a situs in a Park is exempt from all ad valorem property taxes; however, the owner or lessee of such property is obligated to make, or cause to be made, payments in lieu of taxes to the County in the total amount equivalent to the ad valorem property taxes that would have been due and payable with respect to such property but for the location of such property within the Park (each a “FILOT Payment”); and

WHEREAS, pursuant to that Resolution No. 2019-007 adopted by the County Council on February 19, 2019, as an inducement to the Acquisition and the anticipated retention of the Project in the County (the “Inducement”), [Project Lilac] requested and the County authorized, finding it to be a substantial public benefit to the County, a new incentive arrangement with [Project Lilac] or its designee (“New Incentive Arrangement”); and

WHEREAS, the New Incentive Arrangement permits the Company, at its sole discretion, to make FILOT Payments net of Special Source Revenue Credits (“SSRC’s”) such that the net FILOT Payments would be equivalent to the remaining Payments-in-Lieu-of-Taxes that would have become due under the 1999 Lease Agreement and to extend the term of such benefits by a period of 20 years, resulting in a total term of 40 years during which the Company could continue to make such net FILOT Payments; and

WHEREAS, in order for the real and personal property assets of Project Lilac that are subject to the benefits of the 1999 Lease Agreement to receive the benefits under the New Incentives Arrangement, the Company must exercise its option to purchase pursuant to Section 11.1 of the 1999 Lease Agreement, upon which the County would convey such real and personal property back to [Project Lilac], or at [Project Lilac’s] option, to its designee and the 1999 Lease Agreement would terminate; and

WHEREAS, as of the effective date of this Agreement, with the consent of the County thereto, [Project Lilac] has exercised its option to purchase pursuant to the 1999 Lease Agreement, and the County has conveyed all real and personal property comprising the Project, at the option of Project Lilac back to [Project Lilac][designee] and the 1999 Lease Agreement is terminated; and

WHEREAS, the Company desires to enter into this Agreement, the terms of which the County and the Company have in good faith mutually negotiated, to effectuate the intent of the New Incentives Arrangement; and

WHEREAS, pursuant to an ordinance adopted [date] by County Council, the County authorized (i) the execution and delivery of this Agreement; (ii) the grant of Special Source Revenue Credits against the FILOT Payments with respect to the Project as further set forth herein; (iii) the maintenance and inclusion of the Project in the Park; (iv) the termination of the 1999 Lease Agreement upon the execution of this Agreement; and (v) the conveyance of the Land to [Project Lilac] or its designee.

(a) Subject to the provisions herein, the County agrees to provide a Special Source Revenue Credit (each an "SSRC") to the Company against its annual FILOT Payments due on the Eligible Property, beginning with the first tax year in which the Eligible Property is no longer eligible for those benefits under the 1999 Lease Agreement, such year anticipated to be 2020, for a total of twenty (20) years, according to the following schedule:

(a) Failure by the Company or, as applicable, any Project Affiliate, to make, upon levy, FILOT Payments; provided, however, that the Company or, as applicable, the Project Affiliate, shall be entitled to all redemption rights for non-payment of taxes granted by applicable statutes; or
(b) Failure of the Company or, as applicable, any Project Affiliate, to make payment of any other amounts payable to the County under this Agreement, of which default has not been cured within ninety (90) days of written notice of nonpayment from the County.

(c) Failure by the Company or, as applicable, any Project Affiliate, to perform any of the other material terms, conditions, obligations or covenants of the Company or, as applicable, any Project Affiliate hereunder, which failure shall continue for a period of ninety (90) days after written notice from the County to the Company or, as applicable, any Project Affiliate, specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

**Section 4.2 Remedies on Default.**

Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Company or, as applicable, any Project Affiliate, of such default and after the expiration of a ninety (90) day cure period shall have the option to take any one or more of the following remedial actions:

(a) Terminate this Agreement; or

(b) Take whatever action at law or in equity that may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Company or, as applicable, any Project Affiliate, under this Agreement.

**ARTICLE V MISCELLANEOUS**

**Section 5.1 Confidentiality.** The County acknowledges and understands that the Company and, as applicable, any Project Affiliate, utilizes confidential and proprietary “state-of-the-art” information and data in their operations, and that a disclosure of any information, including, but not limited to, disclosures of financial or other information concerning the Company’s operations and, as applicable, any Project Affiliate’ operations, could result in substantial harm to them and could thereby have a significant detrimental impact on their employees and also upon the County. Therefore, the County agrees that, except as required by law and pursuant to the County’s police powers, neither the County nor any employee, agent, or contractor of the County: (i) will request or be entitled to receive any such confidential or proprietary information; (ii) will request or be entitled to inspect the Project or any property associated therewith; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the County shall be entitled to inspect the Project provided they shall comply with the remaining provisions of this Section; or (iii) will knowingly and intentionally disclose or otherwise divulge any such confidential or proprietary information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Notwithstanding the foregoing, whenever the County shall be required by any governmental or financial entity to file or produce any reports, notices, returns, or other documents while this Agreement is in effect, the Company or owner of the Project at the time shall promptly furnish to the County through the County Attorney the completed form of such required documents together with a certification by the Company or owner.
that such documents are accurate and not in violation of any provisions of law or of the other documents of this transaction, and that the documents meet the legal requirements of such filing or delivery. In the event of the failure or refusal of the Company or owner to comply with this provision, the Company or owner agrees to pay the statement for attorney’s fees and administrative time presented by the County for producing and filing such documents, such statement to be paid within thirty (30) days after presentation by the County, and to promptly pay any fees, penalties, assessments, or damages imposed upon the County by reason of its failure to duly file or produce such documents. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Company and, as applicable, any Project Affiliate, may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees, or agents of the County or any supporting or cooperating governmental agencies who would gather, receive, or review such information or conduct or review the results of any inspections.

Section 5.2 Assignment. This Agreement may be assigned in whole or part by the Company. The Company agrees to notify the County of any assignments as soon as practical.

Section 5.3 Termination. Prior to the last SSRC available pursuant to this Agreement, the Company may at any time by written notice to the County, provide for the termination of this Agreement, effectively immediately upon giving such notice or upon such date as may be specified in the notice; provided that the Company shall have made payment to the County of all applicable payments payable under this Agreement as of such time. Upon any such termination, and subject to any provisions herein which shall by their express terms be deemed to survive any termination of this Agreement, the sole consequence to the Company shall be that it shall no longer be entitled to the benefit of the SSRCs provided herein and, except as may be expressly provided herein, in no event shall the Company be required to repay to the County the amount of any benefit previously received hereunder.

Section 5.4 Force Majeure. The Company shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders or regulations, war, or national emergency, acts of God, and any other cause, similar or dissimilar, beyond the Company’s reasonable control.

Section 5.5 Fiscal Year; Property Tax Year. If the Company’s and, as applicable, any Project Affiliate’s, fiscal year changes so as to cause a change in the Company’s or Project Affiliate’s property tax year, then the timing of the requirements of this Agreement are automatically revised accordingly.

Section 5.6 Notices. Any notice, election, demand, request or other communication to be provided under this Agreement shall be effective when delivered to the party named below or three business days after deposited with the United States Postal Service, certified mail, return receipt requested, postage prepaid, addressed as follows (or addressed to such other address as any party shall have previously furnished in writing to the other party), except where the terms hereof require receipt rather than sending of any notice, in which case such provision shall control:

AS TO THE COUNTY: Anderson County, South Carolina
Section 5.7 Binding Effect. This Agreement is binding, in accordance with its terms, upon and inure to the benefit of the Company, any Project Affiliate, and the County, and their respective successors and assigns, to the extent allowed by law. In the event of the dissolution of the County or the consolidation of any part of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises and agreements of this Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 5.8 Counterparts. This Agreement may be executed in any number of counterparts, all of the counterparts taken together shall be deemed to constitute one and the same instrument.

Section 5.9 Governing Law. This Agreement and all documents executed in connection herewith shall be construed in accordance with and governed by the laws of the State.

Section 5.10 Headings. The headings of the articles and sections of this Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Agreement.

Section 5.11 Amendments. The provisions of this Agreement may be modified or amended only in writing by an agreement lawfully entered into by all parties.

Section 5.12 Further Assurance. From time to time, and at the Company’s and any Project Affiliate’s expense, the County agrees to execute and deliver to the Company and any Project
Affiliates such additional instruments as either may reasonably request to effectuate the purposes of this Agreement.

**Section 5.13 Severability.** If any provision of this Agreement is declared illegal, invalid, or unenforceable for any reason, the remaining provisions hereof shall be unimpaired, and such illegal, invalid or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Company, and, as applicable, any Project Affiliate, with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Company and, as applicable, any Project Affiliate, the strong inducement to retain the Project in the County.

**Section 5.14 Limited Obligation.** NEITHER THE PROJECT NOR THE NEGOTIATION, EXECUTION, DELIVERY, OR IMPLEMENTATION OF THIS AGREEMENT SHALL GIVE RISE TO ANY PECUNIARY LIABILITY OF THE COUNTY OR ANY INCORPORATED MUNICIPALITY NOR TO ANY CHARGE AGAINST THEIR GENERAL CREDIT OR TAXING POWER.

STATE OF SOUTH CAROLINA
COUNTY OF ANDERSON

Richard S. Cooper and Margaret B. Cooper, Trustees, or their successors in trust under the Cooper Living Trust dated November 26, 1997, Richard S. Cooper, J and E Holdings, LLC and Beeson Development, LLC, Petitioners,

County of Anderson, South Carolina,
Respondent.

Petitioners, by and through their undersigned counsel, would respectfully show this Court the following:

JURISDICTION AND VENUE

1. The real property ("Beehive Blvd") which is the subject of this action is located in Anderson County, South Carolina and is more particularly described as follows:

   Beehive Blvd extending 288 feet from SC Highway 153 to its terminus and exists on one parcel of property identified as Anderson County tax map number 237-00-08-009 as shown on a map prepared by Anderson County Roads and Bridges Department on July 22, 2019, including any and all portions of Beehive Blvd that may not be herein described but are intended to be abandoned.

2. Beehive Blvd is located within the County of Anderson and is identified as Anderson County Road Number C-01-0372 on the records for Anderson County, South Carolina.

3. Petitioners own fee simple title to the real property which abuts each portion of Beehive Blvd to be closed hereunder. Petitioners, Richard S. Cooper and Margaret B. Cooper, Trustees, or their successors in trust under the Cooper Living Trust dated November 26, 1997, Richard S. Cooper and J and E Holdings, LLC, collectively owning Anderson County tax map
number 237-00-08-009 and Petitioner, Beeson Development, LLC, owning Anderson County tax map number 237-00-08-002.

4. The Respondent, County of Anderson, is the governmental entity charged with maintaining the roads within the County of Anderson, South Carolina, which is joined to this action because it may claim, for the public, some right, title or interest in Beehive Blvd which is the subject of this action.

5. For the forgoing reasons jurisdiction and venue are proper with this court.

FOR A FIRST CAUSE OF ACTION
(Road Closure)

6. Petitioners have instituted this action in accordance with the procedures described in § 57-9-10 through § 57-9-40 of the South Carolina Code of Laws (1976, as amended) for the purpose of formally closing Anderson County Road C-01-0372 identified herein above, and establishing record title to the real property which underlies Beehive Blvd to be abandoned and closed.

7. Petitioners have caused a Notice of Intent to File a Petition to be published once a week for three (3) consecutive weeks in a newspaper of general circulation published in Anderson County, South Carolina, as will be evidenced by the Affidavit of Publication to be filed with this Court.

8. Respondent has caused signs with Notice of Pending Closure to be posted at each terminus of Beehive Blvd in compliance with the requirements of Regulation §63-10, of the South Carolina Code of Laws (1976, as amended).

9. The closure of Beehive Blvd described above is appropriate and necessary to allow the productive development of the real property owned by Petitioners and will not adversely affect the ability of owners surrounding Beehive Blvd or the general public to have access to or travel
upon public roads located nearby.

10. Petitioners believe and allege that Beehive Blvd serves no public purpose in that it does not provide access to any existing development or improvements.

11. Petitioners believe and allege that it is in the best interest of all parties involved and the general public that Beehive Blvd described hereinabove and shown on the map attached here to as Exhibit A be ordered closed and abandoned and that fee simple title to Beehive Blvd be vested in Petitioner, Richard S. Cooper and Margaret B. Cooper, Trustees, or their successors in trust under the Cooper Living Trust dated November 26, 1997.

12. Petitioners own the property abutting the boundaries of Beehive Blvd and therefore Petitioners have complied with the notice requirements of § 57-9-10, et seq. of the South Carolina Code of Laws (1976, as amended).

WHEREFORE, Petitioners respectfully pray that this Court grant the following relief:

1. For an Order directing that Beehive Blvd described hereinabove and by the map attached hereto as Exhibit A be judicially closed and permanently abandoned as a paved, public road;

2. For an Order that fee simple title to Beehive Blvd be vested in Petitioner, Richard S. Cooper and Margaret B. Cooper, Trustees, or their successors in trust under the Cooper Living Trust dated November 26, 1997;

3. For an Order permanently enjoining Petitioners and Respondent, and all persons claiming under them, from asserting any adverse claim to title to the property as established by the order of this Court;

4. That the office of the Register of Deeds for Anderson County be directed to record the Order issued by this Court in the records of said office, indexed in the Book of
Deeds to real estate maintained in said office in the name of the Petitioners and the Respondent in the Grantor index and in the name of the Petitioners and the Respondent in the Grantee index; and

5. For such other and further relief as the Court deems just and proper.

Respectfully submitted,

/s/ Aimee V. Leary

WHEREAS, Anderson County, South Carolina ("County"), acting by and through its County Council ("County Council") is authorized pursuant to the provisions of Title 12, Chapter 44, Code of Laws of South Carolina, 1976, as amended ("Act") to encourage manufacturing and commercial enterprises to locate in the State of South Carolina ("South Carolina" or "State") or to encourage manufacturing and commercial enterprises now located in the State to expand their investments and thus make use of and employ the manpower, products, and other resources of the State by entering into an agreement with a sponsor, as defined in the Act, that provides for the payment of a fee-in-lieu of ad valorem tax ("FILOT Payments") with respect to economic development property, as defined in the Act;

WHEREAS, Project Santa’s Hat, an entity whose name cannot be publicly disclosed at this time ("Sponsor"), desires to invest capital in the County in order to establish a photovoltaic solar facility in the County ("Project");

WHEREAS, the Project is anticipated to result in a total investment of not less than $2,500,000 in real and personal property;

WHEREAS, as an inducement to make the investment in the County, Sponsor has requested that the County negotiate a fee-in-lieu of ad valorem taxes agreement ("Agreement"), which provides for FILOT Payments with respect to the portion of the Project which constitutes economic development property, as defined in the Act; and

WHEREAS, the Sponsor has also requested that the County include the Project in a multicounty business park established pursuant to Article VIII, Section 13(D) of the Constitution of the State of South Carolina, and Sections 4-1-170, 4-1-172, 4-1-175 and 4-29-68 of the Code of Laws of South Carolina, 1976, as amended (the "MCBP Act") and provide certain special source revenue credits ("SSRCs") against the FILOT payments pursuant to the MCBP Act.

NOW, THEREFORE, BE IT RESOLVED by the County Council as follows:

Section 1. This Resolution is an inducement resolution for this Project for purposes of the Act.

Section 2. County Council agrees to enter into the Agreement, which provides for FILOT Payments with respect to the portion of the Project which constitutes economic development property, using an assessment ratio of six percent (6%) and a fixed millage rate of 353.4, for a period of forty (40) years. The FILOT Payments shall be reduced further by an SSRC each year in an amount sufficient to reduce the FILOT payments to an equal, level payment of $8,000 over the forty (40) year term of the Agreement. The further details of the FILOT Payments, SSRCs, and the Agreement will be prescribed by subsequent ordinance of the County to be adopted in accordance with South Carolina law and the rules and procedures of the County.

Section 3. County Council identifies and reflects the Project by this Resolution, therefore permitting expenditures made in connection with the Project to qualify as economic development property, subject to the terms and conditions of the Agreement and the Act.

Section 4. This Resolution is effective after its approval by the County Council.
RESOLVED this 17th day of September, 2019, in a meeting duly assembled.

MEMORANDUM

TO: RUSTY BURNS
FROM: STEVE NEWTON
DATE: AUGUST 14, 2019
RE: IMPLEMENTATION OF TITLE VI REQUIREMENTS RELATED TO COUNTY BOARDS AND COMMISSIONS

As you likely recall, as part of a recent compliance review of our Title VI program, SCDOT expressed concern about the amount and distribution of minority representation on the various county boards and commissions. We were asked to present to SCDOT some methods we may use to help encourage more public participation in our boards/commissions applications process. In response, staff suggested the following methods, which have been accepted by SCDOT:

METHOD 1: Use media assets (website, Facebook, Twitter, television station, and email notifications) to announce specific open positions and encourage applications

Suggested Responsible Parties: Clerk to Council; Public Information Office
Suggested Implementation: Clerk will notify PIO of specific board/commission openings; PIO will place notice of opening and link to application on website and media assets; Clerk will receive applications directly and distribute accordingly

METHOD 2: Make general solicitations for applications via our media assets on a quarterly basis in an effort to increase the pool of candidates to consider as slots become available

Suggested Responsible Parties: Public Information Officer; Clerk to Council
Suggested Implementation: PIO to publish an open solicitation for applications on website and media assets at the beginning of each quarter; Clerk will receive applications directly and distribute accordingly

METHOD 3: Maintain a list of community interest groups and request assistance from these organizations in encouraging applications from citizens they serve

Suggested Responsible Parties: Governmental Affairs; Planning Director
Suggested Implementation: The responsible parties will work with relevant actors to develop and maintain a comprehensive database of active community groups; Governmental Affairs will directly notify groups of openings and send periodic solicitations of open applications.
METHOD 4: All county departments will solicit applications during their group interactions with the general public (neighborhood meetings, community events, etc.)

**Suggested Responsible Parties:** Division Heads; Department Heads

**Suggested Implementation:** The responsible parties, at all public and community meetings they organize and/or staff, will make available printed copies of the county’s boards and commissions application form.

As a final matter of implementation, the Clerk to Council is asked to forward by email a copy of all submitted board/commission applications to the Governmental Affairs office received during a calendar year so response data can be reported to SCDOT if requested.

Please review and advise if we may proceed with establishing and implementing the described methods. Should this matter need Council ratification, please place as an appropriate agenda item at the earliest available Council meeting. If there are other suggested approaches we may wish to take, please forward those to me and I will consult with SCDOT as to acceptability.
